Puerto Rico Department of Housing
CDBG-DR-RFP-2022-05

1. Introduction and Overview

The Puerto Rico Department of Housing (**PRDOH**) is issuing this Request for Proposals (**RFP**) to procure Legal Consulting Services for Commercial Transactions and Construction Developments for the Community Development Block Grant – Disaster Recovery (**CDBG-DR**) Programs, under the current Action Plan and subsequent action plans, as well as for the future allocation of funds under the CDBG-DR and CDBG-MIT programs. PRDOH seeks to select law firms and/or counselors at law to provide legal services to the Investment Portfolio for Growth (**IPG**) Program, across the Economic Development Programs, and other CDBG-DR and CDBG-MIT funded programs.

IPG Program

The IPG Program will foster both mixed-use, community-based development, as well as major infrastructure improvements supporting economic revitalization for Puerto Rico. The objective of this program is to develop a series of projects across Puerto Rico that result in large-scale commercial or industrial development in a broad-ranging category of activities and that cover a wide variety of economic revitalization initiatives. Projects are encouraged to be developed through public-private partnerships in which CDBG-DR funds are used as leverage for private funds for economic development activities, in concert with governmental or non-governmental organization (NGO) efforts. This may include, but is not limited to the development and/or redevelopment of:

- Commercial developments such as retail facilities including, but not limited to: shopping centers or stores; hotels, shipping distribution centers, or office buildings; Industrial/manufacturing complexes such as factories or industrial parks; and public commercial spaces such as convention centers or parking garages.
- Mixed-use developments, whereby projects will support business opportunities and other economic development in support of housing.
- Infrastructure development to support large economic revitalization activities, including, but not limited to: transportation facilities (new roads, street rehabilitation, sidewalk improvements, streetlights, parking facilities, streetscape improvements, etc.); and water, sewer, and drainage improvements directly supporting an economic revitalization activity.

A detailed description of all CDBG-DR and CDBG -MIT Programs is included in the Action Plans approved by HUD. A complete copy of both Action Plans (DR and MIT) are available at <https://www.cdbg-dr.pr.gov/en/action-plan/> and [CDBG-MIT Action Plan: Effective on April 19th, 2021 - CDBG](#), respectively.

Further, the IPG Program requires the drafting of loan closing legal documentation that addresses complex real estate, commercial lending issues. Legal documentation that will be used in the IPG loan closings must adequately protect Program's interests, including but not limited perfection of liens consistent with approved terms and conditions as well as inclusion of all applicable HUD, CDBG-DR federal and state compliance clauses. Also, aforementioned IPG loans closing legal documentation will be based on the Award Notification letter to be issued to Awardees. Accordingly, the drafting of the Award Notification letter requires specialized legal knowledge that integrates commercial lending, real estate as well as HUD, CDBG-DR applicable regulations. The hiring of external law firms for the drafting of the Award Notification letter and the legal documentation that will be used in the IPG Program loan closings as well as certain consultations regarding complex real estate, permits and commercial lending matters is imperative. The IPG funding awarding is based on a competitive case by case basis evaluation process. Hence, the information and communications received at every stage of the process is confidential. The **CONTRACTOR** shall take all measures and implement all controls that are necessary to maintain the information received at a confidential level and available only to the personnel directly working in every IPG Program case. The **CONTRACTOR** shall be bound by a strict code of ethics to preserve and protect both the established federal laws, rules, and regulations pertaining to CDBG-DR Programs.

The **CONTRACTOR** will be directly responsible for ensuring the accuracy, timeliness, and completion of all tasks assigned under this contract.
