I. RECITALS AND GENERAL AWARD INFORMATION

WHEREAS, in September 2017, Hurricanes Irma and María made landfall in Puerto Rico causing catastrophic damages, knocking out power, water, and telecommunications island-wide. L. 115–123, approved February 9, 2018), \$8.285 billion were allocated by the United States Department of Housing and Urban Development (“**HUD**”) for mitigation activities and assistance to the Government of Puerto Rico under the Community Development Block Grant – Mitigation Program (“**CDBG-MIT**”). These funds are intended to provide financial assistance in areas impacted by recent disasters.

WHEREAS, on August 30, 2019, a Notice was published in the Federal Register, Vol. 84, No. 169 (84 Fed. Reg. 45838), which described the grant requirements and procedures applicable to future allocations of CDBG-MIT funds to the Government of Puerto Rico.

WHEREAS, on January 27, 2020, a Notice was published in the Federal Register, Vol. 85, No. 17 (85 Fed. Reg. 4676), which allocated \$8,285,284,000 in CDBG-MIT funds to the Government of Puerto Rico.

III. SCOPE OF WORK

The Subrecipient shall be responsible for performing the activities detailed in **Exhibit A** (“Scope of Work”) of this SRA, herein attached and made an integral part of this SRA, which may be amended from time to time with the consent of both Parties. The Subrecipient shall complete the Scope of Work in a manner satisfactory to the PRDOH and consistent with the terms and conditions of this SRA and applicable Federal and local statutes, laws and regulations.

A. Subrecipient Management Responsibilities

1. As a condition of receiving this Subaward, the Subrecipient shall perform the management, procurement, design, construction, monitoring, reporting, inspection, and invoicing services or activities included in **Exhibit A** (“Scope of Work”) for the Program.
2. All services included in **Exhibit A** (“Scope of Work”) shall be performed in accordance with PRDOH guidelines, HUD guidelines and regulations, and other applicable state and federal laws and regulations.
3. The Subrecipient shall prepare and submit to PRDOH all required project(s) documentation, such as compliance information, construction drawings, and specifications, construction permits and endorsements, cost estimate, property

acquisition, right of ways, any related studies, implementation plans, etc., in accordance with the **Exhibit A** (“Scope of Work”). The PRDOH reserves the authority and discretion to review and require revisions before approving the use of funds for project implementation.

4. The Subrecipient shall lead, coordinate, and facilitate the engagement and outreach of stakeholders.
5. The Subrecipient shall ensure compliance with Act No. 173 of August 12, 1988, as amended, known as the "Board of Examiners of Engineers, Architects, Surveyors, and Landscape Architects of Puerto Rico Act," 20 L.P.R.A. §§ 7n-711z, which requires all personnel that will exercise the profession of engineering, architecture, surveying or landscaping architecture in Puerto Rico, be registered in the official Register of the Board, and be an active member of the College of Engineers and Surveyors of Puerto Rico or the College of Architects and Landscape Architects of Puerto Rico, as applicable.
6. The Subrecipient shall support PRDOH and the project developer during the planning as well as the design and construction phases of the project. Also, the Subrecipient’s support will be required through the preparation and completion of the Environmental Review.
7. The Subrecipient shall comply with HUD rules and regulations that govern the environmental review process. The aforementioned rules can be found at 24 C.F.R. Part 58. Particularly, the Subrecipient shall avoid committing public or private funds (CDBG funds or non-CDBG funds) or undertaking activities or projects that would have an adverse environmental impact or limit the choice of reasonable alternatives, prior to obtaining environmental clearance. Activities such as demolition, excavating, relocation of structures, or even acquisition or leasing of real property, among others, may preclude the selection of alternative choices before a final decision is made under the environmental review. The Subrecipient shall consult the applicable regulations with PRDOH for more detailed guidance.
8. The Subrecipient shall perform the necessary actions to plan for the long-term operation and maintenance (O&M) of the Project funded under this SRA. The Subrecipient shall submit an Operation and Maintenance Plan (OMP) to the PRDOH as described in **Exhibit A** (“Scope of Work”) of this SRA. Failure to comply with this requirement could result in a potential repayment of funds to PRDOH.
9. The Subrecipient shall comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. § 4601 *et seq.*) (**URA**) and section 104(d) of the HCDA (42 U.S.C. § 5304(d)) (Section 104(d)).

B. General Administration

Prohibited Activities: The Subrecipient may only carry out the roles and responsibilities described in this SRA and the activities related to the performance of the Scope of Work described in **Exhibit A** (“Scope of Work”) of this SRA. Notwithstanding

anything to the contrary in this SRA, the Subrecipient shall not be obligated to perform any work or services outside the Scope of Work described in **Exhibit A** (“Scope of Work”) of this SRA.

The Subrecipient is prohibited from charging to the PRDOH the costs of CDBG and/or CDBG-MIT ineligible activities, including those described at 24 C.F.R. § 570.207, unless waived or made eligible by an applicable Federal Register Notice, from using funds provided herein or personnel employed in the administration of activities under this SRA for political activities, inherently religious activities, or lobbying. The Subrecipient may be financially liable for the activities undertaken outside of the parameters of **Exhibit A** (“Scope of Work”) of this SRA.

C. National Objectives

All activities funded with CDBG-MIT funds must meet one (1) of the two (2) CDBG-MIT Program’s National Objectives: (i) benefit low-and moderate-income (“**LMI**”) persons or; (ii) meet a particular urgent need for mitigation (“**UNM**”), as defined in 24 C.F.R. § 570.208, as amended by waiver published in the Federal Register, Vol. 84, No. 169 (84 Fed. Reg. 45838) on August 30, 2019. The UNM national objective requires that activities under the CDBG-MIT Program result in measurable and verifiable reductions in the risk of loss of life and property from future disasters and yield community development benefits. Also apply the national objective for LMI Limited Clientele (**LMC**) which requires that proposed mitigation programs and projects must exclusively benefit a clientele whom HUD generally presumes to be principally LMI persons (24 C.F.R. § 570.483 (b)(2)); no less than fifty percent (50%) of the CDBG-MIT grant must benefit LMI.

Additionally, as per 84 Fed. Reg. 45857 (August 30, 2019), the provisions of 24 C.F.R. § 570.483(e) and §570.208(d) are modified by an alternative requirement to include the following additional criteria for all mitigation activities funded with CDBG-MIT funds. To meet a national objective, all CDBG-MIT activities must:

1. Demonstrate the ability to operate for the useful life of the project via long-term operation and maintenance plans;
2. Be consistent with other mitigation activities. To be consistent, the CDBG-MIT activity must not increase the risk of loss of life or property in a way that undermines the benefits from other uses of CDBG-MIT funds in the most impacted and distressed (“**MID**”) area.

The Subrecipient certifies that the activities carried out under this SRA shall meet at least one (1) of these national objective(s) as established above. The Subrecipient shall ensure that the funded activity or services meet the applicable CDBG-MIT National Objective(s) and that the subcontractor or third party collects the necessary information and complete the applicable forms to document the National Objective(s).

D. Levels of Accomplishment – Performance Goals and Timelines

The Subrecipient shall complete the activities required under **Exhibit A** (“Scope of Work”) of this SRA in accordance with the timeframes and performance goals set forth in **Exhibit B** (“Timelines and Performance Goals”) of this SRA, herein attached and made an integral part of this SRA.

E. Nonperformance Standard

If at the end of the **six (6) months** from the Effective Date, as defined in **Section V** of this SRA, the Program activity has not begun or at any time during the term, the Program activity has not accomplished the performance objectives set forth by the PRDOH in **Exhibit B** (“Timelines and Performance Goals”), the PRDOH may, at its sole discretion, terminate this SRA, de-obligate funds made available under this SRA, and/or recapture funds previously expended by the Subrecipient under this SRA from non-federal funds. No contract extensions shall be granted unless the Subrecipient can document circumstances beyond its control that prevented the start of the activity. The PRDOH shall review the properly filed and documented circumstances which are alleged to have prevented the initiation of activity and exclusively reserves the right to decide if an extension is warranted, relative to the reasons stated as well as the prevailing circumstances.

F. Staffing

The Subrecipient shall supervise and direct the completion of all activities under this SRA. Any changes in assigned key personnel (“Key Personnel”) assigned or their responsibilities under the activities are subject to the prior approval of the PRDOH. If possible, it is the best practice for Subrecipient to provide PRDOH with ample written notice to the personnel changes and requests. Ample notice in this context shall be **ten (10) business days**. If that is not possible, then Subrecipient shall make all reasonable efforts to notify PRDOH of changes.

At a minimum, Subrecipient shall assign the staff with the identified responsibilities to the identified activities as described in **Exhibit C** (“Key Personnel”) of this SRA, herein attached and made integral part of this SRA.

Depending on the needs of the Program activity, the Subrecipient shall provide staff and/or procure professional service contractors to assist with the compliance of said activities. The staff who will support the Program activities included in the Scope of Work, shall solely perform those tasks and shall be remunerated hourly.

The Subrecipient shall monitor the performance of its staff, and contractors against the goals and performance standards as stated in the **Exhibit B** (“Timelines and Performance Goals”).

G. Infrastructure Projects

As per Federal Register Vol. 84, No. 169 (August 30, 2019), 84 FR 45838, Infrastructure Projects are defined as an activity or group of related activities that develop the physical assets that are designed to provide or support services to the general public in sectors such as: surface transportation, water resource projects, pipelines, drinking water infrastructure, among others.

For more details regarding the definition of Infrastructure Projects and applicable regulations, refer to the CDBG-MIT Action Plan, Program Guidelines and policies.

i. Covered Projects

HUD has created a new standard for the evaluation of large-scale infrastructure projects by introducing the concept of Covered Projects. As per notice 84 FR 45838, a Covered Project under CDBG-MIT is defined as an Infrastructure Project having: (1) a total project cost of \$100 million or more; and (2) includes at least \$50 million of CDBG funds (regardless of CDBG source such as CDBG-DR, CDBG-National Disaster Resilience (“**NDR**”), CDBG-MIT, CDBG funds, etc.). HUD requires that Covered Projects undergo an enhanced evaluation process, which may include a Benefit-Cost Analysis (“**BCA**”) to determine if the benefits of the completed project outweigh the costs of implementing the project. The Covered Projects administered by PRDOH are described in the CDBG-MIT Action Plan, as amended.

Additionally, according to 84 FR 45838, 45857, the provisions of 24 C.F.R. § 570.483(e) and §570.208(d) are modified to incorporate, as additional criteria, that all Covered Projects must:

- a) Demonstrate long-term efficacy and fiscal sustainability by: documenting measurable outcomes or reduction in risk; documenting how the Covered Project will reflect changing environmental conditions with risk management tools and alter funding sources if necessary; and establishing a plan for the long-term operation and maintenance of the Covered Project.
- b) Demonstrably benefit the MID area. The benefits of the Covered Project must outweigh the costs of the Covered Project; benefits outweigh costs if the Benefit-Cost Analysis (**BCA**) results in a benefit-to-cost ratio greater than 1.0. Alternatively, for a Covered Project that serves LMI persons or other persons that are less able to mitigate risks or respond to and recover from disasters, benefits outweigh costs if the grantee supplements its BCA with a qualitative description of benefits that cannot be quantified but sufficiently demonstrate unique and concrete benefits of the Covered Project for that population.

ii. Covered Projects: additional considerations

HUD has established additional requirements to support the successful implementation and operation of large-scale infrastructure projects. The additional requirements include the project’s publication in a HUD-approved

Action Plan or substantial Action Plan amendment, and compliance with the implementation of Covered Projects provisions, prior to executing a construction contract.

Therefore, the Subrecipient acknowledges that after the execution of this SRA, Infrastructure Project costs under this SRA may increase and meet the Covered Project threshold. If such an increase in costs materializes, all tasks related to the project must cease until further evaluation demonstrates the project's compliance with all the additional requirements for a Covered Project, including preparation of a BCA. The project's tasks may only resume and CDBG-MIT funds disbursed once HUD approves its addition to the Action Plan through a substantial amendment as per 84 FR 45838, 45850-45853, 45957. In such cases, this Agreement shall be amended to incorporate any changes, for example, to the budget, scope of work, or timelines resulting from the substantial amendment process.

However, if HUD does not approve the proposed Covered Project, PRDOH may deny the application for funding, recategorize costs, and/or withdraw the CDBG funds assigned to Subrecipient, among other actions.

For more details regarding Covered Projects' definitions, evaluation criteria, and other requirements, refer to the CDBG-MIT Action Plan, Program Guidelines, and policies.

H. Pre-Award Costs

Pre-award costs applicable to the Subrecipient are strictly prohibited.

IV. PERFORMANCE, MONITORING AND REPORTING

A. Monitoring

The PRDOH shall monitor the performance of the Subrecipient as necessary to ensure that the funds allocated to the Subrecipient are used for authorized purposes, in compliance with Federal statutes, regulations, the Program Guidelines, and the terms and conditions of this SRA, including the timeframes and performance goals set forth in **Exhibit B** ("Timelines and Performance Goals") associated with the activities included in **Exhibit A** ("Scope of Work").

This review shall include: (1) reviewing financial and performance reports required by the PRDOH; (2) following up and ensuring that the Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the Subrecipient from the PRDOH detected through audits, on-site reviews, and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to the Subrecipient from the PRDOH as required by 2 C.F.R. § 200.521.

Substandard performance, defined as a performance that falls short of the standard expected of the Subrecipient, as specified in the SRA's exhibits, shall constitute noncompliance with this SRA.

LEPC
LEPC

CYPP
CYPP

If action to correct such substandard performance is not taken by the Subrecipient within **fifteen (15) days** after being notified by PRDOH, PRDOH may impose additional conditions on the Subrecipient and suspend or terminate this SRA, disallow all or part of the cost of the activity or action not in compliance or initiate other remedies for noncompliance, as appropriate and permitted under 2 C.F.R. § 200.339.

B. Reporting

The Subrecipient shall complete and submit a report, as per project implementation plan, for each funded project, in the form, timeframe, and with the content specified and required by the PRDOH. The PRDOH shall later notify Subrecipient in writing the guidelines and requirements applicable to the submittal of the progress reports, and such notification shall be deemed incorporated by reference to this SRA.

V. EFFECTIVE DATE AND TERM

This SRA shall be in effect and enforceable between the Parties from the date of its execution. The performance period of this SRA is **sixty (60) months** from the date of its execution, ending in MARCH 21, 2030.

The End of Term shall be the later of: (i) MARCH 21, 2030; (ii) the date as of which the Parties agree in writing that all Close-Out Requirements¹ have been satisfied or, where no Close-Out Requirements are applicable to this SRA, the date as of which the Parties agree in writing that no Close-Out Requirements are applicable hereto; or (iii) such later date as the Parties may agree to in a signed amendment to this SRA.

The Subrecipient hereby acknowledges that this SRA is subject to the Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD ("**Grant Agreement**"); and the availability of the allocated CDBG-MIT funds. The Subrecipient also acknowledges and agrees that any suspension, cancellation, termination, or otherwise unavailability of the CDBG-MIT allocation(s) shall result in the immediate suspension, cancellation, or termination of this SRA, upon PRDOH's notice.

A. Contract Extensions:

PRDOH may extend the SRA's term for additional terms, upon mutual written agreement of the Parties. The term of this SRA shall not exceed the lifetime of the initial Grant Agreement between PRDOH and HUD, unless the term of the initial Grant Agreement is extended by HUD, in which case the term of this SRA cannot exceed the extension.

¹ "Close-Out Requirements" means all requirements to be satisfied by each party in order to close-out this SRA and the CDBG-MIT funds provided herein in accordance with applicable Requirements of Law, including the execution and delivery by one or more of the Parties of all close-out agreements or other legal instruments and the taking of any actions by one or more of the Parties in connection with such close-out, in any case as required under applicable Requirements of Law.

VI. BUDGET

A. Budget

The Subrecipient shall complete all activities in **Exhibit A** (“Scope of Work”) of this SRA in accordance with **Exhibit D** (“Budget”) attached herein and made an integral part of this SRA as such Budget may be amended from time to time.

Any proposed budget to be managed by the Subrecipient shall clearly specify proposed funding for administrative costs and/or program delivery costs and/or planning costs, to the extent that such costs are considered applicable categories for funding.

The PRDOH may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the PRDOH. Any amendments to the budget must be approved in writing and signed by the PRDOH and the Subrecipient.

B. Indirect Costs

Indirect costs invoiced, if any, must be consistent with the conditions set forth herein. Indirect costs may be charged to PRDOH under a negotiated indirect cost rate agreement with a federal cognizant agency, a *de minimis* indirect cost rate (for applicable entities), or an indirect cost proposal prepared prior to the charging of any indirect cost to the Grant, in accordance with 2 C.F.R. Part 200, subpart E, submitted to a federal cognizant agency, and as approved by PRDOH in accordance with its written policies and procedures, which shall be included in **Exhibit D** (“Budget”).

C. Program Income

PRDOH reserves the right to authorize the Subrecipient to retain Program Income² to be used in eligible program activities as described in this SRA. The Subrecipient shall notify PRDOH, within **twenty-four (24) hours** of receipt of any Program Income generated by activities carried out with CDBG-MIT funds made available under this SRA. All Program Income (as defined at 24 C.F.R. § 570.500) generated by activities carried out with the CDBG-MIT Funds must be returned to PRDOH if retention of such is not previously authorized by PRDOH. Program Income is subject to all applicable CDBG-MIT laws, regulations and PRDOH policies and procedures for so long as it exists. Contrary to CDBG- MIT provisions, any interest earned on cash advances from the U.S. Treasury or interest paid on CDBG funds held in a revolving fund account is not Program Income.

All Program assets, other than Program Income (property, equipment, etc.), if any, shall revert to PRDOH upon the termination of this SRA in accordance with applicable Federal laws, regulations, HUD Notices, policies, and guidelines.

² As defined in 87 Fed. Reg. 31636, 31660 (May 24, 2022, as amended by HUD).

D. Property Management and Disposition

PRDOH will comply with regulations governing property management and distribution of real property, equipment, financial obligations, and return of un-obligated cash post program closeout. Applicable regulations can be found in 24 C.F.R §570.502, 24 C.F.R. §570.505, 2 C.F.R. §200.310, 2 C.F.R. §200.343, 2 C.F.R. § 200.344(b), 2 C.F.R. § 200.344(d)(4) and 24 C.F.R. § 570.489(j).

For any real property acquired in whole or in part with CDBG funds in excess of \$25,000.00, the Subrecipient must control the use of the property in accordance with its intended purpose and take diligent care of it and may not change the use or planned use of the property without proper notification to affected citizens and allowable time for comment by them. If the property is not a building for general government conduct, the use of the property may be changed with citizen approval if it meets one of the HUD national objectives. If the Subrecipient changes the use of the property, the Subrecipient may either retain or dispose of the property and reimburse PRDOH the amount of the current fair market value of the property.

Further details on property management and disposition can be found in the Cross-Cutting Guidelines as a Property Management and Disposition Policy, available in English and Spanish on the PRDOH website at <https://recuperacion.pr.gov/en/resources/policias/general-policias/> and <https://recuperacion.pr.gov/recursos/politicas/politicas-generales/>.

VII. PAYMENT

A. Amount

This SRA is based on the reimbursement of funds to the Subrecipient expended on approved CDBG-MIT items. Funding is contingent on a CDBG-MIT award to PRDOH or a Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD, and PRDOH's receipt of CDBG-MIT funds. It is expressly agreed and understood that the total funding amount to be paid by the PRDOH to the Subrecipient under this SRA shall not exceed the amount specified in **Exhibit D** ("Budget"). Such payment shall be compensated for all allowable services required, performed and accepted under this SRA. However, PRDOH reserves the right to reduce the funding amount if CDBG-MIT funding is not provided under the Grant Agreement at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in **Exhibit D** ("Budget").

Any additional funds to complete the services requested by the PRDOH to the Subrecipient shall be subject to funds availability and shall require an amendment to this SRA.

CYPP

B. Requests for Reimbursement

The Subrecipient shall submit to PRDOH requests for reimbursements (“**Request for Reimbursement**”) of activities under this SRA and consistent with the approved **Exhibit D** (“Budget”) and **Exhibit A** (“Scope of Work”) in the form, timeframe, and with the content specified and required by the PRDOH. Each Request for Reimbursement shall be broken down into requested reimbursements against the Budget line items specified in **Exhibit D** (“Budget”).

The Subrecipient shall submit Requests for Reimbursements to the PRDOH, on the form and with the content specified and required by the PRDOH. The Requests for Reimbursements must be submitted with all supporting invoices, bills, timesheets, reports, and any other document necessary to justify the payment, or any other supporting document requested by PRDOH. The Request for Reimbursement must also be accompanied by documentation from the Subrecipient demonstrating that all procurements for which payment is requested have been made in accordance with this SRA.

If PRDOH determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice shall be approved for payment. An authorized representative of the PRDOH shall review each Request for Reimbursement and, if adequate, shall approve and process its payment. Payments to the Subrecipient shall be made by check or electronic funds transfer (“**EFT**”). PRDOH reserves the right to conduct any audit it deems necessary.

In order for the Subrecipient to receive payment for any work performed hereunder, the following certification must be included in each Request for Reimbursement submitted to the PRDOH:

“Under penalty of absolute nullity, I hereby certify that no public servant of the government entity is a party to or has an interest of any kind in the profits or benefits to be obtained under the contract which is the basis of this invoice, and should he be a party to, or have an interest in, the profits or benefits to be obtained under the contract, a waiver has been previously issued. The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct. The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefor.”

The PRDOH shall pay to the Subrecipient CDBG-MIT funds available under this SRA [See **Exhibit E** (“Funds Certification”)] based upon information submitted by the Subrecipient for allowable costs permitted under this SRA and consistent with the approved Budget. Payments shall be made for eligible and allowed expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. PRDOH reserves the right to adjust payments in accordance with program income balances available in Subrecipient accounts.

All Subrecipient invoicing and payments will be managed through PRDOH’s Financial Management Systems, to ensure effective fully compliant cost principles and use of funds, maximizing operational and financial performance, minimizing risk, and providing optimal service.

IX. AMENDMENT AND TERMINATION

A. Amendments

This SRA may be amended provided that such amendments make specific reference to this SRA, comply with programmatic policies, procedures, and guidelines, are executed in writing and signed by a duly authorized representative of each party, and approved by PRDOH. Such amendments shall not invalidate this SRA, nor relieve or release the Parties from their obligations under this SRA. Unless specified, such amendments are not intended to affect, nor will they constitute an extinctive novation of the obligations of the Parties under the SRA and amendment.

This SRA may be amended by the Parties hereto, for the purpose of including any other CDBG-MIT funded program included in the HUD-approved Hurricanes Irma and María current Action Plan.

The PRDOH may, at its discretion, amend this SRA to conform with federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or the schedule of the activities to be undertaken as part of this SRA, such modifications shall be incorporated only by a written amendment signed by both the PRDOH and the Subrecipient.

However, PRDOH reserves the right to notify the Subrecipient in writing, email or any other electronic method, of any applicable policies, procedures, regulations, requirements, guidelines, or change in law, whether existing or to be established, as well as changes and/or amendments thereof, and the notified policies, procedures, regulations, requirements, guidelines and laws shall be deemed incorporated by reference to this SRA without the need of executing a separate written and signed amendment.

2. Termination for Convenience of the PRDOH

The PRDOH may terminate this SRA at any time by notice in writing from the PRDOH to the Subrecipient. If the SRA is terminated by the PRDOH as provided herein, the Subrecipient shall be paid the total compensation as the allowable services actually performed up until the date of termination. Any compensation under this paragraph must be for documented costs that are CDBG-MIT eligible, allowable, allocable, and reasonable in accordance with Uniform Administrative Requirements.

This SRA may also be terminated in whole or in part by either the PRDOH or the Subrecipient, or based upon the SRA by both the PRDOH and the Subrecipient in accordance with the requirements in 2 C.F.R. Part 200, subpart D.

3. Notification and Recoupment of Costs Incurred Prior to Termination

The PRDOH shall promptly notify the Subrecipient, in writing, of its determination and the reasons for the termination together with the date on which the termination shall take effect and any other notifications required under 2 C.F.R. Part 200, subpart D. Upon termination, the PRDOH retains the right to recover any improper expenditures from the Subrecipient and the Subrecipient shall return to the PRDOH any improper expenditures no later than **thirty (30) days** after the date of termination. In the case of a Termination for Convenience only, the PRDOH may, at its sole discretion, allow the Subrecipient to retain or be reimbursed for costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this SRA, 2 C.F.R. Part 200, subpart E, Cost Principles, and any other applicable state or Federal statutes, regulations or requirements.

4. Unilateral Termination

The PRDOH may terminate this SRA, in whole or in part, at PRDOH's sole discretion, with or without cause, at any time. The PRDOH will terminate this SRA by delivering to the Subrecipient a **thirty (30) day** notice of termination specifying the extent to which the performance of the work under this SRA is terminated, and the effective date of termination. Upon receipt of such notice, the Subrecipient shall immediately discontinue all services affected and deliver to the PRDOH all information, studies and other materials property of the PRDOH. If the Subrecipient does not deliver to the PRDOH all information, studies, and other materials property of the PRDOH within the established timeframe, and the PRDOH invests any additional funds to reproduce the information, studies, and other materials not provided by the Subrecipient upon termination, then the PRDOH will disallow from payments to the Subrecipient under this SRA the funds expended for the PRDOH to reproduce such information, studies, and

other materials. In the event of a termination by Notice, the PRDOH shall be liable only for payment of services rendered up to and including the effective date of termination.

5. Suspension

The PRDOH may suspend this SRA in whole or in part at any time for the PRDOH's convenience. The PRDOH shall give the Subrecipient **five (5) days** written notice of such suspension. Upon receipt of said notice, the Subrecipient shall immediately discontinue all Services affected.

6. Immediate Termination

In the event the Subrecipient is subjected to a criminal or civil action, suit, proceeding, inquiry or court of the applicable jurisdiction, or any governmental agency, or the Subrecipient shall be subject to an order, judgment, or opinion, issued by any federal or local authority, a court of the applicable jurisdiction, or any governmental agency, in connection with the execution, delivery, and performance by the Subrecipient of this SRA or the Subrecipient has been non-compliant, in breach, inaccurate in any representation, warranties, covenants, or the certifications provided herein, whether the noncompliance, breach or inaccuracy takes place before or after the execution of this SRA, the PRDOH shall have the right to the immediate termination of this SRA notwithstanding, any provisions to the contrary herein. This section will apply in the event of any judgment that may obligate the PRDOH to terminate the SRA pursuant to Act No. 2 of January 4, 2018, as amended, 3 LPRA § 1881 *et seq.*, known as the "Anti-Corruption Code for the New Puerto Rico". The Subrecipient has a continuous obligation to report to PRDOH any proceedings which apply to the Subrecipient under this paragraph.

In the event that the grant of funds by HUD under any allocations of the CDBG-MIT may be suspended, withdrawn or canceled, this SRA will be immediately terminated.

7. Period of Transition.

Upon termination of this SRA, and for **ninety (90) consecutive calendar days** thereafter (the **Transition Period**), Subrecipient agrees to make himself available to assist the PRDOH with the transition of services assigned to the Subrecipient by the PRDOH. The subrecipient shall provide to the PRDOH the assistance reasonably requested to facilitate the orderly transfer of responsibility for the performance of the Services to the PRDOH or a third party designated by the PRDOH. PRDOH reserves the right to provide for the execution of a Transition Services Agreement for the Transition Period. In such instance, the Subrecipient will be paid at a reasonable, agreed upon, hourly rate for any work performed for the PRDOH during the Transition Period. Moreover, during that Transition Period, all finished or unfinished records (files, data, work product) connected with this SRA will be turned over to PRDOH.

8. Availability of Funds

If the funds anticipated for the continuing fulfillment of the SRA are, at any time, not forthcoming or insufficient, either through the failure of the Federal government to provide funds or the discontinuance or material alteration of the Program under which funds were provided, or if funds are not otherwise available to PRDOH, the PRDOH has the right upon **ten (10) working days** written notice to the Subrecipient, to terminate this SRA without damage, penalty, cost or expenses to PRDOH of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

X. COMPLIANCE WITH FEDERAL STATUTES, REGULATIONS AND THE TERMS AND CONDITIONS OF THE FEDERAL AWARD AND ADDITIONAL PRDOH REQUIREMENTS

The “HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements”, which are attached to, and made an integral part of this SRA as **Exhibit F**, set forth certain requirements imposed by HUD with respect to the PRDOH’s Federal award or CDBG-MIT Grant. Furthermore, **Exhibit G** (“Special Conditions”), attached herein and made an integral part of this SRA, is reserved to cover particular circumstances, conditions or specific requirements as they arise from the demands of the Program.

The Subrecipient agrees to carry out its obligations under this SRA in compliance with all the requirements described in **Exhibit F**, as well as those set forth in the aforementioned **Exhibit G** attached to this SRA.

Moreover, **Exhibit I** (“Non-Conflict of Interest Certification”), attached herein and made an integral part of this SRA, outlines several situations that may reasonably be considered as conflicts of interest. The Subrecipient shall disclose and certify that, to the best of its knowledge, none of the situations exist or may exist at the date of the execution of the SRA. XI. INSURANCE & BONDING

The Subrecipient shall carry sufficient insurance coverage and bonding from insurers licensed to conduct business in the Government of Puerto Rico to protect all contract assets from loss due to any cause, including but not limited to theft, fraud, and/or physical damage. The aforementioned insurance coverage shall be provided by the Subrecipient, via Commercial General Liability (**CGL**) insurance policy, during the life of the SRA. Notwithstanding the above, for construction or facility improvement performed by the subcontractors or third parties, the Subrecipient shall ensure that the subcontractors or third parties, at a minimum, comply with the bonding requirements at 2 C.F.R. Part 200, subpart D.

Moreover, in accordance with 2 C.F.R. § 200.310, the Subrecipient must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with Federal funds as provided to property owned by PRDOH. Federally owned property need not be insured unless required by the terms and conditions of the Federal award.

The Subrecipient shall submit proof of the CGL insurance and Workers' Compensation insurance policies to the PRDOH before the execution of the SRA. The Subrecipient shall also ensure that all other insurance policies and bonds required under this Agreement are secured by its subcontractors. The Subrecipient is responsible for providing to the PRDOH evidence of these additional insurance policies and bonds within five (5) days after the execution of each individual subcontract agreement.

XII. FEDERAL LAWS AND REGULATIONS APPLICABLE TO CONSTRUCTION CONTRACTS

Together, these laws ensure that workers are paid the appropriate prevailing wage rate and are treated fairly by employers receiving CDBG-MIT funding to execute program activities, and employment opportunities are made available to low-income individuals to the greatest extent possible. Each of these laws requires important recordkeeping practices to ensure compliance and allow for accurate and efficient reporting as required by PRDOH. These laws are described in the **Exhibit F** (“HUD General Provisions and Other Federal Statutes, Regulations, and PRDOH Requirements”).

XIII. CDBG-MIT POLICIES AND PROCEDURES

In addition to what is established in this SRA, the Subrecipient shall comply with all CDBG-DR/MIT program-specific and general policies and procedures, which may include but are not limited to, the Subrecipient Management Policy, OS&H Guideline, MWBE Policy, URA & ADP Guidelines, Cross Cutting Guidelines, AFWAM Policy, Section 3 Policy, Personally Identifiable Information, Confidentiality, Language Access Plan, and Nondisclosure Policy and Conflict of Interest and Standards of Conduct Policy,

The party claiming Force Majeure shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and shall resume performance at the earliest possible date.

The Contractor or Subrecipient shall notify the PRDOH in writing as soon as possible, but in any event within ten (10) business days of the occurrence of the Force Majeure event and describe in reasonable detail the nature of the Force Majeure event, how the non-performance or delay relates to or arises from the Force Majeure event, its anticipated duration and any action taken to minimize its effect. The Contractor or Subrecipient may be entitled to reasonable adjustments in the schedule, among other measures, in the foregoing circumstances. If non-performance continues for more than thirty (30) days, without reasonable justification, the PRDOH may terminate this SRA immediately upon written notification to the Contractor or Subrecipient.

XVI. INDEPENDENT CONTRACTOR

Nothing contained in this SRA is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the Parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the efforts to be performed under this SRA. PRDOH will monitor, measure, and oversee the Subrecipient's performance under this SRA against the Key Activities, deliverables, and timeframe requirements set forth in the latest approved Project Implementation Plan. The Subrecipient and PRDOH may, by mutual, written agreement between the parties, change an originally approved Project Implementation Plan to add, remove, or modify Key Activities, deliverables, and timeframes associated to the SRA's implementation activities. Neither the original Project Implementation Plan nor any subsequent changes to it will require an amendment to the SRA for it to be binding between the parties. PRDOH INFRA-MIT Program approval of the Project Implementation Plan is required for it to be binding upon the parties.

KEY ACTIVITY 2.1: SUBMISSION OF PROCUREMENT PACKAGES AND DOCUMENTATION

Subrecipient shall prepare and present a procurement package establishing all requirements needed to perform the project/construction management services, construction inspection services, and the design and construction components needed to complete the Project. These documents and the procurement processes to be performed shall comply with all applicable laws and regulations including the provisions in 2 C.F.R. §§ 200.318-200.327.

The Feasibility Review, if applicable, and the Environmental Review processes must be completed prior to execution of the Construction Services Agreement.

KEY ACTIVITY 3.1: PROJECT PLANNING PHASE DESIGN IS COMPLETED AND DELIVERED

After completion of the procurement and contracting processes for the Design Services, the Planning Phase A&E Design Services shall be carried out as established in the Project Implementation Plan and must include, at a minimum, Conceptual/Schematic Design and will be carried out as established in the Project Implementation Plan.

KEY ACTIVITY 3.2: PROJECT DESIGN DEVELOPMENT IS COMPLETED AND DELIVERED

After the approval of the Planning Phase design, the Project Design Development process shall begin. Design Development phases shall be carried out as established in the Project Implementation Plan.

KEY ACTIVITY 3.3: DEVELOPMENT & SUBMISSION OF OPERATION AND MAINTENANCE PLAN (OMP)

The U.S. Department of Housing and Urban Development (**HUD**) requires Grantees and Subrecipients to establish plans for funding the long-term operation and maintenance of infrastructure and public facility projects funded by the Community Development Block Grant-Mitigation (**CDBG-MIT**) Program. The OMP must demonstrate the Project owners' ability to operate and maintain the Project throughout its useful life, including funding sources and other necessary resources.

LEPC
LEPC

CYPP
CYPP

Drafting and development of the OMPs for the Project will occur during the Planning and Design Phase of the Project, with draft submittals at 30%, 60%, and 90% design. Upon completion of the Planning and Design Phase, a final OMP must be submitted.

KEY ACTIVITY 3.4: COMPLETION OF ENVIRONMENTAL DOCUMENTS

The Subrecipient shall submit the Environmental Review Record (**ERR**), in accordance with 24 C.F.R. § 58.38, to the PRDOH for review and approval (signature) of PRDOH's Certifying Officer. All activities must be of no significant impact or with obtainable mitigation activities to render the action to one of no significant impact. Once the ERR is completed, the PRDOH, as the responsible entity, will submit the Request for Release of Funds (**RROF**) to HUD and once approved, receive the AUGF.

KEY ACTIVITY 3.5: COMPLETION OF FEASIBILITY REVIEW

The Subrecipient shall submit the completed Feasibility Report, if applicable to the Project, in compliance with PRDOH guidance. The Feasibility Report will need to be presented for PRDOH review and approval prior to contracting of the Construction or Design/Build Services.

KEY ACTIVITY 3.6: PERMITS

After the execution of the Construction or Design/Build contract, as applicable, the Contractor shall initiate the submission of all the required documentation to obtain the required permits from corresponding municipal, state and federal government entities. Permits shall be obtained for the work as established in the Project Implementation Plan.

KEY ACTIVITY 4.1: LAND ACQUISITION

After the execution of the SRA, if applicable, the Subrecipient shall implement all required actions to obtain the title for all real property and negotiation contracts for relocation of all tenants located within the proposed right of way

or area of impact of the Project. All relocation and real property acquisition activities must be carried out in accordance with Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (more commonly known as URA) and section 104(d) of the Housing and Community Development Act of 1992, as amended (**Section 104(d)**).

KEY ACTIVITY 4.2: RELOCATION OF TENANTS

After the execution of the SRA, if applicable, the Subrecipient shall implement all required actions to relocate all residential and/or commercial tenants as required by project requirements. All relocation activities must be carried out in accordance with URA and section 104(d).

KEY ACTIVITY 5.1: PROJECT CONSTRUCTION – START TO COMPLETION

Following the environmental review process and the permitting stage of the Project, construction will commence. For Design-Build Projects, construction will be scheduled to commence based on the level of completion of the design development documents. Disbursements for each phase shall be approved by the PRDOH and processed for payment after presentation of construction documents, site inspection by engineers or architects and issuance of certifications pursuant to the inspection services agreement. A total of ten percent (10%) of each of the requested disbursements shall be retained and disbursed after the Project's final inspection and resulting observations have been addressed. Indicators to measure construction phase are to be established in the Project Implementation Plan.

9. Any and all certifications and/or documentation required for the intended use of the facility.

KEY OBJECTIVE 7.1: COMPLETION OF SRA CLOSEOUT

For the Project to be considered “completed” milestones must be delivered to ensure the safety of the Project’s user(s). The Project’s completion is not based solely upon the completion of the Project’s Planning Phase but is also demonstrated by obtaining the approval of the Project Closeout binder.

The Closeout process will begin when all eligible activities and national objectives have been completed, and all CDBG-MIT funds have been disbursed. Before the commencement of the closeout process, the Subrecipient must complete the Closeout Package, which includes the following information for the Project:

1. Subrecipient name.
2. Designated Point of Contact.

4. REPORTING REQUIREMENTS

The SUBRECIPIENT shall complete and submit all reports, in such form and according to such schedule, as may be required by the PRDOH and/or the Government of Puerto Rico. The SUBRECIPIENT shall cooperate with all the PRDOH and/or the Government of Puerto Rico efforts to comply with HUD requirements and regulations pertaining to reporting, including but not limited to 2 C.F.R. § 200.328 and 24 C.F.R. § 570.507, when applicable.

Uniform Federal Accessibility Standards (appendix A to 24 C.F.R. Part 40 for residential structures, and 41 C.F.R. Subt. C, Ch. 102, for general type buildings).

The Americans with Disabilities Act of 1990 (“ADA”), 42 U.S.C. § 12101 *et seq.* (**ADA**), provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

58. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 (24 C.F.R. PART 1)

1) General Compliance:

The SUBRECIPIENT shall comply with the requirements of Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d *et seq.*, and 24 C.F.R. § 570.601 and § 570.602. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this Agreement. The specific nondiscrimination provisions at 24 C.F.R. § 1.4 apply to the use of these funds. The SUBRECIPIENT shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by Title VI of the Civil Rights Act of 1964 or 24 C.F.R. Part 1, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 C.F.R. Part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 24 C.F.R. Part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

2) Assurances and Real Property Covenants:

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the SUBRECIPIENT assures that the program or activities described in this Agreement shall be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided shall be operated and administered in compliance with all requirements imposed by or pursuant to this 2

C.F.R. Part 1.

If the Federal financial assistance under this Agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the SUBRECIPIENT's assurance herein shall obligate the SUBRECIPIENT or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the SUBRECIPIENT for the period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives the PRDOH and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-DR/MIT funds and provided to the SUBRECIPIENT under this Agreement, the instrument effecting any disposition by the SUBRECIPIENT of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the SUBRECIPIENT receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

3) Women- and Minority-Owned Businesses (W/MBE)

The SUBRECIPIENT shall take the affirmative steps listed in 2 C.F.R. § 200.321(b)(1) through (6) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible when the SUBRECIPIENT procures property or services under this Agreement. As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended, 15 U.S.C. § 632 (a), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish heritage Americans, Asian- Americans, and American Indians.
