PRDOH and the AWARDEE are sometimes collectively referred to as the “Parties” and each individually as a “Party”.

WITNESSETH

WHEREAS, the island of Puerto Rico has endured and recovered from numerous past hurricanes, earthquakes, landslides, and other natural disasters. The most devastating were hurricanes Irma and María (hereinafter, the Hurricanes), both one week apart in 2017. The Hurricanes impacted all seventy-eight (78) municipalities on the Island and caused massive, widespread damages and destruction to both public and private housing and other facilities. Specific areas were impacted by surges, flooding, standing water, wind, rain, and mudslides. Significant damage to buildings and vacant facilities posed a public health and safety risk for the community.

WHEREAS, the Supplemental Appropriations for Disaster Relief Requirements Act of 2018 (Pub. L. 115–123) made available to the federal Department of Housing and Urban Development (HUD) \$12 billion for mitigation activities targeting qualified disaster recovery fund recipients from 2015, 2016, and 2017.

WHEREAS, on August 30, 2019, HUD published the notice in the Federal Register, Vol. 84, No. 169 (84 FR 45838), which described the grant requirements and procedures applicable to the Community Development Block Grant - Mitigation (CDBG-MIT) funds allocated to the Government of Puerto Rico.

WHEREAS, on January 27, 2020, HUD published the notice in the Federal Register, Vol. 85, No. 17 (85 FR 4676), which allocated \$8,285,284,000.00 in CDBG-MIT funds to the Government of Puerto Rico.

WHEREAS, PRDOH is the government agency designated as the grantee of the CDBG-MIT funds allocated to the Government of Puerto Rico.

WHEREAS, on May 12, 2021, the PRDOH Secretary and the Secretary of HUD signed Grant Agreement Number B-18-DP-72-0002, allowing PRDOH access to \$8,285,284,000 in CDBG-MIT funding.

WHEREAS, the CDBG-MIT Program represents a unique opportunity to carry out strategic, high-impact activities to mitigate disaster risks and reduce future losses.

WHEREAS, according to the approved CDBG-MIT Action Plan, Puerto Rico intends to undertake the Infrastructure Mitigation Program – Healthcare Strengthening Set-Aside (HSA). The Program aims to strengthen healthcare facilities to benefit medically underserved citizens and minimize, through accessible healthcare, the fatalities likely to occur from a disaster event. The Program seeks to promote resiliency and redundancy in healthcare facilities' basic operation systems through the development of projects that will support the availability of continuous essential healthcare services before, during, and after a disaster event. The total allocation to the HSA is one billion dollars (\$1,000,000,000.00).

WHEREAS, PRDOH has agreed to provide to the Awardee, as described in the Notice of Award- Non-Covered Project dated January 16, 2025, a Grant (as such term is defined in Section 7 of this Agreement) under the Program for the rehabilitation and/or reconstruction of the Project defined and described in Section 1 of this Agreement.

WHEREAS, the Awardee intends to use the Grant to assist and defray the overall costs of the PRWC's Hospital Resilience Project. The funding will strengthen critical infrastructure lifelines against future disaster damage, as defined by the Federal Emergency Management Agency (FEMA).

WHEREAS, the Grant made available to the Awardee under this Agreement is part of PRDOH's Federal Award; therefore, the funds under the Grant must be used in accordance with the requirements imposed by Federal Laws, regulations, and the terms and conditions of PRDOH's Federal Award.

WHEREAS, the Awardee will use the Grant to carry out Eligible Activities as such term is defined in the CDBG-MIT Action Plan and the Infrastructure Mitigation Program Guidelines (Program Guidelines), including those under the HSA set-aside, pursuant to this Agreement.

WHEREAS, PRDOH has the legal power and authority, under its enabling statute (the Organic Act), as amended, supra, applicable Federal Laws and regulations creating and allocating funds to the CDBG-MIT Program, and the approved Action Plan, to issue, award, and execute the Grant, and to enter into and perform this Agreement.

WHEREAS, the Awardee has duly adopted the Resolution dated October 10, 2024, authorizing Puerto Rico Women and Children's Hospital L.L.C., through its authorized representative Cesar E. Hernández Monagas, to enter into this Agreement with the PRDOH.

WHEREAS, by signing this Agreement, the Awardee assures PRDOH that it shall comply with all the requirements set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and the terms and conditions set forth herein, PRDOH and the Awardee agree to the following:

Failure to comply with this requirement may result in a potential recapture of funds, among other remedies.
- c. PRDOH will monitor Awardee's performance with respect to responsibilities assigned to it under this Agreement, including its Attachments. Substandard Performance (defined as performance that falls short of the standard expected of the Awardee, as specified in the Agreement's attachments) shall constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Awardee within fifteen (15) days after being notified by PRDOH, Agreement suspension or termination procedures will be initiated, in accordance with Section 16 (b) of this Agreement hereof.

Until such time as the Awardee has received the necessary permits to operate from the appropriate government agencies, the Awardee shall provide PRDOH with progress reports on the status of the construction of the Project on a monthly basis; provided, however, PRDOH reserves the discretion to request these updates more frequently if deemed necessary. No extensions to this Agreement shall be granted unless the Awardee presents evidence of unforeseen circumstances beyond its control that impeded the commencement of the activity. PRDOH shall review the properly filed and documented circumstances alleged to have prevented the initiation of activity and exclusively reserves the right to decide if an extension is warranted based on the reasons stated as well as the prevailing circumstances.

Section 4. INFRASTRUCTURE PROJECT

a. General Provisions

As per 84 FR 45838, 45851, Infrastructure Projects are defined as an activity or group of related activities that develop the physical assets that are designed to provide or support services to the general public. PRDOH shall monitor and review the performance of the Awardee as necessary to ensure that the funds allocated to the Awardee are used for authorized purposes and are in compliance with: (i) Federal Laws and regulations, (ii) the CDBG-MIT Action Plan and Program Guidelines, and (iii) the terms and conditions of this Agreement, including the timeframes set forth in Attachment B associated with the activities included in Attachment A.

The review shall include: (i) the evaluation of financial and performance reports required by PRDOH; (ii) following up and ensuring that the Awardee takes timely and appropriate action on all deficiencies pertaining to the Grant provided to the Awardee from PRDOH, detected through audits, on-site reviews, and other means; and (iii) the issuance of a management decision for audit findings pertaining to this Grant.

The AWARD E E shall allow PRDOH or its authorized representative to conduct on-site evaluations of the Project whenever PRDOH or HUD find it necessary. PRDOH and/ or HUD shall have the right, but not the obligation, to conduct any and all reasonable monitoring to determine compliance with this Agreement, including, but not limited to, the right to enter the Property (upon prior written notice to the AWARD E E), inspect the Project, inspect the books and records kept regarding the Project, and inquire and receive responses from the AWARD E E regarding the Project and its operation at any time that may be required by PRDOH or HUD.

Substandard Performance, as defined in Section 3 hereof, indicates a failure to meet expectations set for the AWARD E E and represents a breach of this Agreement. Should the AWARD E E fail to rectify the Substandard Performance within fifteen (15) days of receiving notice thereof from PRDOH, PRDOH may, at its sole and absolute discretion: (i) impose additional conditions on the AWARD E E, (ii) suspend or terminate this Agreement, (iii) disallow all or part of the cost of the activity or action not in compliance and begin the recapture of previously expended funds from the AWARD E E, or (iv) initiate other remedies for noncompliance, as appropriate and permitted under the applicable regulations.

b. Reporting

The AWARD E E shall complete and submit a monthly report for the Project in the form, timeframe, and with the content specified and required by PRDOH. PRDOH shall later notify the AWARD E E in writing of the guidelines and requirements applicable to the submittal of such progress reports. Such notification shall be deemed incorporated by reference to this Agreement and made to form a part hereof.

Section 6. PERFORMANCE TIMEFRAME

- a. This Agreement shall be in effect and enforceable between the Parties from the date of its execution. The term of this Agreement shall be for a period of forty-eight (48) months, ending on 1st of April, 2029, subject to any extension resulting from mutually agreeable extensions.
- b. The AWARD E E hereby covenants and agrees to commence and diligently execute the completion of the Project within the timelines specified in Attachment B and the subsequent operation of the Project in accordance with the site plan and other plans and drawings as approved by PRDOH.
 1. Once the environmental process is completed, construction of the Project will begin after the AWARD E E receives the notice to proceed from PRDOH, which shall only be issued when and if an environmental clearance is attained in accordance with 24 C.F.R. Part 58 (the Notice to Proceed).

2. If additional time is required for the construction and development completion of the Project, the AWARD EEmay request, in writing, an extension. The written request must be submitted to PRDOH at least six (6) months prior to the expiration of the Agreement. Subject to Force Majeure, as defined in Section 23 hereof, extensions will be sparingly approved and will be awarded at the sole discretion of PRDOH. If the AWARD EEmails to meet the term of the agreement, PRDOH may request, from AWARD EE, the reimbursement of the CDBG-MIT funds granted under the Grant for the Project.
 3. Within a sixty (60) day period upon completion of the construction of the Project, including off-site utilities and landscape requirements, as applicable, the AWARD EE shall furnish to PRDOH satisfactory evidence that any and all required inspection was performed and approved by the governmental authorities with jurisdiction. Also, the AWARD EE must furnish PRDOH, within ten (10) days of receipt, a copy of the Occupancy permit and any other required approval or certification issued for the Project. The AWARD EE shall provide a certification of a qualified registered architect or professional engineer, acceptable to PRDOH, stating that the construction of the Project is in full compliance with construction documents and federal and state applicable laws and regulations, substantially in the form of Attachment C. Upon satisfaction of the foregoing, the AWARD EE shall promptly execute a Notice of Completion certifying the satisfactory completion of the construction of the Project in accordance with this Agreement.
 4. The AWARD EE must perform the necessary actions to plan and provide for the long-term operation and maintenance (O&M) of the Project, and carry out said plan during the useful life of the Project as established by the Parties (Useful Life) in compliance with all applicable laws and regulations governing the use of the CDBG-MIT funds granted pursuant to this Agreement. Failure to comply with this requirement could result in a potential repayment of funds by the AWARD EE to PRDOH.
 5. The AWARD EE agrees to perform all required deliverables and tasks within the period established in this Agreement.
- c. The term of this Agreement shall not exceed the lifetime of the initial Grant Agreement between PRDOH and HUD unless the term of said agreement is extended by HUD, in which case the term of this Agreement cannot exceed any extension thereof.

Section 7. BUDGET AND USE OF CDBG-MIT FUNDS

The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct. The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefore."
- c. An authorized representative of PRDOH will review each request for disbursement and, if adequate, will approve and process its payment.

Payments to the AWARDÉE shall be made by electronic funds transfer (EFT). PRDOH reserves the right to conduct any audits or revisions as it deems necessary. The AWARDÉE agrees to cooperate fully with any such audit(s) or revision(s).

3. Suspension and Debarment

This Agreement is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 2424. As such, the Awardee is required to verify that none of the contractors or subcontractors, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

This certification is a material representation of fact relied upon by PRDOH. If it is later determined that the Awardee did not comply with 2 C.F.R. Part 180, subpart C, and 2 C.F.R. Part 2424, subpart C, in addition to the remedies available to PRDOH, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

The Awardee agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C, and 2 C.F.R. Part 2424, subpart C, while this Agreement is valid and throughout the period of any contract that may arise from this Agreement. The Awardee further agrees to include a provision requiring such compliance in its lower-tier covered transactions.

Section 17. COMPLIANCE WITH FEDERAL STATUTES, REGULATIONS, AND THE TERMS AND CONDITIONS OF THE FEDERAL AWARD, GOVERNMENTAL REQUIREMENTS, RECORDKEEPING, AND ADDITIONAL PRDOH REQUIREMENTS

A. Compliance with Attachments

1. The "HUD General Provisions" which are attached to, and made an integral part of this Agreement as Attachment E, sets forth certain requirements imposed by HUD with respect to PRDOH's Federal award or CDBG-MIT Grant. The Awardee agrees to carry out its obligations under this Agreement in compliance with all the requirements described in Attachment E. The Awardee also agrees to comply during the Useful Life of the Project with the applicable CDBG-MIT requirements and the Program Guidelines, as well as

with all applicable recordkeeping and reporting provisions described in Attachment E.

2. Moreover, Attachment H, attached herein and made an integral part of this Agreement, outlines several situations that may reasonably be considered as conflicts of interest. The Awardee shall disclose and certify that, to the best of its knowledge, none of the situations exist or may exist at the date of the execution of the Agreement. The aforementioned certification aids PRDOH, in its role as CDBG-MIT grantee before HUD, to identify, evaluate, disclose, and manage apparent, potential, or actual conflicts of interest related to CDBG-MIT funded projects, activities, and/or operations.
 3. The Awardee certifies that it is in compliance with all laws and regulations related to governmental impositions set forth in this Agreement and Attachments applicable to it and/or the Awardee's personnel, businesses, and organizations.
- B. Compliance with Act No. 173 of August 12, 1988. The Awardee hereby certifies that by signing this Agreement it is in compliance with Act No. 173 of August 12, 1988, as amended, known as the "Board of Examiners of Engineers, Architects, Surveyors and Landscape Architects of Puerto Rico Act," 20 LPRA §§ 711-711z, by those exercising the profession of engineering, architecture, surveying or landscaping architecture in Puerto Rico, including that such professionals be registered in the official Register of the Board, and be an active member of the College of Engineers and Surveyors of Puerto Rico (CIAPR, by its Spanish acronym) or the College of Architects and Landscape Architects of Puerto Rico (CAAPPR, by its Spanish acronym), as applicable. The Awardee and its subcontractors shall include in all design and build contracts a clause that obligates them to comply with all provisions of Act No. 173, supra, and all other regulations pertaining to Engineers, Architects, Surveyors, and Landscape Architect professions. The Awardee is a healthcare facility and it does not offer or provide engineering services in Puerto Rico. Any engineering work requiring licensing in Puerto Rico in connection with the Project will be subcontracted and performed by properly licensed, third-party engineers.
- C. Property standards. CDBG-MIT-assisted new construction and rehabilitation projects must meet the Federal and State building codes, as applicable, and all applicable codes, rehabilitation standards, ordinances, and zoning ordinances at the time of the Project completion and throughout the Useful Life of the Project. If necessary, the Awardee shall constitute Land Use Restrictive Covenants over the Property and the Project that must commence prior to any disbursement of CDBG-MIT funds and shall remain in full force and effect during the Useful Life of the Project.

D. Ethics clause

1. Pursuant to Act No. 2-2018, supra, no employee or officer of PRDOH nor any member of their families can have any interest in the earnings or benefits from this Agreement.
2. PRDOH and the Awardee hereby certify that in signing this Agreement they are in compliance with Act. No. 1-2012, as amended, 3 LPRA § 1854, et seq., known as "Puerto Rico Government Ethics Act of 2011," regarding potential conflicts of interest.

E. Non-conviction. The Awardee certifies that it has not been convicted nor accused of a felony or misdemeanor against the government, public faith, and function, or that involves public property or funds, either federal or local in origin. Furthermore, the Awardee also certifies that:

1. It has not been convicted nor has plead guilty at a state or federal bar, in any jurisdiction of the United States of America of crimes consisting of fraud, embezzlement or misappropriation of public funds, as stated in Act No. 2-2018 which prohibits the award of offers or government contracts to those convicted of fraudulent appropriation of public funds.
2. It understands and accepts that any guilty plea or conviction for any of the crimes specified in Article 3 of Act No. 2-2018 will also result in the immediate cancellation of any contracts in force at the time of conviction between the undersigned and Government Agencies, Instrumentalities, Public Corporations, Municipalities, and the Legislative or Judicial Branches.
3. It declares under oath the above mentioned in conformity with what is established in Act No. 2-2018, which prohibits awarding offers for government contracts to those convicted of fraud, embezzlement, or misappropriation of public funds.
4. The Awardee represents and guarantees that none of its employees, officials, or agents have been convicted of a felony or misdemeanor as described in this sub-section. Moreover, the Awardee agrees to notify PRDOH should any employee, official, or agent be convicted of a felony or misdemeanor as described in this sub-section after the execution of this Agreement. Said notice shall be made within ten (10) business days from the time of the conviction.
5. No action, suit, investigation, litigation, or proceeding affecting the Property or the Awardee or, to the knowledge of the Awardee, threatened before any court exists, Governmental authority, or arbitrator that (i) is reasonably likely to materially affect the business and operations of the Awardee, (ii) is reasonably likely to materially affect the Property and/or the Project, or (iii) purports to affect the legality, validity or enforceability of this

Agreement or the consummation of the transactions contemplated hereby or thereby.

F. Ownership and use of documents.

1. With the exception of the Awardee's working papers, the Awardee acknowledges PRDOH's ownership of all information, drafts, documents, reports, surveys, plans, designs, papers, and other materials developed and prepared by the Awardee, its agents or representatives for purposes of performing key obligations hereunder. In the event of any termination, the Awardee shall deliver such information, drafts, reports, surveys, plans, designs, papers, and other materials to PRDOH, in document form or as computer program data, and the Awardee recognizes PRDOH's right to request such documentation or computer program data. If the Awardee fails to deliver said information, PRDOH may seek a judicial order to enforce its rights.
2. Proof of expenditures incurred by the Awardee on behalf of PRDOH shall be made available to PRDOH. The Awardee agrees to maintain accurate records and files of all contract documents, correspondence, book estimates, bills, and other information related to its management of the funds. These documents shall be open for PRDOH examination at all reasonable times during the term of this Agreement, and up to five (5) years from the closeout of the Grant Agreement between PRDOH and HUD, or the period required by other local applicable laws and regulations.

G. Non-disclosure and confidentiality.

1. Confidential Information; Definition: The term Confidential Information, as used throughout this Section, means any information concerning the operations of PRDOH, the Government of Puerto Rico, HUD, and that of the Awardee (e.g., projects, computer processing systems, object, and source codes, and other PRDOH, the Government of Puerto Rico and HUD business and financial affairs). The term shall also be deemed to include all notes, analyses, compilations, studies, interpretations or other documents prepared by Awardee, its agents, or representatives in connection with the operations of PRDOH, the Government of Puerto Rico and HUD.
2. Non-Disclosure: The Awardee agrees to take all reasonable steps or measures to safeguard all Confidential Information and will not, at any time, present or future, without the express written authorization of PRDOH signed by the Secretary of PRDOH, use, sell, market, or disclose any Confidential Information to any third party, contractor, corporation, or association for any purpose whatsoever, except in the case of the Awardee's consultant, as authorized by PRDOH. The Awardee further agrees that, except as they relate to the normal course of the service, it will

not make copies of the Confidential Information except upon PRDOH's express written authorization, signed by an authorized representative of PRDOH, and will not remove any copy or sample of Confidential Information without prior written authorization from PRDOH. The Awardee retains the right to control its work papers subject to these confidentiality provisions.

3. Return Documents: Upon receipt of a written request from PRDOH, the Awardee will return to PRDOH all copies or samples of Confidential Information which at the time of the notice are in Awardee's or its agent's possession. The Awardee reserves the right to retain a set of its work papers.
 4. Equitable Relief: The Awardee acknowledges and agrees that a breach of the provision of this subsection will cause PRDOH to suffer irreparable damage that could not be remedied or compensated adequately only by mere monetary retribution. The Awardee further agrees that money damages may not be a sufficient remedy for any breach of this subsection. Accordingly, the Awardee agrees that PRDOH shall have the right to seek injunctive relief and the specific performance of the provisions of this subsection to enjoin a breach or attempted breach of the provision hereof, such right being in addition to any and all other rights and remedies that are available to PRDOH by law, equity or otherwise.
- H. Solid Waste Disposal Act. In the performance of this Agreement, the Awardee shall make maximum use of products containing recovered materials that are EPA-designated items, unless the product cannot be acquired:
1. Competitively within a timeframe that complies with the Agreement's performance schedule;
 2. In a manner that meets the Agreement's performance requirements; or
 3. At a reasonable price.
- I. Drug-free workplace. The Awardee should establish procedures and policies to promote a drug-free workplace. The Awardee should notify all employees of its policy for maintaining a Drug-Free workplace and the penalties that may be imposed for drug abuse violations occurring in the workplace. Further, the Awardee shall notify PRDOH if any of its employees is convicted of a criminal drug offense in the workplace no later than ten (10) days after such conviction.

Section 18. INSURANCE & BONDING

- A. Insurance Specifications. The Awardee shall carry sufficient insurance coverage and bonding from insurers licensed to conduct business in Puerto Rico to protect all contract assets from loss due to any cause, including but

not limited to flooding, hurricane, fire, theft, fraud, and/ or physical damage and any other coverage as required in Attachment H. The aforementioned insurance coverage shall be provided by the Awardee through a Commercial General Liability (CGL) insurance policy during the life of the Agreement. The Government of Puerto Rico, PRDOH, and HUD shall be named as additional insured parties on all such insurance. The Awardee shall meet all other insurance requirements as PRDOH may impose from time to time. In addition, all insurance carriers and bonding companies shall meet minimum size and financial stability/financial rating requirements as may be imposed by PRDOH from time to time. Certificates of insurance shall be provided to PRDOH, and full and complete copies of the policies and/ or bonds shall be provided to PRDOH upon its request for such.

Notwithstanding the above, for construction or facility improvement performed by the subcontractors or third parties, the Awardee shall ensure that the subcontractors or third parties comply, at a minimum, with the bonding requirements established in Attachment H.

Moreover, the Awardee must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with Federal funds as provided to property owned by PRDOH. Federally owned property need not be insured unless required by the terms and conditions of the Federal award.

The Awardee shall provide insurance set forth in accordance with the requirements of PRDOH. If the Awardee uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Awardee shall amend, supplement, or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of the contract services. Without in any way affecting the indemnity herein provided and in addition thereto, the Awardee shall secure and maintain throughout the Agreement term the types of insurance and with the limits established by PRDOH.

The Awardee shall submit proof of the CGL insurance and Workers' Compensation insurance policies to the PRDOH before the execution of the Grant Agreement. The Awardee shall also ensure that all other insurance policies and bonds required under this Agreement are secured by its subcontractors. The Awardee is responsible for providing to the PRDOH evidence of these additional insurance policies and bonds within five (5) days after the execution of each individual subcontract agreement.

- B. Failure to procure coverage. In the event that any insurance policy required by PRDOH does not comply with PRDOH's requirements, is not procured, or is canceled and not replaced, PRDOH has the right to terminate the Agreement or obtain insurance if it deems necessary and any premiums paid by PRDOH

will be promptly reimbursed by the Awardee, or PRDOH disbursements to the Awardee will be reduced to pay for PRDOH's purchased insurance.

C. Related requirements.

1. The Awardee shall furnish original Certificates of Insurance evidencing the required coverage to be in force on the effective date of the Agreement. In the case of Payment and Performance Bond, Certificate of Authority, Power of Attorney, and Power of Attorney License issued by the Commissioner of Insurance shall be furnished. The required documentation must be received prior to the Awardee commencing work. No Awardee or its authorized representatives are to begin their responsibilities under the Agreement prior to full compliance with this requirement and notification from PRDOH to proceed.
2. Renewal Certificates of Insurance or such similar evidence is to be received by PRDOH prior to expiration of insurance coverage. At PRDOH's option, non-compliance will result in one (1) or more of the following actions: (i) PRDOH will purchase insurance on behalf of the Awardee and will charge back all costs to the Awardee; (ii) all payments due the Awardee will be held until the Awardee has complied with the Agreement; and/or (iii) the Awardee will be assessed Five Thousand Dollars (\$5,000.00) for every day of non-compliance.
3. The receipt of any certificate does not constitute agreement by PRDOH that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with the requirements of the Agreement. The insurance policies shall provide for ninety (90) days written notice to be given to PRDOH in the event coverage is substantially changed, cancelled or non-renewed.
4. PRDOH shall require all subcontractors or consultants to carry the insurance required herein or the Awardee may provide the coverage for any or all of its subcontractors and, if so, the evidence of insurance submitted shall so stipulate and adhere to the same requirements and conditions as outlined above.
5. The Awardee expressly understands and agrees that whenever the Awardee is covered by other primary, excess, or excess contingent insurance that any insurance or self-insurance program maintained by PRDOH shall apply in excess of and will not contribute with insurance provided by the Awardee under this Agreement.

Section 19. FEDERAL LAWS AND REGULATIONS APPLICABLE TO CONSTRUCTION CONTRACTS

Projects receiving CDBG-MIT funding are required to comply with federal labor standards laws, including Davis-Bacon Act of 1931 and Related Acts (DBRA), as amended, 40 U.S.C. § 3141-3148; Fair Labor Standards Act of 1938 (FLSA), as amended, 29 U.S.C. § 201 et seq.; Contract Work Hours and Safety Standards Act (CWHSSA), 40 U.S.C. § 3701; and Copeland Anti-Kickback Act, 40 U.S.C. § 3145. Together, these laws ensure that workers are paid the appropriate prevailing wage rate and are treated fairly by employers receiving CDBG-MIT funding to execute program activities. Each of these laws requires important recordkeeping practices to ensure compliance and allow for accurate and efficient reporting as required by PRDOH. These laws are described in Attachment E.

Section 20. CDBG-MIT POLICIES AND PROCEDURES

In addition to the provisions established in this Agreement, the Awardee shall comply with all CDBG-MIT Program-specific and general policies, procedures and guidelines, which may include, but are not limited to, OS&H Guideline, MWBE Policy, URA & ADP Guidelines, Cross Cutting Guidelines, AFWAM Policy, Section 3 Policy, Personally Identifiable Information, Confidentiality, Language Access Plan, Nondisclosure Policy and Conflict of Interest and Standards of Conduct Policy, as found in the CDBG-DR/MIT Website (www.recuperacion.pr.gov and <https://recuperacion.pr.gov/welcome/en/>), which are herein included and made an integral part of this Agreement, as they may be updated from time to time.

Section 21. SYSTEM FOR AWARD MANAGEMENT (SAM) REGISTRATION

The Awardee must be registered in the System for Award Management (SAM) and shall maintain its registration active during the performance of the Agreement and through final payment. The Awardee is responsible, during performance and through final payment, for the accuracy and completeness of the data within SAM. Failure to maintain its registration active in SAM can impact obligations and payments under this Agreement.

Section 22. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION

The Awardee certifies that:

- A. Neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- B. It promises to complete the registration process in SAM and is responsible, during performance and through final payment, for the accuracy

In the event of a fire, flood, earthquake, natural disaster, hurricane, riot, act of governmental authority in its sovereign capacity, pandemic officially declared by the Government of Puerto Rico, strike, labor dispute or unrest, embargo, war, insurrection or civil unrest, or any other force majeure event, including inclement weather (each event, herein referred to as "Force Majeure") during the term of this Agreement, neither PRDOH nor the Awardee shall be liable to the other party for nonperformance during the conditions created by such event. The party claiming Force Majeure shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and shall resume performance at the earliest possible date.

The Awardee shall notify PRDOH in writing as soon as possible, but in any event within ten (10) business days of the occurrence of the Force Majeure event and describe in reasonable detail the nature of the Force Majeure event, how the nonperformance or delay relates to or arises from the Force Majeure event, its anticipated duration, and any action taken to minimize its effect. The Awardee may be entitled to reasonable adjustments in the schedule, among other measures, in the foregoing circumstances. If non-performance continues for more than thirty (30) days without reasonable justification, PRDOH may terminate this Agreement immediately upon written notification to Awardee.

Section 24. INDEPENDENT CONTRACTOR

- A. Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the Parties and their contractors or subcontractors. The Awardee shall at all times remain an "independent contractor" with respect to the efforts to be performed under this Agreement. PRDOH shall be exempt from payment of all Unemployment Compensation, Federal Insurance Contributions Act (FICA), retirement, life and/or medical insurance, and Workers' Compensation Insurance, as the Awardee is an independent entity.
- B. The Awardee shall have exclusive control over its employees and subcontractors (and the Awardee's employees and subcontractors are herein, collectively, referred to as the "Awardee's Personnel"), its labor and employee relations, and its policies relating to wages, hours, working conditions, and other employment conditions. The Awardee has the exclusive right to hire, transfer, suspend, lay off, recall, promote, discipline, discharge, and adjust grievances with its Personnel. The Awardee is solely responsible for all salaries and other compensation of its Personnel.

- C. The Awardee is solely responsible for making all deductions and withholdings from its employees' salaries and other compensation and for paying all contributions, taxes, and assessments, including union payments. The Awardee shall be responsible for and shall defend, indemnify, and hold harmless PRDOH, the Government of Puerto Rico and HUD, and its agents, officers, directors, employees, representatives, awardee's, successors, and assigns against all costs, expenses, and liabilities, including without limitation reasonably prudent attorneys' fees relative to the situation, in connection with the Awardee's employment and/or hiring of any Awardee's Personnel providing any of the services, including without limitation: (i) payment when due of wages and benefits, retirement, life and/or medical insurance; (ii) withholding of all payroll taxes, including, but not limited to, unemployment insurance, workers' compensation, FICA, and Federal Unemployment Tax Act (FUTA); (iii) compliance with the Immigration Reform and Control Act; and (iv) compliance with any other applicable laws relating to employment and/or hiring of any Awardee's Personnel in connection with this Agreement.

Section 26. SEVERABILITY

If any provision of this Agreement is held invalid, the remainder of the Agreement shall not be affected thereby, and all other parts of this Agreement shall nevertheless be in full force and effect.

Section 27. HEADINGS

The section headings and subheadings contained in this Agreement are included for convenience only and shall not limit or otherwise affect the terms of this Agreement, and shall not be used to explain, modify, simplify, or aid in the interpretation of the provisions of this Agreement.

Section 28. CONSOLIDATIONS, MERGERS, CHANGE OF NAME, OR DISSOLUTIONS

A. Consolidation or Merger

In the event that the signing party of the Agreement with the PRDOH moves for consolidation or merger with another entity (private or public), by its discretion or otherwise, written notice of such decision or event shall be delivered to the PRDOH Legal Division at contracts@dbgr.vivienda.pr.gov at least fifteen (15) days prior to the effective date of the consolidation or merger. The notice shall include, but not limited to, a description of the expected effective date of the consolidation or merger; the name of each of the constituent entities moving to consolidate or merge into the

single resulting or surviving entity; the proposed name of the resulting entity (in case of a consolidation) or the name of the surviving entity (in case of a merger), if necessary; reference to the projected capacity of the resulting or surviving entity to comply with the terms, conditions, obligations, tasks, services, and performance goals or requirements included in the Agreement, as well as its Exhibits or Attachments; and a brief summary of the proposed plan to achieve the transition of duties (Scope of Work or Scope of Services), tasks, and performance goals or requirements to the resulting or surviving entity.

Upon the consolidation or the merger becoming effective and supporting evidence of such event is notified to PRDOH, execution of an Amendment to the Agreement may follow. The Amendment would include, but not limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment. No amendment to the Agreement will be necessary if the signing party becomes the surviving entity following a merger.

Failure to comply with any of the before-mentioned conditions may result in the activation of the termination clauses provided in this Agreement.

B. Change of Name

In the event that the signing party of the Agreement with the PRDOH initiates a change of name process, written notice of such decision or event shall be delivered to the PRDOH Legal Division at contractscdbgdr@vivienda.pr.gov at least fifteen (15) days prior to the effective date of such event. The notice shall include, but not limited to, a description of the expected effective date of the change of name; the proposed name; notification about change of address; and reference to any change in the capacity of the entity to comply with the terms, conditions, obligations, tasks, services, and performance goals or requirements included in the Agreement, as well as its Exhibits or Attachments.

Upon the change of name becoming effective and supporting evidence of such event is notified to PRDOH, execution of an Amendment to the Agreement may follow. The Amendment would include, but not limited to, modifications to the clauses that refer to the identity, personal circumstances, address, and any other information related to the signing party deemed relevant by PRDOH for the execution of the Amendment.

Failure to comply with any of the before-mentioned conditions may result in the activation of the termination clauses provided in this Agreement.

C. Dissolution

In the event that the signing party of the Agreement with the PRDOH moves for dissolution of the entity, written notice of such decision or event shall be delivered to the PRDOH Legal Division at contractscdbgdr@vivienda.pr.gov at least fifteen (15) days prior to the effective date of such event. The notice shall include, but not limited to, a description of the expected effective date of the dissolution; and contact

Upon dissolution becoming effective and supporting evidence of such event is notified to PRDOH, termination of the Agreement will follow. Consequently, the signing party acknowledges and agrees to provide to PRDOH, after termination of the Agreement, with the assistance reasonably requested to facilitate the orderly transfer of responsibility for the performance of the tasks or services to PRDOH or a third party designated by PRDOH. Moreover, all finished or unfinished records (files, data, work product) connected with this Agreement will be turned over to PRDOH following the Agreement termination.

Section 29. COMPUTATION OF TIME PERIODS.

In this Agreement, in the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including,” and the words “to” and “until” each mean “to but excluding.” Unless otherwise specified, the established periods or timeframes included in this Agreement and all documents or Attachments will be considered calendar days.

Section 30. NON-WAIVER

The failure or delay of PRDOH to insist upon the performance of and/or the compliance with any of the terms and conditions of this Agreement shall not be construed as a waiver of such terms and conditions or the right to enforce compliance with such terms and conditions.

Section 31. HOLD HARMLESS

The Awardee shall, and hereby agrees to, hold harmless, defend (with counsel acceptable to PRDOH), and indemnify the Government of Puerto Rico, PRDOH, HUD, and each and all of its successors, affiliates, or assigns, and any of their employees, officers, directors, attorneys, consultants, agents, managers, and affiliates, from and against any and all damages, costs, liabilities, attorney's fees, claims, expenses, injuries, property damage, causes of action, complaints, violations of law, violations of this Agreement, and losses of any form or nature arising from or related to the conduct of the Awardee in the performance of the efforts called for in this Agreement. This indemnity shall expressly include, but is not limited to, the obligation of the Awardee to indemnify and reimburse PRDOH for any and all attorneys' fees and other litigation or dispute resolution costs incurred or to be incurred in PRDOH's enforcement of this Agreement or any portion thereof against the Awardee or otherwise arising in connection with the Awardee's breach, violation, or other noncompliance with this Agreement. This clause shall survive indefinitely the termination of this Agreement for any reason.

Section 32. BANKRUPTCY

In the event that the Awardee files for bankruptcy protection, the Government of Puerto Rico and PRDOH may deem this Agreement null and void and terminate this Agreement without notice.

Section 33. GOVERNING LAW: JURISDICTION

This Agreement shall be governed by, interpreted, and enforced in accordance with the laws of the Government of Puerto Rico and any applicable federal laws and regulations. The Parties further agree to assert any claims or causes of action that may arise out of this Agreement in the Puerto Rico Court of First Instance, Superior Court of San Juan, Puerto Rico.

Section 34. COMPLIANCE WITH THE LAW

It is the intention and understanding of the Parties hereto that each and every provision of law required to be inserted in this Agreement should be, and is, inserted herein. Furthermore, it is hereby stipulated that every such provision is deemed to be inserted, and if, through mistake or otherwise, any such provision is not inserted herein or is not inserted in the correct form, then this Agreement shall forthwith, upon the application of any Party, be amended by such insertion so as to comply strictly with the law and without prejudice to the rights of any Party.

Section 35. SUBROGATION

The Awardee acknowledges that funds provided through this Agreement are Federal funds administered by HUD under the CDBG-MIT Program and that all funds provided by this Agreement are subject to audit, disallowance, and repayment in accordance with Section 39 of this Agreement. Any disagreement with adverse findings may be challenged and is subject to Federal regulation; however, the Awardee shall promptly return any and all funds to PRDOH, which are found to be ineligible, unallowable, unreasonable, a duplication of benefits, or non-compensable, no matter the cause. This clause shall survive indefinitely the termination of this Agreement for any reason, in accordance with Attachment F.

Section 36. COMPTROLLER REGISTRATION

PRDOH shall remit a copy of this Agreement to the Office of the Comptroller for registration within fifteen (15) days following the date of execution of this Agreement and any subsequent amendment thereto. The services object of this Agreement may not be invoiced or paid until this Agreement has been registered by PRDOH at the Comptroller's Office, pursuant to Act No. 18 of October 30, 1975, as amended by Act No. 127 of May 31, 2004.

Section 37. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement among the Parties for the use of funds received under this Agreement and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written among the Parties with respect to this Agreement.

Section 38. FEDERAL FUNDING

The fulfillment of this Agreement is contingent upon funds being made available to PRDOH as the lead administrative agency for the CDBG-MIT Program. All expenditures under this Agreement must be made in accordance with this Agreement, the policies and procedures promulgated under the CDBG-MIT Program, and any other applicable laws. Further, the Awardee acknowledges that all funds are subject to recapture and repayment for non-compliance.

Section 39. RECAPTURE OF FUNDS

PRDOH may recapture payments it makes to the Beneficiary and the Beneficiary acknowledges and agrees to repay any funds used: (i) for ineligible costs; (ii) if the Project is never completed; (iii) if the Beneficiary fails to meet any applicable requirement or complete any task under this Agreement; (iv) if the Project is determined to be noncompliant with funding requirements; (v) that are not allowed under applicable laws, rules, or regulations; (vi) that exceed the maximum allowable rates; or (vii) that are otherwise inconsistent with this Agreement, including any unapproved expenditures. Therefore, the Beneficiary acknowledges and agrees to indemnify and to hold PRDOH, the Government of Puerto Rico, and HUD harmless from the consequences of using CDBG-DR funds to pay for ineligible costs, or for any of the instances described in this paragraph. The Beneficiary shall refund such recaptured payments within the term specified by PRDOH via notification, as per CDBG-DR/MIT Program Recapture of Funds Policy. (Recapture of Funds Policy - CDBG-DR/MIT Recovery Funds).

Section 40. OVERPAYMENT

The Awardee shall be liable to PRDOH for any costs disallowed pursuant to financial and/or compliance audit(s) of funds received under this Agreement. The Awardee shall reimburse such disallowed costs from funds other than those Awardee received under this Agreement.

Section 41. COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original. However, all of which together shall constitute one and the same instrument. If the Agreement is not executed by PRDOH within thirty (30) days of execution by the other party, this Agreement shall be null and void.

Section 42. SURVIVAL OF TERMS AND CONDITIONS

The terms and conditions of this Agreement related to the following subjects shall survive the termination or expiration of this Agreement: interpretive provisions; consideration; warranties; general affirmations, federal assurances, federal and state certifications; CDBG-MIT and state funding, recapture of CDBG-MIT and/or state funds, overpayment of CDBG-MIT and/or state funds; ownership and intellectual property, copyright; records retention methods and time requirements; inspection, monitoring and audit; confidentiality; public records; indemnification and liability; infringement of intellectual property rights; independent contractor relationship; compliance with laws; notices; choice of law and venue; severability; dispute resolution; consolidations, mergers, change of name and dissolution. 1. PROGRAM OBJECTIVE:

The Infrastructure Mitigation Program – Healthcare Strengthening Set-Aside (Program) serves to strengthen healthcare facilities to benefit medically underserved citizens and minimize, through accessible healthcare, fatalities resulting from a disaster event. Also, the Program seeks to implement projects that mitigate the most risk for the greatest number of people and strengthens resilience, redundancy, and reliability in healthcare facilities that provide essential health services on the Island, especially in the face of future disasters. These objectives will be achieved by addressing facility hardening or retrofitting healthcare facilities' structures and, more importantly, by reducing multiple threats to the health and medical lifeline.

2. TERMS:

Indicator – The quantitative method used to demonstrate that the Key Activities have been performed.

Key Component – The major components the Program wants to achieve throughout implementation.

Key Activity – The activities necessary to carry out the Objective.

Services in this phase include all architectural and

engineering services needed to define the project scope and requirements up to thirty percent (30%) Design Development.

Project Implementation Plan - Refers to a document consisting of a table and project schedule where the Agreement's Key Activities, deliverables, and timeframes of performance are established in detail. The document serves as an expansion of the Timelines and Performance Goals set forth in general terms under this Attachment. The document is to be prepared by the Awardee and sent to the PRDOH for concurrence and approval. An approved Project Implementation Plan is binding upon the parties for monitoring, measurement, and oversight of the Agreement Key Activities' progress.

maintenance of infrastructure and public facility projects funded by the Community Development Block Grant–Mitigation (CDBG-MIT) Program. The OMP must demonstrate the Project owners' ability to operate and maintain the Project throughout its useful life, including funding sources and other necessary resources.

Drafting and development of the OMPs for the Project will occur during the Planning and Design Phase of the Project, with draft submittals at 30%, 60%, and 90% design. Upon completion of the Planning and Design Phase, a final OMP must be submitted.

KEY ACTIVITY 3.4: COMPLETION OF ENVIRONMENTAL DOCUMENTS

The Awardee shall submit the Environmental Review Record (ERR), in accordance with 24 C.F.R. § 58.38, to the PRDOH for review and approval (signature) of PRDOH's Certifying Officer. All activities must be of no significant impact or with obtainable mitigation activities to render the action to one of no significant impact. Once the ERR is completed, the PRDOH, as the responsible entity, will submit the Request for Release of Funds (RROF) to HUD and once approved, receive the AUGF.

KEY ACTIVITY 3.5: COMPLETION OF FEASIBILITY REVIEW

The Awardee shall submit the completed Feasibility Report, if applicable to the Project, in compliance with PRDOH guidance. The Feasibility Report will need to be presented for PRDOH review and approval prior to contracting of the Construction or Design/Build Services.

All relocation and real property acquisition activities must be carried out in accordance with Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (more commonly known as URA) and section 104(d) of the Housing and Community Development Act of 1992, as amended (Section 104(d)).

KEY ACTIVITY 4.2: RELOCATION OF TENANTS

After the execution of the Agreement, if applicable, the Awardee shall implement all required actions to relocate all residential and/or commercial tenants as required by project requirements. All relocation activities must be carried out in accordance with URA and section 104(d).

KEY ACTIVITY 5.1: PROJECT CONSTRUCTION – START TO COMPLETION

Following the environmental review process and the permitting stage of the Project, construction will commence. For Design-Build Projects, construction will be scheduled to commence based on the level of completion of the design development documents. Disbursements for each phase shall be approved by the PRDOHand processed for payment after presentation of construction documents, site inspection by engineers or architects and issuance of certifications pursuant to the inspection services agreement. A total of ten percent (10%) of each of the requested disbursements shall be retained and disbursed after the Project's final inspection and resulting observations have been addressed. Indicators to measure construction phase are to be established in the Project Implementation Plan.

In addition, Awardee shall comply with the Federal Labor Standards Provisions set forth in Form HUD-4010, available at <https://www.hud.gov/sites/dfiles/OCHCO/documents/4010.pdf> and must include Form HUD-4010 clauses as an appendix, or by reference, to all covered contracts. Also, awardees, contractors and subcontractors are required to insert them in any lower-tier subcontracts.

The terms and conditions outlined in this document (HUD General Provisions) must be included in their entirety by the Awardee in all purchase orders or subcontracts that are directly related to the Agreement, even though some of the terms and conditions might not apply to a particular kind of purchase order or subcontract.

These general provisions may be updated from time to time. It is the sole responsibility of the Awardee to be aware of any changes hereto, to amend and implement such changes and to ensure subcontracts terms and conditions are modified as necessary, if any.

General Provisions:

1. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and clause required by law to be inserted in this Grant Agreement shall be deemed to be inserted herein and the Grant Agreement shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, the Grant Agreement shall forthwith be physically amended to make such insertion or correction.

2. STATUTORY AND REGULATORY COMPLIANCE

3. BREACH OF GRANT AGREEMENT TERMS

The Puerto Rico Department of Housing (PRDOH) reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this Grant Agreement, in instances where the Awardee or any of its subcontractors violate or breach any Grant Agreement or Contract term. If the Awardee or any of its subcontractors violate or breach any Grant Agreement or Contract term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the Grant Agreement or Contract documents, and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4. REPORTING REQUIREMENTS

The Awardee shall complete and submit all reports, in such form and according to such schedule, as may be required by PRDOH and/or the Government of Puerto Rico. - (v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

Additionally, for contracts of \$10,000 or more, the Awardee shall comply with PRDOH established quarterly reporting regarding contract and subcontract activity. This will

8. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements", and any implementing regulations issued by HUD.

9. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

The Proposer will comply with the provisions of Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin in any program or activity that receives Federal funds or other Federal financial assistance. Programs that receive Federal funds cannot distinguish among individuals on the basis of race, color or national origin, either directly or indirectly, in the types, quantity, quality or timelines of program services, aids or benefits that they provide or the manner in which they provide them. This prohibition applies to intentional discrimination as well as to procedures, criteria or methods of administration that appear neutral but have a discriminatory effect on individuals because of their race, color, or national origin. Policies and practices that have such an effect must be eliminated unless a recipient can show that they were necessary to achieve a legitimate nondiscriminatory objective.

10. SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974

The Awardee shall comply with the provisions of Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, religion or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title. Section

109 further provides that discrimination on the basis of age under the Age Discrimination Act of 1975 or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, as amended, is prohibited.

11. SECTION 504 OF THE REHABILITATION ACT OF 1973

The Awardee shall comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), as amended, and any applicable regulations.

The Awardee agrees that no qualified individual with handicaps shall, solely on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance from HUD.

12. AGE DISCRIMINATION ACT OF 1975

The Awardee shall comply with the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.), as amended, and any applicable regulations. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to, discrimination under, any program or activity receiving Federal financial assistance.

13. DEBARMENT, SUSPENSION, AND INELIGIBILITY

The Awardee represents and warrants that it and its subcontractors are not debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs subject to 2 C.F.R. Part 24.24.

14. CONFLICTS OF INTEREST

The Awardee shall notify the PRDOH as soon as possible if this Grant Agreement or any aspect related to the anticipated work under this Grant Agreement raises an actual or potential conflict of interest (as defined at 24 C.F.R. § 578.95; 24 C.F.R. § 570.489(g) and (h); and 24 C.F.R. § 570.611, if applicable). The Awardee shall explain the actual or potential conflict in writing in sufficient detail so that the PRDOH is able to assess such

actual or potential conflict. The Awardee shall provide the PRDOH any additional information necessary to fully assess and address such actual or potential conflict of interest. The Awardee shall accept any reasonable conflict mitigation strategy employed by the PRDOH, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

15. SUBCONTRACTING

When subcontracting, the Awardee shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include, but are not limited to:

- (i) Placing unreasonable requirements on firms in order for them to qualify to do business;
- (ii) Requiring unnecessary experience and excessive bonding;
- (iii) Noncompetitive pricing practices between firms or between affiliated Companies;
- (iv) Noncompetitive awards to consultants that are on retainer contracts,
- (v) Organizational conflicts of interest;
- (vi) Specifying only a brand name product instead of allowing an equal product to be offered and describing the performance of other relevant requirements of the procurement; and
- (vii) Any arbitrary action in the procurement process.

The Awardee represents to the PRDOH that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, considering the nature of the work to be performed under this Grant Agreement.

The Awardee will include these HUD General Provisions in every subcontract issued by it, so that such provisions will be binding upon each of its subcontractors as well as the requirement to flow down such terms to all lower-tiered subcontractors.

16. ASSIGNABILITY

The Awardee shall not assign any interest in this Agreement, and shall not transfer any interest in the same (whether by assignment or novation) without prior written approval of the PRDOH.

17. INDEMNIFICATION

The Awardee shall indemnify, defend, and hold harmless the Government of Puerto Rico and PRDOH, its agents and employees, from and against any and all claims, actions, suits, charges, and judgments arising from or related to the negligence or willful misconduct of the Awardee in the performance of the services called for in this Grant Agreement.

18. COPELAND "ANTI-KICKBACK" ACT

The Awardee will comply with "anti-kickback" regulations found in section 2 of the Act of June 13, 1934, as amended (40 U.S.C. 3145) known as the Copeland Act which applies to this Grant Agreement subject to Federal wage standards and which is for the construction, prosecution, completion, or repair of public buildings, public works or buildings or works financed in whole or in part by loans or grants from the United States. The Copeland Act enforces minimum wage provisions of the Davis-Bacon Act and the various statutes for federally assisted construction, including those provisions which are not subject to Reorganization Plan No. 14 of 1950. This act also enforces overtime provisions of the Contract Work Hours and Safety Standards Act whenever they are applicable to construction work.

Each awardee, contractor or subcontractor engaged in the construction, prosecution, completion, or repair of any public building or public work, or building or work financed in whole or in part by loans or grants from the United States, each week must provide a copy of its weekly payroll for all laborers and mechanics engaged on work covered by this part and part 5 of this chapter during the preceding weekly payroll period, accompanied by a statement of compliance certifying the accuracy of the weekly payroll information. This statement must be executed by the awardee, contractor or subcontractor or by an authorized officer or employee of the awardee, contractor or

subcontractor who supervises the payment of wages, and must be on the back of Form WH-347, "Payroll (For Contractors Optional Use)" or on any form with identical wording.

Each certified payroll required under § 3.3 must be delivered by the awardee, contractor or subcontractor, within 7 days after the regular payment date of the payroll period, to a representative at the site of the building or work of the agency contracting for or financing the work, or, if there is no representative of the agency at the site of the building or work, the statement must be delivered by mail or by any other means normally assuring delivery by the awardee, contractor or subcontractor, within that 7 day time period, to the agency contracting for or financing the building or work. After the certified payrolls have been reviewed in accordance with the contracting or sponsoring agency's procedures, such certified payrolls must be preserved by the agency for a period of 3 years after all the work on the prime contract is completed and must be produced for inspection, copying, and transcription by the Department of Labor upon request.

The Awardee will abide by federal regulation in § 3.5 regarding permissible payroll deductions and follow guidance on obtaining approval from the Secretary of Labor for additional deductions.

19. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

The Awardee will comply with the provisions of the Contract Work Hours and Safety Standards Act applicable to this Grant Agreement in excess of \$100,000 and subject to its overtime provisions.

(1) Overtime requirements. No awardee, contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in [paragraph \(b\)\(1\)](#) of this section the awardee, contractor and any subcontractor responsible therefor shall be liable for the unpaid wages and interest from the date of the underpayment. In addition, such awardee, contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchpersons and guards, employed in violation of the clause set forth in [paragraph \(b\)\(1\)](#) of this section, in the sum of \$32 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1).

(3) Withholding for unpaid wages and liquidated damages —

(i) Withholding process. The PRDOH may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for any unpaid wages; monetary relief, including interest; and liquidated damages required by the clauses set forth in this [paragraph \(b\)](#) on this Grant Agreement, any other Federal contract with the same prime contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act that is held by the same prime contractor (as defined in [§ 5.2](#)). The necessary funds may be withheld from the contractor under this Grant Agreement, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to the Contract Work Hours and Safety Standards Act and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld.

- (ii) Priority to withheld funds. The Department has priority to funds withheld or to be withheld in accordance with [paragraph \(a\)\(2\)\(i\)](#) or [\(b\)\(3\)\(i\)](#) of this section, or both, over claims to those funds by:
- (A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;
 - (B) A contracting agency for its procurement costs;
 - (C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;
 - (D) A contractor's assignee(s);
 - (E) A contractor's successor(s); or
 - (F) A claim asserted under the Prompt Payment Act, [31 U.S.C. 3901-3907](#).
- (4) Subcontracts. The contractor or subcontractor must insert in any subcontracts the clauses set forth in [paragraphs \(b\)\(1\)](#) through [\(5\)](#) of this section and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor is responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (5). In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and associated liquidated damages and may be subject to debarment, as appropriate.
- (5) Anti-retaliation. It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:
- (i) Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the Contract Work Hours and Safety Standards Act (CWHSSA) or its implementing regulations in this part;

- (ii) Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of them selves or others any right or protection under CWHSSA or this part;
- (iii) Cooperating in any investigation or other compliance action, or testifying in any proceeding under CWHSSA or this part; or
- (iv) Informing any other person about their rights under CWHSSA or this part.

20.DAVIS-BACON ACT

The Awardee will comply with labor standards provisions contained in the Davis-Bacon Act (46 Stat. 1494, as amended; 40 U.S.C. 3141 et seq.) and its related statutes ("Related Acts") for this Grant Agreement, in excess of \$2,000, which is entered into for the actual construction, alteration and/ or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds or in accordance with guarantees of a Federal agency or financed from funds obtained by pledge of any contract of a Federal agency to make a loan, grant or annual contribution (except where a different meaning is expressly indicated), and which is subject to the labor standards provisions of any of the laws referenced by § 5.1, the following clauses:

(1) Minimum wages —

- (i) Wage rates and fringe benefits. All laborers and mechanics employed or working upon the site of the work (or otherwise working in construction or development of the project under a development statute), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act ([29 CFR part 3](#))), the full amount of basic hourly wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. As provided in [paragraphs \(d\) and \(e\)](#) of this section,

the appropriate wage determinations are effective by operation of law even if they have not been attached to the contract. Contributions made or costs reasonably anticipated for bona fide fringe benefits under the Davis-Bacon Act ([40 U.S.C.3141\(2\)\(B\)](#)) on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of [paragraph \(a\)\(1\)\(v\)](#) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics must be paid the appropriate wage rate and fringe benefits on the wage determination for the classification(s) of work actually performed, without regard to skill, except as provided in [paragraph \(a\)\(4\)](#) of this section. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under [paragraph \(a\)\(1\)\(iii\)](#) of this section) and the Davis-Bacon poster (WH-1321) must be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii) Frequently recurring classifications.

(A) In addition to wage and fringe benefit rates that have been determined to be prevailing under the procedures set forth in [29 CFR part 1](#), a wage determination may contain, pursuant to [§ 1.3\(f\)](#), wage and fringe benefit rates for classifications of laborers and mechanics for which conformance requests are regularly submitted pursuant to [paragraph \(a\)\(1\)\(iii\)](#) of this section, provided that:

- (1) The work performed by the classification is not performed by a classification in the wage determination for which a prevailing wage rate has been determined;
- (2) The classification is used in the area by the construction industry; and

(3) The wage rate for the classification bears a reasonable relationship to the prevailing wage rates contained in the wage determination.

(B) The Administrator will establish wage rates for such classifications in accordance with [paragraph \(a\)\(1\)\(iii\)\(A\)\(3\)](#) of this section. Work performed in such a classification must be paid at no less than the wage and fringe benefit rate listed on the wage determination for such classification.

(iii) Conformance.

(A) The contracting officer must require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract be classified in conformance with the wage determination. Conformance of additional classification and wage rate and fringe benefits is appropriate only when the following criteria have been met:

- (1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and
- (2) The classification is used in the area by the construction industry; and
- (3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) The conformance process may not be used to split, subdivide, or otherwise avoid the application of classifications listed in the wage determination.

(C) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken will be sent by the contracting officer by email to DBAconformance@dol.gov. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer will, by email to DBAconformance@dol.gov, refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(E) The contracting officer must promptly notify the contractor of the action taken by the Wage and Hour Division under [paragraphs \(a\)\(1\)\(iii\)\(C\)](#) and [\(D\)](#) of this section. The contractor must furnish a written copy of such determination to each affected worker or it must be posted as a part of the wage determination. The wage rate (including fringe benefits where appropriate) determined pursuant to [paragraph \(a\)\(1\)\(iii\)\(C\)](#) or [\(D\)](#) of this section must be paid to all workers performing work in the classification under this Grant Agreement from the first day on which work is performed in the classification.

- (iv) Fringe benefits not expressed as an hourly rate. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor may either pay the benefit as stated in the wage determination or may pay another bona fide fringe benefit or an hourly cash equivalent thereof.
- (v) Unfunded plans. If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, in accordance with the criteria set forth in [§ 5.28](#), that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(vi) Interest. In the event of a failure to pay all or part of the wages required by the contract, the contractor will be required to pay interest on any underpayment of wages.

(2) Withholding —

- (i) Withholding requirements. The PRDOH may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for the full amount of wages and monetary relief, including interest, required by the clauses set forth in [paragraph \(a\)](#) of this section for violations of this Grant Agreement, or to satisfy any such liabilities required by any other Federal contract, or federally assisted contract subject to Davis-Bacon labor standards, that is held by the same prime contractor (as defined in [§ 5.2](#)). The necessary funds may be withheld from the contractor under this Grant Agreement, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to Davis-Bacon labor standards requirements and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld. In the event of a contractor's failure to pay any laborer or mechanic, including any apprentice or helper working on the site of the work (or otherwise working in construction or development of the project under a development statute) all or part of the wages required by the contract, or upon the contractor's failure to submit the required records as discussed in [paragraph \(a\)\(3\)\(iv\)](#) of this section, the [Agency] may on its own initiative and after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.
- (ii) Priority to withheld funds. The Department has priority to funds withheld or to be withheld in accordance with [paragraph \(a\)\(2\)\(i\)](#) or [\(b\)\(3\)\(i\)](#) of this section, or both, over claims to those funds by:

- (A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;
- (B) A contracting agency for its procurement costs;
- (C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;
- (D) A contractor's assignee(s);
- (E) A contractor's successor(s); or
- (F) A claim asserted under the Prompt Payment Act, [31 U.S.C. 3901-3907](#).

(3) Records and certified payrolls —

(i) Basic record requirements —

(A) Length of record retention. All regular payrolls and other basic records must be maintained by the contractor and any subcontractor during the course of the work and preserved for all laborers and mechanics working at the site of the work (or otherwise working in construction or development of the project under a development statute) for a period of at least 3 years after all the work on the prime contract is completed.

(B) Information required. Such records must contain the name; Social Security number; last known address, telephone number, and email address of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in [40 U.S.C. 3141\(2\)\(B\)](#) of the Davis-Bacon Act); daily and weekly number of hours actually worked in total and on each covered contract; deductions made; and actual wages paid.

(C) Additional records relating to fringe benefits. Whenever the Secretary of Labor has found under [paragraph \(a\)\(1\)\(v\)](#) of this section that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in [40 U.S.C. 3141\(2\)\(B\)](#) of the Davis-Bacon Act, the contractor must maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in

writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits.

(D) Additional records relating to apprenticeship. Contractors with apprentices working under approved programs must maintain written evidence of the registration of apprenticeship programs, the registration of the apprentices, and the ratios and wage rates prescribed in the applicable programs.

(ii) Certified payroll requirements —

(A) Frequency and method of submission. The contractor or subcontractor must submit weekly, for each week in which any DBA- or Related Acts-covered work is performed, certified payrolls to the PRDOH if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the certified payrolls to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the [write in name of agency]. The prime contractor is responsible for the submission of all certified payrolls by all subcontractors. A contracting agency or prime contractor may permit or require contractors to submit certified payrolls through an electronic system, as long as the electronic system requires a legally valid electronic signature; the system allows the contractor, the contracting agency, and the Department of Labor to access the certified payrolls upon request for at least 3 years after the work on the prime contract has been completed; and the contracting agency or prime contractor permits other methods of submission in situations where the contractor is unable or limited in its ability to use or access the electronic system.

(B) Information required. The certified payrolls submitted must set out accurately and completely all of the information required to be maintained under [paragraph \(a\)\(3\)\(i\)\(B\)](#) of this section, except that full Social Security numbers and last known addresses, telephone numbers, and email addresses must not be included on weekly transmittals. Instead, the certified payrolls need only include an individually identifying number for each worker (e.g., the last four digits of the worker's Social Security number). The required weekly certified payroll information may be submitted using Optional Form WH-347 or in any other format desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division

website at <https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/wh347/.pdf> or its successor website. It is not a violation of this section for a prime contractor to require a subcontractor to provide full Social Security numbers and last known addresses, telephone numbers, and email addresses to the prime contractor for its own records, without weekly submission by the subcontractor to the sponsoring government agency (or the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records).

(C) Statement of Compliance. Each certified payroll submitted must be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor, or the contractor's or subcontractor's agent who pays or supervises the payment of the persons working on the contract, and must certify the following:

- (1) That the certified payroll for the payroll period contains the information required to be provided under [paragraph \(a\)\(3\)\(ii\)](#) of this section, the appropriate information and basic records are being maintained under [paragraph \(a\)\(3\)\(i\)](#) of this section, and such information and records are correct and complete;
- (2) That each laborer or mechanic (including each helper and apprentice) working on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in [29 CFR part 3](#); and
- (3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification(s) of work actually performed, as specified in the applicable wage determination incorporated into the contract.

(D) Use of Optional Form WH-347. The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 will satisfy the

requirement for submission of the "Statement of Compliance" required by [paragraph \(a\)\(3\)\(ii\)\(C\)](#) of this section.

(E) Signature. The signature by the contractor, subcontractor, or the contractor's or subcontractor's agent must be an original handwritten signature or a legally valid electronic signature.

(F) Falsification. The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under [18U.S.C.1001](#) and [31U.S.C.3729](#).

(G) Length of certified payroll retention. The contractor or subcontractor must preserve all certified payrolls during the course of the work and for a period of 3 years after all the work on the prime contract is completed.

(iii) Contracts, subcontracts, and related documents. The contractor or subcontractor must maintain this Grant Agreement or subcontract and related documents including, without limitation, bids, proposals, amendments, modifications, and extensions. The contractor or subcontractor must preserve these contracts, subcontracts, and related documents during the course of the work and for a period of 3 years after all the work on the prime contract is completed.

(iv) Required disclosures and access —

(A) Required record disclosures and access to workers. The contractor or subcontractor must make the records required under [paragraphs \(a\)\(3\)\(i\)](#) through [\(iii\)](#) of this section, and any other documents that the [write the name of the agency] or the Department of Labor deems necessary to determine compliance with the labor standards provisions of any of the applicable statutes referenced by [§ 5.1](#), available for inspection, copying, or transcription by authorized representatives of the [write the name of the agency] or the Department of Labor, and must permit such representatives to interview workers during working hours on the job.

(B) Sanctions for non-compliance with records and worker access requirements. If the contractor or subcontractor fails to submit the required records or to make them available, or refuses to permit worker interviews during working hours on the job, the Federal agency may, after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, that maintains such records or that employs such workers, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available, or to permit worker interviews during working hours on the job, may be grounds for debarment action pursuant to [§ 5.12](#). In addition, any contractor or other person that fails to submit the required records or make those records available to WHD within the time WHD requests that the records be produced will be precluded from introducing as evidence in an administrative proceeding under [29 CFR part 6](#) any of the required records that were not provided or made available to WHD. WHD will take into consideration a reasonable request from the contractor or person for an extension of the time for submission of records. WHD will determine the reasonableness of the request and may consider, among other things, the location of the records and the volume of production.

(C) Required information disclosures. Contractors and subcontractors must maintain the full Social Security number and last known address, telephone number, and email address of each covered worker, and must provide them upon request to the PRDOH if the agency is a party to the contract, or to the Wage and Hour Division of the Department of Labor. If the Federal agency is not such a party to the contract, the contractor, subcontractor, or both, must, upon request, provide the full Social Security number and last known address, telephone number, and email address of each covered worker to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the [write in name of agency], the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or other compliance action.

(4) Apprenticesand equal employment opportunity —

(i) Apprentices —

(A) Rate of pay. Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S.Department of Labor, Employment and Training Administration, Office of Apprenticeship (OA), or with a State Apprenticeship Agency recognized by the OA. A person who is not individually registered in the program , but who has been certified by the OA or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice, will be permitted to work at less than the predetermined rate for the work they perform in the first 90 days of probationary employment as an apprentice in such a program .In the event the OA or a State Apprenticeship Agency recognized by the OA withdraws approval of an apprenticeship program , the contractor will no longer be permitted to use apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(B) Fringe benefits. Apprentices must be paid fringe benefits in accordance with the provisions of the apprenticeship program . If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringe benefits must be paid in accordance with that determination.

(C) Apprenticeship ratio. The allowable ratio of apprentices to journeyworkerson the job site in any craft classification must not be greater than the ratio permitted to the contractor as to the entire work force under the registered program or the ratio applicable to the locality of the project pursuant to [paragraph \(a\)\(4\)\(i\)\(D\)](#) of this section. Any worker listed on a payroll at an apprentice wage rate, who is

not registered or otherwise employed as stated in [paragraph \(a\)\(4\)\(i\)\(A\)](#) of this section, must be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under this section must be paid not less than the applicable wage rate on the wage determination for the work actually performed.

(D) Reciprocity of ratios and wage rates. Where a contractor is performing construction on a project in a locality other than the locality in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyworker's hourly rate) applicable within the locality in which the construction is being performed must be observed. If there is no applicable ratio or wage rate for the locality of the project, the ratio and wage rate specified in the contractor's registered program must be observed.

(ii) Equal employment opportunity. The use of apprentices and journeyworkers under this part must be in conformity with the equal employment opportunity requirements of [Executive Order 11246](#), as amended, and [29 CFR part 30](#).

(5) Compliance with Copeland Act requirements. The contractor shall comply with the requirements of [29 CFR part 3](#), which are incorporated by reference in this Grant Agreement.

(6) Subcontracts. The contractor or subcontractor must insert in any subcontracts the clauses contained in [paragraphs \(a\)\(1\)](#) through [\(11\)](#) of this section, along with the applicable wage determination(s) and such other clauses or contract modifications as the PRDOH may by appropriate instructions require, and a clause requiring the subcontractors to include these clauses and wage determination(s) in any lower tier subcontracts. The prime contractor is responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section. In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief,

including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and may be subject to debarment, as appropriate.

(7) Contract termination: debarment. A breach of the contract clauses in [29 CFR 5.5](#) may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in [29 CFR 5.12](#).

(8) Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in [29 CFR parts 1, 3, and 5](#) are herein incorporated by reference in this Grant Agreement.

(9) Disputes concerning labor standards. Disputesarising out of the labor standards provisions of this Grant Agreement shall not be subject to the general disputes clause of this Grant Agreement. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in [29 CFR parts 5, 6, and 7](#). Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S.Department of Labor, or the employees or their representatives.

(10) Certification of eligibility.

- (i) By entering into this Grant Agreement, the contractor certifies that neither it nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of [40 U.S.C. 3144\(b\)](#) or [§ 5.12\(a\)](#).
- (ii) No part of this Grant Agreement shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of [40 U.S.C. 3144\(b\)](#) or [§ 5.12\(a\)](#).

- (iv) Informing any other person about their rights under the DBA, Related Acts, this part, or [29 CFR part 1](#) or [3](#).
