1 Overview

The Puerto Rico Department of Housing (**PRDOH**) has developed a Citizen Participation Plan in compliance with 24 C.F.R. § 91.115 and applicable U.S. Department of Housing and Urban Development (**HUD**) alternative requirements as published in Federal Register Notices for Community Development Block Grant – Disaster Recovery (**CDBG-DR**) and Community Development Block Grant – Mitigation (**CDBG-MIT**), which supersede/waive and replace certain requirements with respect to citizen participation. These alternative requirements can be found in the Federal Register Notices listed below, and in any additional notices as applicable:

Table 1: Federal Register Notices and Alternative Requirements

CDBG-DR	CDBG-MIT
<ul style="list-style-type: none"> • Federal Register Notices Vol. 83, No. 28 (Friday, February 9, 2018), 83 FR 5844; and • Federal Register Notice Vol. 83, No.157 (Tuesday, August 14, 2018), 83 FR 40314. 	<ul style="list-style-type: none"> • Federal Register Notice Vol. 84 No. 169 (Friday, August 30, 2019) 84 FR 45838; and • Federal Register Notice Vol. 85 No. 17 (January 27, 2020), 85 FR 4676.

As both CDBG-DR and CDBG-MIT are founded on the same regulatory framework of HUD's CDBG program, the citizen participation requirements contained in this plan apply to both programs, except where explicitly described as a unique CDBG-MIT requirement.

The Citizen Participation Plan outlines the requirements that are to be followed for citizen participation in activities related to the CDBG-DR and CDBG-MIT grants. This Citizen Participation Plan is separate and distinct from Citizen Participation Plans utilized for the Consolidated Planning process or non-disaster recovery functions carried out by other agencies in Puerto Rico and is allowed by HUD to differ, as outlined in the Federal Register.

This Plan is intended to maximize the opportunity for citizen involvement in the planning and development of CDBG-DR and CDBG-MIT programs, including but not limited to:

- The amount of assistance expected to be available to impacted communities;
- The range of eligible activities to be undertaken;
- Performance reports; and
- Other Action Plan and program activities.

The goal of the Citizen Participation Plan is to provide Puerto Rico's residents with an opportunity to provide feedback and participate in the planning and assessment of the PRDOH's CDBG-DR and CDBG-MIT recovery programs. In order to facilitate citizen involvement, PRDOH has coordinated actions to encourage participation and allow

equal access to information about the program. PRDOH has additionally designated staff who serve as citizen participation coordinators.

PRDOH communicates with citizens and organizations through a wide range of methods. As part of PRDOH's commitment to disseminate information across Puerto Rico, PRDOH will involve Municipalities, Government Agencies, Non-Profit and Non-Government Organizations as partners to distribute information to citizens, especially those of low and moderate income, those living in slums and blighted areas and in areas identified for recovery through CDBG-DR or mitigation through CDBG-MIT, as well as other disadvantaged populations. This includes, but is not limited to, sending direct communication to these organizations via electronic mail; postal mail, or in person through stakeholder sessions for further transmittal to their constituents.

2 Applicability

As per 24 C.F.R. § 91.115 and alternative requirements published in the applicable Federal Register Notices, the Citizen Participation Plan must encourage citizen participation in the development of the Action Plan, any substantial amendments to the Action Plan, and performance reports. This Plan indicates opportunities for citizen participation and engagement in activities financed with funding from a CDBG-DR or CDBG-MIT grant, administered by PRDOH, including activities carried out by local government in accordance with 24 C.F.R. § 91.115(e).

This Plan outlines areas for participation of all citizens, including those with disabilities or limited English proficiency (**LEP**). It conforms to the requirements of 83 FR 5844, 83 FR 40314, 84 FR 45838, and 85 FR 4676. Any additional special provisions established by regulations regarding citizen participation in relation to CDBG-DR or CDBG-MIT grants will supersede what is outlined in this document.

3 Program Accessibility of Information for CDBG-DR and CDBG-MIT

Information related to PRDOH's CDBG-DR and CDBG-MIT grants, including Action Plans, Action Plan amendments, program policies and procedures, performance reports, citizen participation requirements, program information, and details of contracts and ongoing procurement policies, will be publicly available at www.cdbg-dr.pr.gov. Program information posted to the website will be accessible and available in both Spanish and English and will be made available in accessible formats, including those readable by screen readers. PRDOH will make information available in alternate formats, as needed and upon request, to ensure effective communication to persons with disabilities.

PRDOH may use a variety of communication methods to notify the public of information regarding the CDBG-DR and CDBG-MIT programs. The methods listed have been used by PRDOH prior to the disaster to communicate information across the Island. The use of these methods varies based on region and municipality. In addition to these methods of outreach and an active online presence, PRDOH regularly provides CDBG-DR written outreach materials for all municipalities to use and communicate to their constituents. These methods may include, but are not limited to:

- Print media, such as the newspaper;
- Social media;¹
- Radio or television advertisements;
- Letters or emails to Municipalities, Government Agencies, Non-Profit and Non-Government Organizations;
- Notices posted to internet sites, including PRDOH's CDBG-DR and CDBG-MIT websites;
- Ads on billboards and bus stops;
- "Tumba coco" (a popular local method for communication which includes a vehicle with speakers used for promotion);
- Brochures and printed materials;
- Direct mail;
- Outbound call campaigns (live or automated);
- Email announcements;
- Community events or fairs;
- Webinars or web conferences;
- Web-based surveys;
- Focus groups or interviews;
- Community meetings;
- Press releases;
- Media events or interviews; and
- Other forms of communication accepted by HUD,

PRDOH will continue to coordinate outreach meetings with Municipalities, Government Agencies, Non-Profit and Community organizations, faith-based organizations and other interested stakeholders to disseminate information related to PRDOH Action Plans, substantial Action Plan amendments and CDBG-DR and CDBG-MIT Programs mentioned in the Action Plan.

¹ This may include the Department of Housing's Facebook page: <https://www.facebook.com/DeptVivienda/> or other methods

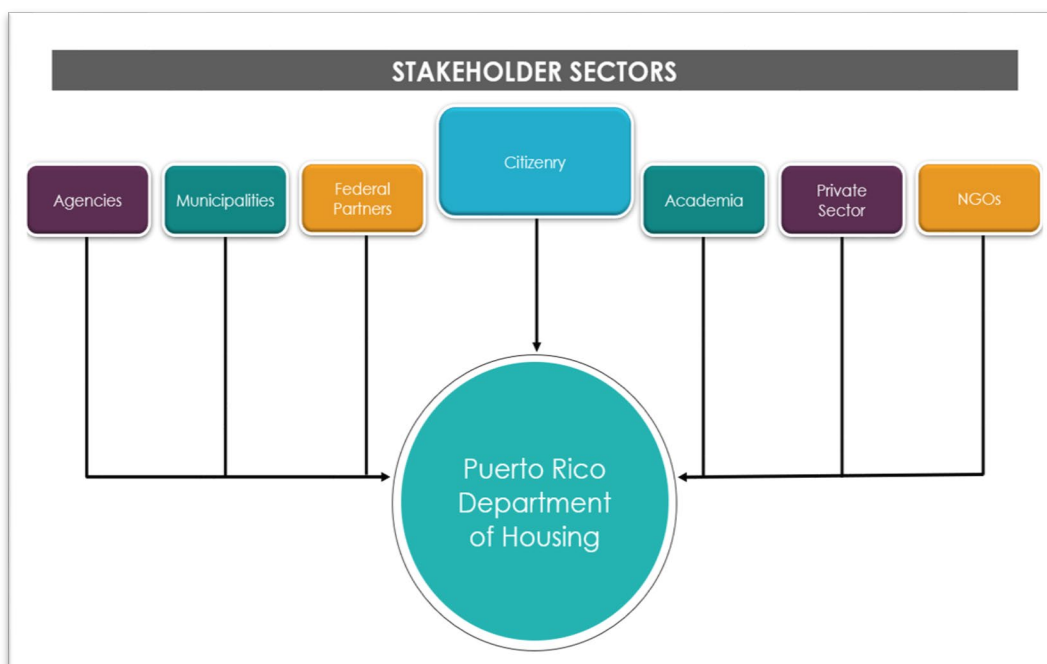

3.1 Addressing Low- and Moderate-Income Citizens for CDBG-DR and CDBG-MIT

To promote access to information on CDBG-DR and CDBG-MIT Programs among low-or-moderate-income citizens, PRDOH will organize special orientation events throughout the Island or use broad-based media campaigns. The use of direct communication with Municipalities, Government Agencies, Non-Profit and Non-Government Organizations as partners is intended to increase residents' access to information and is supplemental to communication between PRDOH and residents. In addition to citizen involvement, PRDOH encourages the participation of regional and island-wide institutions.

Simultaneously with the abovementioned efforts, PRDOH will distribute informational material through its regional offices and public residential administrators and strengthen the distribution of news information on the programs through regional media that operate in areas where CDBG-DR and CDBG-MIT funds will intervene. This is in accordance with the Plan's initiatives aimed to strengthen access to information among low- or moderate-income citizens and members of minority or disabled groups.

4 Program Methods for Citizen Participation for CDBG-DR and CDBG-MIT

The following section describes methods which will be used for citizen participation in relation to the CDBG-DR and CDBG-MIT programs. The methods described in this Plan are not intended to be exclusive of other methods of citizen participation allowed by HUD.

The “Contact Us” tool can be accessed directly at www.cdbg-dr.pr.gov/contact/.

4.2.1 CDBG-DR Information via the PRDOH Website

Interested individuals are encouraged to visit the PRDOH website, which is rich in information for the public to become informed and actively engage in participation.

The PRDOH landing page: <https://www.vivienda.pr.gov/> contains webpages dedicated to disaster recovery efforts.

Individuals can navigate to the CDBG-DR webpage from the Puerto Rico Department of Housing main website www.cdbg-dr.pr.gov by clicking on the “CDBG_DR-2017” tab.²

The CDBG-DR and CDBG-MIT webpages are available in English and Spanish using the language bar available.

PRDOH's website provides information on how grant funds are used and administered, including links to Action Plans, Action Plan amendments, CDBG–DR Program policies and procedures, performance reports, citizen participation requirements, and program information for activities described in its Action Plan. 4.3 Citizen Advisory Committee for CDBG-DR and CDBG-MIT

The Citizen Participation Plan recognizes the effort and work that non-profit organizations, community organizations and components of the Third Sector have carried out with the purpose of mobilizing and quickly informing a broad range of residents about opportunities for citizen participation.

After exploring various alternatives to enhance direct citizen participation, PRDOH has created a Citizen Advisory Committee from which initiatives can be developed to promote the active participation of the various organizations, communities, groups, sectors and unions in order to promote a participatory and transparent process and to evaluate the implementation of said Plan.

The Citizen Advisory Committee will serve as a link between the CDBG-DR Program and the various sectors. For these purposes, an administrative order will be established appointing the Advisory Council, as well as the necessary regulations to delineate the operation of the Citizen Advisory Committee.

The Citizen Advisory Committee is set up as a voluntary, consultative and advisory body of PRDOH, to which it is organizationally and functionally subordinate. The main functions of the Citizen Advisory Committee are to provide guidance and serve as a collaborator with, and to inform PRDOH of the needs, interests and priorities of the individuals and sectors it represents during the recovery process and the development of the programs under CDBG-DR. The Citizen Advisory Committee may be invited to participate in working groups, as experts, and persons in the public or private sector related to the matters under discussion. The Citizen Advisory Committee promotes the objectives of programs related to vulnerable populations and low to moderate income persons, and facilitates awareness of the unmet needs that should be a priority in the design and implementation of the plans outlined for the use of CDBG-DR funds by the communities. The Committee members also support PRDOH through outreach efforts to those they represent by providing accurate information regarding CDBG-DR and CDBG-MIT Programs promoting the opportunities and benefits that the programs offer.

The Citizen Advisory Committee for PRDOH will fulfill the functions of the CDBG-MIT requirements. HUD guidance at 85 FR 4676 provides that the Committee will meet at least **twice (2) per year** for the life of the grant, in an open forum to inform the public of the CDBG-MIT projects and programs and provide the public a platform from which to give feedback. This Committee shall meet in an open forum not less than **twice (2) annually** in order to provide increased transparency in the implementation of CDBG-MIT funds, to solicit and respond to public comment and input regarding the grantee's mitigation activities and to serve as an on-going public forum to continuously inform PRDOH's

CDBG–MIT projects and programs. These meetings will provide the opportunity to solicit and respond to public comments on the mitigation activities.

4.4 Participatory Engagement for CDBG-DR and CDBG-MIT

In addition to the methods above, PRDOH will from time to time convene other engagement sessions, roundtables, and presentations to associations and community organizations to promote CDBG-DR and CDBG-MIT program information and gather input from outside participants. These sessions will occur at the discretion of PRDOH.

4.5 Other Methods for Citizen Participation for CDBG-DR and CDBG-MIT

As part of the implementation of CDBG-DR and CDBG-MIT Programs, PRDOH will regularly interact with Municipalities, Non-Governmental Organizations and the citizens of Puerto Rico. These methods may include but are not limited to:

- Web-based surveys;
- Coordination with municipalities, non-profit or community organizations, faith-based or other organizations;
- Focus groups or interviews; and
- Other in-person meetings as requested by individuals or organizations.

6 Action Plan and Amendments for CDBG-DR and CDBG-MIT

Action Plans bring together the strategies that will be used by PRDOH to promote the recovery from past disasters and mitigation of future disasters. Through the Action Plan, the Government of Puerto Rico directs the implementation of the CDBG-DR and CDBG-MIT funds.

The PRDOH Action Plan can be located on the website in English at: www.cdbg-dr.pr.gov/en/action-plan/ or in Spanish at: www.cdbg-dr.pr.gov/plan-de-accion/.

6.1 Action Plan Public Hearing Requirements for CDBG-DR and CDBG-MIT

6.1.1 Public Hearings for CDBG-DR

Although 83 FR 40314 waived the requirement that public hearings must be held by grantees in order to disseminate information and collect citizen comments, PRDOH opted to host public hearings regarding development of the Action Plan in accordance with 83 FR 5844. If PRDOH determines to hold such hearings, they will be advertised as outlined above regarding public hearings. Public hearings will be conducted for Action Plans or substantial amendments for allocations over \$1 billion, or as required by Federal notices.

6.1.2 Public Hearings for CDBG-MIT

HUD guidance at 83 FR 45843 prescribes for CDBG-MIT grantees the number of public hearings that must be convened, based upon the amount of the grantee's allocation. PRDOH adheres to the guidelines for allocations of \$1 billion or more requiring at least **four (4) public hearings** in the HUD-identified most impacted and distressed area with at least **two (2)** of these public hearings occurring prior to the publication of the Action Plan for public comment. Since all of Puerto Rico has been designated by HUD as most impacted and distressed, PRDOH will select locations within each of the four (4) housing regions⁴ utilized for the CDBG-DR Program to hold public hearing, public health conditions permitting (see Location of Public Hearings section below). The CDBG-MIT Action Plan public comment period will be open for **forty-five (45) calendar days**.

6.1.3 Location of Public Hearing Events for CDBG-DR and CDBG-MIT

Public Hearings will be held in locations which are accessible to persons with disabilities⁵ and, to the extent feasible, at times that are outside of standard business hours. Interpretation services for English and Spanish and sign language will be made available at Public Hearings. Other reasonable accommodations to assist individuals with

⁴ For details about the regions and locations utilized to hold public hearings in the CDBG-DR Program, please refer to the CDBG-DR Action Plan. However, these regions could change according to the needs of CDBG-MIT.

⁵ Grantees must give priority to alternative methods of product or information delivery that offers programs and activities to qualified individuals with disabilities in the most integrated setting appropriate under HUD's implementing regulations for Section 504 of the Rehabilitation Act, 29 U.S.C. § 794. (See 24 C.F.R. part 8, subpart C).

disabilities will be made available at Public Hearings upon request. Requests for reasonable accommodations may be made using the communications methods outlined in the Communication for Individuals with Disabilities section below. When feasible, PRDOH will record public hearings, making them available for live viewing, and create archival footage of public meetings that will be placed on the PRDOH website.

Due to the COVID-19 health concerns, in early 2020 HUD provided guidance regarding alternative allowable measures related to public hearing requirements. In accordance with that guidance, and in lieu of the ability to conduct in-person events, if PRDOH chooses to conduct a public hearing, PRDOH will use mechanisms such as social media platforms and/or radio broadcasts to conduct public hearings. Residents will have the option of submitting comments during the public hearings through one or more of the following, including the CDBG-DR website, webinar chat functions, radio call-ins, comments on social media and through the call center (1-833-234-CDBG or 1-833 234-2324, (TTY: 787-522-5950). Recordings of these events would be made available on the PRDOH website and/or social media within **five to ten (5-10) business days** of the event.

6.2 Action Plan Amendments for CDBG-DR and CDBG-MIT

Any amendments to the Action Plan will be made in conformity with HUD requirements. Non-substantial amendments addressing minor administrative changes will be presented to HUD at least **five (5) business days** prior to being incorporated into the comprehensive Action Plan. Substantial amendments will be publicly posted at www.cdbg-dr.pr.gov for no less than **thirty (30) calendar days** for CDBG-DR and no less than **thirty (30) calendar days** for CDBG-MIT to allow public input before finalizing and incorporating into the comprehensive Action Plan.

PRDOH will prominently post notice of amendments to the www.cdbg-dr.pr.gov website. This may include the use of website pop-up banners, social media postings and other methods for announcing and performing outreach to afford citizens, affected local governments and other interested parties a reasonable opportunity to examine the plan or amendment's contents.

Changes made via substantial amendments to the Action Plan will be highlighted or otherwise identified within the context of the entire Action Plan. As required by 83 FR 40314 and 84 FR 45838, every substantial amendment will include the following:

- A section that identifies what content is being added, deleted or changed;
- Chart or table that clearly illustrates where funds are coming from and where they are moving to; and
- Revised budget allocation table that reflects all funds.

A substantial amendment is defined as an amendment that contemplates one (1) or more of the following:

- The addition of a covered project (applicable to CDBG-MIT only);
- Change in a program benefit or eligibility criteria;
- Addition or deletion of an activity; and
- Allocation or reallocation of more than ten percent (10%) of grant funds.

The most current version of the approved Action Plan, including any substantial amendments, will be posted as a single document and located at: <https://www.cdbg-dr.pr.gov/en/action-plan/> in English and <https://www.cdbg-dr.pr.gov/plan-de-accion/> in Spanish. Posting the Action Plan and any amendments as a single document allows the public to view the Action Plan as a whole, rather than the public having to view and cross-reference changes among multiple amendments.

6.3 Access to Action Plan or Substantial Amendments for CDBG-DR and CDBG-MIT

Citizens who cannot access the Action Plan or proposed substantial amendments through the website may request assistance from PRDOH:

- Via telephone: 1-833-234-CDBG or 1-833-234-2324 (TTY: 787-522-5950)

It is PRDOH's responsibility, as grantee, to ensure that all complaints are dealt with promptly and consistently and at a minimum, to provide a timely, substantive written response to every **written** complaint within **fifteen (15) business days**, where practicable, as a CDBG grant recipient. See 24 C.F.R. § 570.486(a)(7).

Citizens who wish to submit formal complaints related to CDBG-DR funded activities may do so through any of the following means:

9 Anti-Fraud, Waste, Abuse or Mismanagement

PRDOH, as grantee, is committed to the responsible management of CDBG-DR funds by being a good advocate of the resources while maintaining a comprehensive policy for preventing, detecting, reporting and rectifying fraud, waste, abuse, or mismanagement.

Pursuant to 83 FR 40314, PRDOH implements adequate measures to detect and prevent fraud, waste, abuse, or mismanagement in all programs administered with CDBG-DR funds as well as encourages any individual who is aware or suspects any kind of conduct or activity that may be considered an act of fraud, waste, abuse, or mismanagement, regarding the CDBG-DR Program, to report such acts to the CDBG-DR Internal Audit Office, directly to the Office of Inspector General (**OIG**) at HUD, or any local or federal law enforcement agency.
