

AIBONITO	
Total Funding Requested:	\$26,600,000.00
Housing	\$16,000,000.00
Infrastructure	\$10,600,000.00
Economic Development	No projects proposed

On 3/9/2018, the Autonomous Municipality of Aibonito submitted a proposal which provided demographic information and information on unmet needs in Aibonito. The proposal also included suggested activities to be funded under the CDBG-DR grant.

Aibonito's community impact assessment is summarized as follows:

Most impacted communities:

- Los Cuadritos de Barrio Pasto
- San Luis del Barrio Llanos
- Bo Robles Rabanal
- Caonillas del Barrio Caonillas
- Amoldadero del Barrio La Plata
- Nuevas Y Viejas del Barrio Pasto
- Barrio Algarrobo

Housing:

- 3,700 homes out of 9,000 were affected (41%)
- 7,992 submitted claims for damaged to FEMA (88%)
- 3,515 claims approved by FEMA (39%)
- 1,200 totally or severely impacted homes (13%)
- 300 homes in need of reconstruction (3.3%)

Infrastructure:

- 3,700 homes out of 9,000 were affected (41%)
- 7,992 submitted claims for damaged to FEMA (88%)
- All municipal roads were severely affected
- 55% has solar energy

Aibonito requests CDBG-DR funding be used to complete the following projects. A detailed description of project plans, phased project budget, project locations, and summary of impacted populations and national objective associated with each activity is outlined in the proposal.

Housing:

- Rehabilitate or reconstruct resilient homes for elderly citizens, children, and low to moderate income households.

Infrastructure

- Restore municipal roads and sidewalks by use of asphalt and concrete.

- Improvements to the sewage/storm systems.
- Create a solar power park to benefit the Amoldadero community.
