I. RECITALS AND GENERAL AWARD INFORMATION

WHEREAS, on September 2017, Hurricanes Irma and María made landfall in Puerto Rico causing catastrophic island wide damage, knocking out power, water, and telecommunications for the entire island and its island municipalities. Hurricane María caused major structure and infrastructure damage to family homes, businesses and government facilities triggering the displacement of thousands of residents of the Island from their homes and jobs.

WHEREAS, under the Further Additional Supplemental Appropriations Act for Disaster Relief Requirements Act, 2018, (Division B, Subdivision 1 of the Bipartisan Budget Act of 2018, Pub. L. 115-123, approved February 9, 2018), \$8.285 billion were allocated by the U.S. Department of Housing and Urban Development (**HUD**) for mitigation activities and assistance to the Government of Puerto Rico under the Community Development Block Grant – Mitigation (**CDBG-MIT**) Program. These funds are intended to provide financial assistance in areas impacted by recent disasters. Moreover, CDBG-MIT funds represent a unique and significant opportunity for Puerto Rico to carry out strategic and high impact activities to mitigate disaster risks and reduce future losses.

WHEREAS, on August 30, 2019, a Notice was published in the Federal Register, Vol. 84, No. 169, (84 Fed. Reg. 45838), described the grant requirements and procedures applicable to future allocations of CDBG-MIT funds to the Government of Puerto Rico.

WHEREAS, on May 12, 2021, the PRDOH Secretary and the Secretary of HUD signed Grant Agreement Number B-18-DP-72-0002; allowing PRDOH access to \$8,285,284,000 in CDBGMIT funding, obligated under Pub. L. 115-123, as amended.

WHEREAS, PRDOH is the governmental agency designated as grantee of the CDBG-MIT funds allocated to the Government of Puerto Rico.

WHEREAS, with these allocations of funding, the PRDOH aims to lead a transparent, comprehensive recovery to benefit the residents of Puerto Rico. PRDOH holds accountability and is committed to the responsible, efficient, and transparent administration of CDBG-MIT grant funding.

WHEREAS, according to the approved current CDBG-MIT Action Plan, Puerto Rico intends to undertake the Hazard Mitigation Grant Program (**HMGP-MIT Program** or **Program**) under the Global Match Strategy. PRDOH will work in partnership with the Central Office for Recovery, Reconstruction and Resiliency (**COR3**) and the State Hazard Mitigation Officer (**SHMO**) to coordinate efforts to administer the implementation and programmatic oversight of the projects included under the Global Match Strategy as part of the CDBG-MIT grant. The focus of the Program is to complement the existing mitigation programs currently administered by Federal Emergency Management Agency (**FEMA**). The PRDOH has allocated to the Subrecipient the total amount of **thirty-five million three hundred fifty-one thousand four hundred thirty-one dollars and thirty-one cents (\$35,351,431.31)** of the funds allocated under the CDBG-MIT Program. The Subrecipient shall administer and use such funds for the provision of the services described in the **Exhibit A** ("Scope of Work") under this SRA.

WHEREAS, the Subrecipient will assist the PRDOH in utilizing CDBG-MIT funds to carry out the Program, pursuant to this SRA.

WHEREAS, the CDBG-MIT funds made available for use by the Subrecipient under this SRA constitute a Subaward of the PRDOH's Federal Award, the use of which must be in accordance with requirements imposed by Federal statutes, regulations, and the terms and conditions of the PRDOH's Federal Award.

WHEREAS, the PRDOH has the legal power and authority, in accordance with its enabling statute, the Organic Act, as amended, *supra*, the federal laws and regulations creating and allocating funds to the CDBG-MIT Program and the current Action Plan, to issue and award the subaward, and to enter and perform under this SRA.

WHEREAS, the Subrecipient has the legal power and authority, in accordance with its enabling statute, to enter into this SRA with the PRDOH, and by signing this SRA, the Subrecipient assures PRDOH that Subrecipient shall comply with all the requirements described herein.¹

- Exhibit E

HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements

All Exhibits hereto are fully incorporated herewith such that the terms and conditions of the Exhibits shall be as binding as any terms and conditions of this executed written SRA. Should any inconsistency appear between the Exhibits and this SRA, the SRA shall prevail.

III. SCOPE OF WORK

The Subrecipient shall be responsible for performing the activities detailed in **Exhibit A** ("Scope of Work") of this SRA, herein attached and made an integral part of this SRA, which may be amended from time to time with the consent of both Parties. The Subrecipient shall complete the Scope of Work in a manner satisfactory to the PRDOH and consistent with the terms and conditions of this SRA and applicable Federal and local statutes, laws and regulations.

A. Subrecipient Management Responsibilities

1. As a condition of receiving this Subaward, the Subrecipient shall comply with all applicable procurement, documentation, and funding requirements for the services included in the **Exhibit A** ("Scope of Work") and **Exhibit B** ("Timelines and Performance Goals") for the Program.
2. All services shall be made in accordance with PRDOH guidelines, HUD guidelines and regulations, and other applicable state and federal laws and regulations, unless instructed otherwise by PRDOH.

B. General Administration

Prohibited Activities: The Subrecipient may only carry out the roles and responsibilities described in this SRA and the activities described in the **Exhibit A** ("Scope of Work") of this SRA. Notwithstanding anything to the contrary in this SRA, the Subrecipient shall not be obligated to perform any work or services outside the **Exhibit A** ("Scope of Work") of this SRA.

The Subrecipient is prohibited from charging to the PRDOH the costs of CDBG and/or CDBG-MIT ineligible activities, including those described at 24 C.F.R. § 570.207, unless waived or made eligible by an applicable Federal Register Notice, from using funds provided herein or personnel employed in the administration of activities under this SRA for political activities, inherently religious activities, or lobbying. The Subrecipient may be financially liable for the activities undertaken outside of the parameters of the **Exhibit A** ("Scope of Work") of this SRA.

C. National Objectives

All activities funded with CDBG-MIT funds must meet one (1) of the two (2) CDBG-MIT Program's National Objectives: (i) benefit low-and moderate-income (**LMI**) persons or; (ii) meet a particular urgent need for mitigation (**UNM**), as defined in 24 C.F.R. § 570.208, as amended by waiver published in the Federal Register, Vol. 84, No. 169 (84 Fed. Reg. 45838) on August 30, 2019. The national objective for LMI requires that proposed mitigations programs and projects must prioritize the protection of LMI individuals: no less than fifty percent (50%) of the CDBG-MIT grant must benefit LMI. The UNM national objective requires that activities under the CDBG-MIT Program result in measurable and verifiable reductions in the risk of loss of life and property from future disasters and yield community development benefits.

Additionally, as per 84 Fed. Reg. 45857 (August 30, 2019), the provisions of 24 C.F.R. § 570.483(e) and §570.208(d) are modified by an alternative requirement to include the following additional criteria for all mitigation activities funded with CDBG-MIT funds. To meet a national objective, all CDBG-MIT activities must:

1. Demonstrate the ability to operate for the useful life of the project.
2. Be consistent with other mitigation activities. To be consistent, the CDBGMIT activity must not increase the risk of loss of life or property in a way that undermines the benefits from other uses of CDBG-MIT funds in the most impacted and distressed (**MID**) area.

The Subrecipient certifies that the activities carried out under this SRA shall meet at least one (1) of these national objective(s) as established above. The Subrecipient shall ensure that the funded activity or services meet the applicable CDBG-MIT National Objective(s) and that the subcontractor or third party collect the necessary information and complete the applicable forms to document the National Objective(s).

D. Levels of Accomplishment – Performance Goals and Timelines

The Subrecipient shall complete the activities required under the **Exhibit A** ("Scope of Work") of this SRA in accordance with the timeframes and performance goals set forth in **Exhibit B** ("Timelines and Performance Goals") of this SRA, herein attached and made an integral part of this SRA.

E. Nonperformance Standard

If at the end of the **six (6) months** from the Effective Date, as defined in **Section V** of this SRA, the Program activity has not begun or at any time during the term the Program activity has not accomplished the performance objectives set forth by the PRDOH in **Exhibit B** ("Timelines and Performance Goals"), the PRDOH may, at its sole discretion, terminate this SRA, de-obligate funds made available under this SRA, and/or recapture funds previously expended by the Subrecipient under this SRA from non-federal funds. No contract extensions shall be granted unless the Subrecipient can document circumstances beyond its control that prevented start of the activity. The PRDOH shall review the properly filed and documented circumstances which are alleged to have prevented the initiation of activity and exclusively reserves the right to decide if an extension is warranted, relative to the reasons stated as well as the prevailing circumstances.

F. Pre-Award Costs

Pre-award costs applicable to the Subrecipient are strictly prohibited.

G. Infrastructure Projects

As per 84 Fed. Reg. 45851 (August 30, 2019), Infrastructure Projects are defined as an activity or group of related activities that develop the physical assets that are designed to provide or support services to the general public in sectors such as: surface transportation, water resource projects, pipelines, drinking water infrastructure, among others.

For more details regarding the definition of Infrastructure Projects and applicable regulations, refer to the CDBG-MIT Action Plan, Program Guidelines and policies.

Covered Projects

HUD has created a new standard for the evaluation of larger-scale infrastructure projects by introducing the concept of Covered Projects. As per 84 Fed. Reg. 45840 (August 30, 2019), a Covered Project under CDBG-MIT is defined as an Infrastructure Project having: (1) a total project cost of \$100 million or more; and (2) include at least \$50 million of CDBG funds (regardless of CDBG source such as CDBG-DR, CDBG-National Disaster Resilience (**NDR**), CDBG-MIT, CDBG funds, etc.). HUD requires that Covered Projects undergo an enhanced evaluation process, which may include a Benefit Cost Analysis (**BCA**) to determine if the benefits of the completed project outweigh the costs of implementing the project. The Covered Projects administered by PRDOH are described in the CDBG-MIT Action Plan, as amended.

Additionally, according to 84 Fed. Reg. 45857 (August 30, 2019), the provisions of 24 C.F.R. § 570.483(e) and §570.208(d) are modified to incorporate, as additional criteria, that all Covered Projects must:

1. Demonstrate long-term efficacy and fiscal sustainability by: documenting measurable outcomes or reduction in risk; documenting how the Covered Project will reflect changing environmental conditions with risk management tools and alter funding sources if necessary; and by establishing a plan for the long-term operation and maintenance of the Covered Project.
2. Demonstrably benefit the MID area. The benefits of the Covered Project must outweigh the costs of the Covered Project; benefits outweigh costs if the Benefit Cost Analysis (**BCA**) results in a benefit-to-cost ratio greater than 1.0. Alternatively,

MR
DIP

for a Covered Project that serves LMI persons or other persons that are less able to mitigate risks or respond to and recover from disasters, benefits outweigh costs if the grantee supplements its BCA with a qualitative description of benefits that cannot be quantified but sufficiently demonstrate unique and concrete benefits of the Covered Project for that population.

For more details regarding Covered Projects' definitions, evaluation criteria and other requirements, refer to the CDBG-MIT Action Plan, Program Guidelines and policies.

IV. PERFORMANCE, MONITORING AND REPORTING

A. Monitoring

The PRDOH shall monitor the performance of the Subrecipient as necessary to ensure that the funds allocated to the Subrecipient are used for authorized purposes, in compliance with Federal statutes, regulations, the Program Guidelines, and the terms and conditions of this SRA, including the timeframes and performance goals set forth in **Exhibit B** ("Timelines and Performance Goals") associated with the activities included in the **Exhibit A** ("Scope of Work").

Project monitoring will be implemented according to the **Exhibit A** ("Scope of Work"). If the project described in the **Exhibit A** ("Scope of Work") was approved by phasing, the Subrecipient must meet the requirements requested in the initial phase before beginning the next approved phase.

This review shall include: (1) reviewing financial and performance reports required by the PRDOH; (2) following-up and ensuring that the Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the Subrecipient from the PRDOH detected through audits, on-site reviews, and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to the Subrecipient from the PRDOH as required by 2 C.F.R. § 200.521.

Substandard performance, defined as a performance that falls short of the standard expected of the Subrecipient, as specified in the SRAs exhibits, shall constitute noncompliance with this SRA.

If action to correct such substandard performance is not taken by the Subrecipient within **thirty (30) days** after being notified by PRDOH, PRDOH may impose additional conditions on the Subrecipient and suspend or terminate this SRA, disallow all or part of the cost of the activity or action not in compliance or initiate other remedies for noncompliance, as appropriate and permitted under 2 C.F.R. § 200.339.

B. Progress Reporting

The Subrecipient must complete and submit a quarterly report for each funded project in the form, timeframe, and with the content specified and required by PRDOH. The report will be reviewed against the scope of work and milestones provided in the approved application to determine if project eligible activities are proceeding as scheduled. If it is determined that significant information is missing or information provided is not consistent with the **Exhibit A** ("Scope of Work"), the Subrecipient will be contacted for clarification or follow-up information.

General information regarding the form, timeframe, and content of the progress reports may be found in the Program Guidelines. PRDOH shall later notify in writing to the Subrecipient any further guidelines or requirements applicable to the submittal of any and all required reports. Such notification shall be deemed incorporated by reference to this SRA. PRDOH will compile data from these reports to meet its own reporting obligations according to Program requirements.

V. EFFECTIVE DATE AND TERM

This SRA shall be in effect and enforceable between the Parties from the date of its execution. The performance period of this SRA is **sixty (60) months** from the date of its execution, ending in **August 10, 2027**.

The End of Term shall be the later of: (i) **August 10, 2027**. (ii) the date as of which the Parties agree in writing that all Close-Out Requirements² have been satisfied or, where no Close-Out Requirements are applicable to this SRA, the date as of which the Parties agree in writing that no Close-Out Requirements are applicable hereto; or (iii) such later date as the Parties may agree to in a signed amendment to this SRA.

The Subrecipient hereby acknowledges that this SRA is subject to the Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD ("**Grant Agreement**"); and the availability of the allocated CDBG-MIT funds. The Subrecipient also acknowledges and agrees that any suspension, cancellation, termination or otherwise unavailability of the CDBG-MIT allocation(s) shall result in the immediate suspension, cancellation, or termination of this SRA, upon PRDOH's notice.

A. Contract Extensions:

PRDOH may, at its sole discretion, extend the SRA's term for additional terms, upon mutual written agreement of the Parties. The term of this SRA shall not exceed the lifetime of the initial Grant Agreement between PRDOH and HUD, unless the term of the initial Grant Agreement is extended by HUD, in which case the term of this SRA cannot exceed the extension.

VI. BUDGET

A. Budget

The Subrecipient shall complete all activities in the **Exhibit A** ("Scope of Work") of this SRA in accordance with the **Exhibit C** ("Budget") attached herein and made integral part of this SRA as such Budget may be amended from time to time.

The PRDOH may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the PRDOH. Any amendments to the budget must be approved in writing and signed by the PRDOH and the Subrecipient.

B. Program Income

PRDOH reserves the right to authorize the Subrecipient to retain Program Income³ to be used in eligible program activities as described in this SRA. The Subrecipient shall notify

² "Close-Out Requirements" means all requirements to be satisfied by each party in order to closeout this SRA and the CDBG-MIT funds provided herein in accordance with applicable Requirements of Law, including the execution and delivery by one or more of the Parties of all close-out agreements or other legal instruments and the taking of any actions by one or more of the Parties in connection with such close-out, in any case as required under applicable Requirements of Law.

³ As defined in section V(A)(19)(a) of the HUD Notice, 84 Fed. Reg. 45858 (August 30, 2019), as may be amended by HUD), *Program Income* is:

[...] gross income generated from the use of CDBG-MIT funds, or a subrecipient of a State or local government, except as provided in subparagraph (d) of this paragraph." [...]
Program income includes, but is not limited to, the following: (a) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG-MIT funds; (b) Proceeds from the disposition of equipment purchased with CDBG-MIT funds; (c) Gross income from the use or rental of real or personal property acquired by a State, local government, or Subrecipient thereof with CDBG-MIT funds, less costs incidental to generation of the income (i.e., net income); (d) Net income from the use or rental of real property owned by a State, local government, or Subrecipient thereof, that was constructed or improved with

PRDOH, within **thirty (30) days** of receipt of any Program Income generated by activities carried out with CDBG-MIT funds made available under this SRA. All Program Income (as defined at 24 C.F.R. § 570.500) generated by activities carried out with the CDBG-MIT Funds must be returned to PRDOH if retention of such is not previously authorized by PRDOH. Program Income is subject to all applicable CDBG-MIT laws, regulations and PRDOH's policies and procedures for so long as it exists. Contrary to CDBG-DR provisions, any interest earned on cash advances from the U.S. Treasury or interest paid on CDBG funds held in a revolving fund account is not Program Income.

All Program assets, other than Program Income (property, equipment, etc.), if any, shall revert to PRDOH upon termination of this SRA in accordance with applicable Federal laws, regulations, HUD Notices, policies, and guidelines.

PRDOH will later notify the Subrecipient in writing the applicable procedures for the return or reversion of Program Income and Program assets to the PRDOH, and such notification shall be deemed incorporated by reference to this SRA.

C. Property Management and Disposition

The Subrecipient will comply with regulations governing property management and distribution of real property, equipment, financial obligations, and return of un-obligated cash post program closeout. Applicable regulations can be found in 24 C.F.R. § 570.502, 24 C.F.R. § 570.505, 2 C.F.R. § 200.310, 2 C.F.R. § 200.343, 2 C.F.R. § 200.344(b), 2 C.F.R. § 200.344(d) and 24 C.F.R. § 570.489(j).

For any real property acquired or improved in whole or in part with CDBG funds in excess of \$25,000.00, the recipient must control the use of the property in accordance with its intended purpose and take good care of it and may not change the use or planned use of the property without proper notification to affected citizens and allowable time for comment by them. If the property is not a building for general government conduct, the use of the property may be changed with citizen approval if it either meets one (1) of the HUD National Objectives. If the recipient changes the use of the property, the recipient may either retain or dispose of the property and reimburse PRDOH the amount of the current fair market value of the property.

Further details on property management and disposition can be found in the CrossCutting Guidelines as a Property Management and Disposition Policy at <https://www.cdbg-dr.pr.gov/en/resources/policies/general-policies/>.

VII. PAYMENT

A. Amount

This SRA is based on the reimbursement of funds to the Subrecipient expended on approved CDBG-MIT items. Funding is contingent on a CDBG-MIT award to PRDOH or a Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD, and PRDOH's receipt of CDBG-MIT funds. It is expressly agreed and understood that the total funding amount to be paid by the PRDOH to the Subrecipient under this SRA shall not exceed the amount specified in the **Exhibit C** ("Budget"). Such payment shall be

CDBG-MIT funds; (e) Payments of principal and interest on loans made using CDBG-MIT funds; (f) Proceeds from the sale of loans made with CDBG-MIT funds; (g) Proceeds from the sale of obligations secured by loans made with CDBG-MIT funds; (h) Interest earned on program income pending disposition of the income, including interest earned on funds held in a revolving fund account; (i) Funds collected through special assessments made against nonresidential properties and properties owned and occupied by households not low- and moderate-income, where the special assessments are used to recover all or part of the CDBG-MIT portion of a public improvement; (j) Gross income paid to a State, local government, or a Subrecipient thereof, from the ownership interest in a for profit entity in which the income is in return for the provision of CDBG-MIT assistance.

WR
PRDOH

compensation for all allowable services required, performed and accepted under this SRA. However, PRDOH reserves the right to reduce the funding amount if CDBG-MIT funding is not provided under the Grant Agreement at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in the **Exhibit C** ("Budget").

Any additional funds to complete the services requested by the PRDOH to the Subrecipient shall be subject to funds availability and shall require an amendment to this SRA.

B. Payment Requests

Any Request for Reimbursement (**RFR**) submitted by the Subrecipient will be evaluated and approved by PRDOH and COR3 before disbursement. Once the project commences and work progresses, all payment requests for projects may be required to be submitted, by an authorized representative of the Subrecipient, concurrently through the corresponding systems provided by COR3 and PRDOH.

The Subrecipient shall submit the RFR to PRDOH, on the form and with the content specified and required by PRDOH for Global Match Projects. Reimbursement should be requested in accordance with the terms and previously agreed-upon milestones included in the approved **Exhibit A** ("Scope of Work"), **Exhibit B** ("Timelines and Performance Goals"), and **Exhibit C** ("Budget"), or at least quarterly and in line with work completion. Appropriate documentation of the expended funds shall accompany the RFR. At a minimum, this documentation should include a summary of the nature of the payment request with copies of supporting invoices. The RFR should clearly identify the individual project number when the grant includes multiple projects. Payment may not be processed without a current signed quarterly report on file with PRDOH. Proof of the Subrecipient's expenditure will be submitted as supporting documentation.

PRDOH will share with COR3 all funding information for visibility of costs incurred and documented to support the management of the Global Match Strategy available funds. COR3 and PRDOH will maintain updated accounting records to confirm final project balances at closeout.

In order for the Subrecipient to receive payment for any work performed hereunder, the following certification must be included in each RFR submitted to PRDOH:

"Under penalty of absolute nullity, I hereby certify that no public servant of the government entity is a party to or has an interest of any kind in the profits or benefits to be obtained under the contract which is the basis of this invoice, and should he be a party to, or have an interest in, the profits or benefits to be obtained under the contract, a waiver has been previously issued. The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct. The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefor."

The PRDOH shall pay to the Subrecipient CDBG-MIT funds available under this SRA [See **Exhibit D** ("Funds Certification")] based upon information submitted by the Subrecipient for allowable costs permitted under this SRA and consistent with the approved **Exhibit C** ("Budget"). Payments shall be made for eligible and allowed expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. PRDOH reserves the

right to adjust payments in accordance with program income balances available in Subrecipient accounts.

VIII. NOTICES

All notices, requests, approvals, and consents of any kind made pursuant to this SRA shall be in writing and shall be deemed to be effective as of the date sent by certified mail, return receipt requested, or email. IX. AMENDMENT AND TERMINATION

A. Amendments

This SRA may be amended provided that such amendments make specific reference to this SRA, comply with programmatic policies, procedures, and guidelines, are executed in writing and signed by a duly authorized representative of each party, and approved by PRDOH. Such amendments shall not invalidate this SRA, nor relieve or release the Parties from their obligations under this SRA. Unless specified, such amendments are not intended to affect, nor will they constitute an extinctive novation of the obligations of the Parties under the SRA and amendment.

This SRA may be amended by the Parties hereto, for the purpose of including any other CDBG-MIT funded program included in the HUD-approved Hurricanes Irma and María current Action Plan.

The PRDOH may, in its discretion, amend this SRA to conform with federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this SRA, such modifications shall be incorporated only by written amendment signed by both the PRDOH and the Subrecipient.

However, PRDOH reserves the right to notify the Subrecipient in writing, email or any other electronic method, any applicable policies, procedures, regulations, requirements, guidelines, or change in law, whether existing or to be established, as well as changes and/or amendments thereof, and the notified policies, procedures, regulations,

requirements, guidelines and laws shall be deemed incorporated by reference to this SRA without the need of executing a separate written and signed amendment. Any such changes and/or amendments shall be prospective and not retroactive, provided that said applicable policies, procedures, regulations, requirements, guidelines, or change in law are not retroactively applicable.

B. Suspension or Termination

1. Termination for Cause

The PRDOH may terminate this SRA, in whole or in part, upon **thirty (30) days'** notice, whenever it determines that the Subrecipient has failed to comply with any term, condition, requirement, or provision of this SRA. Failure to comply, include (but are not limited to) the following:

- a. Failure to attend mandatory technical assistance and/or training, or comply with any of the rules, regulations, or provisions referred to herein, or such statutes, regulations, executive orders, HUD guidelines, PRDOH's Program Guidelines, as applicable, and policies or directives as may become applicable at any time;
- b. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this SRA;
- c. Ineffective or improper use of funds provided under this SRA; or,
- d. Submission of reports by the Subrecipient to the PRDOH that are incorrect or incomplete in any material respect.

The Subrecipient shall have up to **thirty (30) days** to resolve issues listed above to the satisfaction of PRDOH.

2. Termination for Convenience of the PRDOH

The PRDOH may terminate this SRA any time by a notice in writing from the PRDOH to the Subrecipient. If the SRA is terminated by the PRDOH as provided herein, the Subrecipient shall be paid the total compensation as the allowable services actually performed up until the date of termination. Any compensation under this paragraph must be for documented costs that are CDBG-MIT eligible, and allowable, allocable, and reasonable in accordance with Uniform Administrative Requirements.

This SRA may also be terminated in whole or in part by either the PRDOH or the Subrecipient, or based upon the SRA by both the PRDOH and the Subrecipient in accordance with the requirements in 2 C.F.R. Part 200, subpart D.

3. Notification and Recoupment of Costs Incurred Prior to Termination

The PRDOH shall promptly notify the Subrecipient, in writing, of its determination and the reasons for the termination together with the date on which the termination shall take effect and any other notifications required under 2 C.F.R. Part 200, subpart D. Upon termination, the PRDOH retains the right to recover any improper expenditures from the Subrecipient and the Subrecipient shall return to the PRDOH any improper expenditures no later than **thirty (30) days** after the date of termination. In the case of a Termination for Convenience only, the PRDOH may, at its sole discretion, allow the Subrecipient to retain or be reimbursed for costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this SRA, 2 C.F.R. Part 200, subpart E, Cost Principles, and any other applicable state or Federal statutes, regulations or requirements.

4. Unilateral Termination

The PRDOH may terminate this SRA, in whole or in part, at PRDOH's sole discretion, with or without cause, at any time. The PRDOH will terminate this SRA by delivering to the Subrecipient a **thirty (30) day** notice of termination specifying the extent to which the performance of the work under this SRA is terminated, and the effective date of termination. Upon receipt of such notice, the Subrecipient shall immediately deliver to the PRDOH all information, studies and other materials property of the PRDOH. If the Subrecipient does not deliver to the PRDOH all information, studies, and other materials property of the PRDOH within the established timeframe, and the PRDOH invests any additional funds to reproduce the information, studies, and other materials not provided by the Subrecipient upon termination, then the PRDOH will disallow from payments to the Subrecipient under this SRA the funds expended for the PRDOH to reproduce such information, studies, and other materials. In the event of a termination by Notice, the PRDOH shall be liable only for payment of services rendered up to and including the effective date of termination.

5. Suspension

The PRDOH may suspend this SRA in whole or in part at any time for the PRDOH's convenience. The PRDOH shall give the Subrecipient **five (5) days'** written notice of such suspension.

6. Immediate Termination

In the event the Subrecipient, regarding any material matter pertaining to this SRA, is subjected to a criminal or civil action, suit, proceeding, inquiry or court of applicable jurisdiction, or any governmental agency, or the Subrecipient shall be subject to an order, judgment, or opinion, issued by any federal or local authority, a court of applicable jurisdiction, or any governmental agency, in connection with the execution, delivery, and performance by the Subrecipient of this SRA or the Subrecipient has been noncompliant, in breach, inaccurate in any representation, warranties, covenants, or the certifications provided herein, whether the noncompliance, breach or inaccuracy takes place before or after the execution of this SRA, the PRDOH shall have the right to the immediate termination of this SRA notwithstanding, any provisions to the contrary herein. This section will apply in the event of any judgment that may obligate the PRDOH to terminate the SRA pursuant to Act No. 2 of January 4, 2018, as amended, 3 LPRA § 1881 *et seq.*, known as the "Anti-Corruption Code for the New Puerto Rico". The Subrecipient has a continuous obligation to report to PRDOH any proceedings which apply to the Subrecipient under this paragraph.

In the event that the grant of funds by HUD under any allocations of the CDBG-MIT may be suspended, withdrawn or canceled, this SRA will be immediately terminated.

7. Period of Transition.

Upon termination of this SRA, and for **ninety (90) consecutive calendar days** thereafter (the **Transition Period**), if applicable, Subrecipient agrees to make himself available to assist the PRDOH with the transition of services assigned to the Subrecipient by the PRDOH. Subrecipient shall provide to the PRDOH the assistance reasonably requested to facilitate the orderly transfer of responsibility for performance of the Services to the PRDOH or a third party designated by the PRDOH. PRDOH reserves the right to provide for the execution of a Transition Services Agreement for the Transition Period. In such instance, the Subrecipient will be paid at a reasonable, agreed upon, hourly rate for any work performed for the PRDOH during the Transition Period. Moreover, during that Transition Period, all finished or unfinished records (files, data, work product) connected with this SRA will be turned over to PRDOH.

8. Availability of Funds

This SRA is contingent upon the availability of funds from HUD. It is expressly understood and agreed that the obligation to proceed under this SRA is conditioned upon the

WJ
DIR

receipt of Federal funds. If the funds anticipated for the continuing fulfillment of the SRA are, at any time, not forthcoming or insufficient, either through the failure of the Federal government to provide funds or the discontinuance or material alteration of the Program under which funds were provided, or if funds are not otherwise available to PRDOH, the PRDOH has the right upon **ten (10) working days** written notice to the Subrecipient, to terminate this SRA without damage, penalty, cost or expenses to PRDOH of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

X. COMPLIANCE WITH FEDERAL STATUTES, REGULATIONS AND THE TERMS AND CONDITIONS OF THE FEDERAL AWARD AND ADDITIONAL PRDOH REQUIREMENTS

The "HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements", which are attached to, and made an integral part of this SRA as **Exhibit E**, set forth certain requirements imposed by HUD with respect to the PRDOH's Federal award or CDBG-MIT Grant. Furthermore, the **Exhibit F** ("Special Conditions"), attached herein and made an integral part of this SRA, is reserved to cover particular circumstances, conditions or specific requirements as they arise from the demands of the Program.

The Subrecipient agrees to carry out its obligations under this SRA in compliance with all the requirements described in the **Exhibit E**, as well as those set forth in the aforementioned **Exhibit F** attached to this SRA.

XI. INSURANCE & BONDING

The Subrecipient shall carry sufficient insurance coverage and bonding from insurers licensed to conduct business in the Government of Puerto Rico to protect all contract assets from loss due to any cause, including but not limited to theft, fraud, and/or physical damage. The Government of Puerto Rico, the Puerto Rico Department of Housing and the U.S. Department of Housing and Urban Development shall be named as additional insured on all such insurance. The Subrecipient shall meet all other insurance requirements as the PRDOH may impose from time to time. In addition, all insurance carriers and bonding companies shall meet minimum size and financial stability/financial rating requirements as may be imposed by the PRDOH from time to time. Certificates of insurance shall be provided to the PRDOH and full and complete copies of the policies and/or bonds shall be provided to the PRDOH upon its request for same.

Notwithstanding the above, for construction or facility improvement performed by the subcontractors or third parties, the Subrecipient shall ensure that the contractors or third parties, at a minimum, comply with the bonding requirements at 2 C.F.R. Part 200, subpart D.

XII. CDBG-MIT POLICIES AND PROCEDURES

In addition to what is established in this SRA, the Subrecipient shall comply with all CDBGMIT program specific⁴ and general policies and procedures, which may include, but are not limited to, the Subrecipient Management Policy, OS&H Guideline, MWBE Policy, URA & ADP Guidelines, Cross Cutting Guidelines, AFWAM Policy, Section 3 Policy, Language Access Plan, Personally Identifiable Information, Confidentiality, and Nondisclosure Policy and Conflict of Interest and Standards of Conduct Policy, as found

XIII. SYSTEM FOR AWARD MANAGEMENT (SAM) REGISTRATION

The Subrecipient must be registered in the System for Award Management (**SAM**) and shall maintain its registration active during contract performance and through final payment. The Subrecipient is responsible during performance and through final payment for the accuracy and completeness of the data within SAM. Failure to maintain registration in SAM can impact obligations and payments under this Agreement.

XIV. FORCE MAJEURE

In the event of a fire, flood, earthquake, natural disaster, hurricane, riot, act of governmental authority in its sovereign capacity, pandemic officially declared by the Government of Puerto Rico, strike, labor dispute or unrest, embargo, war, insurrection or civil unrest, any *Force Majeure* including inclement weather, herein collectively referred to as *Force Majeure* during the term of this SRA, neither the PRDOH nor the Subrecipient shall be liable to the other party for nonperformance during the conditions created by such event.

The Subrecipient shall notify, as soon as possible, the PRDOH of the occurrence of the *Force Majeure* event and describe in reasonable detail, the nature of the *Force Majeure* event.

XV. INDEPENDENT CONTRACTOR

Nothing contained in this SRA is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the Parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the efforts to be performed under this SRA. The PRDOH shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent entity.

XVI. ASSIGNMENT OF RIGHTS

The Subrecipient shall not assign or transfer any interest in this SRA without the prior written consent of the PRDOH.

XVII. SEVERABILITY

If any provision of this SRA is held invalid, the remainder of the SRA shall not be affected thereby, and all other parts of this SRA shall nevertheless be in full force and effect.

XVIII. SECTION HEADINGS AND SUBHEADINGS

The section headings and subheadings contained in this SRA are included for convenience only and shall not limit or otherwise affect the terms of this SRA, and shall not be used to explain, modify, simplify, or aid in the interpretation of the provisions of this SRA.

XIX. CONSOLIDATIONS, MERGERS, CHANGE OF NAME, OR DISSOLUTIONS

A. Consolidation or Merger

In the event that the signing party (e.g. Subrecipient) of the SRA with the PRDOH moves for a consolidation or merger with another entity (private or public), by its discretion or otherwise, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days prior to the effective date** of the consolidation or merger. The notice shall include, but not be limited to, a description of: the expected effective date of the consolidation or merger; name of each of the constituent entities moving to consolidate

or merge into the single resulting or surviving entity; the proposed name of the resulting entity (in case of a consolidation) or the name of the surviving entity (in case of a merger) if necessary; reference to the projected capacity of the resulting or surviving entity to comply with the terms, conditions, obligations, tasks, services, and performance goals or requirements included in the SRA as well as its Exhibits or Attachments; and a brief summary of the proposed plan to achieve the transition of duties (Scope of Work or Scope of Services), tasks, and performance goals or requirements to the resulting or surviving entity.

Upon the consolidation or the merger becoming effective and supporting evidence of such event is notified to PRDOH, execution of an Amendment to the SRA may follow. The Amendment would include, but not limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment. **No amendment to the SRA will be necessary if the Subrecipient becomes the surviving entity following a merger.**

Failure to comply with any of the before mentioned conditions, may result in the activation of the termination clauses provided in the SRA.

B. Change of Name

In the event that the signing party (e.g. Subrecipient) of the SRA with the PRDOH initiates a change of name process, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days** prior to the effective date of such event. The notice shall include, but not be limited to, a description of: the expected effective date of the change of name; the proposed name; inform of any change of address; and reference of any change in the capacity of the entity to comply with the terms, conditions, obligations, tasks, services, and performance goals or requirements included in the SRA, as well as its Exhibits or Attachments.

Upon the change of name becoming effective and supporting evidence of such event is notified to PRDOH, execution of an Amendment to the SRA may follow. The Amendment would include, but not limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment.

Failure to comply with any of the before mentioned conditions, may result in the activation of the termination clauses provided in the SRA.

C. Dissolution

In the event that the signing party (e.g. Subrecipient) of the SRA with the PRDOH moves for dissolution of the entity, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days** prior to the effective date of such event. The notice shall include, but not limited to, a description of the expected effective date of the dissolution; and contact information of one or more of its directors, officials, or agents. Upon dissolution becoming effective and supporting evidence of such event is notified to PRDOH, termination of the SRA will follow. Consequently, the signing party acknowledges and agrees to provide to the PRDOH, after termination of the SRA, the assistance reasonably requested to facilitate the orderly transfer of responsibility for performance of the tasks or services to the PRDOH or a third party designated by the PRDOH. Moreover, all finished or unfinished records (files, data, work product) connected with this SRA will be turned over to PRDOH following the SRA termination.

XX. NON-WAIVER

The PRDOH's failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the PRDOH to exercise or enforce any right or provision shall not constitute a waiver of such right or provision.

XXI. BANKRUPTCY

In the event that Subrecipient files for bankruptcy protection under the Puerto Rico Oversight and Management and Economic Stability Act ("PROMESA") 48 USC Chapter 20, the Government of Puerto Rico and PRDOH may, subject to the provisions pertaining to "Covered Entities" within the PROMESA statute, terminate this Agreement pursuant to Section IX(B)(1).

XXII. GOVERNING LAW: JURISDICTION

This SRA shall be governed by, interpreted, and enforced in accordance with the laws of the Government of Puerto Rico and any applicable federal laws and regulations. The Parties further agree to assert any claims or causes of action that may arise out of this SRA in the Puerto Rico Court of First Instance, San Juan Part.

XXIII. COMPLIANCE WITH LAW

It is the intention and understanding of the Parties hereto that each and every provision of law required to be inserted in this SRA should be and is inserted herein. Furthermore, it is hereby stipulated that every such provision is deemed to be inserted and if, through mistake or otherwise, any such provision is not inserted herein or is not inserted in correct form, then this SRA shall forthwith, upon the application of any Party, be amended by such insertion so as to comply strictly with the law and without prejudice to the rights of any Party.

XXIV. SUBROGATION

The Subrecipient acknowledges that funds provided through this SRA are Federal funds administered by HUD under the CDBG-DR Program and that all funds provided by this SRA are subject to audit, disallowance, and repayment. Any disagreement with adverse findings may be challenged and subject to Federal regulation, however, the Subrecipient shall promptly return any and all funds to the PRDOH, which are found to be ineligible, unallowable, unreasonable, a duplication of benefits, or non-compensable, no matter the cause. This clause shall survive indefinitely the termination of this SRA for any reason in accordance with **Exhibit G** ("Subrogation and Assignment Provisions").

XXV. COMPTROLLER REGISTRY

The PRDOH shall remit a copy of this SRA to the Office of the Comptroller for registration within **fifteen (15) days** following the date of execution of this SRA and any subsequent amendment hereto. The services object of this SRA may not be invoiced or paid until this SRA has been registered by the PRDOH at the Comptroller's Office, pursuant to Act No. 18 of October 30, 1975, as amended by Act No. 127 of May 31, 2004.

XXVI. ENTIRE AGREEMENT

This SRA constitutes the entire agreement among the Parties for the use of funds received under this SRA and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written among the Parties with respect to this SRA.

XXVII. FEDERAL FUNDING

The fulfillment of this SRA is based on funds being made available to the PRDOH as the lead administrative agency for Recovery. All expenditures under this SRA must be made in accordance with this SRA, the policies and procedures promulgated under the CDBGMIT Program, and any other applicable laws. Further, Subrecipient acknowledges that all funds are subject to recapture and repayment for non-compliance.

XXVIII. RECAPTURE OF FUNDS

PRDOH may recapture payments it makes to Subrecipient that (i) exceed the maximum allowable rates; (ii) are not allowed under applicable laws, rules, or regulations; or (iii) are otherwise inconsistent with this SRA, including any unapproved expenditures.

Subrecipient must refund such recaptured payments within **thirty (30) days** after the PRDOH issues notice of recapture to Subrecipient.

XXIX. OVERPAYMENT

Subrecipient shall be liable to the PRDOH for any costs disallowed pursuant to financial and/or compliance audit(s) of funds received under this SRA. Subrecipient shall reimburse such disallowed costs from funds other than those Subrecipient received under this SRA.

XXX. COUNTERPARTS

This SRA may be executed in any number of counterparts, each of which shall be deemed to be an original, however, all of which together shall constitute one and the same instrument. If the SRA is not executed by the PRDOH within **thirty (30) days** of execution by the other party, this SRA shall be null and void.

XXXI. SURVIVAL OF TERMS AND CONDITIONS

The terms and conditions of this SRA related to the following subjects shall survive the termination or expiration of this SRA: interpretive provisions; consideration; warranties; general affirmations, federal assurances, federal and state certifications; CDBG-MIT and state funding, recapture of CDBG-MIT and/or state funds, overpayment of CDBG-MIT and/or state funds; ownership and intellectual property, copyright; records retention methods and time requirements; inspection, monitoring and audit; confidentiality; public records; indemnification and liability; infringement of intellectual property rights; independent contractor relationship; compliance with laws; notices; choice of law and venue; severability; dispute resolution; consolidations, mergers, change of name, and dissolution. Terms and conditions that, explicitly or by their nature, evidence the Parties' intent that they should survive the termination or expiration of this SRA shall so survive.

IN WITNESS THEREOF, the Parties hereto execute this SRA in the place and on the date first above written.

SCOPE OF WORK

HAZARD MITIGATION GRANT PROGRAM

PUERTO RICO AQUEDUCT AND SEWER AUTHORITY

1. Program Overview/Background

In a two (2)-week period in September 2017, Hurricane Irma, a Category five (5) storm, and Hurricane María, a Category four (4) storm, devastated Puerto Rico's mainland and two (2) island municipalities, resulting in the largest and most logistically complex disaster response and recovery effort in recent U.S. history. Recognizing the devastation caused by both events, Congress appropriated federal recovery funding through the Department of Housing and Urban Development's (HUD) Community Development Block Grant – Disaster Recovery (CDBG-DR) Grant.

Additionally, on August 30, 2019, HUD announced an award of \$8.285 billion in hazard mitigation funds to minimize future losses from similar hurricane events and other hazards based on Puerto Rico's analysis of risk. On January 21, 2021, the Puerto Rico Department of Housing (PRDOH) Community Development Block Grant – Mitigation (CDBG-MIT) Action Plan (Action Plan), which included a comprehensive risk and risk-based needs analysis, was approved by HUD. The Action Plan includes a set-aside fund to cover the majority of the forecasted cost share match required for the Federal Emergency Management Agency (FEMA) Hazard Mitigation Grant Program (HMGP), corresponding to twenty-five percent (25%). This cost share commitment will ease the local burden of implementing projects that reduce or eliminate long-term risk to people and property posed by future disasters. This set-aside advances the HUD and PRDOH objective to maximize the impact of available funds by leveraging and coordinating with other Federal programs. The HMGP Global Match Strategy under the Hazard Mitigation Grant Program Set-Aside (HMGP-MIT) will be used to provide the cost share for these projects on a disaster level, allowing for specific projects to be one hundred percent (100%) covered with CDBG-MIT funding.

The HMGP falls under the direction of the Central Office for Recovery, Reconstruction and Resiliency (COR3) and is the responsibility of the State Hazard Mitigation Officer (SHMO) to implement.

The SHMO is tasked with reviewing all HMGP sub-applications, providing HMGP technical assistance to sub applicants to support application development, and implementing FEMA HMGP projects. The SHMO submits HMGP sub-

applications to FEMA for award consideration and coordinates FEMA requests for information (**RFI**).

PRDOH is designated as the recipient and administrator of all CDBG-DR and CDBG-MIT (**CDBG-DR/MIT**) funds from HUD. PRDOH will work in partnership with COR3/SHMO to coordinate efforts to administer the implementation and programmatic oversight of the projects included under the Global Match Strategy as part of the CDBG-MIT grant.

2. National Objective

All projects funded under the HMGP-MIT must meet one (1) or more of the national objectives of the CDBG-MIT program, as outlined in the table below:

National Objective	Minimum Requirements
LMI Area	<ul style="list-style-type: none">Boundaries of the service area.Census data including total persons and percentage of Low and Moderate Income (LMI).Evidence that the area is primarily residential.Survey documentation (if applicable).
LMI Limited Clientele	<ul style="list-style-type: none">Documentation that the beneficiaries are or are presumed to be LMI (by category).
Urgent Need Mitigation	<ul style="list-style-type: none">Addresses the current and future risks as identified in the grantee's Mitigation Needs Assessment of most impacted and distressed areas; andWill result in a measurable and verifiable reduction in the risk of loss of life and property.Demonstrate long-term efficacy and fiscal sustainability.Demonstrably benefit the most impacted and distressed (MID) area.

WR
DIR

Additionally, CDBG-MIT projects must also meet the following criteria (84 Fed. Reg. 45857, sec. V. A. 13a):

- Demonstrate the ability to operate for the useful life of the project
- Be consistent with other mitigation activities

For Covered projects, the following additional criteria must also be met (84 Fed. Reg. 45857, sec. V. A.13.b):

- Demonstrate long-term efficacy and fiscal sustainability

- Demonstrably benefit the MID area. Benefits for Covered Projects must outweigh the costs to implement said project.

3. CDBG-MIT Compliance Validation

Like PRDOH's relationship with HUD, COR3 works directly with FEMA to implement all FEMA recovery programs, including the HMGP program covered by this SRA. To minimize the burden on Subrecipients of providing similar documentation multiple times to both COR3 and FEMA, and to simplify the match reimbursement process, PRDOH and COR3 are collaborating in the implementation of this program. Through this collaboration, COR3 has provided PRDOH access to the data and documentation that has previously been compiled and submitted to COR3 and FEMA.

Due to differing programmatic requirements between FEMA HMGP and CDBG-MIT, PRDOH will work directly with Subrecipients to obtain additional documentation that may not be contained within COR3 or FEMA's systems of record.

4. Tasks

The Subrecipient agrees to complete all the required tasks described below, for which the PRDOH will provide the necessary technical assistance for compliance:

Task 1. Access to Documentation

Activity: A key area of compliance for CDBG-MIT projects is record-keeping and documenting. During HUD monitoring activities, all items needed to substantiate a reimbursement request shall be readily available for review. While PRDOH will obtain most documentation from materials that the Subrecipient has previously provided to COR3 and FEMA, some HUD-required materials may not be in the documentation previously provided and will need to be obtained directly from Subrecipients. This documentation may include detailed information on procurement processes and proof of payments to contractors and employees. PRDOH expects that most of these materials will be provided through electronic means.

Deliverable: Throughout the life of program, the Subrecipient will, as needed, provide PRDOH with the documentation required to determine program eligibility and compliance with CDBG-MIT specific requirements so that PRDOH can issue a match payment to the Subrecipient for CDBG-MIT eligible work. These requirements include Environmental Reviews, Civil Rights requirements, as defined below including Section 3, MWBE, and Davis Bacon, among others.

UW
BIP

Task 2. Participation in Mandatory Technical Assistance

Activity: A focus area for HUD is ensuring that PRDOH provides Technical Assistance (**TA**) to Subrecipients who receive CDBG-MIT funding. PRDOH will provide TA to Subrecipients throughout the life of the Program in order to ensure that areas that could pose challenges for documenting full programmatic compliance are addressed. TA workshops will initially cover broad federal cross-cutting areas that are applicable to both HUD and FEMA. These will be followed by TA on HUD-specific topics that are pertinent to applicable phases of Subrecipients' project portfolios.

Deliverable/Outcome: The Subrecipient agrees to participate in the Technical Assistance workshops provided by the PRDOH to best ensure CDBG-MIT compliance throughout the life of the Program. In the event that the Subrecipient decides to not participate in technical assistance workshops, PRDOH reserves the right to place on hold, suspend or terminate the SRA and not provide corresponding reimbursement under the Program.

Task 3. Follow Procurement and Contractual Requirements

Activity: A key area of compliance is ensuring that procurements are done in a manner compliant with all applicable CDBG-MIT requirements, and the corresponding contracts awarded include all HUD-required clauses. Due to the considerable amount of disaster recovery work that will take place and that will require CDBG-MIT funding to cover the Non-Federal share, PRDOH will adopt the procurement validation completed by FEMA and COR3, in compliance with the procurement requirements set forth in 2 C.F.R. § 200.317, 200.322 and 200.326.

The Subrecipient hereby agrees to comply with all requirements established by FEMA and any additional procurement requirements set forth by PRDOH in compliance with CDBG-MIT funding regulations for any procurements published and contracts executed for any work that is expected to receive CDBG-MIT funding.

Furthermore, the Subrecipient understands that, if the appropriate procurement procedures are not followed, they may not be considered eligible for corresponding match payments.

Handwritten signature/initials

Procurement processes validated by FEMA and/or COR3 will be stored under the PRDOH system of record and may be subject to monitoring or auditing by PRDOH, HUD, or any other entity with such authority.

Deliverable/Outcome: The Subrecipient agrees to provide all procurement documentation to PRDOH in a timely manner to allow for review and potential modifications, as applicable, when the proper documentation is not available in FEMA or COR3 systems of record. For all procurement processes corresponding to projects included within an HMGP application, the Subrecipient shall also submit a certification to PRDOH indicating compliance with 2 C.F.R. § 200.317, 200.322 and 200.326. In addition, PRDOH reserves the right to review procurement documentation to ensure compliance with applicable regulations, principles of full and open competition, and PRDOH's established CDBG-MIT requirements for Subrecipients under the Program.

All contracts executed for services or work to be performed under a HMGP project which will receive CDBG-MIT funding, must include the standard CDBG-MIT HUD-required clauses to ensure compliance with Labor and Civil Rights requirements.

Task 4. Compliance with CDBG-MIT Requirements: Section 3 & Minority/Women Owned Business Enterprises (MWBE) Best Faith Efforts and Davis Bacon

Activity: Subrecipient agrees to participate in outreach events and utilize PRDOH resources to ensure compliance with Section 3, MWBE, and other applicable hiring goals for projects funded through the program. Subrecipient agrees to timely file all Section 3 compliance documentation, including but not limited to submission of any and all required reports and supporting documentation.

A key difference between FEMA and HUD funding, and an area of focus for HUD, is ensuring that best faith efforts for Section 3 take place and that Section 3, MWBE, and Davis Bacon reporting is completed by both Subrecipients and contractors.

One of the best ways to ensure that the spending targets and compliance is met is that prior to procurements taking place, Section 3 and/or MWBE firms are considered and built into project teams. Throughout the life of the program, PRDOH will provide TA to Subrecipients on Section 3, MWBE, and Davis Bacon requirements so that the overall program targets for PRDOH are met and best faith efforts are documented.

UN
DIP

Deliverable/Outcome: Subrecipients will be required to participate in the Technical Assistance workshops and may be required by PRDOH to participate or conduct other outreach events that are designed to ensure that CDBG-MIT compliance with these requirements is achieved. In the event that the Subrecipient decides to not participate in technical assistance workshops or engage in strategies that PRDOH develops to meet these goals of the program, PRDOH reserves the right to place on hold, suspend and/or not provide reimbursement for HMGP projects being undertaken by Subrecipient. Subrecipients are advised that compliance with these focus areas may require that specific clauses are included in all service and construction contracts executed to carry out the work included in the HMGP projects for which costs are being provided.

Task 5. Compliance with CDBG-MIT Operation and Maintenance requirements

Activity: The Subrecipient shall perform the necessary actions to plan for long term operation and maintenance of the projects funded under this Agreement.

Before starting activities to be funded by CDBG-MIT, the Subrecipient shall submit an Operation and Maintenance plan to the PRDOH, that shall describe the following, but not limited to: the Subrecipient's ability to operate the project for its useful life, a preliminary estimate of that useful life and the Operation and Maintenance costs required, identify the responsible entity (or entities) in charge of such Operation and Maintenance activities, and any other aspect or requirement established by the PRDOH, CDBG-MIT and HUD associated with this task.

Deliverable: An Operation and Maintenance plan that describes and complies with the established PRDOH requirements.

Task 6. Project Development

Activity: During the performance of this Task, the Subrecipient shall perform all necessary deliveries to PRDOH of environmental review, environmental compliance records, design and construction documents at established benchmarks, for revision and to demonstrate progress of work. The submission schedule of deliveries shall be coordinated with the PRDOH before commencing the development of the project.

After the revision of each delivery, the Subrecipient may receive comments from PRDOH that might require revision of the documentation. PRDOH expects to receive all necessary progress deliveries with a compliance certification of applicable codes and regulations, and the progress

WL
DDE

accomplished, prepared by the architect/engineer in charge of the design of each project. The Subrecipient may request technical assistance to the PRDOH to prepare required documentation.

Deliverable: Documents that evidence and support project development progress and compliance with applicable regulations, as required by the PRDOH.

Task 7. Submit Requests for Reimbursement and Provide Proof of Payment

Activity: Upon CDBG-MIT compliance determination by the Program, the Subrecipient agrees to submit a Request for Reimbursement, uploaded to PRDOH's Financial Management System. The Subrecipient will be required to set-up a unique account through this system and provide all required information, including information related to dedicated bank accounts.

A key area of focus for HUD is ensuring that CDBG-MIT projects are reimbursement-based and that contractors who undertook work are paid for services provided. HUD requires that all documented costs were incurred and completed. As a result, PRDOH cannot request CDBG-MIT reimbursement for work that the Subrecipient undertook until it has obtained proof that the work was performed, completed and that this information is uploaded to PRDOH databases.

Deliverable: The Subrecipient shall submit to PRDOH the required documentation to support and request a payment under the Program. The PRDOH will provide technical assistance and guidance to instruct the Subrecipient about the required documentation. The Subrecipient shall submit to PRDOH proof of payment or work completed, as required and instructed by the PRDOH.

After a project is fully completed, the Subrecipient will provide PRDOH electronic copies documenting proof of payment to vendors within **sixty (60) days** of the Effective Date of this SRA or completion of the respective project's scope of work, whichever is later. Such proof of payment documentation will be provided in an electronic form sufficient to document that an electronic funds transfer (**EFT**) was made from Subrecipient to all vendors for costs potentially eligible for reimbursement under this Program. Alternatively, proof of purchase may also be provided by electronic copies (**PDF**) of emitted checks corresponding to such payments.

UR
DTP

Task 8. Reporting

Activity: The Subrecipient will be responsible to submit quarterly reports to the PRDOH to inform status of tasks, HMGP project progress and metrics, and payment status. Each report must be prepared in compliance with PRDOH's reporting requirements, using the report template provided by the Program.

Deliverable: Quarterly reports shall be submitted to PRDOH upon the **10th day of the subsequent month for which the reporting period covers**. Up to date reports will be required to be on file for the approval for payment of any cost share invoices.

Task 9. Closeout

Activity: The Subrecipient shall prepare a documentation package which will include all deliverables, reports, proofs of payments, and any other documents that the PRDOH may consider necessary to summarize, support and closeout the Subrecipient's tasks completed, and payments provided.

Deliverable: As required by the PRDOH, the Subrecipient will be responsible of submitting all the required documentation to record, reconcile and closeout the Subrecipient Agreement.

5. Time Performance

PRDOH expects the Program to operate for the life of the CDBG-MIT grant. The time of performance under this SRA is **sixty (60) months**. PRDOH may, at its sole discretion, extend the SRA's term, upon mutual written agreement of the parties. The term of this SRA shall not exceed the lifetime of the initial Grant Agreement, between PRDOH and HUD, unless the term of the initial Grant Agreement is extended by HUD, in which case the term of this SRA cannot exceed the extension.

FEMA may establish a Period of Performance for HMGP projects on a program-wide manner or on a project-by-project basis. The time of performance of this CDBG-MIT SRA may extend beyond FEMA's established Period of Performance, but the project's individual performance shall be tied to the applicable FEMA Period of Performance. The time of performance under this agreement does not supersede FEMA's Period of Performance.

More specific periods of performance for each scope of work within this SRA are shown in **Exhibit B (Timelines and Performance Goals)**.

DESCRIPTION OF SERVICES

The PRDOH Hazard Mitigation Grant Program (**HMGP-MIT**) will provide a budget of **thirty-five million three hundred fifty-one thousand four hundred and thirty-one dollars and thirty-one cents (\$35,351,431.31)** for activities in this SRA, dedicated toward facilitating a drawdown of CDBG-MIT funds for payment of the selected Global Match Projects approved under the FEMA Hazard Mitigation Grant Program (**HMGP-FEMA**), as listed in the table below.

The HMGP-MIT will utilize data provided by FEMA, COR3 and the Subrecipient for the HMGP-FEMA Program to determine HUD eligibility, creating a project file with sufficient supporting documentation that will allow PRDOH to submit a request for CDBG-MIT funds.

Activity Delivery Costs – No Activity Delivery costs are to be incurred by the Subrecipient under this SRA.

Planning – No Planning costs are to be incurred by the Subrecipient under this SRA.

Project Costs – the Subrecipient and PRDOH have agreed that thirty-five million three hundred fifty-one thousand four hundred and thirty-one dollars and thirty-one cents (\$35,351,431.31) of the CDBG-MIT funds requested for the HMGP-MIT will be directed toward Project Costs and considered as the budget for this SRA. Project Costs will be used under the Global Match approach for the project’s current funding requirement, as agreed upon by COR3 (**SHMO**) and PRDOH.

Administrative Costs – No Administrative costs are to be incurred by the Subrecipient under this SRA.

Outside of the Subrecipient’s assistance to PRDOH through its scope of services in the form of additional documentation required, PRDOH will perform all eligibility reviews. PRDOH will also obtain and collect required documentation from FEMA, COR3 data sources and the Subrecipient for the eligibility review. PRDOH also has the primary responsibility to engage with the Subrecipient in the Program and to provide Technical Assistance (**TA**).

The following table provides current totals for all of the Subrecipient’s CDBG-MIT Global Match budget for each approved HMGP projects:

(1) HMGP Project Numbers included in this table are representative of the HMGP Projects for which the budget allocation was based on and should not be interpreted as a definitive list of HMGP Project Numbers to receive disbursement under this SRA. Additional HMGP Projects may receive match disbursement, as needed by the Subrecipient, the Program, or the PRDOH. Changes to the HMGP Projects listed may be reconciled through subsequent amendments to this SRA.

(2) "HMGP-MIT Potential Allocation (Estimated)" represents the current maximum HMGP-MIT funding corresponding to each HMGP Project currently approved by FEMA for the Global Match methodology. The amount included should not be interpreted as a capped cost for disbursement under a specific Project. The HMGP-MIT Allocated Amount (Estimated) under this SRA shall be based on the actual needs of each PW, which may be affected by changes in project formulation, modification, approval or revisions made by FEMA. Changes to the HMGP-MIT Potential Allocation (Estimated) listed may be reconciled through subsequent Amendments to this SRA.

(3) "HMGP-MIT Allocated Amount (Estimated)" is the amount allocated under this Agreement as supported by the total estimated project amount for HMGP Projects included in this table. HUD GENERAL PROVISIONS AND OTHER FEDERAL STATUTES, REGULATIONS, AND PRDOH REQUIREMENTS

HAZARD MITIGATION GRANT PROGRAM

PUERTO RICO AQUEDUCT AND SEWER AUTHORITY

Given that the Subrecipient Agreement (SRA) involves funds for which the U.S. Department of Housing and Urban Development (HUD) is the oversight agency, the following terms and conditions may apply to this SRA. In addition, SUBRECIPIENT shall comply with the Federal Labor Standards Provisions set forth in Form HUD-4010, available at <https://www.hudexchange.info/resource/2490/hud-form-4010-federal-labor-standards-provisions/>

The SUBRECIPIENT (also referred to as the "Partner") shall include these terms and conditions in all contracts or purchase orders directly servicing the SRA.

These general provisions may be updated from time to time. It is the sole responsibility of the SUBRECIPIENT to be aware of any changes hereto, to amend and implement such changes and to ensure contracts terms and conditions are modified as necessary, if any.

General Provisions:

1. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and clause required by law to be inserted in this SRA shall be deemed to be inserted herein and the SRA shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, the SRA shall forthwith be physically amended to make such insertion or correction.

2. STATUTORY AND REGULATORY COMPLIANCE

SUBRECIPIENT shall comply with all laws and regulations applicable to the Community Development Block Grant-Mitigation funds appropriated by the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Pub. L. 115-123), approved February 9, 2018 (**Appropriations Act**), as amended, including but not limited to the applicable Office of Management and Budget Circulars, which may impact the administration of funds and/or set forth certain cost principles, including if certain expenses are allowed.

3. BREACH OF SUBRECIPIENT AGREEMENT TERMS

The PRDOH reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this SRA, in instances where the SUBRECIPIENT or any of its contractors violate or breach any SRA term. If the SUBRECIPIENT or any of its contractors violate or breach any SRA term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the SRA documents, and the rights and remedies available thereunder, shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4. REPORTING REQUIREMENTS

The SUBRECIPIENT shall complete and submit all reports, in such form and according to such schedule, as may be required by the PRDOH and/or the Government of Puerto Rico. The SUBRECIPIENT shall cooperate with all the PRDOH and/or the Government of Puerto Rico efforts to comply with HUD requirements and regulations pertaining to reporting, including but not limited to 2 C.F.R. § 200.328 and 24 C.F.R. § 570.507, when applicable.

5. SMALL AND MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

The SUBRECIPIENT will take necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used in contracting when possible. Steps include, but are not limited to:

- a) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- b) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- c) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- d) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises; and
- e) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

Additionally, for contracts of \$10,000 or more, the SUBRECIPIENT shall file Form HUD 2516 (Contract and Subcontract Activity) with the PRDOH on a quarterly basis.

6. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements", and any implementing regulations issued by HUD.

7. DEBARMENT, SUSPENSION, AND INELIGIBILITY

The SUBRECIPIENT shall notify the PRDOH as soon as possible if this SRA or any aspect related to the anticipated work under this SRA raises an actual or potential conflict of interest (as defined 2 C.F.R. § 200.318(c), if applicable). The SUBRECIPIENT shall explain

the actual or potential conflict in writing in sufficient detail so that the PRDOH is able to assess such actual or potential conflict. The SUBRECIPIENT shall provide the PRDOH any additional information necessary to fully assess and address such actual or potential conflict of interest. The SUBRECIPIENT shall accept any reasonable conflict mitigation strategy employed by the PRDOH, including but not limited to the use of an independent contractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

9. CONTRACTING

When contracting, the SUBRECIPIENT shall solicit for and contract with such contractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include, but are not limited to:

- a) Placing unreasonable requirements on firms in order for them to qualify to do business;
- b) Requiring unnecessary experience and excessive bonding;
- c) Noncompetitive pricing practices between firms or between affiliated Companies;
- d) Noncompetitive awards to consultants that are on retainer contracts,
- e) Organizational conflicts of interest;
- f) Specifying only a brand name product instead of allowing an equal product to be offered and describing the performance of other relevant requirements of the procurement; and
- g) Any arbitrary action in the procurement process.

The SUBRECIPIENT represents to the PRDOH that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, taking into account the nature of the work to be performed under this SRA.

The SUBRECIPIENT will include these HUD General Provisions in every contract issued by it, so that such provisions will be binding upon each of its contractors as well as the requirement to flow down such terms to all lower-tiered subcontractors.

The SUBRECIPIENT shall comply with all applicable "Anti-Kickback" regulations and shall insert appropriate provisions in all contracts covering work under this SRA to ensure compliance by contractors with such regulations, and shall be responsible for the submission of affidavits required of contractors thereunder except as the Secretary of Labor may specifically provide for variations of or exemptions from the requirements thereof.

The SUBRECIPIENT shall include all applicable PRDOH's conditions (as revised from time to time by the PRDOH in accordance with applicable law, rule or regulation) in any contract entered into under this SRA. SUBRECIPIENT shall also require all contractors to flow down the PRDOH's Conditions, as well as termination for convenience of the PRDOH, to all contractors as well as the requirement to flow down such terms to all lower-tiered subcontractors. These Conditions include required terms for project contracts, HUD General Provisions, Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, Standard Clauses for Contracts with the PRDOH, and required diversity forms.

The SUBRECIPIENT must comply with CDBG-MIT regulations regarding debarred or suspended entities at 24 C.F.R. § 570.609 or 24 C.F.R. § 570.489(l) as appropriate. CDBG-MIT funds may not be provided to excluded or disqualified persons.

The SUBRECIPIENT shall maintain oversight of all activities under this SRA and shall ensure that for any procured contract or Agreement, as applicable, its contractors perform according to the terms and conditions of the procured contracts or Agreements, and the terms and conditions of this SRA.

56. NONDISCRIMINATION

The SUBRECIPIENT shall comply with 24 C.F.R. Part 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. § 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance.

The SUBRECIPIENT shall adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (Section 504). Section 109 of the Housing and Community Development Act of 1974 makes these requirements applicable to programs or activities funded in whole or in part with

CDBG-MIT funds. Thus, the SUBRECIPIENT shall comply with regulations of 24 C.F.R. Part 8, which implement Section 504 for HUD programs, and the regulations of 24 C.F.R. Part 146, which implement the Age Discrimination Act for HUD programs.

The SUBRECIPIENT shall ensure that all CDBG-MIT activities conducted by itself or its contractors are consistent with the applicable federal and local legal provisions, regulations, and policies that prohibit discrimination on the basis of race, creed, color, national origin, religion, sex, disability, familial status, actual or perceived sexual orientation or gender identity, marital status, or age, as established in the CDBG-DR Fair Housing and Equal Opportunity (FHEO) Policy for CDBG-DR Programs as found in the CDBG-DR website: <https://cdbg-dr.pr.gov/en/download/fair-housing-and-equal-opportunity-fheo-policy-for-cdbg-dr-programs/>.

57. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT

The SUBRECIPIENT shall ensure that its Activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of "residential structure" as defined in 24 C.F.R. § 40.2 or the definition of "building" as defined in 41 C.F.R. § 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 C.F.R. Part 40 for residential structures, and appendix A to 41 C.F.R. Part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. § 12131; 47 U.S.C. § 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

58. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 (24 C.F.R. PART 1)

1) General Compliance:

The SUBRECIPIENT shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352), as amended and 24 C.F.R. § 570.601 and §570.602. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this SRA. The specific nondiscrimination provisions at 24 C.F.R. § 1.4 apply to the use of these funds. The SUBRECIPIENT shall not intimidate, threaten, coerce, or discriminate

against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 C.F.R. Part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 C.F.R. Part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 2 C.F.R. Part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

2) Assurances and Real Property Covenants:

As a condition to the approval of this SRA and the extension of any Federal financial assistance, the SUBRECIPIENT assures that the program or activities described in this SRA shall be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided shall be operated and administered in compliance with all requirements imposed by or pursuant to this Part 1.

If the Federal financial assistance under this SRA is to provide or is in the form of personal property or real property or interest therein or structures thereon, the SUBRECIPIENT's assurance herein shall obligate the SUBRECIPIENT or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the SUBRECIPIENT for the period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives the PRDOH and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this SRA or acquired with CDBG-MIT funds and provided to the SUBRECIPIENT under this SRA, the instrument effecting any disposition by the SUBRECIPIENT of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the SUBRECIPIENT receives real property interests or funds or for the acquisition of real property interests under this SRA, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

3) Women- and Minority-Owned Businesses (W/MBE)

The SUBRECIPIENT shall take the affirmative steps listed in 2 C.F.R. § 200.321(b)(1) through (5) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible when the SUBRECIPIENT procures property or services under this SRA. As used in this SRA, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. § 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled

by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian- Americans, and American Indians. The SUBRECIPIENT may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

In compliance with the Minority and Women-Owned Business Enterprise Policy (M/WBE Policy), the SUBRECIPIENT shall complete a utilization plan to identify how they plan on successfully achieving the contracting goals for MBE and WBE's. SUBRECIPIENT shall also complete quarterly reporting to provide information on contracting opportunities and payouts provided to WBE or MBE contractors or subcontractors. SUBRECIPIENT shall also document their efforts and submit those to PRDOH on a quarterly basis. See the M/WBE Policy, as found in the CDBG-DR Website (www.cdbg-dr.pr.gov) which is herein included and made integral part of this SRA, as it may be updated from time to time.

4) Notifications

The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the SUBRECIPIENT's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

The SUBRECIPIENT shall, in all solicitations or advertisements for employees placed by or on behalf of the SUBRECIPIENT, state that it is an Equal Opportunity or Affirmative Action employer.

59. LABOR STANDARDS

The SUBRECIPIENT shall comply with the in labor standards in Section 110 of the Housing and Community Development Act of 1974, as amended, and ensure that all laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with assistance received under this SRA shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis Bacon Act, as amended (40 U.S.C. § 3141, et seq.), and 29 C.F.R. Part 1, 3, 5, 6, and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than eight (8) units.

The SUBRECIPIENT agrees to comply with the (18 U.S.C. § 874) and it's implementing regulations of the U.S. Department of Labor at 29 C.F.R. Part 3 and part 5. The SUBRECIPIENT shall maintain documentation that demonstrates compliance with applicable hour and wage requirements. - 2) In the event the SUBRECIPIENT is not, the SUBRECIPIENT shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of this SRA. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would rise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the Parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or Parties to sub Agreements. For

- 4) Clause of Governmental Ethics Certification of Absence of Conflict of Interests - The SUBRECIPIENT certifies that: (1) No public servant of the PRDOH has pecuniary interest in this contract. 62. TECHNICAL ASSISTANCE AND TRAININGS

The SUBRECIPIENT shall attend any and all technical assistance and/or trainings that the PRDOH requires from time to time at its discretion. Failure to attend may be considered as cause for termination.

63. DISASTER RELIEF ACCOUNT

Pursuant to Federal Register Vol. 85, No. 17, 85 FR 4681 (January 27, 2020), PRDOH must comply with an additional requirement imposed by an Order of October 26, 2017, granted by the United States District Court for the District of Puerto Rico, as may be amended from time to time. As required by the Order, grant funds or disaster relief funds received by the Commonwealth of Puerto Rico or other Non-Federal Entities (as defined by 2 C.F.R. § 200.69) shall be deposited solely into a Disaster Relief Account.

As a result thereof, under the terms of the beforementioned Court order and under the conditions of this SRA, any and all CDBG-DR/MIT funds subawarded by PRDOH to its SUBRECIPIENTS shall be deposited into a new, separate, non-co-mingled, unencumbered account held in the name of the SUBRECIPIENT. section 104(d) of the Housing and Community Development Act of 1992, as amended (HCDA), 42 U.S.C. § 5304(d), except where waivers or alternative requirements have been provided by HUD. The implementing regulations for URA are at 49 C.F.R. Part 24, and the regulations for section 104(d) are at 24 C.F.R. Part 42, subpart C. Additionally, HUD has established regulations specific to CDBG-funded housing activities at 24 C.F.R. § 570.606. PRDOH has also established the Uniform Relocation Assistance Guide & Residential Anti-Displacement and Relocation Assistance Plan (URA & ADP Guide) which provides guidance and requirements regarding URA compliance and minimizing displacement that are applicable to all CDBG-DR/MIT programs. The primary purpose of these laws and regulations is to provide uniform, fair, and equitable treatment of persons whose real property is acquired or who are displaced in connection with federally funded projects.

When CDBG-DR/MIT funds are planned, intended, or used for any activity or phase of a project and the phases are interdependent, URA applies to that activity or project. This includes any property acquisition, even if CDBG-MIT funds are not used to fund the purchase, if the contract to acquire property is executed with the intention of seeking CDBG-MIT funds to complete the project or an interdependent phase of the project. Subrecipients are responsible for ensuring URA compliance throughout the design, proposal, and implementation of any project that includes real property acquisition or displacement of residential or business occupants.

65. ADDITIONAL SPECIFIC CONDITIONS

Notwithstanding the special conditions established in this SRA and its exhibits, in accordance with 2 C.F.R. § 200.208, PRDOH reserves the right and authority to impose additional specific conditions under any of the following circumstances:

- c) When SUBRECIPIENT poses an increased risk for noncompliance based on factors including, but not limited to, financial stability, quality of management systems, history of performance under Federal awards, history of timeliness under Federal awards, history of conformance with terms and conditions of previous federal awards, and reports and findings from audits.
- d) When, in the PRDOH's sole discretion, such conditions are necessary to ensure timely and compliant performance under the CDBG-MIT Program.

Such additional specific conditions may include but are not limited to, withholding of authority to proceed to the next phase of an otherwise eligible Project, requiring additional detailed financial reports, requiring additional project monitoring, requiring the SUBRECIPIENT to obtain technical or management assistance, establishing additional prior approvals, or any other condition PRDOH deems reasonable and necessary to safeguard Federal funds or the PRDOH's interests.

Notice of additional specific conditions shall include, but not be limited to, the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the action needed to remove the additional requirement (if applicable), and the time allowed for completion of the actions (if applicable).

HAZARD MITIGATION GRANT PROGRAM

PUERTO RICO AQUEDUCT AND SEWER AUTHORITY

1. **General Provisions.**

- a) The Parties acknowledge that the following provisions of this Exhibit are hereto incorporated by reference and made an integral part of the aforementioned Subrecipient Agreement (SRA) as **Exhibit G**.
- b) Changes in the provisions of this Exhibit will require an amendment to the SRA. Such amendment would result in the incorporation by reference of a modified **Exhibit G** to the SRA.

2. **Subrogation and Assignment Relating to Funds Received from the Puerto Rico Department of Housing - Hazard Mitigation Grant Program.**

- a) These provisions are incorporated into the SRA in consideration of the commitment by PRDOH to evaluate Subrecipient's application for the award of mitigation assistance funds (the "**Application**") or the Subrecipient's receipt of CDBG-MIT funds (the "**Grant Proceeds**") under the Program being administered by PRDOH.
- b) Subrecipient understands and acknowledges that the Program is subject to the provisions of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, 42 U.S.C. §§ 5121-5207 (the "**Act**") and that, under such Act, the Subrecipient may only receive assistance to the extent that the Subrecipient has an unmet need that is not fully met by insurance or other forms of mitigation assistance. Subrecipient further acknowledges that these provisions are intended to ensure that Subrecipient does not receive assistance from the Program that is duplicative of other benefits available to the Subrecipient from another source, for the same purposes as the Grant Proceeds provided under the Program, and that any assistance amount determined to be duplicative must be deducted from the Grant Proceeds awarded, or to be awarded, by the Program.
- c) Subrecipient hereby subrogates and assigns to PRDOH any and all of Subrecipient's future rights to, and any interest Subrecipient may have in, any reimbursement and all payments received or subsequently received from any grant, loan, insurance policy or policies of any type (each individually, a "**Policy**" and collectively, the "**Policies**"), or under any subsidy, reimbursement or relief program related to or administered by the Federal Emergency Management Agency ("**FEMA**"), insurance payments, or any other federal, state or local government agency (each, individually, a "**Mitigation Program**" and collectively, the "**Mitigation Programs**") to the extent of all Grant Proceeds paid or to be paid under the Program and that are determined, in the sole discretion of PRDOH or its designated agent, to be a duplication of benefits ("**DOB**"). Any payments referred to in this paragraph, whether they are from Policies, FEMA, or any other source, and whether or not such amounts are a DOB, shall be referred to herein as "**Proceeds**"; any Proceeds that are determined to be a DOB shall be referred to herein as "**DOB Proceeds**."
- d) Subrecipient agrees that, in the event that Subrecipient receives additional Proceeds related to mitigation that are not listed on the duplication of benefits

certification submitted in connection with the Application, Subrecipient will notify the PRDOH within **ten (10) working days** of receipt of the funds by sending a written notification to InfrastructureCDBG@vivienda.pr.gov. PRDOH will, in turn determine, in its sole discretion, if such Proceeds constitute DOB Proceeds. If any of the Proceeds are determined to be DOB Proceeds, the Subrecipient shall pay PRDOH the DOB Proceeds, to be disbursed as provided in Section 3 of this Agreement.

3. Cooperation and Further Documentation.

- a) If PRDOH elects to pursue any of the claims Subrecipient has or may have under any Policies, Subrecipient agrees to assist and cooperate with PRDOH. Subrecipient's assistance and cooperation shall include, but shall not be limited to, allowing suit to be brought in Subrecipient's name(s) and providing any additional documentation with respect to such consent, giving depositions, providing documents, producing records and other evidence, testifying at trial, and any other form of assistance and cooperation reasonably requested by the PRDOH. Subrecipient also agrees to assist and cooperate in the attainment and collection of any DOB Proceeds that the Subrecipient would be entitled to under any applicable Mitigation Program.
- b) If requested by PRDOH, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better subrogate and assign to PRDOH (to the extent of the Grant Proceeds paid to Subrecipient under the Program) the Policies, any amounts received under the Mitigation Assistance Programs that are determined to be DOB Proceeds and/or any rights thereunder. Subrecipient further agrees to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by the PRDOH to consummate and make effective the purposes of these provisions.
- c) Subrecipient expressly allows and authorizes PRDOH to request information from any company with which Subrecipient holds or held any insurance policy or policies of any type, any other company or entity -public or private- from which the Subrecipient has applied for or is receiving assistance (such as FEMA, or others), or any non-public or confidential information determined by PRDOH, in its sole discretion, to be reasonably necessary to monitor/enforce its interest in the rights subrogated and assigned to it under this Agreement, and grant consent to such company or entity to release said information to the PRDOH.

4. Agreement to Turn Over Proceeds; Future Reassignment.

- a) If Subrecipient (or, to the extent permitted by superior loan documents, any lender to which DOB Proceeds are payable) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to PRDOH, if Subrecipient received Grant Proceeds under the Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.
- b) In the event that Subrecipient receives or is scheduled to receive any Proceeds not listed on its Duplication of Benefits Certification ("**Subsequent Proceeds**"), Subrecipient shall pay such Subsequent Proceeds directly to the PRDOH, and PRDOH will determine the amount, if any, of such Subsequent Proceeds that are DOB Proceeds ("**Subsequent DOB Proceeds**"). PRDOH shall also return to the Subrecipient any Subsequent Proceeds in excess of the Subsequent DOB Proceeds.
 - (iv) If the PRDOH makes the determination that Subrecipient does not qualify to participate in the Program or Subrecipient decides not to participate in the Program, PRDOH shall return the Subsequent Proceeds to Subrecipient, and the Agreement shall terminate.
- c) Once PRDOH has recovered an amount equal to the duplicative Grant Proceeds paid to Subrecipient, PRDOH will reassign to Subrecipient any rights given to PRDOH pursuant to these provisions.

5. Miscellaneous.

- a) Subrecipient hereby represents that all statements and representations made by Subrecipient regarding any Proceeds are true and correct, as of the date of the issuance of the Grant Proceeds.
