WHEREAS, on September 2017, Hurricanes Irma and María made landfall in Puerto Rico causing catastrophic island wide damage, knocking out power, water, and telecommunications for the entire island and its island municipalities. Hurricane María caused major structure and infrastructure damage to family homes, businesses and government facilities triggering the displacement of thousands of residents of the Island from their homes and jobs.

WHEREAS, under the Continuing Appropriations Act, 2018 and Supplemental Appropriations for Disaster Relief Requirements Act, 2017, signed into law September 8, 2017 (Pub. These funds are intended to provide financial assistance to address unmet needs that arise and that are not covered by other sources of financial aid.

WHEREAS, on February 9, 2018, a Notice was published in the Federal Register, Vol. 83, No. 28 (83 FR 5844), that allocated \$1.5 billion for disaster recovery assistance to the Government of Puerto Rico.

WHEREAS, under the Bipartisan Budget Act of 2018, signed into law February 9, 2018 (Pub. L. 115-123), an additional \$8.22 billion were allocated by HUD for disaster recovery assistance to the Government of Puerto Rico under CDBG-DR.

WHEREAS, pursuant to a letter dated February 23, 2018 sent by the former Governor of Puerto Rico to the Secretary of HUD, the PRDOH is the governmental agency designated as grantee of the CDBG-DR funds allocated to the Government of Puerto Rico.

WHEREAS, on August 14, 2018, a Notice was published in the Federal Register Vol. 83, No. 157, (83 FR 40314) that made an additional allocation to Puerto Rico of \$8.22 billion for recovery. With these allocations of funding, the PRDOH aims to lead a transparent, comprehensive recovery to benefit the residents of Puerto Rico. PRDOH holds

accountability and is committed to the responsible, efficient, and transparent administration of CDBG-DR grant funding.

WHEREAS, On September 20, 2018, the Governor of Puerto Rico and the Secretary of HUD signed the Grant Agreement.

WHEREAS, pursuant to the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act or "Appropriations Act" (Division B, Subdivision 1 of the Bipartisan Budget Act of 2018, Pub. L. 115-123, approved on February 9, 2018), which allocated mitigation funds to grantees recovering from qualifying 2015, 2016, and 2017 disasters. CDBG-MIT funds are aimed to help states or local governments in the implementation of long-term planning, strategic, high impact activities to mitigate disaster risks and reduce future losses.

WHEREAS, on January 27, 2020, a Notice was published in the Federal Register, Vol. 85, No. 17 (85 FR 4676), that allocated approximately \$8.285 billion CDBG-MIT funds to the Commonwealth of Puerto Rico to assist in the implementation of mitigation activities.

WORR

WHEREAS, the PRDOH is the government agency designated as grantee of the CDBG-MIT funds allocated to the Government of Puerto Rico.

WHEREAS, on April 19, 2021, HUD approved the CDBG-MIT Action Plan (Action Plan) which, in compliance with HUD requirements, addresses the strategies and mitigation programs aimed for long term planning and risk mitigation activities to be implemented in Puerto Rico.

WHEREAS, on May 12, 2021 the PRDOH and HUD signed the Grant Agreement for Mitigation activities.

WHEREAS, the PRDOH is interested in contracting a firm which provides one hundred (100) Modular Workstations described in the Scope of Work (**Attachment C**) for the PRDOH staff. This firm will support PRDOH's objectives of ensuring compliance with all CDBG-DR/MIT, HUD and applicable federal and local requirements, rules and regulations, as well as in PRDOH's objectives of the Action Plan, as amended, and adequately coordinating and monitoring all CDBG-DR/MIT related activities.

WHEREAS, on September 23, 2019, the CDBG-DR/MIT Program published the Invitation for Bids (IFB) CDBG-DR-IFB-2019-01 to request sealed bids from qualified individuals for the acquisition of office furniture for the use of PRDOH personnel in the implementation of the CDBG-DR/MIT Program. The Evaluation Committee recommended Integrated Design Solutions, Inc. PRDOH executed contract #2020-DR0016 on August 20, 2019 to Integrated Design Solutions, Inc., (IDS) who provided the program with the requested furniture along with Modular Workstations. On August 11, 2020 the executed contract was amended in order to extend the contract term until August 19, 2021, for an additional year. An additional amendment was made to the contract on July 1, 2021 to adjust the contract amount and to request additional furniture in order to accommodate the new staff hired. Included within the amendment was an additional one hundred and forty-four (144) Modular Workstations. Currently, PRDOH is in the process of restructuring spaces to accommodate the program staff expansion and has already installed the Specific Semi Private Modular "L" Shape Workstations provided by IDS and will require the installation of additional modular stations.

WHEREAS, IDS is the sole distributor in Puerto Rico of the specific Semi Private Modular "L" Shape Workstation needed by PRDOH. Even when the Amended Contract B does not

expire until August 19, 2022, due to issues related to the global supply chain crisis, IDS cannot provide the goods at the price contracted since the freight costs have increased substantially. As such, the remaining balance in the Amended Contract B does not cover the costs for the goods to be acquired by the PRDOH. Since the amount increases by ten percent (10%) from the price indicated within Contract #2020-DR0016, as amended, an amendment to the existing contract cannot be performed and a new acquisition process must take place.

WHEREAS, Given the aforementioned information, the CDBG-DR/MIT programs requested a noncompetitive proposal through a Sole Source in accordance to the Procurement Manual for the CDBG-DR Program (Procurement Manual), Section 8.7, which establishes: "Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply: (a) the item is available only from a single source, based on a good faith review of available sources. (...)"

omdb

WORR
WORR

WHEREAS, Noncompetitive proposals when the item is available from only one source is allowed under the Procurement Manual 9205. As mentioned above, the specific Semi Private Modular "L" Shape Workstation needed by PRDOH are exclusively available in Puerto Rico from IDS. The Modular workstations are needed by the CDBG-DR/MIT programs to be able to accommodate adequately all staff members in the available space, maintain continuity and to ensure that the new Workstations connect safely and adequately with the current workstations. PRDOH verified similar workstations available from sources but sizes vary and are not compatible with the existing modular workstations. IDS is the sole distributor in Puerto Rico of the specific Semi Private Modular "L" Shape Workstation needed to complete the structuring of the floor design for the available space within the PRDOH to be used by the CDBG-DR/MIT Programs.

Re: Noncompetitive Proposal Method Modular Workstations Acquisition

The Puerto Rico Department of Housing (**PRDOH**) approved the Procurement Manual for the CDBG-DR Program Regulation No. 9205 of August 4, 2020, effective on September 3, 2020 (**Regulation No. 9205**). The procurement policies and procedures contained in Regulation No. 9205 apply to all procurement procedures under the Community Development Block Grant – Disaster Recovery (**CDBG-DR**) and Mitigation (**CDBG-MIT**) Programs and activities whether funded in whole or in part with CDBG-DR and CDBG-MIT funds. PRDOH, in the administration of CDBG-DR and CDBG-MIT funds, will follow these procurement policies. According to Administrative Determination No. 2021-01 dated May 21, 2021, subscribed by the Administrator and Chief Procurement Officer of the Puerto Rico General Services Administration (**ASG**, by its Spanish acronym), the CDBG-DR and CDBG-MIT Programs administered by the PRDOH are excluded from application of Act No. 73-2019, as amended, also known as the General Services Administration for the Centralization of Government of Puerto Rico Purchasing Act of 2019 (**Act 73-2019**).

By means of this Noncompetitive Proposal Method, the Procurement Division recommends the award of the Modular Workstation Acquisition through the non-competitive proposal method to **Integrated Design Solutions (IDS)** for the acquisition and installation of modular workstations. The aforementioned agreement will be for the

acquisition of one hundred (100) Semi Private Modular "L" Shape Workstations for a total of \$205,000.00, and a contract for a period of two (2) years with an optional extension of up to one (1) additional year subject to the availability of funds.

User Area Request

The CDBG-DR Operations Division requested the acquisition of one hundred (100) Semi Private Modular "L" Shape Workstation to be used by PRDOH personnel working in the CDBG-DR and CDBG-MIT Programs. The acquisition was recommended to be conducted by a Noncompetitive Proposal Method as being available from a single source. On January 19, 2022 the Operations Division submitted a Written Justification (**Attachment I**) to the Procurement Division to justify the recommendation for this acquisition.

The number of recent new staff hires, as well as the number of employees that PRDOH plans to recruit soon, creates the need to acquire and install additional modular workstations for the continued efficient operation of the CDBG-DR/MIT Programs. A description of the goods and services to be acquired are included in the Scope of Work (**Attachment II**)¹.

Justification to develop a Noncompetitive Proposal Method

The Operations Division requested this acquisition through a Noncompetitive Proposals Method, under the exception of single source availability. Section 8.7 of Regulation No. 9205 for Noncompetitive Proposals Method and Emergency Purchases, subsection (a), states the following: "[t]he item is available only from a single source, based on good faith review of available sources."²

¹ Scope of Work attachment corresponds to Exhibit No. five (5) attached to the Written Justification provided by the User area.

² As stated in 2 C.F.R. § 200.320(c)(2).

The PRDOH CDBG-DR Program previously acquired the modular workstations by means of the Invitation for Bids (IFB) process CDBG-DR-IFB-2019-01. On September 23, 2019, the CDBG-DR Program published the IFB to request sealed bids from qualified individuals for the acquisition of office furniture for the use of PRDOH personnel in the implementation of the CDBG-DR Program. Included within the process was the acquisition and installation of one hundred (100) modular workstations. PRDOH executed contract #2020-DR0016 on August 20, 2019 with Integrated Design Solutions, Inc. (IDS), whereas they provided the Program with the requested furniture along with the Modular Workstations (**Attachment III**)³. On August 11, 2020, the executed contract was amended in order to extend the contract term until August 19, 2021, for an additional year, Amendment A (**Attachment IV**)⁴. An additional amendment was made to the contract on July 1, 2021 to adjust the contract amount and to request additional furniture in order to accommodate the new staff hires. Included within the amendment was an additional one hundred and forty-four (144) modular workstations, Amendment B (**Attachment V**)⁵. Nonetheless, the total amount of modular workstations contracted through the original contract and amendments has already been ordered and installed.

In view that PRDOH already has installed the specific Semi Private Modular "L" Shape Workstations provided by IDS, it is imperative that in order to maintain continuity and to ensure that the new workstations are compatible connecting safely and adequately with the current workstations, it is recommended that PRDOH enter into a new contract with IDS in order to acquire the same workstations. IDS is the sole distributor in Puerto Rico of the specific Semi Private Modular "L" Shape Workstation needed by PRDOH as stated in the Manufacturer Reference letter submitted in December 8, 2021 (**Attachment VI**)⁶. Even when the Amended Contract B does not expire until August 19, 2022, the total amount of modular workstations contracted through the original contract and amendments has already been exhausted. Additionally, due to issues related to the global supply chain crisis, IDS cannot provide the goods at the price contracted, as they did in Amendment B to the Contract, since the freight costs have increased substantially.

³ Contract #2020-DR0016 attachment corresponds to Exhibit No. one (1) attached to the Written Justification provided by the User area.

⁴ Contract #2020-DR0016 A attachment corresponds to Exhibit No. two (2) attached to the Written Justification provided by the User area.

⁵ Contract #2020-DR0016 B attachment corresponds to Exhibit No. three (3) attached to the Written Justification provided by the User area.

⁶ Manufacturer Reference letter attachment corresponds to Exhibit No. four (4) attached to the Written Justification provided by the User area.

omdb
omdb

WORR
WORR

As such, the remaining balance in the Amended Contract B does not cover the costs for the goods to be acquired by the PRDOH nor does the Contract, as amended, has left modular workstations to be ordered at the original price. Since the amount increases by 10% from the price indicated within Contract #2020-DR0016, as amended, an amendment to the existing contract cannot be performed and a new acquisition process must take place.

Cost reasonableness and Funds Availability

In order to determine the cost reasonableness, an Independent Cost Estimate (ICE) was prepared by the CDBG-DR Operations division to assist the PRDOH to determine how much funds should be set aside for the process. For the purpose of the development of the ICE, the PRDOH used Contract #2020-DR0016 dated August 20, 2019 with Integrated Design Solutions, Inc. (**Attachment VII**). It is assumed that the unit prices include the cost of any additional expenses such as shipping and handling fees (if applicable), profit, delivery fees, royalties, reimbursements, fringe benefits, warranty, maintenance, and any other applicable cost.

On October 2021, IDS submitted a quote for the supply and installation of one hundred (100) Semi Private Modular "L" Shape Workstation for a total amount of \$205,000.00 (**Attachment VIII**)⁷. The price difference between the previous purchase and the current quote represents an increase of ten percent (10%) as shown on Table 2. The cost is determined to be reasonable taking into consideration that the current quote was made after a considerable time since the original price quote was in submitted in 2019.

Table 2. Comparison of Previous Contract and IDS Quote

Equipment	Qty	Previous Contract Unit Price	Unit Price Quoted	Difference (%)	Difference (\$)
Modular Workstations	100	\$1,855.90	\$2,050.00	10%	\$194.10
Total Estimated Price		\$185,590.00	\$205,000.00	10%	\$19,410.00

In addition, the Operations Division conducted web-based research of other furniture suppliers and manufacturers that distribute similar modular workstations as the ones

⁷ IDS Quote attachment corresponds to Exhibit No. seven (7) attached to the Written Justification provided by the User area.

previously acquired by PRDOH (**Attachment IX**)⁸. The research showed that even though very similar modular workstations are available from other sources, the sizes and dimensions may vary and would not be compatible nor will connect safely and adequately with the existing modular workstations acquired by PRDOH.

Consequently, it was determined that the costs or prices of the goods to be acquired are reasonable within the accepted business practice by the Government of Puerto Rico. Afterwards, the Finance Division issued a certification of Funds (**Attachment X**) to certify the availability of funds for the amount of \$205,000.00.

omdb
omdb

Procurement Recommendation

In view of all the new hired employees and the additional staff that PRDOH plans to recruit in the upcoming months, the Operations Division must acquire and have available additional modular workstations to accommodate the personnel and assure an efficient operation of the CDBG-DR/MIT Programs. The acquisition of the Semi Private Modular "L" Shape Workstations will help to maintain continuity and ensure that the new workstations are compatible connecting safely and adequately with the existing workstation while making better use of the available space.

WORR
WORR

Since IDS is the sole authorized distributor in Puerto Rico of the specific Semi Private Modular "L" Shape Workstations already in use by the Program, the usage of the single source rule exception for a Noncompetitive Proposal Method is appropriate.

As part of the evaluation completed by the Procurement Division, several documents were examined such as the Written Justification, the Procurement Process Request form, Scope of Work, Request for Certification of Funds, and an Independent Cost Estimate. Furthermore, as explained in the Written Justification, the results of the search performed in the System Award Management (**SAM**) demonstrated that IDS had an active records status. Additionally, the Limited Denial Participation list (**LDP**)⁹ confirmed the absence of IDS on said list.

Based on the information provided, the Procurement Division recommends the award of this Noncompetitive Proposal Method to **IDS** to acquire one hundred (100) Semi Private
