At CPM Academy, we are committed to providing a high-quality education for the benefit of all parties, but most importantly, the participants. We are distinguished by the quality and effort of our trainers give in each training course. Our trainers have vast experience delivering online and in person trainings since we have been doing it for the past 30 years.

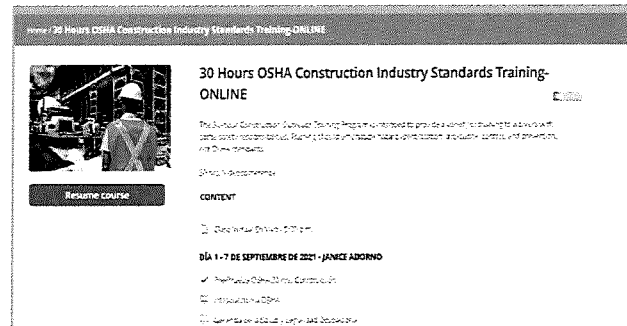

For online/distance trainings, we will use a platform called TalentLMS. As mentioned above, this is a web-based platform that students access with a username and password provided by us. In the platform, we create a profile for every student, and they can access it through the following website (<https://cpmacademy.talentlms.com/>). This platform has the capability to show presentations, important course documents, videos, keep attendance, exams or testing, and evaluations and other details. The videoconferencing system that this platform has is through an internal connection to the ZOOM platform, in which students with just a click of a button are immediately transferred to a Live Session with the trainers. It has functions such as camera, audio, whiteboard, screen sharing, class recording, polls, chat, among others. We will provide a guide on how to use the platform for a more complete training.

In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the CONTRACTOR under this Agreement shall, at the option of the PRDOH, become the PRDOH's property and the CONTRACTOR shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the CONTRACTOR shall not be relieved of liability to the Government of Puerto Rico and PRDOH for damages sustained by the Government of Puerto Rico and/or PRDOH by virtue of any breach of the Agreement by the CONTRACTOR, and the Government of Puerto Rico and/or PRDOH may withhold any payments to the CONTRACTOR for the purpose of set-off until such time as the exact amount of damages due to the Government of Puerto Rico and/or PRDOH from the CONTRACTOR is determined.
