

MARICAO	
Total Funding Requested:	\$44,756,224.00
Housing	\$19,080,000.00
Infrastructure	\$7,000,000.00
Economic Development	No projects proposed

On 3/8/2018, the Municipality of Maricao submitted a proposal which outlined suggested projects to be funded under CDBG-DR. Projects suggested include information regarding the location, budget, national objective met and timeline of each. Projects suggested:

Housing

- Construct new homes.
- Relocate families out of high-risk areas.
- Development of resiliency measures for homes including solar power.
- Rehabilitate or reconstruct homes in their original place.

Infrastructure

- Construct emergency shelter to include solar power, generators, first aid equipment and storage space.
- Channelize waterways.
