# LEVERAGED STRENGTHS

## Planning

## Housing

## Economic Development

## Infrastructure

## Multi-Sector

An aerial photograph of a large, multi-tiered stone fortification built on a cliffside. The fortification has several levels and a central tower with a small dome. The ocean is visible in the foreground and to the right, with waves crashing against the base of the cliff. The sky is blue with scattered white clouds. The overall scene is a coastal landscape with a prominent historical structure.
