Housing	-
Infrastructure	-
Economic Development	-

On 3/8/2018, the municipality of Rincon submitted a white paper with suggested activities to be funded under CDBG-DR. The proposal summarizes community impact and provides suggestions for activities to be carried out using CDBG-DR funding.

Community impact is summarized as follows:

- 984 homes sustained severe damage
  - 376 of which have damaged roofs
  - 88 were declared total loss
- Lost tourism due to damaged coastline

Housing

- Acquire unoccupied structures near the urban area to rehabilitate them and provide homes to people who lost everything.
- Construct new housing units.
- Relocate families out of high risk areas.

Infrastructure

- Rehabilitate pluvial system.
- Remove of debris from the natural drainages of Quebrada Grande, the Ramos and the Canal del Pueblo.

Economic Development

- Restore coastline.
