Prohibited Activities: The Subrecipient may only carry out the roles and responsibilities described in this SRA and the activities related to the performance of the Scope of Work described in **Exhibit A** ("Scope of Work") of this SRA. Notwithstanding anything to the contrary in this SRA, the Subrecipient shall not be obligated to perform any work or services outside the Scope of Work described in **Exhibit A** ("Scope of Work") of this SRA.

The Subrecipient may be financially liable for the activities undertaken outside of the parameters of **Exhibit A** ("Scope of Work") of this SRA.

C. National Objectives

This review shall include: (1) reviewing financial and performance reports required by the PRDOH; (2) following up and ensuring that the Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the Subrecipient from the PRDOH detected through audits, on-site reviews, and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to the Subrecipient from the PRDOH as required by 2 C.F.R. § 200.521.

The Subrecipient hereby acknowledges that this SRA is subject to the Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD ("**Grant Agreement**"); and the availability of the allocated CDBG-DR-MIT funds. The Subrecipient also acknowledges and agrees that any suspension, cancellation, termination, or otherwise unavailability of the CDBG-DR-MIT allocation(s) shall result in the immediate suspension, cancellation, or termination of this SRA, upon PRDOH's notice.

A. Contract Extensions:

PRDOH may extend the SRA's term for additional terms, upon mutual written agreement of the Parties. The term of this SRA shall not exceed the lifetime of the initial Grant Agreement between PRDOH and HUD, unless the term of the initial Grant Agreement is extended by HUD, in which case the term of this SRA cannot exceed the extension.

VI. BUDGET

A. Budget

The Subrecipient shall complete all activities in **Exhibit A** ("Scope of Work") of this SRA in accordance with **Exhibit D** ("Budget") attached herein and made an integral part of this SRA as such Budget may be amended from time to time.

Any proposed budget to be managed by the Subrecipient shall clearly specify proposed funding for administrative costs and/or program delivery costs and/or planning costs, to the extent that such costs are considered applicable categories for funding.

The Budget may include a reserve of the Subaward for PRDOH's activity delivery costs and expenditures related to the Program. The Subrecipient may not access the reserve identified in the Budget without written consent from the PRDOH.

The PRDOH may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the PRDOH. Any amendments to the budget must be approved in writing and signed by the PRDOH and the Subrecipient.

B. Indirect Costs

Indirect costs invoiced, if any, must be consistent with the conditions set forth herein. Indirect costs may be charged to PRDOH under a negotiated indirect cost rate agreement with a federal cognizant agency, a *de minimis* indirect cost rate (for applicable entities), or an indirect cost proposal prepared prior to the charging of any indirect cost to the Grant, in accordance with 2 C.F.R. Part 200, subpart E, submitted to a federal cognizant agency, and as approved by PRDOH in accordance with its written policies and procedures, which shall be included in **Exhibit D** ("Budget").

¹ "Close-Out Requirements" means all requirements to be satisfied by each party in order to close-out this SRA and the CDBG-DR-MIT funds provided herein in accordance with applicable Requirements of Law, including the execution and delivery by one or more of the Parties of all close-out agreements or other legal instruments and the taking of any actions by one or more of the Parties in connection with such close-out, in any case as required under applicable Requirements of Law.

C. Program Income

PRDOH reserves the right to authorize the Subrecipient to retain Program Income² to be used in eligible program activities as described in this SRA. The Subrecipient shall notify PRDOH, within **twenty-four (24) hours** of receipt of any Program Income generated by activities carried out with CDBG-DR-MIT funds made available under this SRA. All Program Income (as defined at 24 C.F.R. § 570.500) generated by activities carried out with the CDBG-DR-MIT Funds must be returned to PRDOH if retention of such is not previously authorized by PRDOH. Program Income is subject to all applicable CDBG-DR-MIT laws, regulations and PRDOH policies and procedures for so long as it exists. Contrary to CDBG-MIT provisions, any interest earned on cash advances from the U.S. Treasury or interest paid on CDBG funds held in a revolving fund account is not Program Income.

All Program assets, other than Program Income (property, equipment, etc.), if any, shall revert to PRDOH upon the termination of this SRA in accordance with applicable Federal laws, regulations, HUD Notices, policies, and guidelines.

PRDOH will later notify the Subrecipient in writing the applicable procedures for the return or reversion of Program Income and Program assets to the PRDOH, and such notification shall be deemed incorporated by reference to this SRA.

VII. **PAYMENT**

A. Amount

This SRA is based on the reimbursement of funds to the Subrecipient expended on approved CDBG-MIT items. Funding is contingent on a CDBG-MIT award to PRDOH or a Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD, and PRDOH's receipt of CDBG-MIT funds. It is expressly agreed and understood that the total funding amount to be paid by the PRDOH to the Subrecipient under this SRA shall not exceed the amount specified in **Exhibit D** ("Budget"). Such payment shall be compensated for all allowable services required, performed and accepted under this SRA. However, PRDOH reserves the right to reduce the funding amount if CDBG-MIT funding is not provided under the Grant Agreement at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in **Exhibit D** ("Budget").

Any additional funds to complete the services requested by the PRDOH to the Subrecipient shall be subject to funds availability and shall require an amendment to this SRA.

² As defined in section V(A)(19)(a) of the HUD Notice, 84 Fed. Reg. 45838, 45858 (August 30, 2019), as may be amended by HUD, *Program Income* is:

[...] gross income generated from the use of CDBG-DR-MIT funds, or a subrecipient of a State or local government, except as provided in subparagraph (d) of this paragraph."

[...]

Program income includes, but is not limited to, the following: (a) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG-MIT funds; (b) Proceeds from the disposition of equipment purchased with CDBG-MIT funds; (c) Gross income from the use or rental of real or personal property acquired by a State, local government, or Subrecipient thereof with CDBG-MIT funds, less costs incidental to generation of the income (i.e., net income); (d) Net income from the use or rental of real property owned by a State, local government, or Subrecipient thereof, that was constructed or improved with CDBG-MIT funds; (e) Payments of principal and interest on loans made using CDBG-MIT funds; (f) Proceeds from the sale of loans made with CDBG-MIT funds; (g) Proceeds from the sale of obligations secured by loans made with CDBG-MIT funds; (h) Interest earned on program income pending disposition of the income, including interest earned on funds held in a revolving fund account; (i) Funds collected through special assessments made against nonresidential properties and properties owned and occupied by households not low- and moderate-income, where the special assessments are used to recover all or part of the CDBG-MIT portion of a public improvement; (j) Gross income paid to a State, local government, or a Subrecipient thereof, from the ownership interest in a for profit entity in which the income is in return for the provision of CDBG-MIT assistance.

B. Requests for Reimbursement

The Subrecipient may submit to PRDOH requests for reimbursements ("**Request for Reimbursement**") of activities under this SRA and consistent with the approved **Exhibit D** ("Budget") and **Exhibit A** ("Scope of Work") every **two (2) months**. Each Request for Reimbursement shall be broken down into requested reimbursements against the Budget line items specified in **Exhibit D** ("Budget").

The Subrecipient shall submit Requests for Reimbursements to the PRDOH, on the form and with the content specified and required by the PRDOH. The Requests for Reimbursements must be submitted with all supporting invoices, bills, timesheets, monthly reports, and any other document necessary to justify the payment, or any other supporting document requested by PRDOH. The Request for Reimbursement must also be accompanied by documentation from the Subrecipient demonstrating that all procurements for which payment is requested have been made in accordance with this SRA.

If PRDOH determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice shall be approved for payment. An authorized representative of the PRDOH shall review each Request for Reimbursement and, if adequate, shall approve and process its payment. Payments to the Subrecipient shall be made by check or electronic funds transfer ("**EFT**"). PRDOH reserves the right to conduct any audit it deems necessary.

In order for the Subrecipient to receive payment for any work performed hereunder, the following certification must be included in each Request for Reimbursement submitted to the PRDOH:

"Under penalty of absolute nullity, I hereby certify that no public servant of the government entity is a party to or has an interest of any kind in the profits or benefits to be obtained under the contract which is the basis of this invoice, and should he be a party to, or have an interest in, the profits or benefits to be obtained under the contract, a waiver has been previously issued. The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct. The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefor."

The PRDOH shall pay to the Subrecipient CDBG-MIT funds available under this SRA [See **Exhibit E** ("Funds Certification")] based upon information submitted by the Subrecipient for allowable costs permitted under this SRA and consistent with the approved Budget. Payments shall be made for eligible and allowed expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. PRDOH reserves the right to adjust payments in accordance with program income balances available in Subrecipient accounts.

All Subrecipient invoicing and payments will be managed through PRDOH's Financial Management Systems, to ensure effective fully compliant cost principles and use of funds, maximizing operational and financial performance, minimizing risk, and providing optimal service.

2. Termination for Convenience of the PRDOH

The PRDOH may terminate this SRA at any time by notice in writing from the PRDOH to the Subrecipient. If the SRA is terminated by the PRDOH as provided herein, the Subrecipient shall be paid the total compensation as the allowable services actually performed up until the date of termination. Any compensation under this paragraph must be for documented costs that are CDBG-DR-MIT eligible, allowable, allocable, and reasonable in accordance with Uniform Administrative Requirements.

This SRA may also be terminated in whole or in part by either the PRDOH or the Subrecipient, or based upon the SRA by both the PRDOH and the Subrecipient in accordance with the requirements in 2 C.F.R. Part 200, subpart D.

In the case of a Termination for Convenience only, the PRDOH may, at its sole discretion, allow the Subrecipient to retain or be reimbursed for costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this SRA, 2 C.F.R. Part 200, subpart E, Cost Principles, and any other applicable state or Federal statutes, regulations or requirements.

4. Unilateral Termination

The PRDOH may terminate this SRA, in whole or in part, at PRDOH's sole discretion, with or without cause, at any time. The PRDOH will terminate this SRA by delivering to the Subrecipient a **thirty (30) day** notice of termination specifying the extent to which the performance of the work under this SRA is terminated, and the effective date of

Upon receipt of such notice, the Subrecipient shall immediately discontinue all services affected and deliver to the PRDOH all information, studies and other materials property of the PRDOH. If the Subrecipient does not deliver to the PRDOH all information, studies, and other materials property of the PRDOH within the established timeframe, and the PRDOH invests any additional funds to reproduce the information, studies, and other materials not provided by the Subrecipient upon termination, then the PRDOH will disallow from payments to the Subrecipient under this SRA the funds expended for the PRDOH to reproduce such information, studies, and other materials. In the event of a termination by Notice, the PRDOH shall be liable only for payment of services rendered up to and including the effective date of termination.

5. Suspension

The PRDOH may suspend this SRA in whole or in part at any time for the PRDOH's convenience. The PRDOH shall give the Subrecipient **five (5) days** written notice of such suspension. Upon receipt of said notice, the Subrecipient shall immediately discontinue all Services affected.

The Subrecipient has a continuous obligation to report to PRDOH any proceedings which apply to the Subrecipient under this paragraph.

TIMELINES AND PERFORMANCE GOALS

PLANNING AND CAPACITY BUILDING PROGRAM

UNIVERSITY OF PUERTO RICO – RÍO PIEDRAS CAMPUS

1. PROGRAM DESCRIPTION

The Planning and Capacity Building Program (**PCB Program**) aims to increase the adaptive capacities of eligible entities to better prepare for, respond to, and recover from disaster events through capacity building workshop(s) provided by the Subrecipient. The workshop(s) will require practical exercises that may complement planning tools, studies, or plans through the categories specified in PCB Program Guidelines.

For purposes of the PCB Program, the term "capacity building" is considered as a process of developing and strengthening the skills, abilities, processes, and resources that entities and communities need to minimize risk and damage from future hazards, increase resilience and public safety, and promote a culture of preparedness. This will enable recipients to:

- Determine their needs;

It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. In all other cases the assurance shall obligate the SUBRECIPIENT for the period during which Federal financial assistance is extended pursuant to the contract or application.

- b) Changes in the provisions of this Exhibit will require an amendment to the Subrecipient Agreement. Such amendment would result in the incorporation by reference of a modified **Exhibit H** to the Subrecipient Agreement.

2. Subrogation and Assignment Relating to Funds Received from the Puerto Rico Department of Housing – Planning and Capacity Building Program.

- a) These provisions are incorporated into the Subrecipient Agreement in consideration of the commitment by PRDOH to evaluate the Subrecipient's application for the award of disaster assistance funds (the "**Application**") or the Subrecipient's receipt of CDBG-DR/MIT disaster recovery funds (the "**Grant Proceeds**") under the Program being administered by PRDOH.

4. Agreement to Turn Over Proceeds; Future Reassignment.

- a) If Subrecipient (or, to the extent permitted by superior loan documents, any lender to which DOB Proceeds are payable) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to PRDOH, if Subrecipient received Grant Proceeds under the Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.
