**THIS MEMORANDUM OF UNDERSTANDING (MOU)** is entered into in San Juan, Puerto Rico, this 19 of April, 2021, by and between the **PUERTO RICO DEPARTMENT OF HOUSING** (hereinafter, "**PRDOH**"), a public agency created under Law No. 97 of June 10, 1972, as amended, 3 LPRA § 441 *et seq.*, known as the Department of Housing Organic Act with principal offices at 606 Barbosa Avenue, Juan. C. Cordero Dávila Building, San Juan, Puerto Rico, herein represented by William O. Rodríguez Rodríguez, attorney, of legal age, single, and resident of San Juan, Puerto Rico, in his capacity as PRDOH Secretary; and the **ECONOMIC DEVELOPMENT BANK FOR PUERTO RICO** (hereinafter, "**BDE**" for its Spanish acronym), with principal offices at 638 Aldebaran St., San Juan, Puerto Rico, herein represented by its President, Luis Alemañy González, of legal age, married, and resident of San Juan, Puerto Rico.

**WHEREAS**, on September 2017, Hurricanes Irma and María made landfall in Puerto Rico causing catastrophic island wide damage, knocking out power, water, and telecommunications for the entire Island and its island municipalities. Hurricane María caused major structure and infrastructure damage to family homes, businesses, and government facilities triggering the displacement of thousands of residents of the Island from their homes and jobs.

**WHEREAS**, under various public laws, the United States Congress appropriated disaster recovery and mitigation funds for the recovery of Puerto Rico,

**WHEREAS**, the PRDOH was designated as the grantee for the CDBG-DR and CDBG-MIT funds allocated to Puerto Rico through the United States Department of Housing and Urban Development.

**WHEREAS**, on March 20, 2020, the PRDOH and the BDE executed a Subrecipient Agreement, Contract Number 2020-DR0039, to undertake a Small Business Financing Program ("**SBF Program**") to provide Recovery Grants to small businesses and microenterprises, and Recovery and Expansion Loans for more established Small Businesses.

**WHEREAS**, as per the BDE'S request, it is the PRDOH's intention to enter into a Memorandum of Understanding (**MOU**) with the BDE to establish procedures by which PRDOH may exchange data, subject to the Personally Identifiable Information, Confidentiality, and Nondisclosure Policy (**PII Policy**), with the BDE.

**NOW THEREFORE**, in consideration of the mutual promises and the terms and conditions set forth herein, the PRDOH and the BDE agree as follows:

**I. INTRODUCTION**

CDBG-DR is a Federal Program that provides grants to help cities, counties, and States recover from Presidentially declared disaster, especially in low-income areas, subject to availability of supplemental appropriations.

The purpose of the PRDOH CDBG-DR Program is to address unmet recovery needs of the Government of Puerto Rico after the effects of Hurricanes Irma and María. The CDBG-DR funds are available for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the “most impacted and distressed” areas resulting from the major disaster declarations.

As part of the efforts to help businesses flourish, the BDE would like to offer to the SBF program applicants another chance to assist them with their recovery. As part of their public policy, they would offer the applicants the opportunity to apply for a loan financed by BDE. The financing products available would be informed to the potential participants. Hence, BDE would use the applicant's information from the Program's data base to reach out.

As outlined in this MOU, PRDOH is sharing with the BDE certain information pertaining to those applicants who submitted an application to the SBF Program for recovery grants and recovery and expansion loans.
