2. All services shall be made in accordance with PRDOH guidelines, HUD guidelines and regulations, and other applicable state and federal laws and regulations.
3. The Subrecipient will develop plans in accordance with the **Exhibit A** ("Scope of Work"). The PRDOH reserves the authority and discretion to review and approve such plans.

B. General Administration

Prohibited Activities: The Subrecipient may only carry out the roles and responsibilities described in this Agreement and the activities related to the performance of the Scope of Work described in **Exhibit A** of this Agreement. Notwithstanding anything to the contrary in this Agreement, the Subrecipient shall not be obligated to perform any work or services outside the Scope of Work described in **Exhibit A** of this Agreement.

The Subrecipient is prohibited from charging to the PRDOH the costs of CDBG and/or CDBG-DR ineligible activities, including those described at 24 C.F.R. § 570.207, unless waived or made eligible by an applicable Federal Register Notice, from using funds provided herein or personnel employed in the administration of activities under this Agreement for political activities, inherently religious activities, or lobbying. The Subrecipient may be financially liable for activities undertaken outside of the parameters of the Scope of Work of this Agreement.

C. National Objectives

Funds being used for planning activities for the development of community plans are part of the twenty percent (20%) planning and administrative cap of the Community Development Block Grant-Disaster Recovery (**CDBG-DR**) funds. Goals"), the PRDOH may at its discretion, terminate this Agreement, de-obligate funds made available under this agreement, and/or recapture funds previously expended by the Subrecipient under this agreement from Non-Federal funds. No contract extensions shall be granted unless the Subrecipient can document circumstances beyond its control that prevented the initiation of the activity. In accordance with written policies and procedures, the PRDOH shall review the properly filed and documented circumstances that are alleged to have prevented the initiation of activity and exclusively reserves the right to decide according to the reasons stated as well as the prevailing circumstances.

F. Staffing

The Subrecipient shall supervise and direct the completion of all activities under this Agreement. Any changes in assigned key personnel or their responsibilities under the activities included in **Exhibit A** ("Scope of Work") are subject to the prior approval of the PRDOH. If possible, it is the best practice for the Subrecipient to provide PRDOH with ample written notice of the personnel changes and requests. Ample notice in this context shall be **ten (10) business days**. If that is not possible, then the Subrecipient shall make all reasonable efforts to notify PRDOH of changes.

At a minimum, the Subrecipient shall assign the staff with the identified responsibilities in correlation to the identified activities as described in **Exhibit C** ("Key Personnel") of this Agreement, herein attached and made an integral part of this Agreement.

Depending on the needs of the Program activity, the Subrecipient shall provide staff and/or procure professional service contractors to assist with the compliance of said activities. The staff who will support the Program activities included in **Exhibit A** ("Scope of Work"), shall solely perform those tasks and shall be remunerated hourly.

The Subrecipient shall monitor the performance of its staff, and contractors against the goals and performance standards as stated in **Exhibit B** ("Timelines and Performance Goals").

A. Pre-Award Costs

Pre-award costs applicable to the Subrecipient are strictly prohibited.

IV. **PERFORMANCE, MONITORING AND REPORTING**

A. Monitoring

The PRDOH shall monitor the performance of the Subrecipient as necessary to ensure that the funds allocated to the Subrecipient are used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of this Agreement, including the timeframes and performance goals set forth in **Exhibit B** ("Timelines and Performance Goals") associated with the activities included in **Exhibit A** ("Scope of Work").

This review shall include: (1) reviewing financial and performance reports required by the PRDOH; (2) following up and ensuring that the Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the Subrecipient from the PRDOH detected through audits, on-site reviews, and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to the Subrecipient from the PRDOH as required by 2 C.F.R. § 200.521.

Substandard performance, defined as a performance that falls short of the standard expected of the Subrecipient, as specified in the Agreement's exhibits, shall constitute noncompliance with this Agreement.

If action to correct such substandard performance is not taken by the Subrecipient within **fifteen (15) days** after being notified by PRDOH, PRDOH may impose additional conditions on the Subrecipient and suspend or terminate this Agreement, disallow all or part of the cost of the activity or action not in compliance or initiate other remedies for noncompliance, as appropriate and permitted under 2 C.F.R. § 200.339.

B. Reporting

The Subrecipient shall submit regular monthly progress reports to the PRDOH, on the form and with the content to be specified and required by the PRDOH. The PRDOH shall later notify the Subrecipient in writing the guidelines and requirements applicable to the submittal of the monthly progress reports, and such notification shall be deemed incorporated by reference to this Agreement.

V. EFFECTIVE DATE AND TERM

This Agreement shall be in effect and enforceable between the parties from the date of its execution. The performance period of this Agreement is a maximum of **fourteen (14) months** from the date of its execution, ending in September 23, 2025.

The End of Term shall be the later of: (i) September 23, 2025; (ii) the date as of which the Parties agree in writing that all Close-Out Requirements¹ have been satisfied or, where no Close-Out Requirements are applicable to this Agreement, the date as of which the Parties agree in writing that no Close-Out Requirements are applicable hereto; or (iii) such later date as the Parties may agree to in a signed amendment to this Agreement.

The Subrecipient hereby acknowledges that this Agreement is subject to the grant agreement between the Government of Puerto Rico or the PRDOH, and HUD ("Grant Agreement"); and the availability of the allocated CDBG-DR funds. The Subrecipient also acknowledges and agrees that any suspension, cancellation, termination, or otherwise unavailability of the CDBG-DR allocation(s) shall result in the immediate suspension, cancellation, or termination of this Agreement, upon PRDOH's notice.

A. Contract Extensions:

PRDOH may, at its sole discretion, extend the Agreement's term for additional terms, upon mutual written agreement of the Parties. The term of this Agreement shall not exceed the lifetime of the initial Grant Agreement between PRDOH and HUD, unless the term of the initial Grant Agreement is extended by HUD, in which case the term of this Agreement cannot exceed the extension.

VI. BUDGET

A. Budget

The Subrecipient shall complete all activities in **Exhibit A** ("Scope of Work") of this Agreement in accordance with **Exhibit D** ("Budget") attached herein and make an integral part of this Agreement as such Budget may be amended from time to time.

Any proposed budget to be managed by the Subrecipient shall specify proposed funding for administrative costs and/or program delivery costs and/or planning costs, to the extent that such costs are considered applicable categories for funding.

¹ "Close-Out Requirements" means all requirements to be satisfied by each party in order to close-out this Agreement and the CDBG-DR funds provided herein in accordance with applicable Requirements of Law, including the execution and delivery by one (1) or more of the Parties of all close-out agreements or other legal instruments and the taking of any actions by one or more of the Parties in connection with such close-out, in any case as required under applicable Requirements of Law.

The Budget may include a reserve of the Subaward for PRDOH's activity delivery costs and expenditures related to the Program. The Subrecipient may not access the reserve identified in the Budget without written consent from the PRDOH.

The PRDOH may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the PRDOH. Any amendments to the Budget must be approved in writing and signed by the PRDOH and the Subrecipient.

B. Indirect Costs

Indirect costs invoiced, if any, must be consistent with the conditions set forth herein. Indirect costs may be charged to PRDOH under a negotiated indirect cost rate agreement with a federal cognizant agency, a *de minimis* indirect cost rate (for applicable entities), or an indirect cost proposal prepared in accordance with 2 C.F.R. part 200, subpart E, submitted to a federal cognizant agency, and approved by PRDOH in accordance with its written policies and procedures, which shall be included in the **Exhibit D** ("Budget").

C. Program Income

PRDOH reserves the right to authorize the Subrecipient to retain Program Income² to be used in eligible program activities as described in this Agreement. The Subrecipient shall notify PRDOH, within **twenty-four (24) hours** of receipt, of any Program Income generated by activities carried out with CDBG-DR funds made available under this Agreement. All Program Income (as defined at 24 C.F.R. § 570.500) generated by activities carried out with the CDBG-DR Funds must be returned to PRDOH if retention of such is not previously authorized by PRDOH. Program Income is subject to all applicable CDBG-DR laws, regulations, and PRDOH's policies and procedures for so long as it exists. Any interest earned on cash advances from the U.S. Treasury or interest paid on CDBG funds held in a revolving fund account is not Program Income and shall be remitted promptly to the PRDOH for transmittal to the U.S. Treasury no less frequently than annually.

All Program assets, other than Program Income (property, equipment, etc.), if any, shall revert to PRDOH upon termination of this Agreement in accordance with applicable Federal, laws, regulations, HUD Notices, policies, and guidelines.

PRDOH will later notify the Subrecipient in writing the applicable procedures for the return or reversion of Program Income and Program assets to the PRDOH, and such notification shall be deemed incorporated by reference to this Agreement.

² As defined in section VI (A) (19) (a) of the HUD Notice 83 Fed. Reg. 5844, 5856 (February 9, 2018, as may be amended by HUD), *Program Income* is:

[...] gross income generated from the use of CDBG-DR funds, except as provided in subparagraph (d) of this paragraph, and received by a State or a Subrecipient of a State."

[...]

Program income includes, but is not limited to, the following: (a) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG-DR funds; (b) Proceeds from the disposition of equipment purchased with CDBG-DR funds; (c) Gross income from the use or rental of real or personal property acquired by a State, local government, or Subrecipient thereof with CDBG-DR funds, less costs incidental to generation of the income (i.e., net income); (d) Net income from the use or rental of real property owned by a State, local government, or Subrecipient thereof, that was constructed or improved with CDBG-DR funds; (e) Payments of principal and interest on loans made using CDBG-DR funds; (f) Proceeds from the sale of loans made with CDBG-DR funds; (g) Proceeds from the sale of obligations secured by loans made with CDBG-DR funds; (h) Interest earned on program income pending disposition of the income, including interest earned on funds held in a revolving fund account; (i) Funds collected through special assessments made against nonresidential properties and properties owned and occupied by households not low- and moderate-income, where the special assessments are used to recover all or part of the CDBG-DR portion of a public improvement; (j) Gross income paid to a State, local government, or a Subrecipient thereof, from the ownership interest in a for profit entity in which the income is in return for the provision of CDBG-DR assistance.

D. Reversion of Assets

Use and Reversion of Assets. The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 2 C.F.R. part 200 and 24 C.F.R. §§ 570.502, 570.503, and 570.504, as applicable, which include but are not limited to the following:

The Subrecipient shall transfer to PRDOH any CDBG-DR funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.

Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of twenty-five thousand dollars (\$25,000) shall be used to meet one of the CDBG National Objectives pursuant to 24 C.F.R. § 570.208 until **five (5) years** after the expiration of this Agreement [or such longer period of time as PRDOH deems appropriate]. If the Subrecipient fails to use CDBG-DR assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay PRDOH an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG-DR funds for the acquisition of, or improvement to, the property. Such payment shall constitute Program Income to the PRDOH. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the **five (5) year period** or such longer period of time as PRDOH deems appropriate.

In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be Program Income (prorated to reflect the extent to which funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the PRDOH for the CDBG-DR program or (b) retained after compensating the PRDOH an amount equal to the current fair market value of the equipment less the percentage of non-CDBG-DR funds used to acquire the equipment.

VII. PAYMENT

A. Amount

This Agreement is based on the reimbursement of funds to the Subrecipient expended on approved CDBG-DR items. In order for the first disbursement of funds to be released, the Subrecipient must complete a Capacity Assessment with PRDOH. Funding is contingent on a CDBG-DR award to PRDOH or a Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD, and PRDOH's receipt of CDBG-DR funds. It is expressly agreed and understood that the total funding amount to be paid by the PRDOH to the Subrecipient under this Agreement shall not exceed the amount specified in **Exhibit D** ("Budget"). Such payment shall be compensation for all allowable services required, performed, and accepted under this Agreement. However, PRDOH reserves the right to reduce the funding amount if CDBG-DR funding is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in **Exhibit D** ("Budget").

Any additional funds to complete the services requested by the PRDOH to the Subrecipient shall be subject to funds availability and shall require an amendment to this Agreement.

B. Requests for Reimbursements

The Subrecipient shall submit to PRDOH requests for reimbursements of activities under this Agreement and consistent with the approved Budget (hereinafter, the "Request for

Reimbursement") and Scope of Work on a monthly basis. Each Request for Reimbursement shall be broken down into requested reimbursements against the Budget line items specified in **Exhibit D** ("Budget").

The Subrecipient shall submit Requests for Reimbursements to the PRDOH, on the form and with the content specified and required by the PRDOH. The Requests for Reimbursements must be submitted with all supporting invoices, bills, timesheets, monthly reports, and any other document necessary to justify the payment, or any other supporting document requested by PRDOH. The Request for Reimbursement must also be accompanied by documentation from the Subrecipient demonstrating that all procurements for which payment is requested have been made in accordance with this Agreement.

If PRDOH determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice shall be approved for payment. An authorized representative of the PRDOH shall review each Request for Reimbursement and, if adequate, shall approve and process its payment. Payments to the Subrecipient shall be made by check or electronic funds transfer (EFT). PRDOH reserves the right to conduct any audit it deems necessary.

In order for the Subrecipient to receive payment for any work performed hereunder, the following certification must be included in each Request for Reimbursement submitted to the PRDOH:

"Under penalty of absolute nullity, I hereby certify that no public servant of the government entity is a party to or has an interest of any kind in the profits or benefits to be obtained under the contract which is the basis of this invoice, and should he be a party to, or have an interest in, the profits or benefits to be obtained under the contract, a waiver has been previously issued. The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct. The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefor."

The PRDOH shall pay to the Subrecipient CDBG-DR funds available under this Agreement [See **Exhibit E** ("Funds Certification")] based upon information submitted by the Subrecipient for allowable costs permitted under this Agreement and consistent with the approved budget. Payments shall be made for eligible and allowed expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. PRDOH reserves the right to adjust payments in accordance with advance fund and program income balances available in Subrecipient accounts.

All notices, requests, approvals, and consents of any kind made pursuant to this Agreement shall be in writing and shall be deemed to be effective as of the date sent by certified mail, return receipt requested, or email. IX. AMENDMENT AND TERMINATION

A. Amendments

This Agreement may be amended provided that such amendments make specific reference to this Agreement, comply with programmatic policies, procedures, and guidelines, are executed in writing and signed by a duly authorized representative of each party, and are approved by PRDOH. Such amendments shall not invalidate this Agreement, nor relieve or release the Parties from their obligations under this Agreement. Unless specified, such amendments are not intended to effect nor will they constitute an extinctive novation of the obligations of the Parties under the Agreement and amendment.

This Agreement may be amended by the parties hereto, for the purpose of including any other CDBG-DR funded program included in the HUD-approved Hurricanes Irma and María current Action Plan.

The PRDOH may, in its discretion, amend this Agreement to conform with federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or the schedule of the activities to be undertaken as part of this Agreement, such modifications shall be incorporated only by written amendment signed by both the PRDOH and the Subrecipient.

However, PRDOH reserves the right to notify the Subrecipient in writing, email, or any other electronic method, of any applicable policies, procedures, regulations, requirements, guidelines, or change in law whether existing or to be established, as well as changes and/or amendments thereof, and the notified policies, procedures, regulations, requirements, guidelines, and laws shall be deemed incorporated by reference to this Agreement without the need of executing a separate written and signed amendment.

1. Termination for Cause

The PRDOH may terminate this Agreement, in whole or in part, upon **thirty (30) days'** notice, whenever it determines that the Subrecipient has failed to comply with any term, condition, requirement, or provision of this Agreement. Failure to comply with any terms of this Agreement includes (but is not limited to) the following:

- a. Failure to attend mandatory technical assistance and/or training, or comply with any of the rules, regulations, or provisions referred to herein, or such statutes, regulations, executive orders, and HUD guidelines, PRDOH's Program Guidelines, as applicable, policies or directives as may become applicable at any time;
- b. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this Agreement;
- c. Ineffective or improper use of funds provided under this Agreement; or
- d. Submission of reports by the Subrecipient to the PRDOH that are incorrect or incomplete in any material respect.

The Subrecipient shall have up to **thirty (30) days** to resolve the issues listed above to the satisfaction of PRDOH.

2. Termination for Convenience of the PRDOH

The PRDOH may terminate this Agreement at any time by notice in writing from the PRDOH to the Subrecipient. If the Agreement is terminated by the PRDOH as provided herein, the Subrecipient shall be paid the total compensation as the allowable services actually performed up until the date of termination. Any compensation under this paragraph must be for documented costs that are CDBG-DR eligible, allowable, allocable, and reasonable in accordance with Uniform Administrative Requirements.

This Agreement may also be terminated in whole or in part by either the PRDOH or the Subrecipient, or based upon the Agreement by both the PRDOH and the Subrecipient in accordance with the requirements in 2 C.F.R. part 200, subpart D.

3. Notification and Recoupment of Costs Incurred Prior to Termination

The PRDOH shall promptly notify the Subrecipient, in writing, of its determination and the reasons for the termination together with the date on which the termination shall take effect and any other notifications required under 2 C.F.R. part 200, subpart D. Upon termination, the PRDOH retains the right to recover any improper expenditures from the Subrecipient and the Subrecipient shall return to the PRDOH any improper expenditures no later than **thirty (30) days** after the date of termination. In the case of a Termination for Convenience only, the PRDOH may, at its sole discretion, allow the Subrecipient to retain or be reimbursed for costs reasonably incurred prior to termination, that was not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this Agreement, 2 C.F.R. part 200, subpart E, Cost Principles, and any other applicable state or Federal statutes, regulations or requirements.

4. Unilateral Termination

The PRDOH may terminate this Agreement, in whole or in part, at PRDOH's sole discretion, with or without cause, at any time. The PRDOH will terminate this Agreement by delivering to the Subrecipient a **thirty (30) day** notice of termination specifying the extent to which the performance of the work under this Agreement is terminated, and the effective date of

termination. Upon receipt of such notice, the Subrecipient shall immediately discontinue all services affected and deliver to the PRDOH all information, studies, and other materials property of the PRDOH. The Subrecipient has a continuous obligation to report to PRDOH any proceedings which apply to the Subrecipient under this paragraph.

Subrecipient shall provide to the PRDOH the assistance reasonably requested to facilitate the orderly transfer of responsibility for the performance of the services to the PRDOH or a third party designated by the PRDOH. PRDOH reserves the right to provide for the execution of a Transition Services Agreement for the Transition Period. In such instance, the Subrecipient will be paid at a reasonable, agreed upon, hourly rate for any work performed for the PRDOH during the Transition Period. Moreover, during that Transition Period, all finished or unfinished records (files, data, work product) connected with this Agreement will be turned over to PRDOH.

8. Availability of Funds

The Subrecipient shall disclose and certify that, to the best of its knowledge, none of the situations exist or may exist at the date of the execution of the Agreement. The aforementioned certification aids PRDOH, in its role as grantee, in identifying, evaluating, disclosing, and managing apparent, potential, or actual conflicts of interest related to CDBG-DR-funded projects, activities, and/or operations.

XI. INSURANCE & BONDING

The Subrecipient shall carry sufficient insurance coverage and bonding from insurers licensed to conduct business in the Government of Puerto Rico to protect all contract assets from loss due to any cause, including but not limited to theft, fraud, and/or physical damage. EXHIBIT A

SCOPE OF WORK

PREPAREDNESS PLANNING FOR COMMUNITY INITIATIVE PUERTO RICO OFFICE FOR THE SOCIOECONOMIC AND COMMUNITY DEVELOPMENT (ODSEC)

1. Initiative Overview/Background

As part of the CDBG-DR Programs implementation, eligible planning activities such as costs associated with creating a plan include data gathering, studies, analysis, and preparation of plans as identified by HUD in the Federal Register Notice for these funds. Furthermore, the CDBG-DR Action Plan states the importance of preparedness planning by describing the "many challenges faced due to back-to-back large-scale hurricanes" and Puerto Rico's commitment to "addressing and correcting recovery issues to ensure the health and safety of its residents." Additionally, the Action Plan explains how "having proper plans in place in advance of disasters ensures that all stakeholders understand their respective responsibilities and have a roadmap for success in undertaking response activities." Thus, the scope presented in this initiative for planning preparedness is aligned with HUD objectives and PRDOH's approved Action Plan for the CDBG-DR funds.

2. National Objective

CDBG-DR funds expended for planning are considered to address the national objectives for the grant as a whole; therefore, no documentation of compliance is required.

3. Initiative Description

Planning preparedness is the process of preparing in advance for any future event that may present risk or hazard to an individual, group, or community. This process involves the development of comprehensive actions in different scenarios in a way that increases efficiency and effectiveness when faced with any natural disaster. In the case of community planning preparedness, communities act as the main stakeholders

TMRS
TMRS

WORR
WORR

in the process of identifying risks and hazards as well as potential actions that can address any needs requirements for response and recovery.

The communities in Puerto Rico had continued to claim for a fair recovery after the disaster. This requires an adequate engagement of the government with impacted communities and conduct planning efforts for preparedness. The Preparedness Planning for Community (PPC) initiative aims to develop courses of action to increase the capacity of communities under *Puerto Rico Special Communities Integral Development Act* (Act No. 1-2001, as amended, 21 LPRA. § 962 et. seq) to be prepared and respond to any emergency. Additionally, through participatory processes, the communities will develop emergency planning efforts to be prepared for any consequences the natural disasters represent to the community welfare.

In addition to the tasks described below, and the outcomes and activities described in **Exhibit B (Timelines and Performance Goals)** and **Exhibit C (Key Personnel)**, the Subrecipient, with prior consent and written authorization of PRDOH, shall perform any other task necessary for the proper performance of the services under the SRA.

TIMELINES AND PERFORMANCE GOALS

PREPAREDNESS PLANNING FOR COMMUNITY INITIATIVE

PUERTO RICO OFFICE FOR THE SOCIOECONOMIC AND COMMUNITY DEVELOPMENT (ODSEC)

1. INITIATIVE DESCRIPTION

Planning preparedness is the process of preparing in advance for any future event that may present risk or hazard to an individual, group, or community. This process involves the development of comprehensive actions in different scenarios in a way that increases efficiency and effectiveness when faced with any natural disaster. In the case of community planning preparedness, communities act as the main stakeholders in the process of identifying risks and hazards as well as potential actions that can address any needs requirements for response and recovery.

The communities in Puerto Rico had continued to claim for a fair recovery after the disaster. This requires an adequate engagement of the government with impacted communities and conduct planning efforts for preparedness. The Preparedness Planning for Community (PPC) initiative aims to develop courses of action to increase the capacity of communities under *Puerto Rico Special Communities Integral Development Act* (Act No. 1-2001, as amended, 21 LPRA, § 962 et. seq) to be prepared and respond to any emergency. Additionally, through participatory processes, the communities will develop emergency planning efforts to be prepared for any consequences the natural disasters represent to the community welfare.

The document serves as an expansion of the Performance Goals set forth under this Exhibit. Approved Workplan Schedules are binding upon parties for the monitoring, measurement, and oversight of the SRA's activities progress.

3. KEY ACTIVITIES

As per the execution of this SRA, PRDOH will be conducting oversight progress, monitoring, and performance measurement of the following key activities and supplementary activities. PPC Initiative activities, deliverables, and timeframes are greatly detailed in the PPC Deliverable Guide, the Workplan Schedule or any other PPC Initiative document determined by the PRDOH. PRDOH reserves the right to amend the PPC Deliverable Guide and the Workplan Schedule or any other PPC document. Before any amendment takes place, PRDOH will notify the Subrecipient the reasons and justification for said change. However, changes will not require an amendment to the SRA. The Subrecipient agrees that activities, deliverables, and timeframes established for PPC Initiative will be binding upon the parties and, as part of the oversight for progress monitoring and performance measurement, the Subrecipient shall participate in periodic meetings.

Key Activities set forth below include information on minimum targets and sources of verification for the completion of each Deliverable. The Subrecipient must perform Key Activities for the completion of the Workplan Schedule, the Community Preparedness Plans (CPP) or any other document as agreed with PRDOH. Some additional targets and sources of verification may be discovered at later dates. Any additional target or source of verification for Key Activities may be added by PRDOH to the PPC Deliverable Guide and the Workplan Schedule, and will not require an amendment to the SRA. All sources of verification and key deliverables will be submitted to PRDOH for review, feedback and/or approval.

The SUBRECIPIENT agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. - b) Changes in the provisions of this Exhibit will require an amendment to the Subrecipient Agreement. Such amendment would result in the incorporation by reference of a modified **Exhibit H** to the Subrecipient Agreement.

2. Subrogation and Assignment Relating to Funds Received from the Puerto Rico Department of Housing – Preparedness Planning For Community Initiative.

Subrecipient further acknowledges that these provisions are intended to ensure that Subrecipient does not receive duplicate benefits available to the Subrecipient from another source, for the same purposes as the Grant Proceeds provided under the Program, and that, any assistance determined to be duplicative must be deducted from the Program's calculation of the Subrecipient's total need before awarding assistance.
