All Exhibits hereto are fully incorporated herewith such that the terms and conditions of the Exhibits shall be as binding as any terms and conditions of this executed written SRA. The SRA shall prevail if any inconsistency appears between the Exhibits and this SRA.

III. SCOPE OF WORK

The Subrecipient shall be responsible for performing the activities detailed in **Exhibit A** ("Scope of Work") of this SRA, herein attached and made an integral part of this SRA, which may be amended from time to time with the consent of both Parties. The Subrecipient shall complete the Scope of Work in a manner satisfactory to the PRDOH and consistent with the terms and conditions of this SRA and applicable Federal and local statutes, laws and regulations.

A. Subrecipient Management Responsibilities

1. The Subrecipient shall submit to the PRDOH the required project application forms, in the format provided by PRDOH. The Project Application will consist of a project proposal submission that will be evaluated for compliance with Program eligibility requirements and available budget allocations. Following this evaluation and as authorized by the PRDOH, the Subrecipient may proceed in acquiring technical and advisory services for full project development following all established requirements for the Program.

2. As a condition of receiving this Subaward, the Subrecipient shall perform the procurement, management, monitoring, and reporting of the services included in **Exhibit A** ("Scope of Work") for the Program.
3. All services included in **Exhibit A** ("Scope of Work") shall be performed in accordance with PRDOH guidelines, HUD guidelines and regulations, and other applicable state and federal laws and regulations.
4. The Subrecipient shall prepare and submit to PRDOH all required project(s) documentation, such as compliance information, construction drawings, and specifications, construction permits and endorsements, cost estimate, property acquisition, right of ways, any related studies, implementation plans, etc., in accordance with the **Exhibit A** ("Scope of Work"). The PRDOH reserves the authority and discretion to review and require revisions before approving the use of funds for project implementation.

B. General Administration

Prohibited Activities: The Subrecipient may only carry out the roles and responsibilities described in this SRA and the activities related to the performance of the Scope of Work described in **Exhibit A** ("Scope of Work") of this SRA. Notwithstanding anything to the contrary in this SRA, the Subrecipient shall not be obligated to perform any work or services outside the Scope of Work described in **Exhibit A** ("Scope of Work") of this SRA.

The Subrecipient is prohibited from charging to the PRDOH the costs of CDBG and/or CDBG-MIT ineligible activities, including those described at 24 C.F.R. § 570.207, unless waived or made eligible by an applicable Federal Register Notice, from using funds provided herein or personnel employed in the administration of activities under this SRA for political activities, inherently religious activities, or lobbying. The Subrecipient may be financially liable for the activities undertaken outside of the parameters of the **Exhibit A** ("Scope of Work") of this SRA.

C. National Objectives

All activities funded with CDBG-MIT funds must meet one (1) of the two (2) CDBG-MIT Program's National Objectives: (i) benefit low-and moderate-income ("**LMI**") persons or; (ii) meet a particular urgent need for mitigation ("**UNM**"), as defined in 24 C.F.R. § 570.208, as amended by waiver published in the Federal Register, Vol. 84, No. 169 (84 Fed. Reg. 45838) on August 30, 2019. The national objective for LMI requires that proposed mitigation programs and projects must prioritize the protection of LMI individuals: no less than fifty percent (50%) of the CDBG-MIT grant must benefit LMI. The UNM national objective requires that activities under the CDBG-MIT Program result in measurable and verifiable reductions in the risk of loss of life and property from future disasters and yield community development benefits.

Additionally, as per 84 Fed. Reg. 45857 (August 30, 2019), the provisions of 24 C.F.R. § 570.483(e) and §570.208(d) are modified by an alternative requirement to include the following additional criteria for all mitigation activities funded with CDBG-MIT funds. To meet a national objective, all CDBG-MIT activities must:

1. Demonstrate the ability to operate for the useful life of the project.
2. Be consistent with other mitigation activities. To be consistent, the CDBG-MIT activity must not increase the risk of loss of life or property in a way that undermines the benefits from other uses of CDBG-MIT funds in the most impacted and distressed ("**MID**") area.

The Subrecipient certifies that the activities carried out under this SRA shall meet at least one (1) of these national objective(s) as established above. The Subrecipient shall ensure that the funded activity or services meet the applicable CDBG-MIT National Objective(s)

and that the subcontractor or third party collects the necessary information and complete the applicable forms to document the National Objective(s).

D. Levels of Accomplishment – Performance Goals and Timelines

The Subrecipient shall complete the activities required under **Exhibit A** ("Scope of Work") of this SRA in accordance with the timeframes and performance goals set forth in **Exhibit B** ("Timelines and Performance Goals") of this SRA, herein attached and made an integral part of this SRA.

E. Nonperformance Standard

If at the end of the **six (6) months** from the Effective Date, as defined in **Section V** of this SRA, the Program activity has not begun or at any time during the term, the Program activity has not accomplished the performance objectives set forth by the PRDOH in **Exhibit B** ("Timelines and Performance Goals"), the PRDOH may, at its sole discretion, terminate this SRA, de-obligate funds made available under this SRA, and/or recapture funds previously expended by the Subrecipient under this SRA from non-federal funds. No contract extensions shall be granted unless the Subrecipient can document circumstances beyond its control that prevented the start of the activity. The PRDOH shall review the properly filed and documented circumstances which are alleged to have prevented the initiation of activity and exclusively reserves the right to decide if an extension is warranted, relative to the reasons stated as well as the prevailing circumstances.

F. Pre-Award Costs

Pre-award costs applicable to the Subrecipient are strictly prohibited.

G. Infrastructure Projects

As per 84 Fed. Reg. 45851 (August 30, 2019), Infrastructure Projects are defined as an activity or group of related activities that develop the physical assets that are designed to provide or support services to the general public in sectors such as: surface transportation, water resource projects, pipelines, drinking water infrastructure, among others.

For more details regarding the definition of Infrastructure Projects and applicable regulations, refer to the CDBG-MIT Action Plan, Program Guidelines and policies.

1. Covered Projects

HUD has created a new standard for the evaluation of large-scale infrastructure projects by introducing the concept of Covered Projects. As per 84 Fed. Reg. 45840 (August 30, 2019), a Covered Project under CDBG-MIT is defined as an Infrastructure Project having: (1) a total project cost of \$100 million or more; and (2) includes at least \$50 million of CDBG funds (regardless of CDBG source such as CDBG-DR, CDBG-National Disaster Resilience ("**NDR**"), CDBG-MIT, CDBG funds, etc.). HUD requires that Covered Projects undergo an enhanced evaluation process, which may include a Benefit-Cost Analysis ("**BCA**") to determine if the benefits of the completed project outweigh the costs of implementing the project. The Covered Projects administered by PRDOH are described in the CDBG-MIT Action Plan, as amended.

Additionally, according to 84 Fed. Reg. 45857 (August 30, 2019), the provisions of 24 C.F.R. § 570.483(e) and §570.208(d) are modified to incorporate, as additional criteria, that all Covered Projects must:

- a) Demonstrate long-term efficacy and fiscal sustainability by: documenting measurable outcomes or reduction in risk; documenting how the Covered Project will reflect changing environmental conditions with risk management tools and alter funding sources if necessary; and establishing a plan for the long-term operation and maintenance of the Covered Project.

- b) Demonstrably benefit the MID area. The benefits of the Covered Project must outweigh the costs of the Covered Project; benefits outweigh costs if the Benefit-Cost Analysis (**BCA**) results in a benefit-to-cost ratio greater than 1.0. Alternatively, for a Covered Project that serves LMI persons or other persons that are less able to mitigate risks or respond to and recover from disasters, benefits outweigh costs if the grantee supplements its BCA with a qualitative description of benefits that cannot be quantified but sufficiently demonstrate unique and concrete benefits of the Covered Project for that population.

For more details regarding Covered Projects' definitions, evaluation criteria and other requirements, refer to the CDBG-MIT Action Plan, Program Guidelines and policies.

IV. PERFORMANCE, MONITORING AND REPORTING

A. Monitoring

The PRDOH shall monitor the performance of the Subrecipient as necessary to ensure that the funds allocated to the Subrecipient are used for authorized purposes, in compliance with Federal statutes, regulations, the Program Guidelines, and the terms and conditions of this SRA, including the timeframes and performance goals set forth in **Exhibit B** ("Timelines and Performance Goals") associated with the activities included in **Exhibit A** ("Scope of Work").

This review shall include: (1) reviewing financial and performance reports required by the PRDOH; (2) following up and ensuring that the Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the Subrecipient from the PRDOH detected through audits, on-site reviews, and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to the Subrecipient from the PRDOH as required by 2 C.F.R. § 200.521.

Substandard performance, defined as a performance that falls short of the standard expected of the Subrecipient, as specified in the SRA's exhibits, shall constitute noncompliance with this SRA.

If action to correct such substandard performance is not taken by the Subrecipient within **fifteen (15) days** after being notified by PRDOH, PRDOH may impose additional conditions on the Subrecipient and suspend or terminate this SRA, disallow all or part of the cost of the activity or action not in compliance or initiate other remedies for noncompliance, as appropriate and permitted under 2 C.F.R. § 200.339.

B. Reporting

The Subrecipient shall complete and submit a monthly report for each funded project, in the form, timeframe, and with the content specified and required by the PRDOH. The PRDOH shall later notify Subrecipient in writing the guidelines and requirements applicable to the submittal of the progress reports, and such notification shall be deemed incorporated by reference to this SRA.

V. EFFECTIVE DATE AND TERM

This SRA shall be in effect and enforceable between the Parties from the date of its execution. The performance period of this SRA is **sixty-two (62) months** from the date of its execution, ending in March 10, 2028.

The End of Term shall be the later of: (i) March 10, 2028; (ii) the date as of which the Parties agree in writing that all Close-Out Requirements¹ have been satisfied or, where no Close-Out Requirements are applicable to this SRA, the date as of which the Parties agree in writing that no Close-Out Requirements are applicable hereto; or (iii) such later date as the Parties may agree to in a signed amendment to this SRA.

The Subrecipient hereby acknowledges that this SRA is subject to the Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD ("**Grant Agreement**"); and the availability of the allocated CDBG-MIT funds. The Subrecipient also acknowledges and agrees that any suspension, cancellation, termination, or otherwise unavailability of the CDBG-MIT allocation(s) shall result in the immediate suspension, cancellation, or termination of this SRA, upon PRDOH's notice.

A. Contract Extensions:

PRDOH may extend the SRA's term for additional terms, upon mutual written agreement of the Parties. The term of this SRA shall not exceed the lifetime of the initial Grant Agreement between PRDOH and HUD, unless the term of the initial Grant Agreement is extended by HUD, in which case the term of this SRA cannot exceed the extension.

VI. BUDGET

A. Budget

The Subrecipient shall complete all activities in **Exhibit A** ("Scope of Work") of this SRA in accordance with **Exhibit C** ("Budget") attached herein and made an integral part of this SRA as such Budget may be amended from time to time.

Any proposed budget to be managed by the Subrecipient shall clearly specify proposed funding for administrative costs and/or program delivery costs and/or planning costs, to the extent that such costs are considered applicable categories for funding.

The Budget may include a reserve of the Subaward for PRDOH's activity delivery costs and expenditures related to the Program. The Subrecipient may not access the reserve identified in the Budget without written consent from the PRDOH.

The PRDOH may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the PRDOH. Any amendments to the budget must be approved in writing and signed by the PRDOH and the Subrecipient.

B. Indirect Costs

Indirect costs invoiced, if any, must be consistent with the conditions set forth herein. Indirect costs may be charged to PRDOH under a negotiated indirect cost rate agreement with a federal cognizant agency, a *de minimis* indirect cost rate (for applicable entities), or an indirect cost proposal prepared prior to the charging of any indirect cost to the Grant, in accordance with 2 C.F.R. Part 200, subpart E, submitted to a federal cognizant agency, and as approved by PRDOH in accordance with its written policies and procedures, which shall be included in **Exhibit C** ("Budget").

¹ "Close-Out Requirements" means all requirements to be satisfied by each party in order to close-out this SRA and the CDBG-MIT funds provided herein in accordance with applicable Requirements of Law, including the execution and delivery by one or more of the Parties of all close-out agreements or other legal instruments and the taking of any actions by one or more of the Parties in connection with such close-out, in any case as required under applicable Requirements of Law.

C. Program Income

PRDOH reserves the right to authorize the Subrecipient to retain Program Income² to be used in eligible program activities as described in this SRA. The Subrecipient shall notify PRDOH, within **twenty-four (24) hours** of receipt of any Program Income generated by activities carried out with CDBG-MIT funds made available under this SRA. All Program Income (as defined at 24 C.F.R. § 570.500) generated by activities carried out with the CDBG-MIT Funds must be returned to PRDOH if retention of such is not previously authorized by PRDOH. Program Income is subject to all applicable CDBG-MIT laws, regulations and PRDOH policies and procedures for so long as it exists. Contrary to CDBG-MIT provisions, any interest earned on cash advances from the U.S. Treasury or interest paid on CDBG funds held in a revolving fund account is not Program Income.

All Program assets, other than Program Income (property, equipment, etc.), if any, shall revert to PRDOH upon the termination of this SRA in accordance with applicable Federal laws, regulations, HUD Notices, policies, and guidelines.

PRDOH will later notify the Subrecipient in writing the applicable procedures for the return or reversion of Program Income and Program assets to the PRDOH, and such notification shall be deemed incorporated by reference to this SRA.

D. Property Management and Disposition

PRDOH will comply with regulations governing property management and distribution of real property, equipment, financial obligations, and return of un-obligated cash post program closeout. Applicable regulations can be found in 24 C.F.R. §570.502, 24 C.F.R. §570.505, 2 C.F.R. §200.310, 2 C.F.R. §200.343, 2 C.F.R. § 200.344(b), 2 C.F.R. § 200.344(d)(4) and 24 C.F.R. § 570.489(j).

For any real property acquired in whole or in part with CDBG funds in excess of \$25,000.00, the Subrecipient must control the use of the property in accordance with its intended purpose and take good care of it and may not change the use or planned use of the property without proper notification to affected citizens and allowable time for comment by them. If the property is not a building for general government conduct, the use of the property may be changed with citizen approval if it either meets one of the HUD national objectives. If the Subrecipient changes the use of the property, the Subrecipient may either retain or dispose of the property and reimburse PRDOH the amount of the current fair market value of the property.

Further details on property management and disposition can be found in the Cross Cutting Guidelines as a Property Management and Disposition Policy, available in English and Spanish at <https://www.cdbg-dr.pr.gov/en/resources/policies/general-policies/> and <https://www.cdbg-dr.pr.gov/recursos/politicas/politicas-generales/>.

² As defined in section V(A)(19)(a) of the HUD Notice, 84 Fed. Reg. 45838, 45858 (August 30, 2019), as may be amended by HUD), *Program Income* is:

[...] gross income generated from the use of CDBG-MIT funds, or a subrecipient of a State or local government, except as provided in subparagraph (d) of this paragraph."

[...]

Program income includes, but is not limited to, the following: (a) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG-MIT funds; (b) Proceeds from the disposition of equipment purchased with CDBG-MIT funds; (c) Gross income from the use or rental of real or personal property acquired by a State, local government, or Subrecipient thereof with CDBG-MIT funds, less costs incidental to generation of the income (i.e., net income); (d) Net income from the use or rental of real property owned by a State, local government, or Subrecipient thereof, that was constructed or improved with CDBG-MIT funds; (e) Payments of principal and interest on loans made using CDBG-MIT funds; (f) Proceeds from the sale of loans made with CDBG-MIT funds; (g) Proceeds from the sale of obligations secured by loans made with CDBG-MIT funds; (h) Interest earned on program income pending disposition of the income, including interest earned on funds held in a revolving fund account; (i) Funds collected through special assessments made against nonresidential properties and properties owned and occupied by households not low- and moderate-income, where the special assessments are used to recover all or part of the CDBG-MIT portion of a public improvement; (j) Gross income paid to a State, local government, or a Subrecipient thereof, from the ownership interest in a for profit entity in which the income is in return for the provision of CDBG-MIT assistance.

VII. PAYMENT

A. Amount

This SRA is based on the reimbursement of funds to the Subrecipient expended on approved CDBG-MIT items. Funding is contingent on a CDBG-MIT award to PRDOH or a Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD, and PRDOH's receipt of CDBG-MIT funds. It is expressly agreed and understood that the total funding amount to be paid by the PRDOH to the Subrecipient under this SRA shall not exceed the amount specified in **Exhibit C** ("Budget"). Such payment shall be compensated for all allowable services required, performed and accepted under this SRA. However, PRDOH reserves the right to reduce the funding amount if CDBG-MIT funding is not provided under the Grant Agreement at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in **Exhibit C** ("Budget").

Any additional funds to complete the services requested by the PRDOH to the Subrecipient shall be subject to funds availability and shall require an amendment to this SRA.

B. Requests for Reimbursement

The Subrecipient shall submit to PRDOH requests for reimbursements ("**Request for Reimbursement**") of activities under this SRA and consistent with the approved **Exhibit C** ("Budget") and **Exhibit A** ("Scope of Work") on a monthly basis. Each Request for Reimbursement shall be broken down into requested reimbursements against the Budget line items specified in **Exhibit C** ("Budget").

The Subrecipient shall submit Requests for Reimbursements to the PRDOH, on the form and with the content specified and required by the PRDOH. The Requests for Reimbursements must be submitted with all supporting invoices, bills, timesheets, monthly reports, and any other document necessary to justify the payment, or any other supporting document requested by PRDOH. The Request for Reimbursement must also be accompanied by documentation from the Subrecipient demonstrating that all procurements for which payment is requested have been made in accordance with this SRA.

If PRDOH determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice shall be approved for payment. An authorized representative of the PRDOH shall review each Request for Reimbursement and, if adequate, shall approve and process its payment. Payments to the Subrecipient shall be made by check or electronic funds transfer ("**EFT**"). PRDOH reserves the right to conduct any audit it deems necessary.

In order for the Subrecipient to receive payment for any work performed hereunder, the following certification must be included in each Request for Reimbursement submitted to the PRDOH:

"Under penalty of absolute nullity, I hereby certify that no public servant of the government entity is a party to or has an interest of any kind in the profits or benefits to be obtained under the contract which is the basis of this invoice, and should he be a party to, or have an interest in, the profits or benefits to be obtained under the contract, a waiver has been previously issued. The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct.

W
E

The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefor.”

The PRDOH shall pay to the Subrecipient CDBG-MIT funds available under this SRA [See **Exhibit D** (“Funds Certification”)] based upon information submitted by the Subrecipient for allowable costs permitted under this SRA and consistent with the approved Budget. Payments shall be made for eligible and allowed expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. PRDOH reserves the right to adjust payments in accordance with program income balances available in Subrecipient accounts.

All Subrecipient invoicing and payments will be managed through PRDOH’s Financial Management Systems, to ensure effective fully compliant cost principles and use of funds, maximizing operational and financial performance, minimizing risk, and providing optimal service.

For detailed requirements, refer to the PRDOH Financial Policy available in English and Spanish at: <https://www.cdbg-dr.pr.gov/en/resources/policies/general-policies/> and <https://www.cdbg-dr.pr.gov/recursos/politicas/politicas-generales/>.

IX. AMENDMENT AND TERMINATION

A. Amendments

This SRA may be amended provided that such amendments make specific reference to this SRA, comply with programmatic policies, procedures, and guidelines, are executed in writing and signed by a duly authorized representative of each party, and approved by PRDOH. Such amendments shall not invalidate this SRA, nor relieve or release the Parties from their obligations under this SRA. Unless specified, such amendments are not

intended to affect, nor will they constitute an extinguished novation of the obligations of the Parties under the SRA and amendment.

This SRA may be amended by the Parties hereto, for the purpose of including any other CDBG-MIT funded program included in the HUD-approved Hurricanes Irma and María current Action Plan.

The PRDOH may, at its discretion, amend this SRA to conform with federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or the schedule of the activities to be undertaken as part of this SRA, such modifications shall be incorporated only by a written amendment signed by both the PRDOH and the Subrecipient.

However, PRDOH reserves the right to notify the Subrecipient in writing, email or any other electronic method, of any applicable policies, procedures, regulations, requirements, guidelines, or change in law, whether existing or to be established, as well as changes and/or amendments thereof, and the notified policies, procedures, regulations, requirements, guidelines and laws shall be deemed incorporated by reference to this SRA without the need of executing a separate written and signed amendment.

B. Suspension or Termination

1. Termination for Cause

The PRDOH may terminate this SRA, in whole or in part, upon **thirty (30) days'** notice, whenever it determines that the Subrecipient has failed to comply with any term, condition, requirement, or provision of this SRA. Failure to comply, includes (but is not limited to) the following:

- a. Failure to attend mandatory technical assistance and/or training, or comply with any of the rules, regulations, or provisions referred to herein, or such statutes, regulations, executive orders, HUD guidelines, PRDOH's Program Guidelines, as applicable, and policies or directives as may become applicable at any time;
- b. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this SRA;
- c. Ineffective or improper use of funds provided under this SRA; or,
- d. Submission of reports by the Subrecipient to the PRDOH that are incorrect or incomplete in any material respect.

The Subrecipient shall have up to **thirty (30) days** to resolve the issues listed above to the satisfaction of PRDOH.

2. Termination for Convenience of the PRDOH

The PRDOH may terminate this SRA at any time by notice in writing from the PRDOH to the Subrecipient. If the SRA is terminated by the PRDOH as provided herein, the Subrecipient shall be paid the total compensation as the allowable services actually performed up until the date of termination. 3. Notification and Recoupment of Costs Incurred Prior to Termination

The PRDOH shall promptly notify the Subrecipient, in writing, of its determination and the reasons for the termination together with the date on which the termination shall take effect and any other notifications required under 2 C.F.R. Part 200, subpart D. Upon termination, the PRDOH retains the right to recover any improper expenditures from the Subrecipient and the Subrecipient shall return to the PRDOH any improper expenditures no later than **thirty (30) days** after the date of termination. In the case of a Termination for Convenience only, the PRDOH may, at its sole discretion, allow the Subrecipient to retain or be reimbursed for costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this SRA, 2 C.F.R. Part 200, subpart E, Cost Principles, and any other applicable state or Federal statutes, regulations or requirements.

4. Unilateral Termination

The PRDOH may terminate this SRA, in whole or in part, at PRDOH's sole discretion, with or without cause, at any time. Upon receipt of such notice, the Subrecipient shall immediately discontinue all services affected and deliver to the PRDOH all information, studies and other materials property of the PRDOH. If the Subrecipient does not deliver to the PRDOH all information, studies, and other materials property of the PRDOH within the established timeframe, and the PRDOH invests any additional funds to reproduce the information, studies, and other materials not provided by the Subrecipient upon termination, then the PRDOH will disallow from payments to the Subrecipient under this SRA the funds expended for the PRDOH to reproduce such information, studies, and other materials. In the event of a termination by Notice, the PRDOH shall be liable only for payment of services rendered up to and including the effective date of termination.

5. Suspension

The PRDOH may suspend this SRA in whole or in part at any time for the PRDOH's convenience. The PRDOH shall give the Subrecipient **five (5) days** written notice of such suspension. Upon receipt of said notice, the Subrecipient shall immediately discontinue all Services affected.

6. Immediate Termination

In the event the Subrecipient is subjected to a criminal or civil action, suit, proceeding, inquiry or court of the applicable jurisdiction, or any governmental agency, or the Subrecipient shall be subject to an order, judgment, or opinion, issued by any federal or local authority, a court of the applicable jurisdiction, or any governmental agency, in connection with the execution, delivery, and performance by the Subrecipient of this SRA or the Subrecipient has been non-compliant, in breach, inaccurate in any representation, warranties, covenants, or the certifications provided herein, whether the noncompliance, breach or inaccuracy takes place before or after the execution of this SRA, the PRDOH shall have the right to the immediate termination of this SRA notwithstanding, any provisions to the contrary herein. The Subrecipient has a continuous obligation to report to PRDOH any proceedings which apply to the Subrecipient under this paragraph.

In the event that the grant of funds by HUD under any allocations of the CDBG-MIT may be suspended, withdrawn or canceled, this SRA will be immediately terminated.

7. Period of Transition.

Upon termination of this SRA, and for **ninety (90) consecutive calendar days** thereafter (the **Transition Period**), Subrecipient agrees to make himself available to assist the PRDOH with the transition of services assigned to the Subrecipient by the PRDOH. Subrecipient shall provide to the PRDOH the assistance reasonably requested to facilitate the orderly transfer of responsibility for the performance of the Services to the PRDOH or a third party designated by the PRDOH. PRDOH reserves the right to provide for the execution of a Transition Services Agreement for the Transition Period. In such instance, the Subrecipient will be paid at a reasonable, agreed upon, hourly rate for any work performed for the PRDOH during the Transition Period. Moreover, during that Transition Period, all finished or unfinished records (files, data, work product) connected with this SRA will be turned over to PRDOH.

8. Availability of Funds

This SRA is contingent upon the availability of funds from HUD. It is expressly understood and agreed that the obligation to proceed under this SRA is conditioned upon the receipt of Federal funds. If the funds anticipated for the continuing fulfillment of the SRA are, at any time, not forthcoming or insufficient, either through the failure of the Federal government to provide funds or the discontinuance or material alteration of the Program under which funds were provided, or if funds are not otherwise available to PRDOH, the PRDOH has the right upon **ten (10) working days** written notice to the Subrecipient, to terminate this SRA without damage, penalty, cost or expenses to PRDOH of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

X. COMPLIANCE WITH FEDERAL STATUTES, REGULATIONS AND THE TERMS AND CONDITIONS OF THE FEDERAL AWARD AND ADDITIONAL PRDOH REQUIREMENTS

The "HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements", which are attached to, and made an integral part of this SRA as **Exhibit E**, set forth certain requirements imposed by HUD with respect to the PRDOH's Federal award or CDBG-MIT Grant. Furthermore, **Exhibit F** ("Special Conditions"), attached herein and made an integral part of this SRA, is reserved to cover particular circumstances, conditions or specific requirements as they arise from the demands of the Program.

The Subrecipient agrees to carry out its obligations under this SRA in compliance with all the requirements described in **Exhibit E**, as well as those set forth in the aforementioned **Exhibit F** attached to this SRA.

Moreover, the **Exhibit H** ("Non-Conflict of Interest Certification"), attached herein and made an integral part of this Agreement, outlines several situations that may reasonably be considered as conflicts of interest. The Subrecipient shall disclose and certify that, to the best of its knowledge, none of the situations exist or may exist at the date of the execution of the Agreement. The aforementioned certification aids PRDOH, in its role as grantee, to identify, evaluate, disclose and manage apparent, potential, or actual conflicts of interest related to CDBG-MIT funded projects, activities, and/or operations.

XI. INSURANCE & BONDING

The Subrecipient shall carry sufficient insurance coverage and bonding from insurers licensed to conduct business in the Government of Puerto Rico to protect all contract assets from loss due to any cause, including but not limited to theft, fraud, and/or physical damage. The aforementioned insurance coverage shall be provided by the Subrecipient, via Commercial General Liability (CGL) insurance policy, during the life of the SRA. The Government of Puerto Rico, the PRDOH and HUD shall be named as additional insured on all such insurance. The Subrecipient shall meet all other insurance

requirements as the PRDOH may impose from time to time. In addition, all insurance carriers and bonding companies shall meet minimum size and financial stability/financial rating requirements as may be imposed by the PRDOH from time to time. Certificates of insurance shall be provided to the PRDOH and full and complete copies of the policies and/or bonds shall be provided to the PRDOH upon its request for same.

Notwithstanding the above, for construction or facility improvement performed by the subcontractors or third parties, the Subrecipient shall ensure that the subcontractors or third parties, at a minimum, comply with the bonding requirements at 2 C.F.R. Part 200, subpart D.

Moreover, in accordance with 2 C.F.R. § 200.310, the Subrecipient must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with Federal funds as provided to property owned by PRDOH. Federally owned property need not be insured unless required by the terms and conditions of the Federal award.

XII. FEDERAL LAWS AND REGULATIONS APPLICABLE TO CONSTRUCTION CONTRACTS

Projects receiving CDBG-MIT funding are required to comply with federal labor standards laws, including Davis-Bacon Act of 1931 and Related Acts (DBRA), as amended, 40 U.S.C. § 3141-3148; Fair Labor Standards Act of 1938 (FLSA), as amended, 29 U.S.C. § 201 et seq.; Contract Work Hours and Safety Standards Act (CWHSSA), 40 U.S.C. § 3701; Copeland Anti-Kickback Act, 40 U.S.C. § 3145. Together, these laws ensure that workers are paid the appropriate prevailing wage rate and are treated fairly by employers receiving CDBG-MIT funding to execute program activities, and employment opportunities are made available to low-income individuals to the greatest extent possible. Each of these laws requires important recordkeeping practices to ensure compliance and allow for accurate and efficient reporting as required by PRDOH. These laws are described in **Exhibit E** (HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements).

XIII. CDBG-MIT POLICIES AND PROCEDURES

Winn
ESM
In addition to what is established in this SRA, the Subrecipient shall comply with all CDBG-MIT program-specific and general policies and procedures, which may include, but are not limited to, the Subrecipient Management Policy, OS&H Guideline, MWBE Policy, URA & ADP Guidelines, Cross Cutting Guidelines, AFWAM Policy, Section 3 Policy, Personally Identifiable Information, Confidentiality, Language Access Plan, and Nondisclosure Policy and Conflict of Interest and Standards of Conduct Policy, as found in the CDBG-DR/MIT Website (<https://cdbg-dr.pr.gov/en/resources/policies/>), which are herein included and made an integral part of this SRA, as they may be updated from time to time, Procurement policies and procedures in accordance with the federal procurement rules and regulations found in 2 C.F.R. § 200.318 through §200.327³, and reporting requirements as established by the PRDOH.

XIV. SYSTEM FOR AWARD MANAGEMENT (SAM) REGISTRATION

The Subrecipient must be registered in the System for Award Management (SAM) and shall maintain its registration active during the performance of the SRA and through final

³ All procurement transactions for work to be funded by CDBG-MIT must be conducted in full compliance with the standards set forth under 2 C.F.R. §200.318 to §200.327. Moreover, according to Administrative Order 22-56 (OA 22-56) of July 29, 2022, signed by the Secretary of PRDOH, the Procurement Manual for the CDBG-DR Program, Regulation 9205, will provide provisional guidance to the procurement procedures under all CDBG-MIT programs, excluding HMGP-MIT (Hazard Mitigation Grant Program-MIT). Said Procurement Manual is under revision. Specific requirements for procurement transactions for work to be funded by CDBG-MIT will be incorporated upon final approval of the Procurement Manual.

payment. The Subrecipient is responsible during performance and through final payment for the accuracy and completeness of the data within SAM. **Failure to maintain registration in SAM can impact obligations and payments under this SRA.**

The registration status of the Subrecipient in SAM recently became inactive. Therefore, this SRA is being executed under the Subrecipient's certification that it is cleared and eligible for this subaward and it is not suspended, debarred, or on a HUD-imposed limited denial of participation. The Subrecipient certifies the aforementioned statement duly signing **Exhibit I** (Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion), attached herein and made an integral part of this SRA. Moreover, the Subrecipient agrees to promptly complete the registration process and update its registration status in SAM after the execution of this SRA. Afterwards, the Subrecipient also agrees to carry out the rest of the obligations previously stated in regard SAM registration.

The Subrecipient shall notify, as soon as possible, the PRDOH of the occurrence of the *Force Majeure* event and describe in reasonable detail, the nature of the *Force Majeure* event.

XVI. INDEPENDENT CONTRACTOR

Nothing contained in this SRA is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the Parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the efforts to be performed under this SRA. The PRDOH shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent entity.

XVII. ASSIGNMENT OF RIGHTS

The Subrecipient shall not assign or transfer any interest in this SRA without the prior written consent of the PRDOH.

XVIII. SEVERABILITY

If any provision of this SRA is held invalid, the remainder of the SRA shall not be affected thereby, and all other parts of this SRA shall nevertheless be in full force and effect.

A. Consolidation or Merger

In the event that the signing party (e.g. Subrecipient, Contractor, or Subcontractor) of the SRA with the PRDOH moves for consolidation or merger with another entity (private or public), by its discretion or otherwise, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days prior to the effective date** of the

The notice shall include, but not be limited to, a description of: the expected effective date of the consolidation or merger; the name of each of the constituent entities moving to consolidate or merge into the single resulting or surviving entity; the proposed name of the resulting entity (in case of a consolidation) or the name of the surviving entity (in case of a merger) if necessary; reference to the projected capacity of the resulting or surviving entity to comply with the terms, conditions, obligations, tasks, services, and performance goals or requirements included in the SRA as well as its Exhibits or Attachments; and a brief summary of the proposed plan to achieve the transition of duties (Scope of Work or Scope of Services), tasks, and performance goals or requirements to the resulting or surviving entity.

Upon the consolidation or the merger becoming effective and supporting evidence of such event is notified to PRDOH, execution of an Amendment to the SRA may follow. The Amendment would include, but not be limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment. **No amendment to the SRA will be necessary if the Subrecipient, Contractor, or Subcontractor becomes the surviving entity following a merger.**

Failure to comply with any of the before-mentioned conditions may result in the activation of the termination clauses provided in the SRA.

B. Change of Name

In the event that the signing party (e.g. Subrecipient, Contractor, or Subcontractor) of the SRA with the PRDOH initiates a change of name process, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days** prior to the effective date of such event. The Amendment would include, but not limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment.

Failure to comply with any of the before-mentioned conditions may result in the activation of the termination clauses provided in the SRA.

The notice shall include, but not limited to, a description of the expected effective date of the dissolution; and contact information of one or more of its directors, officials, or agents. Upon dissolution becoming effective and supporting evidence of such event is notified to PRDOH, termination of the SRA will follow. Consequently, the signing party acknowledges and agrees to provide to the PRDOH, after termination of the SRA, the assistance reasonably requested to facilitate the orderly transfer of responsibility for the performance of the tasks or services to the PRDOH or a third party designated by the PRDOH. Moreover, all finished or unfinished records (files, data, work product) connected with this SRA will be turned over to PRDOH following the SRA termination.

XXI. NON-WAIVER

The PRDOH's failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the PRDOH to exercise or enforce any right or provision shall not constitute a waiver of such right or provision.

XXII. BANKRUPTCY

In the event that the Subrecipient files for bankruptcy protection, the Government of Puerto Rico and PRDOH may deem this SRA null and void and terminate this SRA without notice.

XXIII. GOVERNING LAW: JURISDICTION

This SRA shall be governed by, interpreted, and enforced in accordance with the laws of the Government of Puerto Rico and any applicable federal laws and regulations. XXIV. COMPLIANCE WITH THE LAW

It is the intention and understanding of the Parties hereto that each and every provision of law required to be inserted in this SRA should be and is inserted herein. Furthermore, it is hereby stipulated that every such provision is deemed to be inserted and if, through mistake or otherwise, any such provision is not inserted herein or is not inserted in the correct form, then this SRA shall forthwith, upon the application of any Party, be amended by such insertion so as to comply strictly with the law and without prejudice to the rights of any Party.

XXV. SUBROGATION

The Subrecipient acknowledges that funds provided through this SRA are Federal funds administered by HUD under the CDBG-MIT Program and that all funds provided by this SRA are subject to audit, disallowance, and repayment. Any disagreement with adverse findings may be challenged and subject to Federal regulation, however, the Subrecipient shall promptly return any and all funds to the PRDOH, which are found to be ineligible, unallowable, unreasonable, a duplication of benefits, or non-compensable, no matter the cause. This clause shall survive indefinitely the termination of this SRA for any reason in accordance with **Exhibit G** ("Subrogation and Assignment Provisions").

XXVI. COMPTROLLER REGISTRY

The PRDOH shall remit a copy of this SRA to the Office of the Comptroller for registration within **fifteen (15) days** following the date of execution of this SRA and any subsequent amendment thereto. The services object of this SRA may not be invoiced or paid until this SRA has been registered by the PRDOH at the Comptroller's Office, pursuant to Act No. 18 of October 30, 1975, as amended by Act No. 127 of May 31, 2004.

XXVII. ENTIRE AGREEMENT

This SRA constitutes the entire agreement among the Parties for the use of funds received under this SRA and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written among the Parties with respect to this SRA.

Further, Subrecipient acknowledges that all funds are subject to recapture and repayment for non-compliance.

XXIX. RECAPTURE OF FUNDS

PRDOH may recapture payments it makes to Subrecipient that (i) exceed the maximum allowable rates; (ii) are not allowed under applicable laws, rules, or regulations; or (iii) are otherwise inconsistent with this SRA, including any unapproved expenditures. Subrecipient must refund such recaptured payments within **thirty (30) days** after the PRDOH issues notice of recapture to Subrecipient.

XXX. OVERPAYMENT

Subrecipient shall be liable to the PRDOH for any costs disallowed pursuant to financial and/or compliance audit(s) of funds received under this SRA. Subrecipient shall reimburse such disallowed costs from funds other than those Subrecipient received under this SRA.

XXXI. COUNTERPARTS

This SRA may be executed in any number of counterparts, each of which shall be deemed to be an original, however, all of which together shall constitute one and the same instrument. If the SRA is not executed by the PRDOH within **thirty (30) days** of execution by the other party, this SRA shall be null and void.

Terms and conditions that, explicitly or by their nature, evidence the Parties' intent that they should survive the termination or expiration of this SRA shall so survive.

XXXIII. LIMITATIONS PENDING ENVIRONMENTAL CLEARANCE

It is acceptable for grantees to execute non-legally binding agreements prior to completion of the environmental review process. A non-legally binding agreement contains stipulations that ensure the project participant does not have a legal claim to any amount of CDBG funds to be used for the specific project or site until the environmental review process is satisfactorily completed. **As such, the Subrecipient acknowledges that it has no legal claim to any amount of CDBG funds for any projects or site acquisition under this Subrecipient Agreement, until the environmental review process is completed under PRDOH's satisfaction. The Subrecipient acknowledges that it will not begin any actions related to the project or site until the environmental review process is completed and has written acceptance and a Notice to Proceed from PRDOH.**

worn
[unclear]

The Subrecipient shall prepare all necessary construction documents for Project development and implementation, including the following examples: drawings, specifications, property acquisition drawings and documentation, technical studies and analyses, required permits and endorsements, cost estimates, construction schedule, and necessary design build bid documentation.

The Project is planned to be implemented by means of a single procurement process, encompassing a hybrid combination of conventional and Design-Build construction methods. For bidding and construction purposes, the PRHTA has divided the segment in four (4) sections. Once the Design Build Service Provider is selected the design development of each of the segments will be developed individually. Design Development documents will be presented for each of the four (4) segments as the work progresses. During the performance of this task, the Subrecipient shall perform all necessary deliveries to PRDOH of construction documents at established benchmarks for revision and to demonstrate progress of the work. The periodicity of deliveries shall be coordinated with the PRDOH before commencing the design development of Project.

After the revision of each delivery, the Subrecipient may receive comments from PRDOH that might require revision of the documentation. PRDOH expects to receive all necessary progress deliveries with a compliance certification of applicable codes and regulations, and the progress accomplished, prepared by the architect/engineer in charge of the design of each project.

Deliverable: Before design activities commence, the Subrecipient shall submit an Implementation Plan indicating the established timeframe for each of the deliverables, and for each design phase, according to each of the planned segments. Once established, PRDOH expects the submission of construction documents, at the expected delivery schedules for each segment, submission of initial Construction RFP documents (including independent construction estimates or ICE) and subsequent construction documents, at established benchmarks for each Segment.

Task 3. Environmental Review and Clearance

The Subrecipient shall prepare and submit to PRDOH for review all required documentation necessary for the adoption of the Environmental Review completed for the Project and previously approved by the Federal Highway Administration.

The Subrecipient shall submit the Environmental Review Record (**ERR**), in accordance with 24 C.F.R. § 58.38, to the PRDOH for review and signature of PRDOH's Certifying Officer. All mitigation activities must be clearly identified in the Environmental Review.

After PRDOH's review of the ERR and a determination that no gaps exist between the provisions of 24 C.F.R. Part 58 and the ERR completed with the Federal Highway Administration (**FHWA**), the PRDOH will complete the applicable Sections of the provided template for the Request for Release of Funds (**RROF**) and, submit the RROF to HUD for approval as the responsible entity.

The Subrecipient cannot initiate any activities for which the funding is requested before the Authority to Use Grant Funds (**AUGF**) is received by the PRDOH and forwarded to the Subrecipient. The Subrecipient shall notify in writing to PRDOH of any change to the approved Project scope and shall perform a re-evaluation of the Environmental Review to determine if the change impacts the environmental determination for the Project. This requirement shall also apply for all changes to the Project during construction.

The Subrecipient shall perform all necessary Environmental Services, including but not limited to the following roles and responsibilities:

The OMP shall be updated and submitted for PRDOH review and comment as the Project progresses in accordance with PRDOH Guidelines.

All Subrecipients who are awarded funds for a covered Project acknowledge the requirement of an Operation and Maintenance plan as part of compliance with a national objective. Failure to comply with this requirement could result in a potential repayment of funds to PRDOH.

Deliverable: An **OMP** updated at established Project development milestones. The OMP should describe and comply with established PRDOH requirements.

The Subrecipient will be required to set-up a unique account through this system and provide all required information, including information related to dedicated bank accounts.

A key area of focus for HUD is ensuring that CDBG-MIT projects are reimbursement-based and that contractors who undertake work are paid for services provided. HUD requires that all documented costs were incurred and completed at the time of invoice submission. As a result, PRDOH cannot request CDBG-MIT reimbursement for work that the Subrecipient undertook until it has obtained proof that the work was performed, completed and that this information is uploaded to PRDOH databases.

KEY ACTIVITY 1.1: DEVELOPMENT & APPROVAL OF SRA'S IMPLEMENTATION PLAN

Key activities, deliverables, and timeframes for the SRA's implementation activities will be established in an SRA Implementation Plan. The plan will be prepared and submitted by the Subrecipient and approved by the PRDOH.

The SRA Implementation Plan must include, at a minimum, commencement, intermediate and completion milestones for the following:

1. Environmental Review
2. Procurement for all services to be contracted
3. Design Development at 30%, 60% and 90% of each of the segments of the project.
4. Permitting for each of the segments of the project.
5. Construction of each of the segments of the project.
6. Construction Closeout.
7. SRA Closeout.
8. DRGR outcome metrics projections and timelines

The Subrecipient agrees that key activities, deliverables, and timeframes established in the SRA Implementation Plan and approved by the PRDOH will be binding upon the parties. PRDOH will monitor, measure, and oversee the Subrecipient's performance under this SRA against the key activities, deliverables, and timeframe requirements set forth in the latest approved SRA Implementation Plan. The Subrecipient and PRDOH may, by mutual agreement between the parties, change an originally approved SRA Implementation Plan to add, remove, or modify key activities, deliverables, and timeframes associated to the SRA's implementation activities. Neither the original SRA Implementation Plan nor any subsequent changes to it will require an amendment to the SRA for it to be binding between the parties. PRDOH INFRA-MIT Program approval of the SRA Implementation Plan is required for it to be binding upon the parties.

KEY ACTIVITY 2.1: SUBMISSION OF PROCUREMENT PACKAGES AND DOCUMENTATION

A hybrid combination of conventional and Design-Build delivery method will be used for the implementation of the Project. This will require that the PRHTA perform procurement processes for the selection of one (1) entity that will be providing the hybrid conventional and Design Build services and the entity or entities that will be providing the Construction Inspection Services for the project. The number of Construction Inspection Services contractors that will be required to comply with

*Worn
EAM*

project requirements, specifications, and timelines will be determined by the PRHTA.

For the hybrid combination of conventional construction and Design-Build services, the PRHTA shall prepare and present a procurement package that establishes all the requirements needed to perform the design, demolition, abatement, repair, and construction components needed to complete the Project. These documents and the procurement process to be performed shall comply with all applicable laws and regulations including the provisions in 2 C.F.R. §§ 200.318-327.

For the Construction Inspection Services to be procured, the PRHTA shall prepare and present a procurement package that establishes all the requirements needed to perform the oversight, monitoring, and assurance that the entire design and construction process is carried out in compliance with applicable laws and regulations, as well as in agreement with the terms and conditions set forth in the contractor agreement.

The Environmental Review process must be completed prior to execution of the hybrid combination of conventional construction and Design-Build Services and Construction Inspection services Agreements.

KEY ACTIVITY 3.1: PROJECT DESIGN DEVELOPMENT IS COMPLETED AND DELIVERED

Upon completion of the procurement and contracting processes for the Design-Build Services, the Project Design Development and construction process shall begin. Implementation of development and construction activities shall be developed in four (4) different Segments divided into five (5) sub-projects. At the time of the execution of this SRA, the degree of completion of the Design Development Stages for each of the Segments is different. PRHTA has established the percentage of completion for each Segment at the time of the execution of the SRA as follows:

*WDM
EEM*

- 1 Segment II - 100%
- 2 Segment III - Roadway and Utilities - 100%
- 3 Segment III - Bridges and Retaining Walls - 35%
- 4 Segment IV - 35%
- 5 Segment V - 35%

Design Development phases for each of the Segments shall be carried out as established in the SRA Implementation Plan and must include all following key activities included in this SRA.

KEY ACTIVITY 3.2 DEVELOPMENT & SUBMISSION OF O&M PLAN

The U.S. Department of Housing and Urban Development (**HUD**) requires from grantees and subrecipients to have a plan on how they will fund long-term operation and maintenance (**O&M**) of infrastructure and public facility projects funded by the Community Development Block Grant–Mitigation (**CDBG-MIT**) Program. This Operation and Maintenance Plan (**O&M Plan**) must demonstrate the project owners' ability to operate and maintain the project over its useful life (including funding sources and other necessary resources).

Drafting and developing O&M plans for project will occur during the Planning and Design Phase of the projects, with submittals at 30%, 60%, and 90% design.

KEY ACTIVITY 3.3: COMPLETION OF ENVIRONMENTAL DOCUMENTS

The PRHTA shall present the Final Environmental Impact Statement (**FEIS**), prepared for the construction of the entire fifty-eight (58) kilometers of PR-10 Highway, together with the reevaluation of the Project establishing that the FEIS approved for the entire PR-10 Project is still valid and appropriate for the proposed actions. The Environmental Review Record presented by PRHTA shall comply with all requirements established under 24 C.F.R. Part 58.

KEY ACTIVITY 3.4: SUBMISSION AND APPROVAL OF CONSTRUCTION PERMITS

After the execution of the Design-Build contract, the Design-Build Contractor shall initiate the submission of all the required documentation to obtain the required permits from corresponding municipal, state, and federal government entities. The Design-Build project delivery method to be implemented in the project will require that permits be obtained at the initial stage of the project and amendments to those permits be submitted and obtained as the design of subsequent portions of the work are completed, and construction progresses. Permits shall be obtained for each of the four (4) Segments of the Project as established in the SRA Implementation Plan.

KEY ACTIVITY 4.1: PROJECT CONSTRUCTION COMPLETION

Following environmental review process for the entire project and the permitting stages of each of the individual Segments, the construction of each of the segments will commence. Construction of each of the segments will be scheduled to commence construction based on the level of completion of the design development documents of each of the four (4) individual Segments of the Project and the physical accessibility to the Segment site area. Disbursements for each phase shall be approved by the PRDOH and processed for payment after the presentation of construction documents, a site inspection by Engineers, and the

won

issuance of certifications pursuant to the inspection services agreement. A total of ten percent (10%) of each of the requested disbursements shall be retained and disbursed after the Project's final inspection. Indicators to measure the construction phase will be monitored as established in the SRA Implementation Plan.

KEY OBJECTIVE 5.1: PROJECT DELIVERY & CONSTRUCTION CLOSEOUT

Once all the construction work has been completed, the construction closeout phase is initiated. The construction closeout process includes but is not limited to the following:

1. Certificate of Substantial Completion
2. Completed Punchlist
3. Design Team Approvals
4. Inspection Certificates
5. Certificate of Occupancy
6. Operations and Maintenance Plan
7. Final Pay Applications
8. Documentation of materials and equipment used in the project (submittals)

KEY OBJECTIVE 6.1: ACQUISITION OF PROJECT RIGHT OF WAY

Prior to accessing and initiating construction activities on properties within the project right of way which the PRHTA does not hold title to, an acquisition process must be performed in accordance with Uniform Relocation Act (**URA**). At the time of the execution of this SRA the PRHTA has acquired the Right of Way for three (3) of the four (4) segments that comprise the project. The acquisition process will be implemented as established in the SRA Implementation Plan.

KEY OBJECTIVE 7.1: COMPLETION OF SRA CLOSEOUT

For the Project to be considered "completed" milestones must be delivered to ensure the safety of the Project's user(s). The Project's completion is not marked solely upon the completion of the Project's Construction Phase but is also marked by obtaining the approval of the project closeout binder.

The Closeout process will begin when all eligible activities and national objectives have been completed, and all CDBG-MIT funds have been disbursed. Before the commencement of the closeout process, the Subrecipient must complete the Closeout Package, which includes the following information for the project:

1. Subrecipient name.
2. Point of Contact.
3. SRA Contract Number.

WDR
[Signature]

4. Amendments to the SRA and date of execution, if any.
5. Obligated amounts by work types.
6. List of activities exactly as they are identified in the Action Plan (or subsequent Amendments) and the Disaster Recovery Grant Reporting (**DRGR**) System.
7. Current data on budgeted, obligated, and expended amounts by activity.
8. Requests for disbursements and supporting documentation.
9. Disbursements and supporting documentation.
10. Certification of compliance with terms of SRA, financial requirements, programmatic requirements, and monitoring requirements, if any.
11. Any documentation the Subrecipient deems necessary to submit to PRDOH to complete the closeout process.

Additional documentation may vary depending on the Subrecipient, or SRA requirements. The aforementioned list is not meant to substitute or replace programmatic requirements. This list is not meant to be so exhaustive that it does not allow for the program to draft and require additional documentation.

Further, the following compliance matters shall also be documented within the Closeout Package:

1. All activities are eligible, were completed, and met a national objective;
2. Grant funds allocated to the project were expended on necessary and reasonable costs, and any remaining funds are returned to the grant account;
3. All funds used for the Program have been properly accounted for and reconciled;
4. All permits, if required, have been properly closed-out with the proper governmental entities;
5. All deliverables were completed;
6. All milestones were met;
7. All reporting requirements were completed and submitted;
8. SRA responsibilities have been fulfilled, and any special conditions of the grant award were met;
9. Necessary documentation and records have been collected;
10. Performance reports and Key Performance Indicators have been submitted and documented;

The Puerto Rico Department of Housing (PRDOH) reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this SRA, in instances where the SUBRECIPIENT or any of its subcontractors violate or breach any SRA term. If the SUBRECIPIENT or any of its subcontractors violate or breach any SRA term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the SRA documents, and the rights and remedies available thereunder, shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4. REPORTING REQUIREMENTS

The SUBRECIPIENT shall complete and submit all reports, in such form and according to such schedule, as may be required by the PRDOH and/or the Government of Puerto Rico. The SUBRECIPIENT shall cooperate with all the PRDOH and/or the Government of Puerto Rico efforts to comply with HUD requirements and regulations pertaining to reporting, including but not limited to 2 C.F.R. § 200.328 and 24 C.F.R. § 570.507, when applicable.

5. SMALL AND MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

The SUBRECIPIENT will take necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used in subcontracting when possible. Steps include, but are not limited to:

- (i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- (iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
- (v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

Additionally, for contracts of \$10,000 or more, the SUBRECIPIENT shall file Form HUD 2516 (Contract and Subcontract Activity) with the PRDOH on a monthly basis.

6. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements", and any implementing regulations issued by HUD.

7. DEBARMENT, SUSPENSION, AND INELIGIBILITY

The SUBRECIPIENT shall notify the PRDOH as soon as possible if this SRA or any aspect related to the anticipated work under this SRA raises an actual or potential conflict of interest. The SUBRECIPIENT shall explain the actual or potential conflict in writing in sufficient detail so that the PRDOH is able to assess such actual or potential conflict. The SUBRECIPIENT shall provide the PRDOH any additional information necessary to fully assess and address such actual or potential conflict of interest. The SUBRECIPIENT

shall accept any reasonable conflict mitigation strategy employed by the PRDOH, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

9. SUBCONTRACTING

When subcontracting, the SUBRECIPIENT shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include, but are not limited to:

- (i) Placing unreasonable requirements on firms in order for them to qualify to do business;
- (ii) Requiring unnecessary experience and excessive bonding;
- (iii) Noncompetitive pricing practices between firms or between affiliated Companies;
- (iv) Noncompetitive awards to consultants that are on retainer contracts,
- (v) Organizational conflicts of interest;
- (vi) Specifying only a "brand name" product instead of allowing an "equal product" to be offered and describing the performance of other relevant requirements of the procurement; and
- (vii) Any arbitrary action in the procurement process.

The SUBRECIPIENT represents to the PRDOH that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, considering the nature of the work to be performed under this SRA.

The SUBRECIPIENT will include these HUD General Provisions in every subcontract issued by it, so that such provisions will be binding upon each of its subcontractors as well as the requirement to flow down such terms to all lower-tiered subcontractors.

10. ASSIGNABILITY

40. DUPLICATION OF BENEFITS

The Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), as amended, 42 U.S.C. §5121 et seq., establishes the requirements for DOB analysis.²⁶ The Stafford Act prohibits any person, business concern, or other entity from receiving Federal funds for any part of such loss as to which they have received financial assistance under any other program, from private insurance, charitable assistance, or any other source. To comply with DOB provisions and the requirement that all costs are necessary and reasonable, PRDOH will ensure that each activity provides assistance to a person or entity only to the extent that the person or entity has a mitigation need that has not been fully met.²⁷ Grantees must comply with the DOB guidance included in Federal Register Vol. 84, No. 119 (June 20, 2019), 84 FR 28836. DOB requirements on CDBG-DR funds will equally apply to CDBG-MIT funds. The 2019 DOB notice updates the treatment of declines loans where a grantee shall not take into consideration or reduce the amount of assistance provided to an applicant, where such applicant applied for and was approved, but declined assistance from the Small Business Administration (SBA), related to disasters that occurred from 2014 to 2017. The 2019 DOB notice also includes requirements applicable only to CDBG-MIT funds. FEMA, as per recent amendments to the Disaster Recovery Reform Act of 2018 (DRRA), Pub. L. 115-254, advises that a loan is not a duplication of other forms of financial assistance, provided that all federal assistance is used toward a loss suffered, as a result of a major disaster or emergency. The DRRA provisions apply to disasters

occurred from 2016 to 2021. PRDOH must consider disaster recovery aid received by, or available to, Program applicants from any other federal, state, local, or other source and determine if any assistance is duplicative. Potential funding sources include, but are not limited to, FEMA 406, FEMA HMGP, USACE, and CDBG-DR. Any assistance determined to be duplicative, meaning the amount received in excess of the total need for the same purpose, must be deducted from the Program's calculation of the applicant's total need prior to awarding assistance. Similar to CDBG-DR, order of assistance must be adhered to. PRDOH must verify whether FEMA or USACE funds are available for a funded activity (i.e., the application period is open) or the costs are reimbursable by FEMA or USACE (i.e., the Subrecipient will receive FEMA or USACE assistance to reimburse the costs of the activity) before awarding CDBG-MIT assistance for costs of carrying out the same project

For more information on Duplication of Benefits, please see the Duplication of Benefits Policy available in English and Spanish on the PRDOH CDBG-DR/MIT website at <https://cdbg-dr.pr.gov/en/download/duplication-of-benefits-policy/> and <https://cdbgdr.pr.gov/download/politica-sobre-la-duplicacion-de-beneficios/>.

42. HOLD HARMLESS

The SUBRECIPIENT shall and hereby agrees to hold harmless, defend (with counsel acceptable to the PRDOH) and indemnify the Government of Puerto Rico, PRDOH, HUD and each and all of its successors, affiliates, or assigns, and any of their employees, officers, directors, attorneys, consultants, agents, managers, and affiliates, from and against any and all damages, costs, attorneys' fees, claims, expenses, injuries, property damage, causes of action, violations of law, violations of this Agreement, and losses of any form or nature arising from or related to the conduct of the SUBRECIPIENT in the performance of the efforts called for in this Agreement. This indemnity shall expressly include, but is not limited to, the obligation of the SUBRECIPIENT to indemnify and reimburse the PRDOH for any and all attorneys' fees and other litigation or dispute resolution costs incurred or to be incurred in the PRDOH's enforcement of this Agreement or any portion thereof against the SUBRECIPIENT or otherwise arising in connection with the SUBRECIPIENT's breach, violation, or other non-compliance with this Agreement. 57. NONDISCRIMINATION

The SUBRECIPIENT shall comply with 24 C.F.R. Part 6, which implements the provisions of Section 109 of Title I of the Housing and Community Development Act of 1974, 42 U.S.C. § 5309. Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance.

The SUBRECIPIENT shall adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975, 42 U.S.C. §§ 6101-6107 (**Age Discrimination Act**) and the prohibitions against discrimination on the basis of disability under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794 (Section 504). Section 109 of the Housing and Community Development Act of 1974 makes these requirements applicable to programs or activities funded in whole or in part with CDBG-MIT funds. Thus, the SUBRECIPIENT shall comply with regulations of 24 C.F.R. Part 8, which implement Section 504 for HUD programs, and the regulations of 24 C.F.R. 58. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT

The SUBRECIPIENT shall ensure that its Activities are consistent with the requirements of the Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968, 42 U.S.C. §§ 4151-4156, requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and used by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of "residential structure" as defined in 24 C.F.R. § 40.2 or the description of "facilities" in 41 C.F.R. § 102-76.60 are subject to the requirements of the Architectural

The Americans With Disabilities Act of 1990 ("ADA"), 42 U.S.C. § 12101 *et seq.* (**ADA**), provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for the first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT agrees to comply with the nondiscrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this Agreement. The specific nondiscrimination provisions at 24 C.F.R. § 1.4 apply to the use of these funds. The SUBRECIPIENT shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by Title VI of the Civil Rights Act of 1964 or 24 C.F.R. Part 1, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 C.F.R. Part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 2 C.F.R. Part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

2) Assurances and Real Property Covenants:

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the SUBRECIPIENT assures that the program or activities described in this Agreement shall be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided shall be operated and administered in compliance with all requirements imposed by or pursuant to this 2 C.F.R. Part 1.

If the Federal financial assistance under this Agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the SUBRECIPIENT's assurance herein shall obligate the SUBRECIPIENT or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, the assurance shall obligate the SUBRECIPIENT for the

period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives the PRDOH and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-MIT funds and provided to the SUBRECIPIENT under this Agreement, the instrument effecting any disposition by the SUBRECIPIENT of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the SUBRECIPIENT receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

3) Women- and Minority-Owned Businesses (W/MBE)

The SUBRECIPIENT shall take the affirmative steps listed in 2 C.F.R. § 200.321(b)(1) through (6) to assure those minority businesses, women's business enterprises, and labor surplus area firms are used when possible when the SUBRECIPIENT procures property or services under this Agreement. As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, 15 U.S.C. § 632 (a), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian- Americans, and American Indians. The SUBRECIPIENT may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

In compliance with the CDBG-MIT Minority and Women-Owned Business Enterprise Policy (**M/WBE Policy**), the SUBRECIPIENT shall complete a utilization plan to identify how they plan on successfully achieving the contracting goals for MBE and WBE's. SUBRECIPIENT shall also complete monthly reporting to provide information on contracting opportunities and payouts provided to WBE or MBE contractors or subcontractors. SUBRECIPIENT shall also document their efforts and submit those to PRDOH on a monthly basis. See the M/WBE Policy, as found in the CDBG-MIT Website (www.cdbg-dr.pr.gov) which is herein included and made an integral part of this Agreement, as it may be updated from time to time.

4) Notifications

Part 1, 3, 5, 6, and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than eight (8) units.

For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the PRDOH, the SUBRECIPIENT, or any designated public agency.
- d. Clause of Governmental Ethics Certification of Absence of Conflict of Interests - The SUBRECIPIENT certifies that: (1) No public servant of the PRDOH has a pecuniary interest in this contract. (2) No public servant of the PRDOH has solicited or accepted, directly or indirectly, for him (her), for any member of his (her) family unit or for any other person, gifts, allowances, favors, services, donations loans or any other thing of monetary value. 65. UNIFORM RELOCATION ASSISTANCE AND REAL PROPERTY ACQUISITION POLICIES ACT (URA)

Every project funded in part or in full by Community Development Block Grant – Disaster Recovery (CDBG-MIT) funds, and all activities related to that project, are subject to the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended, 42 U.S.C. § 4601 et seq., and section 104(d) of the Housing and Community Development Act of 1992, as amended (HCDA), 42 U.S.C. § 5304(d), except where waivers or alternative requirements have been provided by the U.S. Department of Housing and Urban Development (HUD). The implementing regulations for URA are at 49 C.F.R. Part 24, and the regulations for section 104(d) are at 24 C.F.R. Part 42, subpart C. Additionally, HUD has established regulations specific to CDBG-funded housing activities at 24 C.F.R. § 570.606. PRDOH has also established the Uniform Relocation Assistance Guide & Residential Anti-Displacement and Relocation Assistance Plan (URA & ADP Guide) which provides guidance and requirements regarding URA compliance and minimizing displacement that is applicable to all CDBG-MIT programs. The primary purpose of these laws and regulations is to provide uniform, fair, and equitable treatment of persons whose real property is acquired or who are displaced in connection with federally funded projects.

When CDBG-MIT funds are planned, intended, or used for any activity or phase of a project and the phases are interdependent, URA applies to that activity or project. This includes any property acquisition, even if CDBG-MIT funds are not used to fund the purchase, if the contract to acquire property is executed with the intention of seeking CDBG-MIT funds to complete the project or an interdependent phase of the project. Subrecipients are responsible for ensuring URA compliance throughout the design, proposal, and implementation of any project that includes real property acquisition or displacement of residential or business occupants.

65. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970 (OSH ACT)

The SUBRECIPIENT shall comply with the Occupational Safety and Health Act of 1970 (OSH Act) as supplemented by the Department of Labor regulations. This Act created the Occupational Safety and Health Administration (OSHA). OSHA sets and enforces protective standards of safety and health in the workplace. Under the OSH Act, employers have a responsibility to provide a safe workplace.

Employers must comply with the 29 CFR 1910 General Obligations Clause of the OSH Act. This clause requires employers to maintain their workplaces free from serious recognized hazards. This includes the adoption of safety and health guidelines and the subsequent training of the employer's workforce in these.

Subrecipient whose Scope of Work includes construction activities must comply with the General Clauses, and also with provisions of 29 CFR 1926 "Construction Health and Safety Regulations". It shall be a condition of any contract for construction, alteration and/or repair, including painting and decorating, that no contractor or subcontractor for any part of the contract work shall require any worker or mechanic employed in the performance of the contract to work in an environment or in unhealthy, hazardous or dangerous working conditions to their health or safety.

Subrecipient further acknowledges that these provisions are intended to ensure that Subrecipient does not receive duplicate benefits available to the Subrecipient from another source, for the same purposes as the Grant Proceeds provided under the Program, and that, any assistance determined to be duplicative must be deducted from the Program's calculation of the Subrecipient's total need prior to awarding assistance.
