WHEREAS, on February 9, 2018, a Notice was published in the Federal Register, Vol. 83, No. 28 (83 FR 5844), that allocated \$1.5 billion for disaster recovery assistance to the Government of Puerto Rico.

Such payment shall be compensation for all allowable services required, performed and accepted under this Agreement. However, PRDOH reserves the right to reduce the funding amount if CDBG-DR funding is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in the **Exhibit C** ("Budget").

Any additional funds to complete the services requested by the PRDOH to the Subrecipient shall be subject to funds availability and shall require an amendment to this Agreement.

B. Requests for Reimbursements

The Subrecipient shall submit to PRDOH requests for reimbursements of activities under this Agreement and consistent with the approved Budget (hereinafter, the "Request for Reimbursement") and Scope of Work on a monthly basis.⁵ Each Request for Reimbursement shall be broken down into requested reimbursements against the Budget line items specified in **Exhibit C** ("Budget").

If PRDOH determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the request for reimbursement shall be approved for payment. An authorized representative of the PRDOH shall review each Request for Reimbursement and, if adequate, shall approve and process its payment. Payments to the Subrecipient shall be made by check or electronic funds transfer (EFT). PRDOH reserves the right to conduct any audit it deems necessary.

In order for the Subrecipient to receive payment for any work performed hereunder, the following certification must be included in each Request for Reimbursement submitted to the PRDOH:

"Under penalty of absolute nullity, I hereby certify that no public servant of the government entity is a party to or has an interest of any kind in the profits or benefits to be obtained under the contract which is the basis of this invoice, and should he be a party to, or have an interest in, the profits or benefits to be obtained under the contract, a waiver has been previously issued. The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct. The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefor."

If the Agreement is terminated by the PRDOH as provided herein, the Subrecipient shall be paid the total compensation as the allowable services actually performed up until the date of termination. Any compensation under this paragraph must be for documented costs that are CDBG-DR eligible, and allowable, allocable, and reasonable in accordance with Uniform Administrative Requirements.

This Agreement may also be terminated in whole or in part by either the PRDOH or the Subrecipient, or based upon Agreement by both the PRDOH and the Subrecipient in accordance with the requirements in 2 C.F.R. part 200, subpart D.

4. Unilateral Termination

The PRDOH may terminate this Agreement, in whole or in part, at PRDOH's sole discretion, with or without cause, at any time. If the Subrecipient does not deliver to the PRDOH all information, studies, and other materials property of the PRDOH within the established timeframe, and the PRDOH invests any additional funds to reproduce the information, studies, and other materials not provided by the Subrecipient upon termination, then the PRDOH will disallow from payments to the Subrecipient under this Agreement the funds expended for the PRDOH to reproduce such information, studies, and other materials. In the event of a termination by Notice, the PRDOH shall be liable only for payment of services rendered up to and including the effective date of termination.

The Subrecipient has a continuous obligation to report to PRDOH any proceedings which apply to the Subrecipient under this paragraph.

In the event that the grant of funds by HUD under any allocations of the CDBG-DR may be suspended, withdraw or canceled, this Agreement will be immediately terminated.

7. Period of Transition

Upon termination of this Agreement, and for **ninety (90) consecutive calendar days** thereafter (the Transition Period), Subrecipient agrees to make himself available to assist the PRDOH with the transition of services assigned to Subrecipient by the PRDOH. Subrecipient shall provide to the PRDOH the assistance reasonably requested to facilitate the orderly transfer of responsibility for performance of the Services to the PRDOH or a third party designated by the PRDOH. PRDOH reserves the right to provide for the execution of a Transition Services Agreement for the Transition Period. In such instance, the Subrecipient will be paid at a reasonable, agreed upon, hourly rate for any work performed for the PRDOH during the Transition Period. Moreover, during that Transition

Period, all finished or unfinished records (files, data, work product) connected with this Agreement will be turned over to PRDOH.

8. Availability of Funds

This Agreement is contingent upon the availability of funds from HUD. It is expressly understood and agreed that the obligation to proceed under this Contract is conditioned upon the receipt of Federal funds. If the funds anticipated for the continuing fulfillment of the Agreement are, at any time, not forthcoming or insufficient, either through the failure of the Federal government to provide funds or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to PRDOH, the PRDOH have the right upon **ten (10) working days** written notice to the Subrecipient, to terminate this Agreement without damage, penalty, cost or expenses to PRDOH of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

X. COMPLIANCE WITH FEDERAL STATUTES, REGULATIONS AND THE TERMS AND CONDITIONS OF THE FEDERAL AWARD AND ADDITIONAL PRDOH REQUIREMENTS

The "HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements", which are attached to, and made an integral part of this Agreement as **Exhibit E**, set forth certain requirements imposed by HUD with respect to PRDOH's Federal award or CDBG-DR Grant. Furthermore, the **Exhibit F** ("Special Conditions"), attached herein and made an integral part of this Agreement, is reserved to cover particular circumstances, conditions or specific requirements as they arise from the demands of the Program.

The Subrecipient agrees to carry out its obligations under this Agreement in compliance with all the requirements described in the **Exhibit E**, as well as those set forth in the aforementioned **Exhibit F** attached to this Agreement.

XI. INSURANCE & BONDING

The Subrecipient shall carry sufficient insurance coverage and bonding from insurers licensed to conduct business in the Government of Puerto Rico to protect all contract assets from loss due to any cause, including but not limited to theft, fraud, and/or physical damage. The Government of Puerto Rico, the Puerto Rico Department of Housing and the U.S. Department of Housing and Urban Development shall be named as additional insured on all such insurance. The Subrecipient shall meet all other insurance requirements as the PRDOH may impose from time to time. In addition, all insurance carriers and bonding companies shall meet minimum size and financial stability/financial rating requirements as may be imposed by the PRDOH from time to time. Certificates of insurance shall be provided to the PRDOH and full and complete copies of the policies and/or bonds shall be provided to the PRDOH upon its request for same.

Notwithstanding the above, for construction or facility improvement performed by the subcontractors or third parties, the Subrecipient shall ensure that the subcontractors or third parties, at a minimum, comply with the bonding requirements at 2 C.F.R. part 200, subpart D.

XII. CDBG-DR POLICIES AND PROCEDURES

In addition to what is established in this Agreement, the Grantee shall comply with all CDBG-DR program specific and general policies and procedures, including, but not limited to, the Subrecipient Management Policy, OS&H Guideline, MWBE Policy,

XIII. FORCE MAJEURE

In the event of a fire, flood, earthquake, natural disaster, hurricane, riot, act of governmental authority in its sovereign capacity, pandemic officially declared by the Government of Puerto Rico, strike, labor dispute or unrest, embargo, war, insurrection or civil unrest, any *Force Majeure* including inclement weather, herein collectively referred to as *Force Majeure* during the term of this Agreement, neither the PRDOH nor the Subrecipient shall be liable to the other party for nonperformance during the conditions created by such event.

The Subrecipient shall notify, as soon as possible, the PRDOH of the occurrence of the *Force Majeure* event and describe in reasonable detail, the nature of the *Force Majeure* event.

XIV. INDEPENDENT CONTRACTOR

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the Parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the efforts to be performed under this Agreement. The PRDOH shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent entity.

XV. ASSIGNMENT OF RIGHTS

The Subrecipient shall not assign or transfer any interest in this Agreement without the prior written consent of the PRDOH.

XVI. SEVERABILITY

If any provision of this Agreement is held invalid, the remainder of the Agreement shall not be affected thereby, and all other parts of this Agreement shall nevertheless be in full force and effect.

XVII. SECTION HEADINGS AND SUBHEADINGS

The section headings and subheadings contained in this Agreement are included for convenience only and shall not limit or otherwise affect the terms of this Agreement, and shall not be used to explain, modify, simplify, or aid in the interpretation of the provisions of this Agreement.

The Amendment would include, but not limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment. **No amendment to the Agreement will be necessary if the Subrecipient, Contractor, or Subcontractor becomes the surviving entity following a merger.**

Failure to comply with any of the before mentioned conditions, may result in the activation of the termination clauses provided in the Agreement.

B. Change of Name

In the event that the signing party (e.g. Subrecipient, Contractor, or Subcontractor) of the Agreement with the PRDOH initiates a change of name process, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days** prior to the effective date of such event. The notice shall include, but not limited to, a description of: the expected effective date of the change of name; the proposed name; inform of any change of address; and reference of any change in the capacity of the entity to comply with the terms, conditions, obligations, tasks, services, and performance goals or requirements included in the Agreement, as well as its Exhibits or Attachments.

Upon the change of name becoming effective and supporting evidence of such event is notified to PRDOH, execution of an Amendment to the Agreement may follow. The Amendment would include, but not limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment.

Failure to comply with any of the before mentioned conditions, may result in the activation of the termination clauses provided in the Agreement.

C. Dissolution

In the event that the signing party (e.g. Subrecipient, Contractor, or Subcontractor) of the Agreement with the PRDOH moves for dissolution of the entity, written notice of such decision or event shall be delivered to the PRDOH **at least fifteen (15) days** prior to the effective date of such event. The notice shall include, but not limited to, a description of the expected effective date of the dissolution; and contact information of one or more of its directors, officials or agents. Upon dissolution becoming effective and supporting evidence of such event is notified to PRDOH, termination of the Agreement will follow. Consequently, the signing party acknowledges and agrees to provide to the PRDOH, after termination of the Agreement, the assistance reasonably requested to facilitate the orderly transfer of responsibility for performance of the tasks or services to the PRDOH or a third party designated by the PRDOH. Moreover, all finished or unfinished records (files, data, work product) connected with this Agreement will be turned over to PRDOH following the Agreement termination.

XIX. NON-WAIVER

The PRDOH's failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the PRDOH to exercise or enforce any right or provision shall not constitute a waiver of such right or provision.

XXIII. SUBROGATION

The Subrecipient acknowledges that funds provided through this Agreement are Federal funds administered by HUD under the CDBG-DR Program and that all funds provided by this Agreement are subject to audit, disallowance, and repayment. Any disagreement with adverse findings may be challenged and subject to Federal regulation, however, the Subrecipient shall promptly return any and all funds to the PRDOH, which are found to be ineligible, unallowable, unreasonable, a duplication of benefits, or non-compensable, no matter the cause. SCOPE OF WORK

NON-FEDERAL MATCH PROGRAM

MUNICIPALITY OF OROCOVIS

1. Program Overview/Background

Hurricane Irma (EM-3384/DR-4336) and Hurricane María (DR-4339), catastrophically devastated Puerto Rico in September 2017. In response, the Federal Emergency Management Agency (**FEMA**) and other Federal awarding agencies began to provide immediate Federal disaster relief assistance to Puerto Rico, its municipalities, and eligible private nonprofit organizations to address the wide range of response and recovery needs facing the Island. Federal grant programs come with a Non-Federal share, or "local match," requirement, which can be met with HUD CDBG-DR funds. To facilitate and expedite recovery from Hurricanes Irma and María, the PRDOH Non-Federal Match Program (**NFMP**) has been established to use CDBG-DR dollars to supplement Federal grant funding provided to the eligible subrecipients Island-wide. This Program and Agreement address the local match requirements that subrecipients must meet to participate in the FEMA Public Assistance (**PA**) program and identifies items PRDOH needs from subrecipients so that PRDOH can provide HUD-compliant match payments for eligible work for this entity.

The primary partners to PRDOH in the NFMP are the Central Office for Recovery, Reconstruction and Resilience (**COR3**) and subrecipients who for Hurricane Irma have a twenty-five percent (25%) cost share requirement and for Hurricane María, generally a ten percent (10%) cost share for FEMA PA projects. PRDOH will be providing the majority of cost share for the FEMA Project Worksheets (**PWs**) associated with these disasters by working directly with COR3 to access data and provide the match payment and with subrecipients who will provide documentation required by HUD so that PRDOH can ensure full HUD compliance and reimburse subrecipients for their cost share.

2. National Objective

PRDOH anticipates that three (3) national objectives will be used in the NFMP. PRDOH will work with entities who are funded through this Program to evaluate

the service area and determine the national objective for each project. PRDOH anticipates that the two national objectives that will be used most frequently are Low-and-moderate-income (**LMI**)-area benefit and Urgent Need (**UN**).

Projects in the Program will meet of one of these national objectives:

- Benefit to **LMI** Persons (24 C.F.R. § 570.483(b))
- Urgent Need (**UN**) activities (24 C.F.R. § 570.483(d))
- Aid in prevention or elimination of Slums or Blight (**SB**) (24 C.F.R. § 570.483(c))

The Subrecipient shall certify, in the form requested by PRDOH, the qualifying activities in order to evidence that one of the three (3) National Objectives has been met. Notwithstanding the above, the Subrecipient agrees to prioritize serving the LMI national objective.

3. Program Description

Like PRDOH's relationship with HUD, COR3 works directly with FEMA to implement all FEMA recovery programs, including the PA program, which is covered by this Agreement. To minimize the burden on subrecipients of providing similar documentation multiple times to both COR3 and FEMA, and to simplify the match reimbursement process, PRDOH and COR3 are collaborating to implement this program, and COR3 has provided PRDOH with access to data and documentation that has previously been compiled and submitted to COR3 and FEMA.

Due to differing programmatic requirements between FEMA Public Assistance and CDBG-DR, PRDOH will in some cases need to work directly with subrecipients to obtain additional documentation that is not contained in COR3 or FEMA's systems.

The FEMA PA Program is one of the largest FEMA's recovery programs in terms of total dollars, as it provides grants to units of governments and nonprofit entities to rebuild and repair disaster-impacted facilities. FEMA categorizes work based on the type of facility that needs to be repaired or replaced following a disaster.

These categories are:

FEMA Public Assistance Category	Work Type
Category A – Debris Removal	Emergency Work
Category B – Emergency Protective Measures	Emergency Work
Category C – Roads & Bridges	Permanent Work
Category D – Water Control Facilities	Permanent Work
Category E – Building and Equipment	Permanent Work

Category F – UtilitiesPermanent Work
Category G – Parks, Recreational, and OtherPermanent Work

As noted above, PA projects can also be categorized as either being for emergency, response-related work or for permanent, long-term recovery work. Emergency work takes place immediately after a disaster event and falls into two (2) FEMA categories while permanent work is done to repair or replace a damaged facility or asset and falls into five categories. PA Applicants may have work at the same facility that is both response and recovery related; however, FEMA, when obligating funds, clearly segregates the scopes of work, so that funding is not being duplicated for the same scope.

4. Tasks

The Subrecipient agrees to complete all the required tasks described below, for which the PRDOH will provide the necessary technical assistance to complete them:

WORR
WORR

Task 1. Access to Documentation

Activity: A key area of compliance for HUD CDBG-DR projects is record-keeping and documenting that during HUD monitoring, all items needed to substantiate a reimbursement request are available for review. While PRDOH will first seek to obtain most documentation from materials that the Subrecipient has previously provided to COR3 and FEMA, some HUD-required materials may not be in the documentation previously provided and will need to be obtained directly from Subrecipients. This documentation may include detailed information on procurement processes and proof of payments to contractors and employees. PRDOH expects that most of these materials will be able to be provided through electronic means.

Deliverable: Throughout the life of program, the Subrecipient will, as needed, provide PRDOH with the documentation PRDOH requires to determine program eligibility and compliance with HUD CDBG-DR specific requirements so that PRDOH can issue a match payment to the Subrecipient for CDBG-DR eligible work. These requirements include environmental review, Civil Rights requirements, as defined below, the Section 3, MWBE, and Davis Bacon, among others.

Task 2. Participation in Mandatory Technical Assistance

Activity: A focus area for HUD is ensuring that PRDOH provides Technical Assistance (TA) to subrecipients who receive CDBG-DR funding. PRDOH will provide TA to Subrecipients throughout the life of the Program in order to

ensure that areas that could pose challenges for documenting full programmatic compliance are addressed. TA workshops will initially cover broad federal cross-cutting areas that are applicable to both HUD and FEMA. These will be followed by TA on HUD-specific topics that are pertinent to applicable phases of Subrecipients' project portfolios.

Deliverable/Outcome: The Subrecipient agrees to participate in the Technical Assistance workshops provided by the PRDOH to best ensure CDBG-DR compliance throughout the life of the Program. In the event that Subrecipient decides to not participate in technical assistance workshops, PRDOH reserves the right to place on hold, suspend or terminate the Agreement and not provide corresponding reimbursement under the Program.

Task 3. Follow Procurement and Contractual Requirements

Activity: A key area of compliance is ensuring that procurements are done in a manner compliant with all applicable CDBG-DR requirements, and the corresponding contracts awarded include the required clauses. Due to the considerable amount of disaster recovery work that will take place and that will require CDBG-DR funding to cover the Non-Federal share, PRDOH will adopt the procurement validation completed by FEMA and COR3, in compliance with the procurement requirements set forth in 2 C.F.R. §§ 200.318 – 200.327¹.

The Subrecipient hereby agrees to comply with all requirements established by FEMA and any additional procurement requirements set forth by PRDOH in compliance with CDBG-DR funding regulations for any procurements published and contracts executed for any work that is expected to receive CDBG-DR funding.

Furthermore, the Subrecipient understands that, if the appropriate procurement procedures are not followed, they may not be considered eligible for corresponding match payment.

Procurement processes validated by FEMA and/or COR3 will be stored under PRDOH system of record and may be subject to monitoring or auditing by the PRDOH, HUD, or any other entity with such authority.

Deliverable/Outcome: The Subrecipient agrees to provide all procurement documentation to PRDOH in a timely manner to allow for review and

¹ Administrative Order 21-19 was issued on April 14th, 2021. It excluded the Non-Federal Match Program participants from complying with the PRDOH CDBG-DR Procurement Manual and adopted the FEMA/COR3 validation for procurement processes.

potential modifications, as applicable, when the proper documentation is not available in FEMA or COR3 systems of record. For all procurement processes corresponding to projects included within a PW, the Subrecipient shall also submit a certification to PRDOH indicating compliance with 2 C.F.R. §§ 200.318 – 200.327. In addition, PRDOH reserves the right to review procurement documentation to ensure compliance with applicable regulations, principles of full and open competition, and PRDOH's established CDBG-DR requirements for Subrecipients under the Program.

All contracts executed for services or work to be performed under a PW which will receive cost share funding, must include the standard CDBG-DR clauses to ensure compliance with Labor and Civil Rights requirements.

Task 4. Compliance with CDBG-DR Requirements: Section 3 & Minority/Women Owned Business Enterprises (MWBE) Best Faith Efforts and Davis Bacon

Activity: Subrecipient agrees to participate in outreach events and utilize PRDOH resources to ensure compliance with Section 3, MWBE, and other applicable hiring goals for projects funded through the program. Subrecipient agrees to timely file all Section 3 compliance documentation, including but not limited to submission of any and all required reports and supporting documentation.

A key difference between FEMA and HUD funding, and an area of focus for HUD, is ensuring that best faith efforts for Section 3 take place and that Section 3, MWBE, and Davis Bacon reporting is ensured by both subrecipients and contractors.

One of the best ways to ensure that the spending targets and compliance is met is that prior to procurements taking place, Section 3 and/or MWBE firms are considered and built into project teams. Throughout the life of the program, PRDOH will provide TA to subrecipients on Section 3, MWBE, and Davis Bacon requirements so that the overall program targets for PRDOH are met and best faith efforts are documented.

Deliverable/Outcome: Subrecipients will be required to participate in the Technical Assistance workshops and may be required by PRDOH to participate or conduct other outreach events that are designed to ensure that CDBG-DR compliance with these requirements is achieved. In the event that the Subrecipient decides to not participate in technical assistance workshops or engage in strategies that PRDOH develops to meet these goals of the program, PRDOH reserves the right to place on hold, suspend and/or not provide reimbursement for PA projects being undertaken by Subrecipient. Subrecipients are advised that compliance with these focus

areas may require that specific clauses are included in all service and construction contracts executed to carry out the work included in the PWs for which cost share is being provided.

Task 5. Submit Requests for Reimbursement and Provide Proof of Payment

Activity: Upon receipt of the Payment Recommendation Form from the NFMP, the Subrecipient agrees to submit a Request for Reimbursement, uploaded to PRDOH's Financial Management System. The Subrecipient will be required to set-up a unique account through this system and provide all required information, including information related to dedicated bank accounts.

A key area of focus for HUD is ensuring that CDBG-DR projects are reimbursement-based and that contractors who undertook work are paid for services provided. HUD requires that all documented costs were incurred and completed. As a result, PRDOH cannot request CDBG-DR reimbursement for work that the Subrecipient undertook until it has obtained proof that the work was performed, completed and that this information is uploaded to PRDOH databases.

Deliverable: The Subrecipient shall submit to PRDOH the required documentation to support and request a payment under the Program. The PRDOH will provide technical assistance and guidance to instruct the Subrecipient about the required documentation. The Subrecipient shall submit to PRDOH proof of payment or work completed, as required and instructed by the PRDOH.

For match payments on projects where work has already been completed, Subrecipient will provide PRDOH electronic copies documenting proof of payment to vendors within **sixty (60) days** of the Effective Date of this Agreement or completion of the respective FEMA Project Worksheet's scope of work, whichever is later. Such proof of payment documentation will be provided in an electronic form sufficient to document that an electronic funds transfer (**EFT**) was made from Subrecipient to all vendors for costs potentially eligible for reimbursement under this program. Alternatively, proof of purchase may also be provided by electronic copies (**PDF**) of emitted checks corresponding to such payments.

Task 6. Reporting

Activity: The Subrecipient will be responsible to submit monthly reports to the PRDOH to inform status of tasks, project worksheet (**PW**) progress and metrics, and match payment status. Each report must be prepared in compliance

with PRDOH's reporting requirements, using the report template provided by the Program.

Deliverable: Monthly reports shall be submitted to PRDOH upon the 10th day of the subsequent month for which the reporting period covers. Up to date reports will be required to be on file for the approval for payment of any cost share invoices.

Task 7. Closeout

Activity: The Subrecipient shall prepare a documentation package which will include all deliverables, reports, proofs of payments, and any other documents that the PRDOH may consider necessary to summarize, support and closeout the Subrecipient's tasks completed and match payments provided.

Deliverable: As required by the PRDOH, the Subrecipient will be responsible of submitting all the required documentation to record, reconcile and closeout the Subrecipient Agreement.

5. Time Performance

PRDOH expects the NFM Program to operate for the life of the CDBG-DR grant. The time of performance under this agreement is **thirty-six (36) months**. PRDOH may, at its sole discretion, extend the Agreement's term, upon mutual written agreement of the parties: The term of this Agreement shall not exceed the lifetime of the initial Grant Agreement, between PRDOH and HUD, unless the term of the initial Grant Agreement is extended by HUD, in which case the term of this Agreement cannot exceed the extension. More specific periods of performance for each scope of work within this agreement are shown in **Exhibit B** (Timelines and Performance Goals).

6. Budget

The NFMP is providing Subrecipient an initial amount of funds as specified on **Exhibit C** (Budget). As additional FEMA Project Worksheets are obligated, PRDOH may budget additional funding through execution of budget modifications by way of an amendment. PRDOH reserves the right to de-obligate funding on a PW level should the PW fail to fully comply with CDBG-DR requirements or if the Subrecipient is deficient in following the established processes and/or submitting any additional information required within the timeframes stipulated under this Agreement.

All funds provided to the Subrecipient are for Project Costs, which will be used for the coordination of Non-Federal share payments that the Subrecipient has incurred. There are no Administrative, Activity Delivery, Planning, or Staff Costs in this budget.

NON-FEDERAL MATCH PROGRAM

DESCRIPTION OF SERVICES

The PRDOH Non-Federal Match Program (NFMP) will provide a budget of **four million seven hundred seventy-five thousand two hundred twenty-four dollars and eighty-two cents (\$4,775,224.82)** for activities in this Subrecipient Agreement, dedicated toward facilitating a drawdown of CDBG-DR funds to support a match payment for the FEMA Public Assistance (PA) Program currently obligated Project Worksheets (**PWs**) as listed in the table below.

The NFMP will utilize data provided by FEMA and COR3 for the PA Program to determine HUD eligibility, creating a project file with sufficient supporting documentation that will allow PRDOH to submit a request for CDBG-DR funds.

Activity Delivery Costs – No Activity Delivery costs are to be incurred by the Subrecipient under this Agreement.

Planning – No Planning Costs are provided for this program, as FEMA has obligated projects through the PA program via project worksheets (**PWs**) to each applicant. Also, the PRDOH only provides the match, or Non-Federal share reimbursement, for work that has been performed by eligible applicants, so planning-related activities have already occurred.

Project Costs – the Subrecipient and PRDOH have agreed that **four million seven hundred seventy-five thousand two hundred twenty-four dollars and eighty-two cents (\$4,775,224.82)** of the CDBG-DR funds requested for the NFMP will be directed toward Project Costs and considered as the budget for this Agreement. Project Costs will be used as the local match for the project's current Non-Federal share.

Administrative Costs – No Administrative costs are to be incurred by the Subrecipient under this Agreement.

Outside of the Subrecipient's assistance to PRDOH through its scope of services in the form of additional documentation required, PRDOH will perform all eligibility reviews. PRDOH will also obtain and collect documentation from FEMA and COR3 data sources and as needed will contact the Subrecipient for additional documentation required in connection to the eligibility review. PRDOH also has the primary responsibility to engage with the Subrecipient in the Program and to provide Technical Assistance (**TA**).

The following table provides current totals for all of the Subrecipient's CDBG-DR local match budgets for each obligated Project Worksheet:

Notes on budget:

- (1) PW Numbers included in this table are representative of the PWs for which the budget allocation was based on and should not be interpreted as a definitive list of PW Numbers to receive disbursement under this Agreement. Additional PWs may receive match disbursement, as needed by the Subrecipient, the Program, or the PRDOH. Changes to the PWs listed may be reconciled through subsequent amendments to this Agreement.
- (2) "Non-Federal Share Required Amount (Estimated)" represents the current maximum cost share corresponding to each PW currently obligated by FEMA PA. The amount included should not be

interpreted as a capped cost for disbursement under a specific PW. The Non-Federal Share Allocation under this Agreement shall be based on the actual needs of each PW, which may be affected by changes in project formulation, modification, obligation or de-obligation made by FEMA. Changes to the Non-Federal Share Amounts listed may be reconciled through subsequent Amendments to this Agreement.

- (3) "Non-Federal Share Allocated Amount (Estimated)" is the amount allocated under this Agreement as supported by the PWs included in this table. This amount shall not be interpreted as the total sum of Non-Federal Share Required Amounts for each PW, but the total amount considered by the Program to be reasonable and necessary to cover the immediately required Non-Federal share. This amount should not be interpreted as a capped cost for disbursement under any specific PW, or the sum of any particular group of PWs. This allocation may be based on the Program's budget availability, Program or individual project needs, or any other parameter considered by the Program. Disbursement shall be based on the actual needs of each PW, which may be affected by changes in project formulation, modification, obligation or de-obligation made by FEMA. Changes to the Non-Federal Share Amounts listed may be reconciled through subsequent Amendments to this Agreement.

Given that the Subrecipient Agreement (SRA) involves funds for which the U.S. Department of Housing and Urban Development (HUD) is the oversight agency, the following terms and conditions may apply to this Subrecipient Agreement. In addition, SUBRECIPIENT shall comply with the Federal Labor Standards Provisions set forth in Form HUD-4010, available at <https://www.hudexchange.info/resource/2490/hud-form-4010-federal-labor-standards-provisions/>

The SUBRECIPIENT (also referred to as the "Partner") shall include these terms and conditions in all subcontracts or purchase orders directly servicing the SRA.

These general provisions may be updated from time to time. It is the sole responsibility of the SUBRECIPIENT to be aware of any changes hereto, to amend and implement such changes and to ensure subcontracts terms and conditions are modified as necessary, if any.

General Provisions:

1. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and clause required by law to be inserted in this SRA shall be deemed to be inserted herein and the SRA shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, the SRA shall forthwith be physically amended to make such insertion or correction.

2. STATUTORY AND REGULATORY COMPLIANCE

SUBRECIPIENT shall comply with all laws and regulations applicable to the Community Development Block Grant-Disaster Recovery funds appropriated by the Supplemental Appropriations for Disaster Relief Requirements, 2017 (Pub. L. 115-56), approved September 8, 2017 (Appropriations Act), as amended, including but not limited to the applicable Office of Management and Budget Circulars, which may impact the administration of funds and/or set forth certain cost principles, including if certain expenses are allowed.

3. BREACH OF SUBRECIPIENT AGREEMENT TERMS

The PRDOH reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this SRA, in instances where the SUBRECIPIENT or any of its subcontractors violate or breach any SRA term. If the SUBRECIPIENT or any of its subcontractors violate or breach any SRA term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the SRA documents, and the rights and remedies available thereunder, shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4. REPORTING REQUIREMENTS

The SUBRECIPIENT shall complete and submit all reports, in such form and according to such schedule, as may be required by the PRDOH and/or the Government of Puerto Rico. The SUBRECIPIENT shall cooperate with all the PRDOH and/or the Government of Puerto Rico efforts to comply with HUD requirements and regulations pertaining to reporting, including but not limited to 2 C.F.R. § 200.328 and 24 C.F.R. § 570.507, when applicable.

- (i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

- (v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

Additionally, for contracts of \$10,000 or more, the SUBRECIPIENT shall file Form HUD 2516 (Contract and Subcontract Activity) with the PRDOH on a quarterly basis.

6. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 C.F.R. Notwithstanding the above, the SUBRECIPIENT shall not be relieved of liability to the Government of Puerto Rico and PRDOH for damages sustained by the Government of Puerto Rico and/or PRDOH by virtue of any breach of the Agreement by the SUBRECIPIENT, and the Government of Puerto Rico and/or PRDOH may withhold any payments to the SUBRECIPIENT for the purpose of set-off until such time as the exact amount of damages due to the Government of Puerto Rico and/or PRDOH from the SUBRECIPIENT is determined.

- 2) The SUBRECIPIENT agrees to send to each labor organization or representative of workers with which the SUBRECIPIENT has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the SUBRECIPIENT's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- 3) The SUBRECIPIENT agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. - 8) Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area of the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

The PRDOH may require the SUBRECIPIENT to take timely and appropriate action on all deficiencies pertaining to the Federal award provided to the SUBRECIPIENT from the pass-through entity detected through audits, on-site reviews, and other means. A timely and appropriate action shall be predicated on reasonable standard wherein the SUBRECIPIENT utilizes all available resources to correct the noted issue or issues. The SUBRECIPIENT shall include all applicable PRDOH's conditions (as revised from time to time by the PRDOH in accordance with applicable law, rule or regulation) in any contract entered into under this Agreement. To enable PRDOH to perform these activities, the SUBRECIPIENT agrees to make available to PRDOH any and all documentation related to such performed procurement processes upon request.

FEMA PA applicants that procure goods or services before they know whether CDBG-DR funds are available for local match may establish in the procurement solicitation documents that the contract may be amended from time to time to expand the scope to include work funded by other Federal sources, subject to applicable requirements. This will allow the contract to be modified in the future to include terms mandated for CDBG-DR assisted contracts (e.g., ability to hire section 3 residents, ability to subcontract with section 3 businesses, comply with Davis Bacon, or add a liquidated damages provision).

57. NONDISCRIMINATION

The SUBRECIPIENT shall comply with 24 C.F.R. part 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title

Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance.

The SUBRECIPIENT shall adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (Section 504). Section 109 of the Housing and Community Development Act of 1974 makes these requirements applicable to programs or activities funded in whole or in part with CDBG-DR funds. Thus, the SUBRECIPIENT shall comply with regulations of 24 C.F.R. part 8, which implement Section 504 for HUD programs, and the regulations of 24 C.F.R. part 146, which implement the Age Discrimination Act for HUD programs.

The SUBRECIPIENT shall ensure that all CDBG-DR activities conducted by itself or its contractors are consistent with the applicable federal and local legal provisions, regulations, and policies that prohibit discrimination on the basis of race, creed, color, national origin, religion, sex, disability, familial status, actual or perceived sexual orientation or gender identity, marital status, or age, as established in the CDBG-DR Fair Housing and Equal Opportunity (FHEO) Policy for CDBG-DR Programs.¹

58. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT

The SUBRECIPIENT shall ensure that its Activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of "residential structure" as defined in 24 C.F.R. § 40.2 or the definition of "building" as defined in 41 C.F.R. § 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 C.F.R. part 40 for residential structures, and appendix A to 41 C.F.R. part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. § 12131; 47 U.S.C. § 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

59. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 (24 C.F.R. PART 1)

1) General Compliance:

The SUBRECIPIENT shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352), as amended and 24 C.F.R. § 570.601 and § 570.602. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this Agreement. The specific nondiscrimination provisions at 24 C.F.R. § 1.4 apply to the use of these funds. The SUBRECIPIENT shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 C.F.R. part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 C.F.R. part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 2 C.F.R. part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

2) Assurances and Real Property Covenants:

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the SUBRECIPIENT assures that the program or activities described in this Agreement shall be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided shall be operated and administered in compliance with all requirements imposed by or pursuant to this part 1.

If the Federal financial assistance under this Agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the SUBRECIPIENT's assurance herein shall obligate the SUBRECIPIENT or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the SUBRECIPIENT for the period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives the PRDOH and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-DR funds and provided to the SUBRECIPIENT under this Agreement, the instrument effecting any disposition by the SUBRECIPIENT of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

1. **General Provisions.**

- a) The Parties acknowledge that the following provisions of this Exhibit are hereto incorporated by reference and made an integral part of the aforementioned Subrecipient Agreement as **Exhibit G**.
- b) Changes in the provisions of this Exhibit will require an amendment to the Subrecipient Agreement. Such amendment would result in the incorporation by reference of a modified **Exhibit G** to the Subrecipient Agreement.

2. **Subrogation and Assignment Relating to Funds Received from the Puerto Rico Department of Housing Non-Federal Match Program.**

- a) These provisions are incorporated into the Subrecipient Agreement in consideration of the commitment by PRDOH to evaluate Subrecipient's application for the award of disaster assistance funds (the "**Application**") or the Subrecipient's receipt of CDBG-DR disaster recovery funds (the "**Grant Proceeds**") under the Program being administered by PRDOH.
- b) Subrecipient understands and acknowledges that the Program is subject to the provisions of the Robert T. Subrecipient further acknowledges that these provisions are intended to ensure that Subrecipient does not receive duplicate benefits available to the Subrecipient from another source, for the same purposes as the Grant Proceeds provided under the Program, and that, any assistance determined to be duplicative must be deducted from the Program's calculation of the Subrecipient's total need prior to awarding assistance.
- c) Subrecipient hereby subrogates and assigns to PRDOH any and all of Subrecipient's future rights to, and any interest Subrecipient may have in, any reimbursement and all payments received or subsequently received from any grant, loan, insurance policy or policies of any type (each individually, a "**Policy**" and collectively, the "**Policies**"), or under any subsidy, reimbursement or relief program related to or administered by the Federal Emergency Management Agency ("**FEMA**"), insurance payments, or any other federal, state or local government agency (each, individually, a "**Disaster Program**" and collectively, the "**Disaster Programs**") to the extent of all Grant Proceeds paid or to be paid under the Program and that are determined, in the sole discretion of PRDOH or its designated agent, to be a duplication of benefits ("**DOB**"). as "**Proceeds**"; any Proceeds that are determined to be a DOB shall be referred to herein as "**DOB Proceeds**".

- d) Subrecipient agrees that, in the event that Subrecipient receives additional Proceeds related to disaster recovery that are not listed on the Duplication of Benefits Certification submitted in connection with the Application, Subrecipient will notify the PRDOH within **ten (10) working days** of receipt of the funds by sending a written notification to NonFederalMatchProgram@vivienda.pr.gov. 4. Agreement to Turn Over Proceeds; Future Reassignment.

- b) In the event that Subrecipient receives or is scheduled to receive any Proceeds not listed on its Duplication of Benefits Certification ("**Subsequent Proceeds**"), Subrecipient shall pay such Subsequent Proceeds directly to the PRDOH, and PRDOH will determine the amount, if any, of such Subsequent Proceeds that are

 - (iv) If the PRDOH makes the determination that Subrecipient does not qualify to participate in the Program or Subrecipient decides not to participate in the Program, PRDOH shall return the Subsequent Proceeds to Subrecipient, and the Agreement shall terminate.
- c) Once PRDOH has recovered an amount equal to the Grant Proceeds paid to Subrecipient, PRDOH will reassign to Subrecipient any rights given to PRDOH pursuant to these provisions.

- b) In any proceeding to enforce these provisions, PRDOH shall be entitled to recover all costs of enforcement, including PRDOH's attorney fees.
- c) The parties hereto each waive the right to have any judicial proceeding concerning any of the provisions hereof tried by a jury.
- d) Neither these provisions, nor any portion or provisions hereof may be changed, waived, or terminated orally or by any course of dealing, or in any manner other than by an agreement in writing, signed by all parties hereto and approved by PRDOH.
