The PRDOH may terminate this Agreement, in whole or in part, at PRDOH's sole discretion, with or without cause, at any time. EXHIBIT A

SCOPE OF WORK

NON-FEDERAL MATCH PROGRAM

IGLESIA CRISTIANA D1OSSIEMPRE PRESENTE, INC.

1. Program Overview/Background

Hurricane Irma (EM-3384/DR-4336) and Hurricane Maria (DR-4339), catastrophically devastated Puerto Rico in September 2017. In response, the Federal Emergency Management Agency (FEMA) and other Federal awarding agencies began to provide immediate Federal disaster relief assistance to Puerto Rico, its municipalities, and eligible private nonprofit organizations to address the wide range of response and recovery needs facing the Island. Federal grant programs come with a Non-Federal share, or "local match," requirement, which can be met with HUD CDBG-DR funds. To facilitate and expedite recovery from Hurricanes Irma and Maria, the PRDOH Non-Federal Match Program (NFMP) has been established to use CDBG-DR dollars to supplement Federal grant funding provided to the eligible Subrecipient Island-wide. This Program and SRA address the local match requirements that the Subrecipient must meet to participate in the FEMA Public Assistance (PA) program and identify items PRDOH needs from the Subrecipient so that PRDOH can provide HUD-compliant match payments for eligible work for this entity.

The primary partners to PRDOH in the NFMP are the Central Office for Recovery, Reconstruction and Resilience (COR3) and Subrecipients who for Hurricane Irma have a twenty-five percent (25%) cost share requirement and for Hurricane Maria, generally a ten percent (10%) cost share for FEMA PA projects. PRDOH will be providing the majority of cost share for the FEMA Project Worksheets (PWs) associated with these disasters by working directly with COR3 to access data and provide the match payment and with Subrecipient who will provide documentation required by HUD so that PRDOH can ensure full HUD compliance and reimburse Subrecipient for their cost share.

2. National Objective

PRDOH anticipates that three (3) national objectives will be used in the NFMP. PRDOH will work with entities who are funded through this Program to evaluate the service area and determine the national objective for each project. PRDOH anticipates that the two (2) national objectives that will be used most frequently are Low-and-moderate-income (LMI)-area benefit and Urgent Need (UN).

Projects in the Program will meet one of these national objectives:

- Benefit to LMI Persons (24 C.F.R. § 570.483(b))
- Urgent Need (UN) activities (24 C.F.R. § 570.483(d))
- Aid in prevention or elimination of Slums or Blight (SB) (24 C.F.R. § 570.483(c))

The Subrecipient shall certify, in the form requested by PRDOH, the qualifying activities in order to evidence that one (1) of the three (3) National Objectives has been met. Notwithstanding the above, the Subrecipient agrees to prioritize serving the LMI national objective.

3. Program Description

Like PRDOH's relationship with HUD, COR3 works directly with FEMA to implement all FEMA recovery programs, including the PA program, which is covered by this SRA. To minimize the burden on the Subrecipient of providing similar documentation multiple times to both COR3 and FEMA, and to simplify the match reimbursement process, PRDOH and COR3 are collaborating to implement this Program, and COR3 has provided PRDOH with access to data and documentation that has previously been compiled and submitted to COR3 and FEMA.

Due to differing programmatic requirements between FEMA Public Assistance and CDBG-DR, PRDOH will in some cases need to work directly with Subrecipient to obtain additional documentation that is not contained in COR3 or FEMA's systems.

The FEMA PA Program is one (1) of the largest FEMA's recovery programs in terms of total dollars, as it provides grants to units of governments and nonprofit entities to rebuild and repair disaster-impacted facilities. FEMA categorizes work based on the type of facility that needs to be repaired or replaced following a disaster.

These categories are:

FEMA Public Assistance Category	Work Type
Category A - Debris Removal	Emergency Work
Category B - Emergency Protective Measures	Emergency Work
Category C - Roads & Bridges	Permanent Work
Category D - Water Control Facilities	Permanent Work
Category E - Building and Equipment	Permanent Work
Category F - Utilities	Permanent Work
Category G - Parks, Recreational, and Other	Permanent Work

As noted above, PA projects can also be categorized as either being for emergency, response-related work or for permanent, long-term recovery work. Emergency work takes place immediately after a disaster event and falls into two (2) FEMA categories while permanent work is done to repair or replace a damaged facility or asset and falls into five (5) categories. PA Applicants may have work at the same facility that is both response and recovery related; however, FEMA, when obligating funds, clearly segregates

the scopes of work, so that funding is not being duplicated for the same scope.

4. Tasks

The Subrecipient agrees to complete all the required tasks described below, for which the PRDOHwillprovide the necessary technical assistance (TA) to complete them:

Task 1. Accessto Documentation

Activity: A key area of compliance for HUDCDBG-DRprojects is record-keeping and documenting that during HUDmonitoring, all items needed to substantiate a reimbursement request are available for review. While PRDOHwillfirst seek to obtain most documentation from materials that the Subrecipient has previously provided to COR3and FEMA,someHUD-required materials may not be in the documentation previouslyprovided and will need to be obtained directly from Subrecipients. This documentation may include detailed information on procurement processes and proof of payments to contractors and employees. PRDOH expects that most of these materials will be able to be provided through electronic means.

Deliverable: Throughout the life of the program, the Subrecipient will, as needed, provide PRDOHwith the documentation PRDOHrequires to determine program eligibility and compliance with HUDCDBG-DRspecific requirements so that PRDOHcan issue a match payment to the Subrecipient for CDBG-DReligible work. These requirements include environmental review, Civil Rightsrequirements, as defined below, Section 3, M/WBE,and Davis Bacon, among others.

Task 2. Participation in Mandatory Technical Assistance

Activity: A focus area for HUDis ensuring that PRDOHprovides TA to Subrecipients who receive CDBG-DRfunding. PRDOHwill provide TA to Subrecipients throughout the life of the Program in order to ensure that areas that could pose challenges for documenting full programmatic compliance are addressed. TAworkshops will initially cover broad federal cross-cutting areas that are applicable to both HUDand FEMA.These will be followed by TAon HUD-specifictopics that are pertinent to applicable phases of Subrecipients'project portfolios.

Deliverable/Outcome: The Subrecipient agrees to participate in the TA workshops provided by the PRDOHto best ensure CDBG-DRcompliance throughout the life of the Program. In the event that the Subrecipient decides to not participate in TA workshops, PRDOHreserves the right to place on hold, suspend or terminate the SRA and not provide corresponding reimbursement under the Program.

CYPP
CYP

Task 3. Follow Procurement and Contractual Requirements

Activity: A key area of compliance is ensuring that procurements are done in a manner compliant with all applicable CDBG-DR requirements, and the corresponding contracts awarded include the required clauses. Due to the considerable amount of disaster recovery work that will take place and that will require CDBG-DR funding to cover the Non-Federal share, PRDOH will adopt the procurement validation completed by FEMA and COR3, in accordance with the Procurement Manual for the CDBG-DR, CDBG-MIT, and CDBG State Programs Regulation No. 9506 (effective on October 25, 2023).

The Subrecipient agrees to comply with all requirements established by FEMA and 2 C.F.R. §§ 200.318-200.327 and to provide any additional supporting documentation requested by PRDOH to comply with applicable policies and regulations for any work that is expected to receive CDBG-DR funding.

Furthermore, the Subrecipient understands that, if the appropriate procurement procedures are not followed, they may not be considered eligible for corresponding match payment.

Procurement processes validated by FEMA and/or COR3 will be stored under the PRDOH system of record and may be subject to monitoring or auditing by the PRDOH, HUD, or any other entity with such authority.

Deliverable/Outcome: The Subrecipient agrees to comply with all requirements established by FEMA and 2 C.F.R. §§ 200.318-200.327 and to provide any additional supporting documentation requested by PRDOH to comply with applicable policies and regulations. For all procurement processes corresponding to projects included within a PW, the Subrecipient shall also submit a certification to PRDOH indicating compliance with 2 C.F.R. §§ 200.318- 200.327.

All contracts executed for services or work to be performed under a PW which will receive cost share funding, must include the standard CDBG-DR clauses to ensure compliance with Labor and Civil Rights requirements.

Task 4. Compliance with CDBG-DR Requirements: Section 3 & Minority/Women-Owned Business Enterprises (MWBE) Best Faith Efforts and Davis Bacon

Activity: Subrecipient agrees to participate in outreach events and utilize PRDOH resources to ensure compliance with Section 3, MWBE, and other applicable hiring goals for projects funded through the Program. Subrecipient agrees to timely file all Section 3 compliance documentation, including but not limited to submission of any and all required reports and supporting documentation.

KfJ
RPO

CYPP
CYPP

A key difference between FEMAandHUDfunding, and an area of focus for HUD, is ensuring that best faith efforts for Section 3 take place and that Section 3, M/WBE, and Davis Bacon reporting is ensured by both Subrecipientand contractors.

One of the best ways to ensure that the spending targets and compliance are met is that prior to procurements taking place, Section 3 and/or M/WBE firms are considered and built into project teams. Throughout the life of the program, PRDOHwill provide TA to the Subrecipient on Section 3, M/WBE, and Davis Bacon requirements so that the overall Program targets for PRDOH are met and best faith efforts are documented.

Deliverable/Outcome: Subrecipients will be required to participate in the TA workshops and may be required by PRDOH to participate or conduct other outreach events that are designed to ensure that CDBG-DR compliance with these requirements is achieved. In the event that the Subrecipient decides to not participate in TA workshops or engage in strategies that PRDOH develops to meet these goals of the Program, PRDOH reserves the right to place on hold, suspend and/or not provide reimbursement for PA projects being undertaken by Subrecipient. Subrecipients are advised that compliance with these focus areas may require that specific clauses are included in all service and construction contracts executed to carry out the work included in the PWs for which cost share is being provided.

Task 5. Submit Requests for Reimbursement and Provide Proof of Payment of Payments to COR3

Activity: A key area of focus for HUD is ensuring that CDBG-DR projects are reimbursement-based and that contractors who undertook work are paid for services provided. HUD requires that all documented costs were incurred and completed. As a result, PRDOH cannot approve CDBG-DR reimbursement for work that the Subrecipient undertook until it has obtained proof that the work was performed, completed and that this information is uploaded to PRDOH databases.

Upon completion of the work performed of the respective FEMAPW's scope of work with Non-Federal cost share, the Subrecipient shall submit to COR3 all required documentation to support expense, uploaded in COR3 Grant Management System (DRS).¹ To minimize the burden on Subrecipients of providing similar documentation multiple times, the Program will access, and download required documentation from COR3 database to ensure match payment eligibility. PRDOH shall request additional documentation from the Subrecipient to ensure CDBG-DR compliance. The Program

¹ COR3 Chapter 7 Payment and Cash Management policies.

cannot evaluate match payment eligibility without the required supporting documentation submission to COR3database.

Deliverable: The Subrecipient shall submit to PRDOHthe required documentation to support and request payment under the Program. Upon completion of the work performed of the respective FEMAP'sscopeof work with a potential match a payment, the Subrecipient agrees to submit to COR3all required documentation to support FEMA/COR3request for reimbursements and ensure FEMAPAcompliance within sixty (60) days of the work performed. Such documentation will be provided in an electronic form uploaded to COR3 database and/or upon PRDOH additional request for information. The PRDOHwill provide TA and guidance to instruct the Subrecipientabout the required documentation. The Subrecipient shall submit to PRDOHproof of payment or work completed, as required and instructed by the PRDOH.PRDOHreservesthe right to consider the PWineligible for match payment if Subrecipient fails to comply with this task.

Task 6: Submit subsequent Request for Reimbursements required documentation associated to COR3AdvancePayments

Activity: Match Payment funded with CDBG-DRwillbe paid if eligible only for work completed and invoiced. Assuch, the cost share applicable to the COR3 FEMAPA advance payments shall be supported with required supporting documentation included in the subsequent Request for Reimbursement (RFR).Forany Request for Advance (RFA)submitted to COR3with the required cost share, the Program must ensure match payment compliance with required supporting documentation.

Deliverable: Upon completion of the work performed of the respective FEMA/COR3Requestfor Advance with a potential match payment, the Subrecipient agrees to submit to COR3all required documentation to support FEMA/COR3request for reimbursement and ensure FEMAPA compliance within forty-five (45) days of receiving COR3 advance payment. Subrecipient shall notify PRDOHwithin ten (10) days of submission. The Program shall request additional information from the Subrecipient to ensure CDBG-DRcompliance and support the match payment. PRDOHreservestheright to consider the PWineligible for match payment if Subrecipientfails to comply with this task.

Task 7: Submit additional documentation requested via a Request for Information (RFI)as part of the Match Payment Evaluation Process

Activity: As part of the match payment compliance evaluation, the Programmay request additional information to support CDBG-DRspecific compliance requirements.

'KfJ)
RPO

CYPP
CYP

Deliverable: The Subrecipient shall be responsible for providing the requested documentation required by PRDOH through an RFI related to specific CDBG-DR Compliance Requirements within fifteen (15) days after receiving the RFI from PRDOH. Documentation shall be submitted to PRDOH in electronic means, when requested by PRDOH, and include the information requested by PRDOH. The PRDOH will provide TA and guidance to instruct the Subrecipient about the required documentation if necessary. PRDOH reserves the right to consider the PW ineligible for match payment if Subrecipient fails to comply with this task.

Task 8. Reporting

Activity: The Subrecipient will be responsible for submitting reports to the PRDOH to inform the status of tasks, PW progress, and metrics, and match payment status, as requested by PRDOH. Each report must be prepared in compliance with PRDOH's reporting requirements, using the report template provided by the Program.

Deliverable: Reports shall be submitted to PRDOH, when requested by PRDOH, and include the information requested by PRDOH.

Task 9. Closeout

Activity: The Subrecipients shall prepare a documentation package which will include all deliverables, reports, proofs of payments, and any other documents that the PRDOH may consider necessary to summarize, support and closeout the Subrecipient's tasks completed and match payments provided.

Deliverable: As required by the PRDOH, the Subrecipient will be responsible for submitting all the required documentation to record, reconcile and closeout the SRA.

5. Time Performance

All activities must be completed within the Term agreed upon in the SRA. More specific periods of performance for each scope of work within this SRA are shown in Exhibit B (Timelines and Performance Goals).

6. Budget

The NFMP is providing the Subrecipient an initial amount of funds as specified in Exhibit C (Budget). As additional FEMAPWs are obligated, PRDOH may budget additional funding through execution of budget modifications by way of an amendment. PRDOH reserves the right to de-obligate funding on a PW level should the PW fail to fully comply with CDBG-DR requirements or if the Subrecipient is deficient in following the established processes and/or submitting any additional information required within the timeframes stipulated under this SRA.

DESCRIPTION OF SERVICES

The PRDOH Non-Federal Match Program (NFMP) will provide a budget of eighty-eight thousand, nine hundred thirty-two dollars and two cents (\$88,932.02) for activities in this Subrecipient Agreement, dedicated toward facilitating a drawdown of CDBG-DR funds to support a match payment for the FEMA Public Assistance (PA) Program currently obligated Project Worksheets (PWs).

The NFMP will utilize data provided by FEMA and COR3 for the PA Program to determine HUD eligibility, creating a project file with sufficient supporting documentation that will allow PRDOH to submit a request for CDBG-DR funds.

Activity Delivery Costs - No Activity Delivery costs are to be incurred by the Subrecipient under this Agreement.

Planning - No Planning Costs are provided for this program, as FEMA has obligated projects through the PA program via project worksheets (PWs) to each applicant. Also, the PRDOH only provides the match, or Non-Federal share reimbursement, for work that has been performed by eligible applicants, so planning-related activities have already occurred.

Project Costs - the Subrecipient and PRDOH have agreed that eighty-eight thousand, nine hundred thirty-two dollars and two cents (\$88,932.02) of the CDBG-DR funds requested for the NFMP will be directed toward Project Costs and considered as the budget for this Agreement. Project Costs will be used as the local match for the project's current Non-Federal share.

Administrative Costs - No Administrative costs are to be incurred by the Subrecipient under this Agreement.

Outside of the Subrecipient's assistance to PRDOH through its scope of services in the form of additional documentation required, PRDOH will perform all eligibility reviews. PRDOH will also obtain and collect documentation from FEMA and COR3 data sources and as needed will contact the Subrecipient for additional documentation required in connection to the eligibility review. PRDOH also has the primary responsibility to engage with the Subrecipient in the Program and to provide Technical Assistance (TA).

Notes on budget

- (1) Total Budget allocated shall not be interpreted as the total sum of Non-Federal Share Required Amounts for each PW, but the total amount considered by the Program to be reasonable and necessary to cover the immediately required Non-Federal share. This amount may be based on the Program's budget availability, Program or individual project needs, project readiness or any other parameter considered by the Program. Disbursement shall be based on the actual needs of each PW, which may be affected by changes in project formulation, modification, obligation or de-obligation made by FEMA.*

The SUBRECIPIENT shall ensure that its Activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968, 42 U.S.C. §§ 4151-4156, requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or

altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of "residential structure" as defined in 24 C.F.R. § 40.2 or the description of "facilities" in 41 C.F.R. § 102-76.60 are subject to the requirements of the Architectural Barriers Act of 1968 and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 C.F.R. Part 40 for residential structures, and 41 C.F.R. Subt. C, Ch. 102, for general type buildings).

The Americans with Disabilities Act of 1990 ("ADA"), 42 U.S.C. § 12101 *et seq.* (ADA), provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable.

58. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 (24 C.F.R. PART 1)

1) General Compliance:

The SUBRECIPIENT shall comply with the requirements of Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d *et seq.*, and 24 C.F.R. § 570.601 and § 570.602. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this Agreement. The specific nondiscrimination provisions at 24 C.F.R. § 1.4 apply to the use of these funds. The SUBRECIPIENT shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by Title VI of the Civil Rights Act of 1964 or 24 C.F.R. Part I, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 C.F.R. Part I. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 24 C.F.R. Part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

If the SUBRECIPIENT receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part I shall extend to any facility located wholly or in part in such space.

3) Women- and Minority-Owned Businesses (W/MBE)
