L. 115-123, approved February 9, 2018), \$8.285 billion were allocated by the United States Department of Housing and Urban Development ("**HUD**") for mitigation activities and assistance to the Government of Puerto Rico under the Community Development Block Grant – Mitigation Program ("**CDBG-MIT**"). These funds are intended to provide financial assistance in areas impacted by recent disasters.

**WHEREAS**, on August 30, 2019, a Notice was published in the Federal Register, Vol. 84, No. 169 (84 Fed. Reg. 45838), which described the grant requirements and procedures applicable to future allocations of CDBG-MIT funds to the Government of Puerto Rico.

**WHEREAS**, on January 27, 2020, a Notice was published in the Federal Register, Vol. 85, No. 17 (85 Fed. Reg. 4676), which allocated \$8,285,284,000 in CDBG-MIT funds to the Government of Puerto Rico.

**WHEREAS**, on May 12, 2021, the PRDOH Secretary and the Secretary of HUD signed Grant Agreement Number B-18-DP-72-0002; allowing PRDOH access to \$8,285,284,000 in CDBG-MIT funding, obligated under Pub. L. 115-123, as amended.

**WHEREAS**, PRDOH is the governmental agency designated as the grantee of the CDBG-MIT funds allocated to the Government of Puerto Rico.

**WHEREAS**, the CDBG-MIT Program represents a unique opportunity to carry out strategic and high-impact activities to mitigate disaster risks and reduce future losses.

**WHEREAS**, according to the approved current CDBG-MIT Action Plan, Puerto Rico intends to undertake the Hazard Mitigation Grant Program (**HMGP-MIT Program** or **Program**) under the Global Match Strategy. PRDOH will work in partnership with the Central Office for Recovery, Reconstruction and Resiliency (**COR3**) and the State Hazard Mitigation Officer (**SHMO**) to coordinate efforts to administer the implementation and programmatic oversight of the projects included under the Global Match Strategy as part of the CDBG-MIT grant. The focus of the Program is to complement the existing mitigation programs currently administered by the Federal Emergency Management Agency (**FEMA**). The PRDOH has allocated to the Subrecipient the total amount of **five hundred fifty-five million three hundred sixty-five thousand dollars (\$555,365,000.00)**, of the funds allocated under the CDBG-MIT Program. The Subrecipient shall administer and use such funds for the provision of the services described in **Exhibit A** ("Scope of Work") under this SRA.

**WHEREAS**, the Subrecipient will assist the PRDOH in utilizing CDBG-MIT funds to carry out the Program, pursuant to this SRA.

**WHEREAS**, the CDBG-MIT funds made available for use by the Subrecipient under this SRA constitute a Subaward of the PRDOH's Federal Award, the use of which must be in accordance with requirements imposed by federal statutes, regulations, and the terms and conditions of the PRDOH's Federal Award.

**WHEREAS**, the Subrecipient has the legal power and authority to enter into this SRA with PRDOH, via its Executive Director, Josué A. Colón Ortiz, in accordance with Section 4 of Act No. 83 of May 2, 1941, as amended, 22 L.P.R.A. § 191 *et seq.*, also known as the "Puerto Rico Electric Power Authority Act", and the Resolution number 4911, dated September 29, 2021, adopted by the Subrecipient, and by signing this SRA, the Subrecipient assures PRDOH that Subrecipient shall comply with all the requirements described herein.

### TERMS AND CONDITIONS

#### II. ATTACHMENTS

The following attachments are incorporated into this SRA by reference and are hereby made part of this SRA:

- Exhibit A Scope of Work
- Exhibit B Timeline and Performance Goals
- Exhibit C Budget
- Exhibit D Funds Certification
- Exhibit E HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements
- Exhibit F Special Conditions
- Exhibit G Subrogation and Assignment Provisions
- Exhibit H Non-Conflict of Interest Certification

All Exhibits hereto are fully incorporated herewith such that the terms and conditions of the Exhibits shall be as binding as any terms and conditions of this executed written SRA. The SRA shall prevail if any inconsistency appears between the Exhibits and this SRA.

#### III. SCOPE OF WORK

The Subrecipient shall be responsible for performing the activities detailed in **Exhibit A** ("Scope of Work") of this SRA, herein attached and made an integral part of this SRA, which may be amended from time to time with the consent of both Parties. The Subrecipient shall complete the Scope of Work in a manner satisfactory to the PRDOH and consistent with the terms and conditions of this SRA and applicable Federal and local statutes, laws and regulations.

##### A. Subrecipient Management Responsibilities

The Subrecipient shall submit to the PRDOH the required project application forms, in the format provided by PRDOH. The Project Application will consist of a project proposal submission that will be evaluated for compliance with Program eligibility requirements and available budget allocations. Following this evaluation and as authorized by the PRDOH, the Subrecipient may proceed in acquiring technical and advisory services for full project development following all established requirements for the Program.

As a condition of receiving this Subaward, the Subrecipient shall perform the procurement, management, monitoring, and reporting of the services included in **Exhibit A** ("Scope of Work") for the Program.

All services included in **Exhibit A** ("Scope of Work") shall be performed in accordance with PRDOH guidelines, HUD guidelines and regulations, and other applicable state and federal laws and regulations.

The Subrecipient shall prepare and submit to PRDOH all required project(s) documentation, such as compliance information, construction drawings, and specifications, construction permits and endorsements, cost estimate, property acquisition, right of ways, any related studies, implementation plans, etc., in accordance with the **Exhibit A** ("Scope of Work"). The PRDOH reserves the authority and discretion to review and require revisions before approving the use of funds for project implementation.

The Subrecipient shall support PRDOH's efforts regarding the engagement and outreach of stakeholders.

The Subrecipient shall support PRDOH and the project developer during the planning as well as the design and construction phases of the project. Also, the Subrecipient's support will be required through the preparation and completion of the Environmental Review.

The Subrecipient shall comply with HUD rules and regulations that govern the environmental review process. The aforementioned rules can be found at 24 C.F.R. Part 58. Particularly, the Subrecipient shall avoid committing public or private funds (CDBG funds or non-CDBG funds) or undertaking activities or projects that would have an adverse environmental impact or limit the choice of reasonable alternatives, prior to obtaining environmental clearance. Activities such as demolition, excavating, relocation of structures, or even acquisition or leasing of real property, among others, may preclude the selection of alternative choices before a final decision is made under the environmental review. The Subrecipient shall consult the applicable regulations with PRDOH for more detailed guidance.

The Subrecipient shall perform the necessary actions to plan for the long-term operation and maintenance (O&M) of the Project funded under this SRA. The Subrecipient shall submit an Operation and Maintenance Plan (OMP) to the PRDOH as described in **Exhibit A** ("Scope of Work") of this SRA. Failure to comply with this requirement could result in a potential repayment of funds to PRDOH.

B. General Administration

**Prohibited Activities:** The Subrecipient may only carry out the roles and responsibilities described in this SRA and the activities related to the performance of the Scope of Work described in **Exhibit A** ("Scope of Work") of this SRA. Notwithstanding anything to the contrary in this SRA, the Subrecipient shall not be obligated to perform any work or services outside the Scope of Work described in **Exhibit A** ("Scope of Work") of this SRA.

The Subrecipient is prohibited from charging to the PRDOH the costs of CDBG and/or CDBG-MIT ineligible activities, including those described at 24 C.F.R. § 570.207, unless waived or made eligible by an applicable Federal Register Notice, from using funds provided herein or personnel employed in the administration of activities under this SRA for political activities, inherently religious activities, or lobbying. The Subrecipient may be financially liable for the activities undertaken outside of the parameters of **Exhibit A** ("Scope of Work") of this SRA.

C. National Objectives

All activities funded with CDBG-MIT funds must meet one (1) of the two (2) CDBG-MIT Program's National Objectives: (i) benefit low-and moderate-income ("**LMI**") persons or; (ii) meet a particular urgent need for mitigation ("**UNM**"), as defined in 24 C.F.R. § 570.208, as amended by waiver published in the Federal Register, Vol. 84, No. 169 (84 Fed. Reg. 45838) on August 30, 2019. The national objective for LMI requires that proposed

mitigation programs and projects must prioritize the protection of LMI individuals: no less than fifty percent (50%) of the CDBG-MIT grant must benefit LMI. The UNM national objective requires that activities under the CDBG-MIT Program result in measurable and verifiable reductions in the risk of loss of life and property from future disasters and yield community development benefits.

Additionally, as per 84 Fed. Reg. 45857 (August 30, 2019), the provisions of 24 C.F.R. § 570.483(e) and §570.208(d) are modified by an alternative requirement to include the following additional criteria for all mitigation activities funded with CDBG-MIT funds. To meet a national objective, all CDBG-MIT activities must:

1. Demonstrate the ability to operate for the useful life of the project.
2. Be consistent with other mitigation activities. To be consistent, the CDBG-MIT activity must not increase the risk of loss of life or property in a way that undermines the benefits from other uses of CDBG-MIT funds in the most impacted and distressed ("**MID**") area.

The Subrecipient certifies that the activities carried out under this SRA shall meet at least one (1) of these national objective(s) as established above. The Subrecipient shall ensure that the funded activity or services meet the applicable CDBG-MIT National Objective(s) and that the subcontractor or third party collects the necessary information and complete the applicable forms to document the National Objective(s).

D. Levels of Accomplishment – Performance Goals and Timelines

The Subrecipient shall complete the activities required under **Exhibit A** ("Scope of Work") of this SRA in accordance with the timeframes and performance goals set forth in **Exhibit B** ("Timelines and Performance Goals") of this SRA, herein attached and made an integral part of this SRA.

E. Nonperformance Standard

If at the end of the **six (6) months** from the Effective Date, as defined in **Section V** of this SRA, the Program activity has not begun or at any time during the term, the Program activity has not accomplished the performance objectives set forth by the PRDOH in **Exhibit B** ("Timelines and Performance Goals"), the PRDOH may, at its sole discretion, terminate this SRA, de-obligate funds made available under this SRA, and/or recapture funds previously expended by the Subrecipient under this SRA from non-federal funds. No contract extensions shall be granted unless the Subrecipient can document circumstances beyond its control that prevented the start of the activity. The PRDOH shall review the properly filed and documented circumstances which are alleged to have prevented the initiation of activity and exclusively reserves the right to decide if an extension is warranted, relative to the reasons stated as well as the prevailing circumstances.

F. Pre-Award Costs

Pre-award costs applicable to the Subrecipient are strictly prohibited.

G. Infrastructure Projects

As per 84 Fed. Reg. 45851 (August 30, 2019), Infrastructure Projects are defined as an activity or group of related activities that develop the physical assets that are designed to provide or support services to the general public in sectors such as: surface transportation, water resource projects, pipelines, drinking water infrastructure, among others.

For more details regarding the definition of Infrastructure Projects and applicable regulations, refer to the CDBG-MIT Action Plan, Program Guidelines and policies.

i. Covered Projects

HUD has created a new standard for the evaluation of large-scale infrastructure projects by introducing the concept of Covered Projects. As per 84 Fed. Reg. 45840 (August 30, 2019), a Covered Project under CDBG-MIT is defined as an Infrastructure Project having: (1) a total project cost of \$100 million or more; and (2) includes at least \$50 million of CDBG funds (regardless of CDBG source such as CDBG-DR, CDBG-National Disaster Resilience ("NDR"), CDBG-MIT, CDBG funds, etc.). HUD requires that Covered Projects undergo an enhanced evaluation process, which may include a Benefit-Cost Analysis ("BCA") to determine if the benefits of the completed project outweigh the costs of implementing the project. The Covered Projects administered by PRDOH are described in the CDBG-MIT Action Plan, as amended.

Additionally, according to 84 Fed. Reg. 45857 (August 30, 2019), the provisions of 24 C.F.R. § 570.483(e) and §570.208(d) are modified to incorporate, as additional criteria, that all Covered Projects must:

- a) Demonstrate long-term efficacy and fiscal sustainability by: documenting measurable outcomes or reduction in risk; documenting how the Covered Project will reflect changing environmental conditions with risk management tools and alter funding sources if necessary; and establishing a plan for the long-term operation and maintenance of the Covered Project.
- b) Demonstrably benefit the MID area. The benefits of the Covered Project must outweigh the costs of the Covered Project; benefits outweigh costs if the Benefit-Cost Analysis (BCA) results in a benefit-to-cost ratio greater than 1.0. Alternatively, for a Covered Project that serves LMI persons or other persons that are less able to mitigate risks or respond to and recover from disasters, benefits outweigh costs if the grantee supplements its BCA with a qualitative description of benefits that cannot be quantified but sufficiently demonstrate unique and concrete benefits of the Covered Project for that population.

ii. Covered Projects: additional considerations

HUD has established additional requirements to support the successful implementation and operation of large-scale infrastructure projects. The additional requirements include the project's publication in a HUD-approved Action Plan or substantial Action Plan amendment, and compliance with the implementation of Covered Projects provisions, prior to executing a construction contract.

Therefore, the Subrecipient acknowledges that after the execution of this SRA, the costs of any Infrastructure Project under this SRA may increase and meet the Covered Project costs minimum requirements. If such an increase in costs materializes prior to the execution of a contract for the construction of the project, all tasks related to the project must cease until further evaluation demonstrates the project's compliance with all the additional requirements for a Covered Project. The project's tasks may resume if the proposed project finally meets the definition of a Covered Project and HUD approves its addition to the Action Plan through a substantial amendment as per 84 Fed. Reg. 45838, 45850-45853, 45957. Also, this SRA shall be amended to incorporate any changes, for example, to the budget, scope of work, or timelines resulting from the process.

However, if HUD does not approve the proposed Covered Project, PRDOH may deny the application for funding, recategorize costs, and/or withdraw the CDBG funds assigned to Subrecipient, among other actions.

Furthermore, if an Infrastructure Project under this SRA meets the Covered Project costs minimum requirements after the execution of a construction contract, the increase in construction costs will be evaluated by a third-party cost estimator and documented in a non-substantial amendment to the Action Plan, without the need of ceasing construction activities.

For more details regarding Covered Projects' definitions, evaluation criteria and other requirements, refer to the CDBG-MIT Action Plan, Program Guidelines and policies.

#### IV. PERFORMANCE, MONITORING AND REPORTING

##### A. Monitoring

The PRDOH shall monitor the performance of the Subrecipient as necessary to ensure that the funds allocated to the Subrecipient are used for authorized purposes, in compliance with Federal statutes, regulations, the Program Guidelines, and the terms and conditions of this SRA, including the timeframes and performance goals set forth in **Exhibit B** ("Timelines and Performance Goals") associated with the activities included in **Exhibit A** ("Scope of Work").

This review shall include: (1) reviewing financial and performance reports required by the PRDOH; (2) following up and ensuring that the Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the Subrecipient from the PRDOH detected through audits, on-site reviews, and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to the Subrecipient from the PRDOH as required by 2 C.F.R. § 200.521.

Substandard performance, defined as a performance that falls short of the standard expected of the Subrecipient, as specified in the SRA's exhibits, shall constitute noncompliance with this SRA.

If action to correct such substandard performance is not taken by the Subrecipient within **fifteen (15) days** after being notified by PRDOH, PRDOH may impose additional conditions on the Subrecipient and suspend or terminate this SRA, disallow all or part of the cost of the activity or action not in compliance or initiate other remedies for noncompliance, as appropriate and permitted under 2 C.F.R. § 200.339.

##### B. Reporting

The Subrecipient shall complete and submit quarterly reports for each funded project, in the form, timeframe, and with the content specified and required by the PRDOH. The PRDOH shall later notify Subrecipient in writing the guidelines and requirements applicable to the submittal of the progress reports, and such notification shall be deemed incorporated by reference to this SRA.

#### V. EFFECTIVE DATE AND TERM

This SRA shall be in effect and enforceable between the Parties from the date of its execution. The performance period of this SRA is **forty-six (46) months** from the date of its execution, ending in August 30, 2027.

The End of Term shall be the later of: (i) August 30, 2027; (ii) the date as of which the Parties agree in writing that all Close-Out Requirements<sup>1</sup> have been satisfied or, where no

<sup>1</sup> "Close-Out Requirements" means all requirements to be satisfied by each party in order to close-out this SRA and the CDBG-MIT funds provided herein in accordance with applicable Requirements of Law, including the execution and delivery by one or more of the Parties of all close-out agreements or other legal instruments and the taking of any actions by one or more of the Parties in connection with such close-out, in any case as required under applicable Requirements of Law.

Close-Out Requirements are applicable to this SRA, the date as of which the Parties agree in writing that no Close-Out Requirements are applicable hereto; or (iii) such later date as the Parties may agree to in a signed amendment to this SRA.

The Subrecipient hereby acknowledges that this SRA is subject to the Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD ("**Grant Agreement**"); and the availability of the allocated CDBG-MIT funds. The Subrecipient also acknowledges and agrees that any suspension, cancellation, termination, or otherwise unavailability of the CDBG-MIT allocation(s) shall result in the immediate suspension, cancellation, or termination of this SRA, upon PRDOH's notice.

A. Contract Extensions:

PRDOH may extend the SRA's term for additional terms, upon mutual written agreement of the Parties. The term of this SRA shall not exceed the lifetime of the initial Grant Agreement between PRDOH and HUD, unless the term of the initial Grant Agreement is extended by HUD, in which case the term of this SRA cannot exceed the extension.

**VI. BUDGET**

A. Budget

The Subrecipient shall complete all activities in **Exhibit A** ("Scope of Work") of this SRA in accordance with **Exhibit C** ("Budget") attached herein and made an integral part of this SRA as such Budget may be amended from time to time.

Any proposed budget to be managed by the Subrecipient shall clearly specify proposed funding for administrative costs and/or program delivery costs and/or planning costs, to the extent that such costs are considered applicable categories for funding.

The Budget may include a reserve of the Subaward for PRDOH's activity delivery costs and expenditures related to the Program. The Subrecipient may not access the reserve identified in the Budget without written consent from the PRDOH.

The PRDOH may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the PRDOH. Any amendments to the budget must be approved in writing and signed by the PRDOH and the Subrecipient.

B. Indirect Costs

Indirect costs invoiced, if any, must be consistent with the conditions set forth herein. Indirect costs may be charged to PRDOH under a negotiated indirect cost rate agreement with a federal cognizant agency, a *de minimis* indirect cost rate (for applicable entities), or an indirect cost proposal prepared prior to the charging of any indirect cost to the Grant, in accordance with 2 C.F.R. Part 200, subpart E, submitted to a federal cognizant agency, and as approved by PRDOH in accordance with its written policies and procedures, which shall be included in **Exhibit C** ("Budget").

C. Program Income

PRDOH reserves the right to authorize the Subrecipient to retain Program Income<sup>2</sup> to be used in eligible program activities as described in this SRA. The Subrecipient shall notify

---

<sup>2</sup> As defined in section V(A)(19)(a) of the HUD Notice, 84 Fed. Reg. 45838, 45858 (August 30, 2019), as may be amended by HUD), *Program Income* is:

[...] gross income generated from the use of CDBG-MIT funds, or a subrecipient of a State or local government, except as provided in subparagraph (d) of this paragraph."  
[...]

PRDOH, within **twenty-four (24) hours** of receipt of any Program Income generated by activities carried out with CDBG-MIT funds made available under this SRA. All Program Income (as defined at 24 C.F.R. § 570.500) generated by activities carried out with the CDBG-MIT Funds must be returned to PRDOH if retention of such is not previously authorized by PRDOH. Program Income is subject to all applicable CDBG-MIT laws, regulations and PRDOH policies and procedures for so long as it exists. Contrary to CDBG-MIT provisions, any interest earned on cash advances from the U.S. Treasury or interest paid on CDBG funds held in a revolving fund account is not Program Income.

All Program assets, other than Program Income (property, equipment, etc.), if any, shall revert to PRDOH upon the termination of this SRA in accordance with applicable Federal laws, regulations, HUD Notices, policies, and guidelines.

PRDOH will later notify the Subrecipient in writing the applicable procedures for the return or reversion of Program Income and Program assets to the PRDOH, and such notification shall be deemed incorporated by reference to this SRA.

D. Property Management and Disposition

PRDOH will comply with regulations governing property management and distribution of real property, equipment, financial obligations, and return of un-obligated cash post program closeout. Applicable regulations can be found in 24 C.F.R. §570.502, 24 C.F.R. §570.505, 2 C.F.R. §200.310, 2 C.F.R. §200.343, 2 C.F.R. § 200.344(b), 2 C.F.R. § 200.344(d)(4) and 24 C.F.R. § 570.489(j).

For any real property acquired in whole or in part with CDBG funds in excess of \$25,000.00, the Subrecipient must control the use of the property in accordance with its intended purpose and take diligent care of it and may not change the use or planned use of the property without proper notification to affected citizens and allowable time for comment by them. If the property is not a building for general government conduct, the use of the property may be changed with citizen approval if it meets one of the HUD national objectives. If the Subrecipient changes the use of the property, the Subrecipient may either retain or dispose of the property and reimburse PRDOH the amount of the current fair market value of the property.

Further details on property management and disposition can be found in the Cross Cutting Guidelines as a Property Management and Disposition Policy, available in English and Spanish at the CDBG-DR/MIT website <https://www.cdbg-dr.pr.gov/en/resources/policies/general-policies/> and <https://www.cdbg-dr.pr.gov/recursos/politicas/politicas-generales/>.

Program income includes, but is not limited to, the following: (a) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG-MIT funds; (b) Proceeds from the disposition of equipment purchased with CDBG-MIT funds; (c) Gross income from the use or rental of real or personal property acquired by a State, local government, or Subrecipient thereof with CDBG-MIT funds, less costs incidental to generation of the income (i.e., net income); (d) Net income from the use or rental of real property owned by a State, local government, or Subrecipient thereof, that was constructed or improved with CDBG-MIT funds; (e) Payments of principal and interest on loans made using CDBG-MIT funds; (f) Proceeds from the sale of loans made with CDBG-MIT funds; (g) Proceeds from the sale of obligations secured by loans made with CDBG-MIT funds; (h) Interest earned on program income pending disposition of the income, including interest earned on funds held in a revolving fund account; (i) Funds collected through special assessments made against nonresidential properties and properties owned and occupied by households not low- and moderate-income, where the special assessments are used to recover all or part of the CDBG-MIT portion of a public improvement; (j) Gross income paid to a State, local government, or a Subrecipient thereof, from the ownership interest in a for profit entity in which the income is in return for the provision of CDBG-MIT assistance.

## VII. PAYMENT

### A. Amount

This SRA is based on the reimbursement of funds to the Subrecipient expended on approved CDBG-MIT items. Funding is contingent on a CDBG-MIT award to PRDOH or a Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD, and PRDOH's receipt of CDBG-MIT funds. It is expressly agreed and understood that the total funding amount to be paid by the PRDOH to the Subrecipient under this SRA shall not exceed the amount specified in **Exhibit C** ("Budget"). Such payment shall be compensated for all allowable services required, performed and accepted under this SRA. However, PRDOH reserves the right to reduce the funding amount if CDBG-MIT funding is not provided under the Grant Agreement at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in **Exhibit C** ("Budget").

Any additional funds to complete the services requested by the PRDOH to the Subrecipient shall be subject to funds availability and shall require an amendment to this SRA.

### B. Requests for Reimbursement

 The Subrecipient shall submit to PRDOH requests for reimbursements ("**Request for Reimbursement**") of activities under this SRA and consistent with the approved **Exhibit C** ("Budget") and **Exhibit A** ("Scope of Work") on a monthly basis. Each Request for Reimbursement shall be broken down into requested reimbursements against the Budget line items specified in **Exhibit C** ("Budget").

The Subrecipient shall submit Requests for Reimbursements to the PRDOH, on the form and with the content specified and required by the PRDOH. The Requests for Reimbursements must be submitted with all supporting invoices, bills, timesheets, monthly reports, and any other document necessary to justify the payment, or any other supporting document requested by PRDOH. The Request for Reimbursement must also be accompanied by documentation from the Subrecipient demonstrating that all procurements for which payment is requested have been made in accordance with this SRA.

 If PRDOH determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice shall be approved for payment. An authorized representative of the PRDOH shall review each Request for Reimbursement and, if adequate, shall approve and process its payment. Payments to the Subrecipient shall be made by check or electronic funds transfer ("**EFT**"). PRDOH reserves the right to conduct any audit it deems necessary.

In order for the Subrecipient to receive payment for any work performed hereunder, the following certification must be included in each Request for Reimbursement submitted to the PRDOH:

**"Under penalty of absolute nullity, I hereby certify that no public servant of the government entity is a party to or has an interest of any kind in the profits or benefits to be obtained under the contract which is the basis of this invoice, and should he be a party to, or have an interest in, the profits or benefits to be obtained under the contract, a waiver has been previously issued. The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct. The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefor."**

The PRDOH shall pay to the Subrecipient CDBG-MIT funds available under this SRA [See **Exhibit D** ("Funds Certification")] based upon information submitted by the Subrecipient for allowable costs permitted under this SRA and consistent with the approved Budget. Payments shall be made for eligible and allowed expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. PRDOH reserves the right to adjust payments in accordance with program income balances available in Subrecipient accounts.

All Subrecipient invoicing and payments will be managed through PRDOH's Financial Management Systems, to ensure effective fully compliant cost principles and use of funds, maximizing operational and financial performance, minimizing risk, and providing optimal service.

For detailed requirements, refer to the PRDOH Financial Policy available in English and Spanish at CDBG-DR/MIT Website <https://www.cdbg-dr.pr.gov/en/resources/policies/general-policies/> and <https://www.cdbg-dr.pr.gov/recursos/politicas/politicas-generales/>.

### VIII. NOTICES

All notices, requests, approvals, and consents of any kind made pursuant to this SRA shall be in writing and shall be deemed to be effective as of the date sent by certified mail, return receipt requested, or email. All notices and other written communications under this SRA shall be addressed to the individuals in the capacities indicated below, unless otherwise modified by subsequent written notice. ### IX. AMENDMENT AND TERMINATION

#### A. Amendments

This SRA may be amended provided that such amendments make specific reference to this SRA, comply with programmatic policies, procedures, and guidelines, are executed in writing and signed by a duly authorized representative of each party, and approved by PRDOH. Such amendments shall not invalidate this SRA, nor relieve or release the Parties from their obligations under this SRA. Unless specified, such amendments are not intended to affect, nor will they constitute an extinctive novation of the obligations of the Parties under the SRA and amendment.

This SRA may be amended by the Parties hereto, for the purpose of including any other CDBG-MIT funded program included in the HUD-approved Hurricanes Irma and María current Action Plan.

The PRDOH may, at its discretion, amend this SRA to conform with federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or the schedule of the activities to be undertaken as part of this SRA, such modifications shall be incorporated only by a written amendment signed by both the PRDOH and the Subrecipient.

However, PRDOH reserves the right to notify the Subrecipient in writing, email or any other electronic method, of any applicable policies, procedures, regulations, requirements, guidelines, or change in law, whether existing or to be established, as well as changes and/or amendments thereof, and the notified policies, procedures, regulations, requirements, guidelines and laws shall be deemed incorporated by reference to this SRA without the need of executing a separate written and signed amendment.

B. Suspension or Termination

1. Termination for Cause

The PRDOH may terminate this SRA, in whole or in part, upon **thirty (30) days'** notice, whenever it determines that the Subrecipient has failed to comply with any term, condition, requirement, or provision of this SRA. Failure to comply, includes (but is not limited to) the following:

- 
- a. Failure to attend mandatory technical assistance and/or training, or comply with any of the rules, regulations, or provisions referred to herein, or such statutes, regulations, executive orders, HUD guidelines, PRDOH's Program Guidelines, as applicable, and policies or directives as may become applicable at any time;
  - b. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this SRA;
  - c. Ineffective or improper use of funds provided under this SRA; or,
  - d. Submission of reports by the Subrecipient to the PRDOH that are incorrect or incomplete in any material respect.

The Subrecipient shall have up to **thirty (30) days** to resolve the issues listed above to the satisfaction of PRDOH.

2. Termination for Convenience of the PRDOH

The PRDOH may terminate this SRA at any time by notice in writing from the PRDOH to the Subrecipient. If the SRA is terminated by the PRDOH as provided herein, the Subrecipient shall be paid the total compensation as the allowable services actually performed up until the date of termination. Any compensation under this paragraph must be for documented costs that are CDBG-MIT eligible, allowable, allocable, and reasonable in accordance with Uniform Administrative Requirements.

This SRA may also be terminated in whole or in part by either the PRDOH or the Subrecipient, or based upon the SRA by both the PRDOH and the Subrecipient in accordance with the requirements in 2 C.F.R. Part 200, subpart D.

3. Notification and Recoupment of Costs Incurred Prior to Termination

The PRDOH shall promptly notify the Subrecipient, in writing, of its determination and the reasons for the termination together with the date on which the termination shall take

effect and any other notifications required under 2 C.F.R. Part 200, subpart D. Upon termination, the PRDOH retains the right to recover any improper expenditures from the Subrecipient and the Subrecipient shall return to the PRDOH any improper expenditures no later than **thirty (30) days** after the date of termination. In the case of a Termination for Convenience only, the PRDOH may, at its sole discretion, allow the Subrecipient to retain or be reimbursed for costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this SRA, 2 C.F.R. Part 200, subpart E, Cost Principles, and any other applicable state or Federal statutes, regulations or requirements.

4. Unilateral Termination

The PRDOH may terminate this SRA, in whole or in part, at PRDOH's sole discretion, with or without cause, at any time. The PRDOH will terminate this SRA by delivering to the Subrecipient a **thirty (30) day** notice of termination specifying the extent to which the performance of the work under this SRA is terminated, and the effective date of termination. Upon receipt of such notice, the Subrecipient shall immediately discontinue all services affected and deliver to the PRDOH all information, studies and other materials property of the PRDOH. If the Subrecipient does not deliver to the PRDOH all information, studies, and other materials property of the PRDOH within the established timeframe, and the PRDOH invests any additional funds to reproduce the information, studies, and other materials not provided by the Subrecipient upon termination, then the PRDOH will disallow from payments to the Subrecipient under this SRA the funds expended for the PRDOH to reproduce such information, studies, and other materials. In the event of a termination by Notice, the PRDOH shall be liable only for payment of services rendered up to and including the effective date of termination.

5. Suspension

The PRDOH may suspend this SRA in whole or in part at any time for the PRDOH's convenience. The PRDOH shall give the Subrecipient **five (5) days** written notice of such suspension. Upon receipt of said notice, the Subrecipient shall immediately discontinue all Services affected.

6. Immediate Termination

In the event the Subrecipient is subjected to a criminal or civil action, suit, proceeding, inquiry or court of the applicable jurisdiction, or any governmental agency, or the Subrecipient shall be subject to an order, judgment, or opinion, issued by any federal or local authority, a court of the applicable jurisdiction, or any governmental agency, in connection with the execution, delivery, and performance by the Subrecipient of this SRA or the Subrecipient has been non-compliant, in breach, inaccurate in any representation, warranties, covenants, or the certifications provided herein, whether the noncompliance, breach or inaccuracy takes place before or after the execution of this SRA, the PRDOH shall have the right to the immediate termination of this SRA notwithstanding, any provisions to the contrary herein. This section will apply in the event of any judgment that may obligate the PRDOH to terminate the SRA pursuant to Act No. 2 of January 4, 2018, as amended, 3 LPRA § 1881 *et seq.*, known as the "Anti-Corruption Code for the New Puerto Rico". The Subrecipient has a continuous obligation to report to PRDOH any proceedings which apply to the Subrecipient under this paragraph.

In the event that the grant of funds by HUD under any allocations of the CDBG-MIT may be suspended, withdrawn or canceled, this SRA will be immediately terminated.

7. Period of Transition

Upon termination of this SRA, and for **ninety (90) consecutive calendar days** thereafter (the **Transition Period**), Subrecipient agrees to make himself available to assist the PRDOH with the transition of services assigned to the Subrecipient by the PRDOH. The subrecipient

shall provide to the PRDOH the assistance reasonably requested to facilitate the orderly transfer of responsibility for the performance of the Services to the PRDOH or a third party designated by the PRDOH. PRDOH reserves the right to provide for the execution of a Transition Services Agreement for the Transition Period. In such instance, the Subrecipient will be paid at a reasonable, agreed upon, hourly rate for any work performed for the PRDOH during the Transition Period. Moreover, during that Transition Period, all finished or unfinished records (files, data, work product) connected with this SRA will be turned over to PRDOH.

8. Availability of Funds

This SRA is contingent upon the availability of funds from HUD. It is expressly understood and agreed that the obligation to proceed under this SRA is conditioned upon the receipt of Federal funds. If the funds anticipated for the continuing fulfillment of the SRA are, at any time, not forthcoming or insufficient, either through the failure of the Federal government to provide funds or the discontinuance or material alteration of the Program under which funds were provided, or if funds are not otherwise available to PRDOH, the PRDOH has the right upon **ten (10) working days** written notice to the Subrecipient, to terminate this SRA without damage, penalty, cost or expenses to PRDOH of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

**X. COMPLIANCE WITH FEDERAL STATUTES, REGULATIONS AND THE TERMS AND CONDITIONS OF THE FEDERAL AWARD AND ADDITIONAL PRDOH REQUIREMENTS**

The "HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements", which are attached to, and made an integral part of this SRA as **Exhibit E**, set forth certain requirements imposed by HUD with respect to the PRDOH's Federal award or CDBG-MIT Grant. Furthermore, **Exhibit F** (Special Conditions), attached herein and made an integral part of this SRA, is reserved to cover particular circumstances, conditions or specific requirements as they arise from the demands of the Program.

The Subrecipient agrees to carry out its obligations under this SRA in compliance with all the requirements described in **Exhibit E** (HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements), as well as those set forth in the aforementioned **Exhibit F** (Special Conditions) attached to this SRA.

Moreover, **Exhibit H** ("Non-Conflict of Interest Certification"), attached herein and made an integral part of this SRA, outlines several situations that may reasonably be considered as conflicts of interest. The Subrecipient shall disclose and certify that, to the best of its knowledge, none of the situations exist or may exist at the date of the execution of the SRA. The aforementioned certification aids PRDOH, in its role as grantee, to identify, evaluate, disclose and manage apparent, potential, or actual conflicts of interest related to CDBG-MIT funded projects, activities, and/or operations.

**XI. INSURANCE & BONDING**

The Subrecipient shall carry sufficient insurance coverage and bonding from insurers licensed to conduct business in the Government of Puerto Rico to protect all contract assets from loss due to any cause, including but not limited to theft, fraud, and/or physical damage. The aforementioned insurance coverage shall be provided by the Subrecipient, via Commercial General Liability (CGL) insurance policy, during the life of the SRA. The Government of Puerto Rico, the PRDOH and HUD shall be named as additional insurers on all such insurance. The Subrecipient shall meet all other insurance requirements as the PRDOH may impose from time to time. In addition, all insurance carriers and bonding companies shall meet minimum size and financial stability/financial rating requirements as may be imposed by the PRDOH from time to time. Certificates of

insurance shall be provided to the PRDOH and full and complete copies of the policies and/or bonds shall be provided to the PRDOH upon its request for same.

Notwithstanding the above, for construction or facility improvement performed by the subcontractors or third parties, the Subrecipient shall ensure that the subcontractors or third parties, at a minimum, comply with the bonding requirements at 2 C.F.R. Part 200, subpart D.

Moreover, in accordance with 2 C.F.R. § 200.310, the Subrecipient must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with Federal funds as provided to property owned by PRDOH. Federally owned property need not be insured unless required by the terms and conditions of the Federal award.

#### **XII. FEDERAL LAWS AND REGULATIONS APPLICABLE TO CONSTRUCTION CONTRACTS**

Projects receiving CDBG-MIT funding are required to comply with federal labor standards laws, including Davis-Bacon Act of 1931 and Related Acts (DBRA), as amended, 40 U.S.C. § 3141-3148; Fair Labor Standards Act of 1938 (FLSA), as amended, 29 U.S.C. § 201 et seq.; Contract Work Hours and Safety Standards Act (CWHSSA), 40 U.S.C. § 3701; Copeland Anti-Kickback Act, 40 U.S.C. § 3145. Together, these laws ensure that workers are paid the appropriate prevailing wage rate and are treated fairly by employers receiving CDBG-MIT funding to execute program activities, and employment opportunities are made available to low-income individuals to the greatest extent possible. Each of these laws requires important recordkeeping practices to ensure compliance and allow for accurate and efficient reporting as required by PRDOH. These laws are described in **Exhibit E** (HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements).

#### **XIII. CDBG-MIT POLICIES AND PROCEDURES**

In addition to what is established in this SRA, the Subrecipient shall comply with all CDBG-MIT program-specific and general policies and procedures, which may include, but are not limited to, the Subrecipient Management Policy, OS&H Guideline, MWBE Policy, URA & ADP Guidelines, Cross Cutting Guidelines, AFWAM Policy, Section 3 Policy, Personally Identifiable Information, Confidentiality, Language Access Plan, and Nondisclosure Policy and Conflict of Interest and Standards of Conduct Policy, as found in the CDBG-DR/MIT Website (<https://cdbg-dr.pr.gov/en/resources/policies/>), which are herein included and made an integral part of this SRA, as they may be updated from time to time, Procurement policies and procedures in accordance with the federal procurement rules and regulations found in 2 C.F.R. § 200.318 through §200.327<sup>3</sup>, and reporting requirements as established by the PRDOH.

#### **XIV. SYSTEM FOR AWARD MANAGEMENT (SAM) REGISTRATION**

The Subrecipient must be registered in the System for Award Management (SAM) and shall maintain its registration active during the performance of the SRA and through final payment. The Subrecipient is responsible during performance and through final payment

---

<sup>3</sup> All procurement transactions for work to be funded by CDBG-MIT must be conducted in full compliance with the standards set forth under 2 C.F.R. §200.318 to §200.327. Moreover, according to Administrative Order 22-56 (OA 22-56) of July 29, 2022, signed by the Secretary of PRDOH, the Procurement Manual for the CDBG-DR Program, Regulation 9205, will provide provisional guidance to the procurement procedures under all CDBG-MIT programs, excluding HMGP-MIT (Hazard Mitigation Grant Program-MIT). Said Procurement Manual is under revision. Specific requirements for procurement transactions for work to be funded by CDBG-MIT will be incorporated upon final approval of the Procurement Manual.

for the accuracy and completeness of the data within SAM. **Failure to maintain registration in SAM can impact obligations and payments under this SRA.**

**XV. FORCE MAJEURE**

In the event of a fire, flood, earthquake, natural disaster, hurricane, riot, act of governmental authority in its sovereign capacity, pandemic officially declared by the Government of Puerto Rico, strike, labor dispute or unrest, embargo, war, insurrection or civil unrest, any Force Majeure including inclement weather, herein collectively referred to as Force Majeure during the term of this SRA, neither the PRDOH nor the Contractor or Subrecipient shall be liable to the other party for nonperformance during the conditions created by such event. The party claiming Force Majeure shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and shall resume performance at the earliest possible date.

The Contractor or Subrecipient shall notify the PRDOH in writing as soon as possible, but in any event within ten (10) business days of the occurrence of the Force Majeure event and describe in reasonable detail the nature of the Force Majeure event, how the non-performance or delay relates to or arises from the Force Majeure event, its anticipated duration and any action taken to minimize its effect. The Contractor or Subrecipient may be entitled to reasonable adjustments in the schedule, among other measures, in the foregoing circumstances. If non-performance continues for more than thirty (30) days, without reasonable justification, the PRDOH may terminate this SRA immediately upon written notification to the Contractor or Subrecipient.

**XVI. INDEPENDENT CONTRACTOR**

Nothing contained in this SRA is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the Parties. The Subrecipient shall at all times remain an 'independent contractor' with respect to the efforts to be performed under this SRA. The PRDOH shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent entity.

**XVII. ASSIGNMENT OF RIGHTS**

The Subrecipient shall not assign or transfer any interest in this SRA without the prior written consent of the PRDOH.

**XVIII. SEVERABILITY**

If any provision of this SRA is held invalid, the remainder of the SRA shall not be affected thereby, and all other parts of this SRA shall nevertheless be in full force and effect.

**XIX. SECTION HEADINGS AND SUBHEADINGS**

The section headings and subheadings contained in this SRA are included for convenience only and shall not limit or otherwise affect the terms of this SRA, and shall not be used to explain, modify, simplify, or aid in the interpretation of the provisions of this SRA.

**XX. CONSOLIDATIONS, MERGERS, CHANGE OF NAME, OR DISSOLUTIONS**

A. Consolidation or Merger

In the event that the signing party (e.g., Subrecipient, Contractor, or Subcontractor) of the SRA with the PRDOH moves for consolidation or merger with another entity (private or public), by its discretion or otherwise, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days prior to the effective date** of the consolidation or merger. The notice shall include, but not be limited to, a description of: the expected effective date of the consolidation or merger; the name of each of the constituent entities moving to consolidate or merge into the single resulting or surviving

entity; the proposed name of the resulting entity (in case of a consolidation) or the name of the surviving entity (in case of a merger) if necessary; reference to the projected capacity of the resulting or surviving entity to comply with the terms, conditions, obligations, tasks, services, and performance goals or requirements included in the SRA as well as its Exhibits or Attachments; and a brief summary of the proposed plan to achieve the transition of duties (Scope of Work or Scope of Services), tasks, and performance goals or requirements to the resulting or surviving entity.

Upon the consolidation or the merger becoming effective and supporting evidence of such event is notified to PRDOH, execution of an Amendment to the SRA may follow. The Amendment would include, but not be limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment. **No amendment to the SRA will be necessary if the Subrecipient, Contractor, or Subcontractor becomes the surviving entity following a merger.**

Failure to comply with any of the before-mentioned conditions may result in the activation of the termination clauses provided in the SRA.

B. Change of Name

In the event that the signing party (e.g., Subrecipient, Contractor, or Subcontractor) of the SRA with the PRDOH initiates a change of name process, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days** prior to the effective date of such event. The notice shall include, but not be limited to, a description of: the expected effective date of the change of name; the proposed name; notify about any change of address; and reference to any change in the capacity of the entity to comply with the terms, conditions, obligations, tasks, services, and performance goals or requirements included in the SRA, as well as its Exhibits or Attachments.

Upon the change of name becoming effective and supporting evidence of such event is notified to PRDOH, execution of an Amendment to the SRA may follow. The Amendment would include, but not limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment.

Failure to comply with any of the before-mentioned conditions may result in the activation of the termination clauses provided in the SRA.

C. Dissolution

In the event that the signing party (e.g., Subrecipient, Contractor, or Subcontractor) of the SRA with the PRDOH moves for dissolution of the entity, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days** prior to the effective date of such event. The notice shall include, but not be limited to, a description of the expected effective date of the dissolution; and contact information of one or more of its directors, officials, or agents. Upon dissolution becoming effective and supporting evidence of such event is notified to PRDOH, termination of the SRA will follow. Consequently, the signing party acknowledges and agrees to provide to the PRDOH, after termination of the SRA, the assistance reasonably requested to facilitate the orderly transfer of responsibility for the performance of the tasks or services to the PRDOH or a third party designated by the PRDOH. Moreover, all finished or unfinished records (files, data, work product) connected with this SRA will be turned over to PRDOH following the SRA termination.

**XXI. NON-WAIVER**

The PRDOH's failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the PRDOH to exercise or enforce any right or provision shall not constitute a waiver of such right or provision.

## **XXII. BANKRUPTCY**

In the event that the Subrecipient files for bankruptcy protection, the Government of Puerto Rico and PRDOH may deem this SRA null and void and terminate this SRA without notice.

## **XXIII. GOVERNING LAW: JURISDICTION**

This SRA shall be governed by, interpreted, and enforced in accordance with the laws of the Government of Puerto Rico and any applicable federal laws and regulations. The Parties further agree to assert any claims or causes of action that may arise out of this SRA in the Puerto Rico Court of First Instance, San Juan Part.

## **XXIV. COMPLIANCE WITH THE LAW**

It is the intention and understanding of the Parties hereto that each and every provision of law required to be inserted in this SRA should be and is inserted herein. Furthermore, it is hereby stipulated that every such provision is deemed to be inserted and if, through mistake or otherwise, any such provision is not inserted herein or is not inserted in the correct form, then this SRA shall forthwith, upon the application of any Party, be amended by such insertion so as to comply strictly with the law and without prejudice to the rights of any Party.

## **XXV. SUBROGATION**

The Subrecipient acknowledges that funds provided through this SRA are Federal funds administered by HUD under the CDBG-MIT Program and that all funds provided by this SRA are subject to audit, disallowance, and repayment. Any disagreement with adverse findings may be challenged and subject to Federal regulation, however, the Subrecipient shall promptly return any and all funds to the PRDOH, which are found to be ineligible, unallowable, unreasonable, a duplication of benefits, or non-compensable, no matter the cause. This clause shall survive indefinitely the termination of this SRA for any reason in accordance with **Exhibit G** ("Subrogation and Assignment Provisions").

## **XXVI. COMPTROLLER REGISTRY**

The PRDOH shall remit a copy of this SRA to the Office of the Comptroller for registration within **fifteen (15) days** following the date of execution of this SRA and any subsequent amendment thereto. The services object of this SRA may not be invoiced or paid until this SRA has been registered by the PRDOH at the Comptroller's Office, pursuant to Act No. 18 of October 30, 1975, as amended by Act No. 127 of May 31, 2004.

## **XXVII. ENTIRE AGREEMENT**

This SRA constitutes the entire agreement among the Parties for the use of funds received under this SRA and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written among the Parties with respect to this SRA.

## **XXVIII. FEDERAL FUNDING**

The fulfillment of this SRA is based on funds being made available to the PRDOH as the lead administrative agency for Mitigation. All expenditures under this SRA must be made in accordance with this SRA, the policies and procedures promulgated under the CDBG-MIT Program, and any other applicable laws. Further, Subrecipient acknowledges that all funds are subject to recapture and repayment for non-compliance.

## **XXIX. RECAPTURE OF FUNDS**

PRDOH may recapture payments it makes to Subrecipient that (i) exceed the maximum allowable rates; (ii) are not allowed under applicable laws, rules, or regulations; or (iii) are otherwise inconsistent with this SRA, including any unapproved expenditures.

Subrecipient must refund such recaptured payments within **thirty (30) days** after the PRDOH issues notice of recapture to Subrecipient.

**XXX. OVERPAYMENT**

Subrecipient shall be liable to the PRDOH for any costs disallowed pursuant to financial and/or compliance audit(s) of funds received under this SRA. Subrecipient shall reimburse such disallowed costs from funds other than those Subrecipient received under this SRA.

**XXXI. COUNTERPARTS**

This SRA may be executed in any number of counterparts, each of which shall be deemed to be an original, however, all of which together shall constitute one and the same instrument. If the SRA is not executed by the PRDOH within **thirty (30) days** of execution by the other party, this SRA shall be null and void.

**XXXII. SURVIVAL OF TERMS AND CONDITIONS**

The terms and conditions of this SRA related to the following subjects shall survive the termination or expiration of this SRA: interpretive provisions; consideration; warranties; general affirmations, federal assurances, federal and state certifications; CDBG-MIT and state funding, recapture of CDBG-MIT and/or state funds, overpayment of CDBG-MIT and/or state funds; ownership and intellectual property, copyright; records retention methods and time requirements; inspection, monitoring and audit; confidentiality; public records; indemnification and liability; infringement of intellectual property rights; independent contractor relationship; compliance with laws; notices; choice of law and venue; severability; dispute resolution; consolidations, mergers, change of name, and dissolution. Terms and conditions that, explicitly or by their nature, evidence the Parties' intent that they should survive the termination or expiration of this SRA shall so survive.

**XXXIII. LIMITATIONS PENDING ENVIRONMENTAL CLEARANCE**

The Subrecipient does not have a legal claim to any amount of CDBG funds to be used for the specific project or site until the environmental review process is satisfactorily completed. As such, the Subrecipient acknowledges that it has no legal claim to any amount of CDBG funds for any projects or site acquisition under this SRA, until the environmental review process is completed under PRDOH's satisfaction. The Subrecipient acknowledges that it will not begin any actions related to the project or site until the environmental review process is completed and has written acceptance and a **Notice to Proceed** from PRDOH.

## EXHIBIT A

# SCOPE OF WORK

## HAZARD MITIGATION GRANT PROGRAM

### PUERTO RICO ELECTRIC POWER AUTHORITY (PREPA)

#### 1. Program Overview/Background

In a two (2)-week period in September 2017, Hurricane Irma, a Category five (5) storm, and Hurricane María, a Category four (4) storm, devastated Puerto Rico's mainland and its two (2) island municipalities, resulting in the largest and most logistically complex disaster response and recovery effort in recent U.S. history. Recognizing the devastation caused by both events, Congress appropriated federal recovery funding through the Department of Housing and Urban Development's (HUD) Community Development Block Grant – Disaster Recovery (CDBG-DR) Grant.

Additionally, on August 30, 2019, HUD announced an award of \$8.285 billion in hazard mitigation funds to minimize future losses from similar hurricane events and other hazards based on Puerto Rico's analysis of risk. On January 21, 2021, the Puerto Rico Department of Housing (PRDOH) Community Development Block Grant – Mitigation (CDBG-MIT) Action Plan (Action Plan), which included a comprehensive risk and risk-based needs analysis, was approved by HUD. The Action Plan includes a set-aside fund to cover the majority of the forecasted cost share match required for the Federal Emergency Management Agency (FEMA) Hazard Mitigation Grant Program (HMGP), corresponding to twenty-five percent (25%). This cost share commitment will ease the local burden of implementing projects that reduce or eliminate long-term risk to people and property posed by future disasters. This set-aside advances the HUD and PRDOH objective to maximize the impact of available funds by leveraging and coordinating with other Federal programs. The HMGP Global Match Strategy under the Hazard Mitigation Grant Program Set-Aside (HMGP-MIT) will be used to provide the cost share for these projects on a disaster level, allowing for specific projects to be one hundred percent (100%) covered with CDBG-MIT funding.

The HMGP falls under the direction of the Central Office for Recovery, Reconstruction and Resiliency (COR3) and is the responsibility of the State Hazard Mitigation Officer (SHMO) to implement.

The SHMO is tasked with reviewing all HMGP sub-applications, providing HMGP technical assistance to sub applicants to support application development, and implementing FEMA HMGP projects. The SHMO submits HMGP sub-

applications to FEMA for award consideration and coordinates FEMA requests for information (RFI).

PRDOH is designated as the recipient and administrator of all CDBG-DR and CDBG-MIT (jointly **CDBG-DR/MIT**) funds from HUD. PRDOH will work in partnership with COR3/SHMO to coordinate efforts to administer the implementation and programmatic oversight of the projects included under the Global Match Strategy as part of the CDBG-MIT grant.

**2. National Objective**

All projects funded under the HMGP-MIT must meet one (1) or more of the national objectives of the CDBG-MIT program, as outlined in the table below:

National Objective	Minimum Requirements
<b>LMI Area</b>	<ul style="list-style-type: none"> <li>• Boundaries of the service area.</li> <li>• Census data including total persons and percentage of Low and Moderate Income (<b>LMI</b>).</li> <li>• Evidence that the area is primarily residential.</li> <li>• Survey documentation (if applicable).</li> </ul>
<b>LMI Limited Clientele</b>	<ul style="list-style-type: none"> <li>• Documentation that the beneficiaries are or are presumed to be LMI (by category).</li> </ul>
<b>Urgent Need Mitigation</b>	<ul style="list-style-type: none"> <li>• Addresses the current and future risks as identified in the grantee's Mitigation Needs Assessment of most impacted and distressed areas.</li> <li>• Will result in a measurable and verifiable reduction in the risk of loss of life and property.</li> <li>• Demonstrate long-term efficacy and fiscal sustainability.</li> <li>• Demonstrably benefit the most impacted and distressed (<b>MID</b>) area.</li> </ul>

**Additionally, CDBG-MIT projects must also meet the following criteria (84 Fed. Reg. 45857, sec. V. A. 13a):**

- Demonstrate the ability to operate for the useful life of the project.
- Be consistent with other mitigation activities.

**For Covered Projects, the following additional criteria must also be met (84 Fed. Reg. 45857, sec. V. A.13.b):**

- Demonstrate long-term efficacy and fiscal sustainability.

- Demonstrably benefit the MID area. Benefits for Covered Projects must outweigh the costs to implement said project.

### 3. CDBG-MIT Compliance Validation

Like PRDOH's relationship with HUD, COR3 works directly with FEMA to implement all FEMA recovery programs, including the HMGP Program covered by this SRA. To minimize the burden on Subrecipients of providing similar documentation multiple times to both COR3 and PRDOH, and to simplify the match reimbursement process, PRDOH and COR3 are collaborating in the implementation of this Program. Through this collaboration, COR3 has provided PRDOH access to the data and documentation that has previously been compiled and submitted to COR3 and FEMA by the HMGP applicants/subrecipients.

Due to differing programmatic requirements between FEMA HMGP and CDBG-MIT, PRDOH will work directly with Subrecipients to obtain additional documentation that may not be contained within COR3 or FEMA's systems of record.

### 4. Tasks

The Subrecipient agrees to complete all the required tasks described below, for which the PRDOH will provide the necessary technical assistance for compliance:

#### Task 1. Access to Documentation

**Activity:** A key area of compliance for CDBG-MIT projects is record-keeping and documenting. During HUD monitoring activities, all items needed to substantiate a reimbursement request shall be readily available for review. While PRDOH will obtain most documentation from materials that the Subrecipient has previously provided to COR3 and FEMA, some HUD-required materials may not be in the documentation previously provided and will need to be obtained directly from Subrecipients. This documentation may include detailed information on procurement processes and proof of payments to contractors and employees. PRDOH expects that most of these materials will be provided through electronic means.

**Deliverable:** Throughout the life of Program, the Subrecipient will, as needed, provide PRDOH with the documentation required to determine Program eligibility and compliance with CDBG-MIT specific requirements so that PRDOH can issue a match payment to the Subrecipient for CDBG-MIT eligible work. These requirements include Environmental Reviews, Civil Rights

requirements, as defined below including Section 3, MWBE, and Davis Bacon, among others.

### **Task 2. Participation in Mandatory Technical Assistance**

**Activity:** A focus area for HUD is ensuring that PRDOH provides Technical Assistance (**TA**) to Subrecipients who receive CDBG-MIT funding. PRDOH will provide TA to Subrecipients throughout the life of the Program in order to ensure that areas that could pose challenges for documenting full programmatic compliance are addressed. TA workshops will initially cover broad federal cross-cutting areas that are applicable to both HUD and FEMA. These will be followed by TA on HUD-specific topics that are pertinent to applicable phases of Subrecipients' project portfolios.

**Deliverable/Outcome:** The Subrecipient agrees to participate in the Technical Assistance workshops provided by the PRDOH to best ensure CDBG-MIT compliance throughout the life of the Program. In the event that the Subrecipient decides to not participate in technical assistance workshops, PRDOH reserves the right to place on hold, suspend or terminate the SRA and not provide corresponding reimbursement under the Program.

### **Task 3. Follow Procurement and Contractual Requirements**

**Activity:** A key area of compliance is ensuring that procurements are done in a manner compliant with all applicable CDBG-MIT requirements, and the corresponding contracts awarded include all HUD-required clauses. Due to the considerable amount of disaster recovery work that will take place and that will require CDBG-MIT funding to cover the Non-Federal share, PRDOH will adopt the procurement validation completed by FEMA and COR3, in compliance with the procurement requirements set forth in 2 C.F.R. §§ 200.317, 200.322 and 200.326.

The Subrecipient hereby agrees to comply with all requirements established by FEMA and 2 C.F.R. §§ 200.318-200.327 and to provide any additional supporting documentation requested by PRDOH to comply with applicable policies and regulations for any work that is expected to receive CDBG-MIT funding.

Furthermore, the Subrecipient understands that, if the appropriate procurement procedures are not followed, they may not be considered eligible for corresponding match payments.

Procurement processes validated by FEMA and/or COR3 will be stored under the PRDOH system of record and may be subject to monitoring or auditing by PRDOH, HUD, or any other entity with such authority.

**Deliverable/Outcome:** The Subrecipient hereby agrees to comply with all requirements established by FEMA and 2 C.F.R. §§ 200.318-200.327 and to provide any additional supporting documentation requested by PRDOH to comply with applicable policies and regulations. For all procurement processes corresponding to projects included within an HMGP application, the Subrecipient shall also submit a certification to PRDOH indicating compliance with 2 C.F.R. §§ 200.317, 200.322 and 200.326.

All contracts executed for services or work to be performed under a HMGP project which will receive CDBG-MIT funding, must include the standard CDBG-MIT HUD-required clauses to ensure compliance with Labor and Civil Rights requirements.

**Task 4. Compliance with CDBG-MIT Requirements: Section 3 & Minority/Women Owned Business Enterprises (MWBE) Best Faith Efforts and Davis Bacon**

**Activity:** Subrecipient agrees to participate in outreach events and utilize PRDOH resources to ensure compliance with Section 3, MWBE, and other applicable hiring goals for projects funded through the Program. Subrecipient agrees to timely file all Section 3 compliance documentation, including but not limited to submission of any and all required reports and supporting documentation.

A key difference between FEMA and HUD funding, and an area of focus for HUD, is ensuring that best faith efforts for Section 3 take place and that Section 3, MWBE, and Davis Bacon reporting is completed by both Subrecipients and contractors.

One of the best ways to ensure that the spending targets and compliance is met is that prior to procurements taking place, Section 3 and/or MWBE firms are considered and built into project teams. Throughout the life of the Program, PRDOH will provide TA to Subrecipients on Section 3, MWBE, and Davis Bacon requirements so that the overall Program targets for PRDOH are met and best faith efforts are documented.

**Deliverable/Outcome:** Subrecipients will be required to participate in Technical Assistance workshops and may be required by PRDOH to participate or conduct other outreach events that are designed to ensure that CDBG-MIT compliance with these requirements is achieved. In the event that the Subrecipient decides to not participate in Technical Assistance

workshops or engage in strategies that PRDOH develops to meet these Program goals, PRDOH reserves the right to place on hold, suspend and/or not provide reimbursement for HMGP projects being undertaken by Subrecipient. Subrecipients are advised that compliance with these focus areas may require that specific clauses are included in all service and construction contracts executed to carry out the work included in the HMGP projects for which costs are being provided.

**Task 5. Compliance with CDBG-MIT Operation and Maintenance requirements**

**Activity:** The Subrecipient shall perform the necessary actions to plan for long term operation and maintenance of the projects funded under this SRA.

Before starting activities to be funded by CDBG-MIT, the Subrecipient shall submit an Operation and Maintenance plan to the PRDOH, that shall describe the following, but not limited to: the Subrecipient's ability to operate the project for its useful life, a preliminary estimate of that useful life and the Operation and Maintenance costs required, identify the responsible entity (or entities) in charge of such Operation and Maintenance activities, and any other aspect or requirement established by the PRDOH, CDBG-MIT and HUD associated with this task.

**Deliverable:** An Operation and Maintenance plan that describes and complies with the established PRDOH requirements.

**Task 6. Project Development**

**Activity:** During the performance of this Task, the Subrecipient shall perform all necessary deliveries to PRDOH for environmental review processes, environmental compliance records, design and construction documents at established benchmarks, for revision and to demonstrate progress of work. The submission schedule of deliveries shall be coordinated with the PRDOH before commencing the development of the project.

After the revision of each delivery, the Subrecipient may receive comments from PRDOH that might require revision of the documentation. PRDOH expects to receive all necessary progress deliveries with a compliance certification of applicable codes and regulations, and the progress accomplished, prepared by a licensed architect/engineer in charge of the design of each project. The Subrecipient may request technical assistance from the PRDOH to prepare the required documentation.

**Deliverable:** Documents that evidence and support project development progress and compliance with applicable regulations, as required by the PRDOH.

### Task 7: Environmental Compliance Requirements

**Activity:** The environmental review process is required for all HUD-assisted projects to ensure that the proposed project does not negatively impact the surrounding environment and that the property and/or site itself will not have an adverse environmental or health effect on end users. PRDOH is the Certifying Officer for all HUD environmental review procedures. In coordination with FEMA EHP and specifically for the HMGP-MIT approved projects, PRDOH agreed to assume the lead role for the review of the environmental documentation prepared by the Subrecipient, including decision-making, and actions that would otherwise apply to HUD under NEPA and other provisions of law as specified in 24 C.F.R. § 58.5.

As such, the Subrecipient shall commence the design phase up until the Subrecipient has all the necessary project documentation required to complete and submit the environmental review to PRDOH.

**Deliverable/Outcome:** Completed environmental review documentation and procedures prepared by the Subrecipient shall be submitted to PRDOH in order to submit the Request for Release of Funds (RROF) to HUD and receive the required HUD Authorization to Use Grant Funds (AUGF). Specifically for projects funded one hundred percent (100%) with CDBG-MIT funds (Phases I & II), design costs incurred after the submission of the environmental documentation to PRDOH but before receiving the required HUD Authorization to Use Grant Funds (AUGF), may be at risk of repayment if the project does not meet all established environmental requirements.

### Task 8. Submit Requests for Reimbursement and Provide Proof of Payment

**Activity:** Upon CDBG-MIT compliance determination by the Program, the Subrecipient agrees to submit a Request for Reimbursement, uploaded to PRDOH's Financial Management System. The Subrecipient will be required to set-up a unique account through this system and provide all required information, including information related to dedicated bank accounts.

A key area of focus for HUD is ensuring that CDBG-MIT projects are reimbursement-based and that contractors who undertook work are paid for services provided. HUD requires that all documented costs were incurred and completed. As a result, PRDOH cannot approve CDBG-MIT reimbursement for work that the Subrecipient undertook until it has obtained proof that the work was performed, completed and that this information is uploaded to PRDOH databases.

**Deliverable:** The Subrecipient shall submit to PRDOH the required documentation to support and request a payment under the Program. The PRDOH will provide technical assistance and guidance to instruct the Subrecipient about the required documentation. The Subrecipient shall submit to PRDOH proof of payment or work completed, as required and instructed by the PRDOH.

After a project is fully completed, the Subrecipient will provide PRDOH electronic copies documenting proof of payment to vendors within **sixty (60) days** of the Effective Date of this SRA or completion of the respective project's scope of work, whichever is later. Such proof of payment documentation will be provided in an electronic form sufficient to document that an electronic funds transfer (**EFT**) was made from Subrecipient to all vendors for costs potentially eligible for reimbursement under this Program. Alternatively, proof of purchase may also be provided by electronic copies (**PDF**) of emitted checks corresponding to such payments.

#### **Task 9. Reporting**

**Activity:** The Subrecipient will be responsible for submitting quarterly reports to the PRDOH to inform the status of tasks, HMGP project progress and metrics, and payment status. Each report must be prepared in compliance with PRDOH's reporting requirements, using the report template provided by the Program.

**Deliverable:** Quarterly reports shall be submitted to PRDOH upon the **10th day of the subsequent month for which the reporting period covers**. Up to date reports will be required to be on file for the approval for payment of any cost share invoices.

#### **Task 10. Closeout**

**Activity:** The Subrecipient shall prepare a documentation package which will include all deliverables, reports, proofs of payments, and any other documents that the PRDOH may consider necessary to summarize, support and closeout the Subrecipient's tasks completed, and payments provided.

**Deliverable:** As required by the PRDOH, the Subrecipient will be responsible for submitting all the required documentation to record, reconcile and closeout the SRA.

## 5. Time Performance

All program activities, including closeout, must be concluded as per the term stated in the SRA.

FEMA may establish a Period of Performance for HMGP projects on a program-wide manner or on a project-by-project basis. The time of performance of this CDBG-MIT SRA may extend beyond FEMA's established Period of Performance, but the project's individual performance shall be tied to the applicable FEMA Period of Performance. The time of performance under this SRA does not supersede FEMA's Period of Performance.

More specific periods of performance for each scope of work within this SRA are shown in **Exhibit B (Timelines and Performance Goals)**.

## 6. Budget

HMPG-MIT is providing the Subrecipient an initial amount of funds as specified on **Exhibit C (Budget)**. As additional FEMA HMGP projects are approved and CDBG-MIT considers them for the Global Match Strategy, PRDOH may budget additional funding through execution of budget modifications by way of an amendment. PRDOH reserves the right to de-obligate funding on a project level should the project fail to fully comply with CDBG-MIT requirements or if the Subrecipient is deficient in following the established processes and/or submitting any additional information required within the timeframes stipulated under this SRA.

All funds provided to the Subrecipient are for Project Costs, which will be used for the coordination of payments that the Subrecipient has incurred. There are no Administrative, Activity Delivery, Planning, or Staff Costs in this budget.

### BUDGET

#### HAZARD MITIGATION GRANT PROGRAM

#### PUERTO RICO ELECTRIC POWER AUTHORITY (PREPA)

#### DESCRIPTION OF SERVICES

The PRDOH Hazard Mitigation Grant Program (**HMGP-MIT**) will provide a budget of **five hundred fifty-five million three hundred sixty-five thousand dollars (\$555,365,000.00)** for activities in this SRA, dedicated toward facilitating a drawdown of CDBG-MIT funds for payment of the selected Global Match Projects approved under the FEMA Hazard Mitigation Grant Program (**HMGP-FEMA**), as listed in the table below.

The HMGP-MIT will utilize data provided by FEMA, COR3, and the Subrecipient for the HMGP-FEMA Program to determine HUD eligibility, creating a project file with sufficient supporting documentation that will allow PRDOH to submit a request for CDBG-MIT funds.

**Activity Delivery Costs** – No Activity Delivery costs are to be incurred by the Subrecipient under this SRA.

**Planning** – No Planning costs are to be incurred by the Subrecipient under this SRA.

**Project Costs** – the Subrecipient and PRDOH have agreed that **five hundred fifty-five million three hundred sixty-five thousand dollars (\$555,365,000.00)** of the CDBG-MIT funds requested for the HMGP-MIT will be directed toward Project Costs and considered as the budget for this SRA. Project Costs will be used under the Global Match approach for the project's current funding requirement, as agreed upon by COR3 (**SHMO**) and PRDOH.

**Administrative Costs** – No Administrative costs are to be incurred by the Subrecipient under this SRA.

Outside of the Subrecipient's assistance to PRDOH through its scope of services in the form of additional documentation required, PRDOH will perform all eligibility reviews. PRDOH will also obtain and collect required documentation from FEMA, COR3 data sources, and the Subrecipient for the eligibility review. PRDOH also has the primary responsibility to engage with the Subrecipient in the Program and to provide Technical Assistance (**TA**).

The following table provides current totals for all of the Subrecipient's CDBG-MIT Global Match budget for each approved HMGP projects:

Project Number (1)	Project Description	Global Match	Total Estimated Project Amount	FEMA Potential Allocation (Estimated)	HMGP-MIT Potential Allocation (Estimated) (2)	HMGP-MIT Allocated Amount (Estimated) (3)
PR-0011	Patillas Dam Seismic Retrofit	Yes	\$558,000,000.00	\$2,635,000.00	\$555,365,000.00	\$555,365,000.00
						<b>\$555,365,000.00</b>

Notes on budget:

- (1) HMGP Project Numbers included in this table are representative of the HMGP Projects for which the budget allocation was based on and should not be interpreted as a definitive list of HMGP Project Numbers to receive disbursement under this SRA. Additional HMGP Projects may receive match disbursement, as needed by the Subrecipient, the Program, or the PRDOH. Changes to the HMGP Projects listed may be reconciled through subsequent amendments to this SRA.
- (2) "HMGP-MIT Potential Allocation (Estimated)" represents the current maximum HMGP-MIT funding corresponding to each HMGP Project currently approved by FEMA for the Global Match methodology. The amount included should not be interpreted as a capped cost for disbursement under a specific Project. The HMGP-MIT Allocated Amount (Estimated) under this SRA shall be based on the actual needs of each Project, which may be affected by changes in project formulation, modification, approval or revisions made by FEMA. Changes to the HMGP-MIT Potential Allocation (Estimated) listed may be reconciled through subsequent Amendments to this SRA.
- (3) "HMGP-MIT Allocated Amount (Estimated)" is the amount allocated under this Agreement as supported by the HMGP-MIT Potential Allocation (Estimated) amount for HMGP Projects included in this table. This amount is the total sum of HMGP-MIT funding for each Project. This amount should not be interpreted as a capped cost for disbursement under any specific Project, or the sum of any particular group of HMGP Projects. This allocation may be based on the Program's budget availability, Program or individual project needs, or any other parameter considered by the Program. Disbursement shall be based on the actual needs of each Project, which may be affected by changes in project formulation, modification, approval or revisions made by FEMA. Changes to the HMGP-MIT Allocated Amount (Estimated) listed may be reconciled through subsequent Amendments to this SRA.

# HUD GENERAL PROVISIONS AND OTHER FEDERAL STATUTES, REGULATIONS, AND PRDOH REQUIREMENTS

## HAZARD MITIGATION GRANT PROGRAM

### PUERTO RICO ELECTRIC POWER AUTHORITY (PREPA)

Given that the Subrecipient Agreement (**SRA**) involves funds for which the U.S. Department of Housing and Urban Development (**HUD**) is the oversight agency, the following terms and conditions may apply to this SRA. In addition, SUBRECIPIENT shall comply with the Federal Labor Standards Provisions set forth in Form HUD-4010, available at <https://www.hudexchange.info/resource/2490/hud-form-4010-federal-labor-standards-provisions/>

The SUBRECIPIENT (also referred to as the "**Partner**") shall include these terms and conditions in all subcontracts or purchase orders directly servicing the SRA.

These general provisions may be updated from time to time. It is the sole responsibility of the SUBRECIPIENT to be aware of any changes hereto, to amend and implement such changes and to ensure subcontracts terms and conditions are modified as necessary, if any.

#### General Provisions:

#### 1. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and clause required by law to be inserted in this SRA shall be deemed to be inserted herein and the SRA shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, the SRA shall forthwith be physically amended to make such insertion or correction.

#### 2. STATUTORY AND REGULATORY COMPLIANCE

SUBRECIPIENT shall comply with all laws and regulations applicable to the Community Development Block Grant-Mitigation funds appropriated by the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Pub. L. 115-123), approved February 9, 2018 (**Appropriations Act**), as amended, including but not limited to the applicable Office of Management and Budget Circulars, which may impact the administration of funds and/or set forth certain cost principles, including if certain expenses are allowed.

#### 3. BREACH OF SUBRECIPIENT AGREEMENT TERMS

The PRDOH reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this SRA, in instances where the SUBRECIPIENT or any of its subcontractors violate or breach any SRA term. If the SUBRECIPIENT or any of its subcontractors violate or breach any SRA term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the SRA documents, and the rights and remedies available thereunder, shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

#### 4. REPORTING REQUIREMENTS

The SUBRECIPIENT shall complete and submit all reports, in such form and according to such schedule, as may be required by the PRDOH and/or the Government of Puerto Rico. The SUBRECIPIENT shall cooperate with all the PRDOH and/or the Government of Puerto Rico efforts to comply with HUD requirements and regulations pertaining to reporting, including but not limited to 2 C.F.R. § 200.328 and 24 C.F.R. § 570.507, when applicable.

#### 5. SMALL AND MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

The SUBRECIPIENT will take necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used in subcontracting when possible. Steps include, but are not limited to:

- a) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- b) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- c) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- d) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises; and
- e) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

Additionally, for contracts of \$10,000 or more, the SUBRECIPIENT shall file Form HUD 2516 (Contract and Subcontract Activity) with the PRDOH on a quarterly basis.

#### 6. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements", and any implementing regulations issued by HUD.

#### 7. DEBARMENT, SUSPENSION, AND INELIGIBILITY

The SUBRECIPIENT represents and warrants that it and its subcontractors are not debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs subject to 2 C.F.R. Part 2424.

#### 8. CONFLICTS OF INTEREST

The SUBRECIPIENT shall notify the PRDOH as soon as possible if this SRA or any aspect related to the anticipated work under this SRA raises an actual or potential conflict of interest (as defined 2 C.F.R. § 200.318(c), if applicable). The SUBRECIPIENT shall explain

the actual or potential conflict in writing in sufficient detail so that the PRDOH is able to assess such actual or potential conflict. The SUBRECIPIENT shall provide the PRDOH any additional information necessary to fully assess and address such actual or potential conflict of interest. The SUBRECIPIENT shall accept any reasonable conflict mitigation strategy employed by the PRDOH, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

## 9. SUBCONTRACTING

When subcontracting, the SUBRECIPIENT shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include, but are not limited to:

- a) Placing unreasonable requirements on firms in order for them to qualify to do business;
- b) Requiring unnecessary experience and excessive bonding;
- c) Noncompetitive pricing practices between firms or between affiliated Companies;
- d) Noncompetitive awards to consultants that are on retainer contracts,
- e) Organizational conflicts of interest;
- f) Specifying only a brand name product instead of allowing an equal product to be offered and describing the performance of other relevant requirements of the procurement; and
- g) Any arbitrary action in the procurement process.

The SUBRECIPIENT represents to the PRDOH that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, taking into account the nature of the work to be performed under this SRA.

The SUBRECIPIENT will include these HUD General Provisions in every subcontract issued by it, so that such provisions will be binding upon each of its subcontractors as well as the requirement to flow down such terms to all lower-tiered subcontractors.

## 10. ASSIGNABILITY

The SUBRECIPIENT shall not assign any interest in this SRA and shall not transfer any interest in the same (whether by assignment or novation) without prior written approval of the PRDOH.

## 11. COPELAND "ANTI-KICKBACK" ACT (Applicable to all construction or repair contracts)

Salaries of personnel performing work under this SRA shall be paid unconditionally and not less often than once a month without payroll deduction or rebate on any account except only such payroll deductions as are mandatory by law or permitted by the applicable regulations issued by the Secretary of Labor pursuant to the Copeland "Anti-Kickback Act" of June 13, 1934 (48 Stat. 948; 62 Stat. 740; 63 Stat. 108; Title 18 U.S.C. § 874; and Title 40 U.S.C. § 276c). The SUBRECIPIENT shall comply with all applicable "Anti-Kickback" regulations and shall insert appropriate provisions in all subcontracts covering work under this SRA to ensure compliance by subcontractors with such regulations, and shall be responsible for the submission of affidavits required of subcontractors thereunder except as the Secretary of Labor may specifically provide for variations of or exemptions from the requirements thereof.

**12. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT**  
**(Applicable to construction contracts exceeding \$2,000 and contracts exceeding \$2,500 that involve the employment of mechanics or laborers.)**

The SUBRECIPIENT shall comply with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 3702-3704) as supplemented by Department of Labor regulations (29 C.F.R. Part 5).

All laborers and mechanics employed by SUBRECIPIENTS or subcontractors shall receive overtime compensation in accordance with and subject to the provisions of the Contract Work Hours and Safety Standards Act, and the SUBRECIPIENTS and subcontractors shall comply with all regulations issued pursuant to that act and with other applicable Federal laws and regulations pertaining to labor standards.

**13. DAVIS-BACON ACT**  
**(Applicable to construction contracts exceeding \$2,000 when required by Federal program legislation.)**

The SUBRECIPIENT shall comply with the Davis Bacon Act (40 U.S.C. § 3141, *et seq*) as supplemented by Department of Labor regulations (29 C.F.R. Part 5).

All laborers and mechanics employed by SUBRECIPIENTS or subcontractors, including employees of other governments, on construction work assisted under this SRA, and subject to the provisions of the federal acts and regulations listed in this paragraph, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

On a semi-annual basis, the SUBRECIPIENT shall submit Form HUD 4710 (Semi-Annual labor Standards Enforcement Report) to PRDOH.

**14. TERMINATION FOR CAUSE**  
**(Applicable to contracts exceeding \$10,000)**

If, through any cause, the SUBRECIPIENT shall fail to fulfill in a timely and proper manner his or her obligations under this SRA, or if the SUBRECIPIENT shall violate any of the covenants, agreements, or stipulations of this SRA, the PRDOH shall thereupon have the right to terminate this SRA by giving written notice to the SUBRECIPIENT of such termination and specifying the effective date thereof, **at least five (5) days** before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the SUBRECIPIENT under this SRA shall, at the option of the PRDOH, become the PRDOH's property and the SUBRECIPIENT shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the SUBRECIPIENT shall not be relieved of liability to the Government of Puerto Rico and PRDOH for damages sustained by the Government of Puerto Rico and/or PRDOH by virtue of any breach of the SRA by the SUBRECIPIENT, and the Government of Puerto Rico and/or PRDOH may withhold any payments to the SUBRECIPIENT for the purpose of set-off until such time as the exact amount of damages due to the Government of Puerto Rico and/or PRDOH from the SUBRECIPIENT is determined.

## 55. PROCUREMENT AND CONTRACTOR OVERSIGHT<sup>1</sup>

---

<sup>1</sup> All procurement transactions for work to be funded by CDBG-MIT must be conducted in full compliance with the standards set forth under 2 C.F.R. §200.318 to §200.327. Said Procurement Manual is under revision. Specific requirements for procurement transactions for work to be funded by CDBG-MIT will be incorporated upon final approval of the Procurement Manual.

The SUBRECIPIENT shall ensure that every process of procurement of goods and services comply with federal procurement rules and regulations found in 2 C.F.R. § 200.318 through §200.327, procurement requirements that include, but are not limited to: (a) providing full and open competition; (b) following required steps to ensure the use of small and minority businesses, women's business enterprises, and labor surplus area firms when possible; (c) performing a cost or price analysis; (d) evaluating and documenting contractor's integrity, compliance with public policy, record of past performance, and financial and technical resources; (e) ensuring that the contractor has not been suspended or debarred; (f) prohibiting the use of statutorily or administratively imposed state, local, or tribal geographic preferences in evaluating bids or proposal; (g) excluding contractors that may have an unfair competitive advantage, and; (h) maintaining records to detail the history of procurement considerations. PRDOH must obtain and maintain records to document how the procurement performed by the SUBRECIPIENT complied with the aforementioned federal procurement rules and regulations, as amended from time to time.

In regard to the provisions of the Procurement Manual for CDBG-DR Programs, as found in the CDBG-DR Website ([www.cdbg-dr.pr.gov](http://www.cdbg-dr.pr.gov)) which is herein incorporated by reference and made integral part of this SRA, as it may be updated from time to time, the SUBRECIPIENT shall comply with the provisions related to: minority, women, small, and Section 3 business participation; low and very low-income persons or firms participation.

The SUBRECIPIENT shall include all applicable PRDOH's conditions (as revised from time to time by the PRDOH in accordance with applicable law, rule or regulation) in any contract entered into under this SRA. SUBRECIPIENT shall also require all contractors to flow down the PRDOH's Conditions, as well as termination for convenience of the PRDOH, to all subcontractors as well as the requirement to flow down such terms to all lower-tiered subcontractors. These Conditions include required terms for project contracts, HUD General Provisions, Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, Standard Clauses for Contracts with the PRDOH, and required diversity forms.

The SUBRECIPIENT must comply with CDBG-MIT regulations regarding debarred or suspended entities at 24 C.F.R. § 570.609 or 24 C.F.R. § 570.489(l) as appropriate. CDBG-MIT funds may not be provided to excluded or disqualified persons.

The SUBRECIPIENT shall maintain oversight of all activities under this SRA and shall ensure that for any procured contract or Agreement, as applicable, its contractors perform according to the terms and conditions of the procured contracts or Agreements, and the terms and conditions of this SRA.

#### 56. NONDISCRIMINATION

The SUBRECIPIENT shall comply with 24 C.F.R. Part 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. § 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance.

The SUBRECIPIENT shall adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability

under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (Section 504). Section 109 of the Housing and Community Development Act of 1974 makes these requirements applicable to programs or activities funded in whole or in part with CDBG-MIT funds. Thus, the SUBRECIPIENT shall comply with regulations of 24 C.F.R. Part 8, which implement Section 504 for HUD programs, and the regulations of 24 C.F.R. Part 146, which implement the Age Discrimination Act for HUD programs.

The SUBRECIPIENT shall ensure that all CDBG-MIT activities conducted by itself or its contractors are consistent with the applicable federal and local legal provisions, regulations, and policies that prohibit discrimination on the basis of race, creed, color, national origin, religion, sex, disability, familial status, actual or perceived sexual orientation or gender identity, marital status, or age, as established in the CDBG-DR Fair Housing and Equal Opportunity (FHEO) Policy for CDBG-DR Programs as found in the CDBG-DR website: <https://cdbg-dr.pr.gov/en/download/fair-housing-and-equal-opportunity-fheo-policy-for-cdbg-dr-programs/>.

#### **57. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT**

The SUBRECIPIENT shall ensure that its Activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of "residential structure" as defined in 24 C.F.R. § 40.2 or the definition of "building" as defined in 41 C.F.R. § 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 C.F.R. Part 40 for residential structures, and appendix A to 41 C.F.R. Part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. § 12131; 47 U.S.C. § 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this SRA. The specific nondiscrimination provisions at 24 C.F.R. § 1.4 apply to the use of these funds. The SUBRECIPIENT shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 C.F.R. Part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 C.F.R. Part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 2 C.F.R. Part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

**2) Assurances and Real Property Covenants:**

If the Federal financial assistance under this SRA is to provide or is in the form of personal property or real property or interest therein or structures thereon, the SUBRECIPIENT's assurance herein shall obligate the SUBRECIPIENT or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the SUBRECIPIENT for the period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives the PRDOH and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this SRA or acquired with CDBG-MIT funds and provided to the SUBRECIPIENT under this SRA, the instrument effecting any disposition by the SUBRECIPIENT of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the SUBRECIPIENT receives real property interests or funds or for the acquisition of real property interests under this SRA, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

**3) Women- and Minority-Owned Businesses (W/MBE)**

The SUBRECIPIENT shall take the affirmative steps listed in 2 C.F.R. § 200.321(b)(1) through (5) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible when the SUBRECIPIENT procures

property or services under this SRA. As used in this SRA, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. § 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian- Americans, and American Indians. The SUBRECIPIENT may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

In compliance with the CDBG-DR Minority and Women-Owned Business Enterprise Policy (M/WBE Policy), the SUBRECIPIENT shall complete a utilization plan to identify how they plan on successfully achieving the contracting goals for MBE and WBE's. SUBRECIPIENT shall also complete quarterly reporting to provide information on contracting opportunities and payouts provided to WBE or MBE contractors or subcontractors. SUBRECIPIENT shall also document their efforts and submit those to PRDOH on a quarterly basis. See the M/WBE Policy, as found in the CDBG-DR Website ([www.cdbg-dr.pr.gov](http://www.cdbg-dr.pr.gov)) which is herein included and made integral part of this SRA, as it may be updated from time to time.

**4) Notifications**

The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the SUBRECIPIENT's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

Part 1, 3, 5, 6, and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than eight (8) units.

- 2) In the event the SUBRECIPIENT is not, the SUBRECIPIENT shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of this SRA. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the PRDOH, the SUBRECIPIENT, or any designated public agency.

- 4) Clause of Governmental Ethics Certification of Absence of Conflict of Interests - The SUBRECIPIENT certifies that: (1) No public servant of the PRDOH has pecuniary interest in this contract. #### **61. CITIZEN GRIEVANCES**

If the SUBRECIPIENT receives any complaint or grievance, it shall refer said complaint or grievance immediately to the PRDOH CDBG-MIT Program so that PRDOH may respond appropriately within **fifteen (15) business days** of the receipt of the complaint.

#### **62. TECHNICAL ASSISTANCE AND TRAININGS**

The SUBRECIPIENT shall attend any and all technical assistance and/or trainings that the PRDOH requires from time to time at its discretion. Failure to attend may be considered as cause for termination.

#### **63. DISASTER RELIEF ACCOUNT**

Pursuant to Federal Register Vol. 85, No. 17, 85 FR 4681 (January 27, 2020), PRDOH must comply with an additional requirement imposed by an Order of October 26, 2017, granted by the United States District Court for the District of Puerto Rico, as may be amended from time to time. As required by the Order, grant funds or disaster relief funds received by the Commonwealth of Puerto Rico or other Non-Federal Entities (as defined by 2 C.F.R. § 200.69) shall be deposited solely into a Disaster Relief Account.

As a result, thereof, under the terms of the beforementioned Court order and under the conditions of this SRA, any and all CDBG-DR/MIT funds subawarded by PRDOH to its SUBRECIPIENTS shall be deposited into a new, separate, non-co-mingled, unencumbered account held in the name of the SUBRECIPIENT. The funds shall be used solely for eligible activities. Further, the SUBRECIPIENT shall provide and make available to PRDOH any and all documentation related to such account.

#### **64. UNIFORM RELOCATION ASSISTANCE AND REAL PROPERTY ACQUISITION POLICIES ACT (URA)**

Every project funded in part or in full by CDBG-MIT funds, and all activities related to that project, are subject to the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (**URA**), as amended, 42 U.S.C. § 4601 et seq., and section 104(d) of the Housing and Community Development Act of 1992, as amended (HCDA), 42 U.S.C. § 5304(d), except where waivers or alternative requirements have been provided by HUD. The implementing regulations for URA are at 49 C.F.R. Part 24, and the regulations for section 104(d) are at 24 C.F.R. Part 42, subpart C. Additionally, HUD has established regulations specific to CDBG-funded housing activities at 24 C.F.R. § 570.606. PRDOH has also established the Uniform Relocation Assistance Guide & Residential Anti-Displacement and Relocation Assistance Plan (URA & ADP Guide) which provides guidance and requirements regarding URA compliance and minimizing displacement that are applicable to all CDBG-DR programs. The primary purpose of these laws and regulations is to provide uniform, fair, and equitable treatment of persons whose real property is acquired or who are displaced in connection with federally funded projects.

When CDBG-DR funds are planned, intended, or used for any activity or phase of a project and the phases are interdependent, URA applies to that activity or project. This includes any property acquisition, even if CDBG-MIT funds are not used to fund the purchase, if the contract to acquire property is executed with the intention of seeking CDBG-MIT funds to complete the project or an interdependent phase of the project. Subrecipients are responsible for ensuring URA compliance throughout the design, proposal, and implementation of any project that includes real property acquisition or displacement of residential or business occupants.

#### **65. ADDITIONAL SPECIFIC CONDITIONS**

## SUBROGATION AND ASSIGNMENT PROVISIONS HAZARD MITIGATION GRANT PROGRAM (HMGP-MIT) SET-ASIDE PUERTO RICO ELECTRIC POWER AUTHORITY (PREPA)

### 1. General Provisions.

- a) The Parties acknowledge that the following provisions of this Exhibit are hereto incorporated by reference and made an integral part of the aforementioned Subrecipient Agreement as **Exhibit G**.
- b) Changes in the provisions of this Exhibit will require an amendment to the Subrecipient Agreement. Such amendment would result in the incorporation by reference of a modified **Exhibit G** to the Subrecipient Agreement.

### 2. Subrogation and Assignment Relating to Funds Received from the Puerto Rico Department of Housing – Hazard Mitigation Grant Program (HMGP-MIT) Set-Aside

- 
- a) These provisions are incorporated into the Subrecipient Agreement in consideration of the commitment by PRDOH to evaluate the Subrecipient's application for the award of disaster assistance funds (the "**Application**") or the Subrecipient's receipt of CDBG-DR/MIT disaster recovery and mitigation funds (the "**Grant Proceeds**") under the Program being administered by PRDOH.
  - b) Subrecipient understands and acknowledges that the Program is subject to the provisions of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, 42 U.S.C. §§ 5121-5207 (the "**Act**") and that, under such Act, the Subrecipient may only receive assistance to the extent that the Subrecipient has a disaster recovery need that is not fully met by insurance or other forms of disaster assistance. Subrecipient further acknowledges that these provisions are intended to ensure that Subrecipient does not receive duplicate benefits available to the Subrecipient from another source, for the same purposes as the Grant Proceeds provided under the Program, and that, any assistance determined to be duplicative must be deducted from the Program's calculation of the Subrecipient's total need before awarding assistance.
  - c) Subrecipient hereby subrogates and assigns to PRDOH any and all of Subrecipient's future rights to, and any interest Subrecipient may have in, any reimbursement and all payments received or subsequently received from any grant, loan, insurance policy, or policies of any type (each individually, a "**Policy**" and collectively, the "**Policies**"), or under any subsidy, reimbursement
- 

or relief program related to or administered by the Federal Emergency Management Agency ("**FEMA**"), insurance payments, or any other federal, state or local government agency (each, individually, a "**Disaster Program**" and collectively, the "**Disaster Programs**") to the extent of all Grant Proceeds paid or to be paid under the Program and that are determined, in the sole discretion of PRDOH or its designated agent, to be a duplication of benefits ("**DOB**"). Any payments referred to in this paragraph, whether they are from Policies, FEMA, or any other source, and whether or not such amounts are a DOB, shall be referred to herein as "**Proceeds**"; any Proceeds that are determined to be a DOB shall be referred to herein as "**DOB Proceeds**".

- d) Subrecipient agrees that in the event that Subrecipient receives additional Proceeds related to disaster recovery that are not listed on the Duplication of Benefits Certification submitted in connection with the Application, Subrecipient will notify the PRDOH within **ten (10) working days** of receipt of the funds by sending a written notification to [inframit@vivienda.pr.gov](mailto:inframit@vivienda.pr.gov). PRDOH will, in turn, determine, in its sole discretion, if such Proceeds constitute DOB Proceeds. If any of the Proceeds are determined to be DOB Proceeds, the Subrecipient shall pay PRDOH the DOB Proceeds, to be disbursed as provided in Section 3 of this Agreement.

**3. Cooperation and Further Documentation.**

- a) If PRDOH elects to pursue any of the claims Subrecipient has or may have under any Policies, Subrecipient agrees to assist and cooperate with PRDOH. Subrecipient also agrees to assist and cooperate in the attainment and collection of any DOB Proceeds that the Subrecipient would be entitled to under any applicable Disaster Assistance Program.
- b) If requested by PRDOH, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better subrogate and assign to PRDOH (to the extent of the Grant Proceeds paid to Subrecipient under the Program) the Policies, any amounts received under the Disaster Assistance Programs that are determined to be DOB Proceeds and/or any rights thereunder. The subrecipient further agrees to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by the PRDOH to consummate and make effective the purposes of these provisions.

- c) Subrecipient expressly allows and authorizes PRDOH to request information from any company with which Subrecipient holds or held any insurance policy or policies of any type, any other company or entity -public or private- from which the Subrecipient has applied for or is receiving assistance (such as FEMA, or others), or any non-public or confidential information determined by PRDOH, in its sole discretion, to be reasonably necessary to monitor/enforce its interest in the rights subrogated and assigned to it under this Agreement, and grant consent to such company or entity to release said information to the PRDOH.

**4. Agreement to Turn Over Proceeds; Future Reassignment.**

- a) If Subrecipient (or, to the extent permitted by superior loan documents, any lender to which DOB Proceeds are payable) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to PRDOH, if Subrecipient received Grant Proceeds under the Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.
- b) In the event that Subrecipient receives or is scheduled to receive any Proceeds not listed on its Duplication of Benefits Certification ("**Subsequent Proceeds**"), Subrecipient shall pay such Subsequent Proceeds directly to the PRDOH, and PRDOH will determine the amount, if any, of such Subsequent Proceeds that are DOB Proceeds ("**Subsequent DOB Proceeds**"). Subsequent Proceeds shall be disbursed as follows:
- (i) If Subrecipient has received full payment of the Grant Proceeds, Subrecipient shall remit any Subsequent DOB Proceeds to PRDOH. PRDOH shall return to the Subrecipient any Subsequent Proceeds in excess of the Subsequent DOB Proceeds.
- (ii) If Subrecipient has received no payment of the Grant Proceeds, PRDOH shall reduce the payment of the Grant Proceeds to Subrecipient by the amount of the Subsequent DOB Proceeds and shall return all Subsequent Proceeds in excess of the Subsequent DOB Proceeds to Subrecipient.
- (iii) If Subrecipient has received a portion of the Grant Proceeds, the following shall occur: (A) PRDOH shall reduce the remaining payments of the Grant Proceeds and return Subsequent DOB Proceeds in such amount to the Subrecipient, and (B) Subrecipient shall remit any remaining Subsequent DOB Proceeds to PRDOH. PRDOH shall also return to the Subrecipient any Subsequent Proceeds in excess of the Subsequent DOB Proceeds.
- (iv) If the PRDOH determines that Subrecipient does not qualify to participate in the Program or the Subrecipient decides not to participate in the Program,

PRDOH shall return the Subsequent Proceeds to Subrecipient, and the Agreement shall terminate.

- c) Once PRDOH has recovered an amount equal to the Grant Proceeds paid to Subrecipient, PRDOH will reassign to Subrecipient any rights given to PRDOH under these provisions.

**5. Miscellaneous.**

- a) Subrecipient hereby represents that all statements and representations made by Subrecipient regarding any Proceeds are true and correct, as of the date of the issuance of the Grant Proceeds.
- b) In any proceeding to enforce these provisions, PRDOH shall be entitled to recover all costs of enforcement, including PRDOH's attorney fees.
- c) The parties hereto each waive the right to have any judicial proceeding concerning any of the provisions hereof tried by a jury.
- d) Neither these provisions, nor any portion or provisions hereof may be changed, waived, or terminated orally or by any course of dealing, or in any manner other than by an agreement in writing, signed by all parties hereto and approved by PRDOH.
